9 Debates

9.1 To be moved by Councillor Mrs Lucas and seconded by Councillor Duggins:

"This Council commits itself to ensuring that people with learning difficulties continue to enjoy the same quality of facilities and services that they have in the past from the City Council and no-one is left behind by change. At the same time seek a review to be undertaken when external funding of services for vulnerable people runs out so that an evaluation is made about how such services can continue to be made available."

9.2 To be moved by Councillor Mrs Stone and seconded by Councillor Miss Hunter:

"We call upon this Council to back the calls by the British Trade Union and the Older Peoples Forum, who are lobbying the Government over the massive rises in energy costs.

We believe that urgent action is needed and that a delegation from Coventry including a representative from the Older Peoples Forum and the British Pensioners Trade Union are involved.

This Council is concerned for the city's elderly and vulnerable citizens who have no idea how they are going to be able to afford to pay their massive increases in fuel costs."

There will be no restriction on the duration of meetings except that if any Council meeting continues for a period of more than 3 hours, there will be a break in proceedings as soon as 3 hours has elapsed since the start of the meeting unless the Council votes unanimously to continue without a break or the Lord Mayor or other person chairing the meetings determines that the remainder of the business of the meeting can be concluded within a reasonable time so as to render a break unnecessary. The break will be for a minimum of 5 minutes and a maximum of 15 minutes. This provision is intended to safeguard the health and wellbeing of Councillors and employees present at any meeting.
