Title
Report Back on the Work Of Outside Bodies – Wood End, Henley Green, Manor Farm and Deedmore New Deal for Communities Partnership Board

1 Purpose of the Report

1.1 At their meeting on 10th May, 2005, the Cabinet approved a process of reporting back to the Scrutiny Co-ordination Committee on the work of those outside bodies appointed to by the City Council. This reports sets out details of the work of the Wood End, Henley Green, Manor Farm and Deedmore New Deal for Communities Partnership (NDC) over the preceding twelve months and details of attendance by the City Council's representatives.

2 Recommendations

2.1 That the City Council continues to appoint two Councillors to the NDC Partnership Board.

3 Information on Work of Outside Body

3.1 The NDC Programme was awarded £54million of Government funding in 2000 to regenerate the Wood End, Henley Green, Manor Farm and Deedmore areas of Coventry. The programme focuses on reducing unemployment, reducing crime and the fear of crime, increasing educational achievement, improving health, and improving the physical environment within the WEHM area.

3.2 The NDC Partnership Board is responsible for the strategic co-ordination of the programme in delivering the overall objectives of the scheme. Local Residents, partner agencies, local businesses and elected members sit on the Board that meets monthly.

3.3 Coventry City Council is the Accountable Body for the NDC Partnership. As the Accountable Body, the City Council enters into a funding agreement, on behalf of the NDC Partnership, with Government Office for the West Midlands. As the Accountable Body the City Council agrees to take the risk for the money the Partnership allocates and spends in implementing its objectives.

3.4 Following the 2005 Performance Management Review conducted by Government Office for the West Midlands, the NDC Partnership's overall performance has been classified as "good".

4 Benefits to the City Council of the Appointment

4.1 The continued appointment to the NDC Partnership Board would:

- Provide a direct link between Cabinet and the NDC Programme in terms of progress and performance updates
- Provide a direct link between the NDC Partnership Board and City Council Accountable Body manager to ensure that the risk of breaching Government guidelines in the delivery of the scheme is minimised.
- Ensure that the City Council as a partner can influence the development of key strategic projects, for example, the MasterPlan and Leisure Centre
- Ensure that the City Council can add value to the NDC programme through strategy and delivery between the Partnership and Council where appropriate.

5 Attendance Record and Remuneration for the Appointment

5.1 Councillors O'Neill and Patton are the City Council's representative on the NDC Partnership Board. Over the past twelve months there have been 10 meetings of the Board of which both Councillor O'Neil and Patton have attended 8.
