applied. The paragraph references from the previous NPPF are still relevant. For clarity, the following references are made within the report;

- Paragraph 11 of the NPPF relates to the presumption in favour of sustainable development.
- The definition of affordable housing is as set out within Annex 2 as referenced under housing mix/affordable housing.
- Paragraph 130 under design, character and landscaping remains applicable. The committee report cites 127 also, however this should read as Para 126.
- Paragraph 167 remains applicable for drainage and flood risk considerations.

#### **LEAD LOCAL FLOOD AUTHORITY RESPONSE**

The committee report notes that the Lead Local Flood Authority raise an objection to the proposed development on the basis that the drainage information has not been submitted in full. Since the publishing of the report the LLFA have confirmed in writing that they are able to remove the objection to the development, subject to the condition requiring the remainder of the details to be provided. As set out within the committee report this is covered within Condition 14 attached to the outline consent, with the removal of this objection, no other objections are raised from any consultees.
