Title:

Petitions Determined by Letter and Petitions Deferred Pending Further Investigations

Is this a key decision?

No - This report is for monitoring purposes only

Executive Summary:

In accordance with the City Council's procedure for dealing with petitions, those relating to traffic management, road safety and highway maintenance issues are considered by the Cabinet Member for City Services.

In June 2015, amendments to the Petitions Scheme, which forms part of the Constitution, were approved in order to provide flexibility and streamline current practice. This change has reduced costs and bureaucracy and improved the service to the public.

These amendments allow for a petition to be dealt with or responded to by letter without being formally presented in a report to a Cabinet Member meeting.

In light of this, at the meeting of the Cabinet Member for Public Services on 15 March 2016, it was approved that a summary of those petitions received which were determined by letter, or where decisions are deferred pending further investigations, be reported to subsequent meetings of the Cabinet Member for Public Services (now amended to Cabinet Member for City Services), where appropriate, for monitoring and transparency purposes.

Appendix A sets out petitions received relating to the portfolio of the Cabinet Member for City Services and how officers propose to respond to them.

Recommendations:

Cabinet Member for City Services is recommended to endorse the actions being taken by officers as set out in Section 2 and Appendix A of the report, in response to the petitions received.

Report title: Petitions Determined by Letter and Petitions Deferred Pending Further Investigations

1. Context (or background)

- 1.1 In accordance with the City Council's procedure for dealing with petitions, those relating to traffic management, road safety and highway maintenance issues are considered by the Cabinet Member for City Services.
- 1.2 Amendments to the Petitions Scheme, which forms part of the Constitution, were approved by the Cabinet Member for Policing and Equalities on 18 June 2015 and Full Council on 23 June 2015 in order to provide flexibility and streamline current practice.
- 1.3 These amendments allow a petition to be dealt with or responded to by letter without being formally presented in a report to a Cabinet Member meeting. The advantages of this change are two-fold; firstly, it saves taxpayers money by streamlining the process and reducing bureaucracy. Secondly it means that petitions can be dealt with and responded to quicker, improving the responsiveness of the service given to the public.
- 1.4 Each petition is still dealt with on an individual basis. The Cabinet Member considers advice from officers on appropriate action to respond to the petitioners' request, which in some circumstances, may be for the petition to be dealt with or responded to without the need for formal consideration at a Cabinet Member meeting. In such circumstances and with the approval of the Cabinet Member, written agreement is then sought from the relevant Councillor/Petition Organiser to proceed in this manner.

2. Options considered and recommended proposal

- 2.1 Officers will respond to the petitions received by determination letter or holding letter as set out in Appendix A of this report.
- 2.2 Where a holding letter is to be sent, this is because further investigation work is required of the matters raised. Details of the actions agreed are also included in Appendix A.
- 2.3 Once the matters have been investigated, a determination letter will be sent to the petition organiser or, if appropriate, a report will be submitted to a future Cabinet Member meeting, detailing the results of the investigations and subsequent recommended action.

3. Results of consultation undertaken

- 3.1 In the case of a petition being determined by letter, written agreement is sought from the relevant Petition Organiser and Councillor Sponsor to proceed in this manner. If they do not agree, a report responding to the petition will be prepared for consideration at a future Cabinet Member meeting. The Petition Organiser and Councillor Sponsor will be invited to attend this meeting where they will have the opportunity to speak on behalf of the petitioners.

4. Timetable for implementing this decision

- 4.1 Letters referred to in Appendix A to the report will be sent out by the end of July 2018.
