Coventry City Council recognises the Key objectives of the Feeding Coventry partnership project to tackle food poverty in Coventry:-

- 1) addressing emergency food needs;
- 2) increasing the understanding of the causes of food poverty;
- 3) promoting a sustainable food economy;
- 4) joining support networks which offer mentoring to achieve their goals.
- 5) developing cohesive partnerships across all organisations involved in emergency food provision, welfare and research
- 6) to provide a single simple information source for the city on the provision of food and related support.

Coventry city council supports the feeding Coventry project and calls on the government to support the feeding Britain initiative which is working on a national level to eliminate food poverty.

- 13.2 To be moved by Councillor Mayer and seconded by Councillor Ridley

“Coventry Council will write to all drivers who received the unlawful fines after driving through bus gates – designated sections of road for buses and taxis only at Park Road, Greyfriars Green and Gosford Street – between December 10, 2015 and April 21, 2016. Fines were issued because the Council failed to comply with legal signage.

The council realise motorists have been treated unfairly and have they paid a fine they should never have received. The council will now write to motorists wrongly fined to explain their right to apply for a refund and apologise for any undue stress this may have caused.”
