

To
Scrutiny Co-ordination Committee

6th June, 2007

Subject
Re-appointment of Serco Contract Review Sub-Group

1 Purpose of the Note

To provide the Committee with information to help it to decide the membership of the Serco Contract Review Audit Sub-Group for 2007/2008.

2 Recommendations

The Committee is recommended to appoint (as far possible) the same members for 2007/2008 and not to fill the vacancy left by the member who is no longer eligible.

3 Information/Background

3.1 The members of the Sub-Group in 2006/2007 were:

Councillor Cliffe
Crookes
Field (**no longer a Councillor**)
Harrison (Deputy Chair)
Williams (Chair)

3.3 The Sub-Group has already done much of the work required on this review and its members are conversant with the background and issues involved. It is therefore suggested that the same members should be re-appointed for 2007/2008 to ensure continuity and that the vacancy left by former Councillor Field should not be filled.

3.4 The Sub-Group need not be politically balanced.
