This application to review relates to the following licensing objective(s)

- Please tick one or more boxes ✓
- 1) the prevention of crime and disorder
 - 2) public safety
 - 3) the prevention of public nuisance
 - 4) the protection of children from harm

Please state the ground(s) for review (please read guidance note 2)

The grounds to this review are under the licensing objective: **PREVENTION OF CRIME AND DISORDER.**

The premises in question is a nightclub just outside the City Centre which currently operates until 6am. Over the last year several concerns have been raised with the DPS and premises license holder, around assaults within the premises and crimes/ASB outside the location when customers are leaving. A high proportion of these incidents occurred after 04:30am.

On 16th August 2015 an incident took place at the premises, which resulted in a Police Dispersal Order being utilised due to disorder at a private event being hosted within the premises. Prior to this, the premises had seen an increase in reported crime and disorder over preceding weekends. As a result of this incident a meeting was held on the 21st August 2015 with the Police, the Local Authority and the premises management. During this meeting several issues were discussed and it was agreed that there would be a new booking procedure in relation to events, an increase in SIA staff ratios, SIA staff to use bodycams whilst on duty, increased external lighting, a dispersal policy to be implemented, refusals/incident book to be implemented which would be emailed to the Police Licensing Team. Issues were also raised with regards to the door supervisors and management of the premises. Shortly after this the door team changed and a new company were employed by the club.

Operation Cocktail is an intelligence led proactive policing operation, where premises are visited in conjunction with partner agencies, during hours of trading to assess adherence to licensing conditions and objectives, prevent crime and disorder and promote public safety.

In early September 2015 Operation Cocktail visited the Club M and 3 wraps of white powder believed to be cocaine were recovered from a reveller, a crime of assault was also reported with the principle witness being only 17 years of age. This person had been allowed in to the club and had reportedly been drinking. Due to on-going concerns a meeting was held with the premises the next day where they were placed on a Police Action Plan. The local authority was party to this meeting and supported the Police providing video evidence with regards to a noise complaint. This showed youths congregating at the side of the club, in a disorderly and intimidating manner; this

activity occurred from around 0415hrs onwards.

Points on the Action plan implemented in September 2015 were as follows;

- (1) Door staff are to be briefed fully one hour before opening.
- (2) The smoking area perimeter fencing was to be altered to prevent objects being passed in to the club.
- (3) All seating was to be removed from the smoking area.
- (4) Extra SIA would be put in place in static positions in the smoking area.
- (5) At least 2 bodycams would be in operation when the club is open.
- (6) All customers are to have ID checked.
- (7) All customers are to be searched and wanded.
- (8) Hours of trade are to be reduced to 5am.
- (9) A dispersal policy is to be implemented.
- (10) DPS or personal license holder is to be on the front door from 2200hrs until 0400hrs.
- (11) 3 new external cameras are to be installed with extra flood lights.
- (12) Hand held breathalyser is to be utilised.

It was also agreed that all incidents recorded by the premises would be emailed to the Police Licensing Team every Monday morning.

Following the ejection of a customer from the premises on the 12th September 2015 the male was seen by officers to have a kinder egg in his possession which contained deals of heroin and crack cocaine. The male was arrested for possession and supply of heroin and crack cocaine. Again the premises were spoken to with regards to searching procedures and further action was considered by the Police.

On the 22nd September the premises were contacted as they had failed to comply with the action plan, as they had not emailed incident reports.

On the 1st November there was a report of a 17yr old girl having been assaulted. Again it transpired she had been in to the club.

A follow up meeting was held and it was agreed that Incidents/refusals would be more detailed; ALL persons would be ID'd to include the use of UV lights, all staff would have refresher training and the management structure would be considered. Following on from this the management changed, with some staff leaving the company.

The Premises then requested their hours be reinstated, but were told that the Police were not happy to do so at this stage and this was declined.

On the 14th December after notification that the premises were altering the management structure and reverting back to the old business model, a decision was made by managers within the Police to allow the premises to resume their 6am opening hours as they had abided by their conditions for several consecutive weeks and we felt confident key issues had been taken into consideration.

On the 19th December Operation Cocktail visited the club. Numerous indications were made by the passive Police dog, but no drugs were found. Premises spoken to about searching and prevention.

On the 29th May 2016 at 06:10hrs a fight broke out at the side of the premises whereby a male was seriously injured with life threatening, life changing injuries. The male was hit over the head with a broom handle. On viewing CCTV it appears that door supervisors and the DPS did not intervene or assist with any first aid once the disorder had concluded. The male was unconscious and unresponsive and as friends of the man try to help, door supervisors are seen to walk away from him, fully aware of his state. They then stand with the DPS in close proximity to the injured male watching as his friends try to physically lift him. The Police feel that this shows total disregard to the premises responsibilities to the public and their customers. It also shows poor management and a lack of general care.

A meeting was subsequently held with the DPS and premises license holder, and they were notified that the Police would be applying to review the premises license. They also requested that an interim Action Plan be considered, pending the review.

Over the last 12 months there have been 16 reported crimes relating to the club and directly outside, 38% of these are reported after 4am. There have also been 27 Police/Ambulance logs within the last 12 months and 52% of these are reported after 4am. The crimes relate to two drugs offences already mentioned, the rest being varying levels of assault. All the Police logs relate to

disorder and assaults.

Due to all of the above, the history of the premises and the lack of management and care, the West Midlands Police respectfully request that consideration be made for the committee to revoke the premises license. If the committee feel that this is not appropriate in the circumstances, the Police would like to offer an alternative of a reduction in hours of trade to 4am and the following conditions:

- (1) All door staff to wear fluorescent vest/tabards when working at the premises.
- (2) A dispersal policy is to be implemented to the agreed standard of the WMP. This is to include the entire external perimeter.
- (3) A minimum of 2 body cams are to be worn by SIA staff. At least one of these is to be worn by a door supervisor at the main entrance when customers are entering the club.
- (4) Still photographs are to be taken of all persons entering the premises.
- (5) Regular outer glass and bottle collections are to take place.
- (6) A 'cool down' period is to operate at the club, a minimum of 30 minutes before closing.
- (7) An ID scanner is to operate at the premises, unless agreed by the WMP.
- (8) A minimum of 14 days' notice will be given to Coventry Police Licensing Team for any events out of normal business. The WMP will have the authority to veto any such event.

The West Midlands Police respectfully submit this application for your consideration.

Please provide as much information as possible to support the application (please read guidance note 3)

Annex 1

Mandatory Conditions

Section 19 Licensing Act 2003

Where this licence authorises the supply of alcohol,

- 1. No supply of alcohol may be made under the licence:**
 - a. at a time when there is no designated premises supervisor (DPS) in respect of the licence, or**
 - b. at a time when the DPS does not hold a personal licence or that licence is suspended**

- 2. Every supply of alcohol under the licence must be made or authorised by a person who holds a personal licence**

Section 20 Licensing Act 2003

Where this licence authorises the exhibition of films,

- (1) the admission of children to the exhibition of any film will be restricted.**
- (2) Where the film classification body is specified in the licence, unless otherwise stated, admission of children must be restricted in accordance with any recommendation made by that body.**
- (3) Where :**
 - i. the film classification body is not specified in the licence, or**
 - ii. the licensing authority has notified the holder of the licence that this subsection applies to the film in question, admission of children must be restricted in accordance with any recommendation made by that licensing authority.**

Section 21 Licensing Act 2003

Where this licence includes a condition that at specified times one or more individuals must be on the premises to carry out a security activity, each such individual must be licensed by the Security Industry Authority.

The Licensing Act 2003 (Mandatory Licensing Conditions) Order 2014

Where a licence authorises alcohol to be consumed on the premises the following conditions apply:

1. (1) The responsible person must ensure that staff on relevant premises do not carry out, arrange or participate in any irresponsible promotions in relation to the premises.

(2) In this paragraph, an irresponsible promotion means any one or more of the following activities, or substantially similar activities, carried on for the purpose of encouraging the sale or supply of alcohol for consumption on the premises—

(a) games or other activities which require or encourage, or are designed to require or encourage, individuals to—

(i) drink a quantity of alcohol within a time limit (other than to drink alcohol sold or supplied on the premises before the cessation of the period in which the responsible person is authorised to sell or supply alcohol), or

(ii) drink as much alcohol as possible (whether within a time limit or otherwise);

(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic in a manner which carries a significant risk of undermining a licensing objective;

(c) provision of free or discounted alcohol or any other thing as a prize to encourage or reward the purchase and consumption of alcohol over a period of 24 hours or less in a manner which carries a significant risk of undermining a licensing objective;

(d) selling or supplying alcohol in association with promotional posters or flyers on, or in the vicinity of, the premises which can reasonably be considered to condone, encourage or glamorise anti-social behaviour or to refer to the effects of drunkenness in any favourable manner;

(e) dispensing alcohol directly by one person into the mouth of another (other than where that other person is unable to drink without assistance by reason of disability).

2. The responsible person must ensure that free potable water is provided on request to customers where it is reasonably available.

3. (1) The premises licence holder or club premises certificate holder must ensure that an age verification policy is adopted in respect of the premises in relation to the sale or supply of alcohol.

(2) The designated premises supervisor in relation to the premises licence must ensure that the supply of alcohol at the premises is carried on in accordance with the age verification policy.

(3) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and either—

(a) a holographic mark, or

(b) an ultraviolet feature.

4. The responsible person must ensure that—

(a) where any of the following alcoholic drinks is sold or supplied for consumption on the premises (other than alcoholic drinks sold or supplied having been made up in advance ready for sale or supply in a securely closed container) it is available to customers in the following measures—

(i) beer or cider: ½ pint;

(ii) gin, rum, vodka or whisky: 25 ml or 35 ml; and

(iii) still wine in a glass: 125 ml;

(b) these measures are displayed in a menu, price list or other printed material which is available to customers on the premises; and

(c) where a customer does not in relation to a sale of alcohol specify the quantity of alcohol to be sold, the customer is made aware that these measures are available.”

Licensing Act 2003 (Mandatory Licensing Conditions) Order 2014

A relevant person shall ensure that no alcohol is sold or supplied for consumption on or off the premises for a price which is less than the permitted price.

For the purposes of the condition set out in paragraph 1—

(a) “duty” is to be construed in accordance with the Alcoholic Liquor Duties Act 1979;

(b) “permitted price” is the price found by applying the formula—

$$P = D + (D \times V)$$

Conditions consistent with the Operating Schedule

Licencees Statement of Operating Schedule as attached including:

Part 1

- A) General all four licensing objectives**
- B) The Prevention of Crime and Disorder**
- C) Public Safety**
- D) Prevention of Public Nuisance**
- E) Protection of Children from Harm**

Conditions agreed with Fire Authority:

Emergency lighting to be tested and correct units installed on final exit doors.
Fire doors to be upgraded to incorporate smoke seals and intumescent strips.
Fire risk assessment to be completed as soon as possible.
Staff training to be carried out.

Following a minor variation in November 2012 the following conditions were removed.

Removal of club rules and therefore the addition of new conditions as agreed with West Midlands Police to uphold Licensing Conditions more suited to the type of entertainment provided at the venue.

Rules to be removed

1. Members must provide 2 forms of ID
2. Members can sign in 2 guests but are responsible for them at all times and should the members leave, so must the guest.
3. Members must dress appropriately at all times NO BASEBALL CAPS AT ALL TIMES.
4. A list of names and addresses of all members shall be kept on the club premises and produced on demand for inspection by the police.
5. No illegal betting or gaming, druids, drunkenness, bad language or other misconduct shall be permitted on the club premises.
6. Only people aged 18 or over will be served at the bar.
7. Non-members can only be signed in six times in any one year.
8. If any of the rules are broken, the DPS reserves the right to terminate the membership with immediate effect and the club will not return any paid subscriptions.

The following conditions were added on the same Minor Variation application:

WEST MIDLANDS POLICE REQUESTED CONDITIONS TO BE ADDED

- (1) DPS or a nominated Personal Licence Holder will be present when the premises are open for business.
- (2) DPS will contact Coventry Police Licensing Team every Monday by telephone , to discuss the weekend.
- (3) All persons entering the premises will be searched.
- (4) A knife wand will be used by door supervisors.

- (5) Door Supervisors will be directed to monitor/cover the smoking area.
- (6) Regular toilet checks will be conducted by the DPS to ensure they are being done.
- (7) CCTV will be working and recording when the premises are open for business. CCTV will be to the agreed standard of West Midlands Police. The DPS will check to ensure this is fully operational. Intermittent checks must be made. If the system is not working, the premises will not open.
- (8) A drugs policy is to be implemented.
- (9) All staff are trained in basic licensing laws, drug awareness and acceptable ID.
- (10) All door supervisors will sign in before they start work, the DPS must check that they have their SIA badge with them and are displaying it.
- (11) A refusal and incident book must be maintained.
- (12) 14 days notice must be given to Coventry Police Licensing Team for any under 18yrs events. A full risk assessment must be given to the Coventry Licensing Team for such an event. The West Midlands Police will have the authority to veto any such event.

Adult Entertainment

It is not at present intended to use the premises for adult entertainment, but the applicant cannot rule out such a use in the future. Any such adult entertainment of whatever nature will only be introduced to the premises upon giving at least 14 days notice to the police authority.

Condition agreed with Safeguarding Children Full Variation application July 2014

- To notify safeguarding children of any events for under 18 year olds in writing 7 days before the event. This notification will include a risk assessment for the event.

Conditions agreed with West Midlands Police Full Variation application July 2014

- 14 day's notice must be given to Coventry Police Licensing Team for any under 18yrs events or any external promotional event. A full risk assessment must be given to the Coventry Licensing Team for such an event. The West Midlands Police will have the authority to veto any such event.

Part 2

Conditions reproducing the effect of all conditions currently attached to the existing licence (both standard and special conditions).

Licensing Act 1964 – None

Theatres Act 1968- None

Cinemas Act 1985 - None

Local Government (Miscellaneous Provisions) Act, 1982 – None

Annex 3

Conditions Attached after a Hearing by the Licensing Authority

None

P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

--

b) The prevention of crime and disorder

Responsible management controls, for example capacity levels. Ongoing staff training including identification of anti-social or unusual behaviour. Training and supervision of all staff to adopt best practice, adhere to the Portman Group on drinks strategy. Use of proof of age scheme, internal and external lighting checked regularly.
--

c) Public safety

First aid training for a member of staff. Health and Safety risk assessment carried out regularly. Electrics, gas fire and relevant equipment, checked and maintained in working order and tested annually. Fire risk assessment carried out weekly. Smoking policy statement. Adoption of best practices, e.g. National Alcohol Harm Reduction Strategy.

d) The prevention of public nuisance

Responsible management at all times. Zero tolerance to drunken or anti-social behaviour. Regular visits to all parts of the premises. Management and staff, voluntarily follow best practice, e.g. control of noise from pubs and clubs. Out of hours deliveries to be monitored. All staff trained to ensure quiet departure of patrons. Ventilation to be maintained to prevent nuisance of odour and noise. Recorded music sound levels to be monitored. All windows will be kept closed after 23.00.
--

e) The protection of children from harm

Provision of sufficient staff to protect children from harm, with training on appropriate behaviour. Children have to be accompanied by a responsible person who has attained the age of 18. No children allowed at the bar serveries. In the event of any type of adult entertainment taking place no persons under the age of 18, whether a member, guest or performer, will be admitted.

M Describe the steps you intend to take to promote the four licensing objectives:

Following Variation Application July 2014.

b) The prevention of crime and disorder

c) Public safety

d) The prevention of public nuisance

e) The protection of children from harm

No under 18's on premises when alcohol is served.

Coventry City Council

LICENSING ACT 2003

LICENSING SUB-COMMITTEE

HEARING PROCEDURE NOTE

1. The Members of the Sub-committee will enter the hearing room.
2. The Chair will introduce the Members of the Sub-committee and its supporting officers (normally a legal adviser and a minute taker) and will ask each of the parties (and their representatives) to identify themselves.
3. The Chair will ask if the parties have received and understood the procedure note (and in particular that cross-examination by the parties is not allowed) and whether anyone present would like the procedure explained further?
4. The Chair will confirm any relevant further documents the licensing authority has received before the hearing and will be considering, and will ask the parties whether there are any other documents they now wish to present (subject to the other parties' consent) and their reasons for doing so.
5. The Chair will ask if any party wishes to call witnesses in support of their case and their reasons for doing so.
6. The Licensing Officer will give a brief description of the application, confirm whether all relevant application formalities have been complied with and where relevant, that the authority has notified the parties of any points that the authority wanted clarification on at the hearing?
7. The Chair will invite the applicant/licensee/review applicant (or representative) to present their case (maximum 20 minutes).
8. The Chair will invite Members of the Sub-committee to ask the applicant/licensee/review applicant (or representative) questions.
9. The Chair will invite each objector/review review respondent (or representative) to present their case (maximum 20 minutes each)
10. The Chair will invite Members of the Sub-committee to ask each objector/review respondent (or representative) questions.
11. The Chair will invite each objector/review respondent (or representative) to sum up their case and if they wish, to comment on anything said by any other party (maximum 10 minutes).
12. The Chair will invite the applicant/licensee/review applicant to sum up their case and if they wish, to comment on anything said by any other party (maximum 10 minutes).

*[13. The Members of the Sub-committee will retire with their supporting officers to make their decision.

14 The Members of the Sub-committee and their supporting officers will return to the hearing room and the Chair will invite the Committee Solicitor to inform the meeting of the decision made, any facts relied on, the reasons for the decision and any specific legal advice given.]

15. The Sub-committee's decision will be confirmed in a written Notice of Determination that will be issued to all parties within 10 working days of the determination.

* Where permitted by the Act, the Chair may close the meeting at this point and re-convene the meeting in private at a later date for the Sub-committee to make its decision.

Licensing Act 2003

Statement of Licensing Policy 2016-2021

Important Note

In producing this Statement of Licensing Policy the Licensing Authority is aware that the Government may from time to time amend the Licensing Act 2003, subordinate legislation and statutory guidance.

The Council does not intend to revise this policy document because of any such amendments and readers of this document are advised to check on the Home Office/Gov.uk website to ensure they have the latest information.

Supporting documentation

The City Council, in consultation with the Responsible Authorities and the Community Safety Partnership has produced two guidance documents which give premises licence holders and other responsible staff practical guidance on the effective management of licensed premises.

These guides are issued during the licensing process and are also available from licensing pages of the City Council web site

- Guidance for On Licensed Premises
- Guidance for Off Licensed Premises

STATEMENT OF LICENSING POLICY

1 INTRODUCTION

1.1 Coventry City Council ('the Council') has a duty under the terms of the Licensing Act, 2003 ('the Act') to carry out its functions as the Licensing Authority with a view to promoting the following licensing objectives:

- **The prevention of crime and disorder**
- **Public safety**
- **The prevention of public nuisance**
- **The protection of children from harm**

1.2 The promotion of these objectives is the paramount consideration when determining an application and any conditions attached to an authorisation.

1.3 Coventry is a growing city situated in the West Midlands with a population of 323,000 inhabitants. It is mainly urban but includes significant areas that are semi-rural. A map of the city is shown on page 2.

1.4 This Statement of Licensing Policy relates to all those licensing activities identified as falling within the provisions of the Act, namely: -

- **The sale by retail of alcohol**
- **The supply of alcohol by clubs**
- **The provision of regulated entertainment**
- **The provision of late night refreshment**

For the purposes of this document any reference to an "authorisation" means a Premises Licence, Club Premises Certificate, Temporary Event Notice (TEN) and where appropriate to the context, a Personal Licence.

1.5 The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the Coventry Partnership, neighbouring authorities, West Midlands Police ('the Police'), the Coventry Community Safety Partnership, local businesses, arts organisations, performers, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined. In addition, the Council recognises its duty under S.17 of the Crime and Disorder Act, 1998, with regard to the prevention of crime and disorder etc.

1.6 This policy statement has been prepared in accordance with the provisions of the Act and the Guidance issued under Section 182 of the Act. The Policy statement is valid for a period of 5 years from 6th January 2016. This policy statement will be subject to review and further consultation prior to any substantial changes.

Responsible Authorities

1.7 A list of contact details for Responsible Authorities authorised under the Act is attached to this policy statement as Appendix 2.

- 1.8 The Council has recognised the Coventry Safeguarding Children Board as the local body competent to advise it on the protection of children from harm and has designated it as a responsible authority for the purpose of Section 13 of the Act.

The Licensing Authority as a Responsible Authority

- 1.9 The Licensing Authority will, when acting as a responsible authority, act in accordance with the Government Guidance issued under Section 182 of the Act wherever possible. In particular, it will not normally intervene in applications where the issues are within the remit of another responsible authority and will ensure an appropriate separation of responsibilities between the officer administering an application and an officer acting as a responsible authority.

Public Health as a Responsible Authority

- 1.10 There is not a specific licensing objective related directly to health within the current legislation. When making a representation, the Director of Public Health is most likely to relate such representations to the objectives on public safety and protecting children from harm. This is likely to include the prevention of accidents, injuries and other immediate harms that can result from alcohol consumption, such as unconsciousness or alcohol poisoning.
- 1.11 Health bodies hold valuable information which may not be recorded by other agencies, including analysis of data on attendance at emergency departments and the use of ambulance services following alcohol related incidents. Sometimes it may be possible to link ambulance callouts and attendance to irresponsible practices at specific premises. Anonymised data can be collated about incidents relating to specific premises and presented to Licensing Sub-Committees when representations are made.

2 CONSULTATION

- 2.1 Before publishing this policy statement the Council has consulted with and given proper consideration to the views of the following in line with the statutory guidance:
- Chief Constable of West Midlands Police
 - West Midlands Fire & Rescue Authority;
 - Director of Public Health – Coventry City Council;
 - Other responsible authorities;
 - Representatives of current authorisation holders
 - Representatives of Local businesses
 - Representatives of Local residents

- 2.2 Further details on the consultation and political approval process undertaken prior to publishing this document are available via coventry.gov.uk/councilmeetings.

3 FUNDAMENTAL RIGHTS

- 3.1 Under the terms of the Act any person may apply for a variety of authorisations and have each application considered on its individual merits. Equally, any person has a right to make relevant representations on an application or to seek a review of a licence or certificate where provision has been made for them to do so in the Act.
- 3.2 Applicants and those making relevant representations in respect of applications to the Council have a right of appeal to Coventry Magistrates' Court against the decisions of the Council.

4 LICENSING CONDITIONS

- 4.1 Licensing is about regulating the carrying on of licensable activities on licensed premises, by qualifying clubs and at temporary events within the terms of the Act. Premises include open spaces. Conditions attached to various authorisations will be focused on matters, which are within the control of individual licensees and others in possession of relevant authorisations. Accordingly, these matters will centre on the premises being used for licensable activities and the vicinity of those premises. If there is an incident or other dispute, the Council will primarily focus on the direct impact of the activities taking place at licensed premises on members of the public living, working or engaged in normal activities in the area concerned.
- 4.2 The Council cannot impose conditions unless it has received a relevant representation.
- 4.3 When considering any conditions, the Council acknowledges that licensing law should not be seen as the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from licensed premises and therefore beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned. Nonetheless, it is a key aspect of general control and licensing law will always be part of a holistic approach to the management of the evening and night-time economy of the City. For example, applicants should note that stricter conditions to control noise are likely to be imposed in the case of premises situated in largely residential areas.
- 4.4 The Council does not propose to implement standard licensing conditions on licences or other relevant types of authorisation across the board. Therefore, the Council will attach conditions to relevant authorisations which are tailored to the individual style and characteristics of the premises and events concerned and that are appropriate to promote the licensing objectives in the light of the representations received.

5 OPERATING HOURS

- 5.1 The Licensing Authority welcomes the opportunities afforded to the local economy by the 2003 Act and will strive to balance this with the rights of local residents and others who might be adversely affected by licensable activities based on the principles laid down in this document
- 5.2 When dealing with licensing hours, each application will be dealt with on its individual merits. The Licensing Authority recognises that longer licensing hours with regard to the sale of alcohol can assist to avoid concentrations of customers leaving premises simultaneously. This is expected to reduce the friction at late night fast food outlets, taxi ranks and other sources of transport which can lead to disorder and disturbance. The Licensing Authority does not wish to unduly inhibit the development of thriving and safe evening and night-time local economies which are important for investment and employment locally and in the main welcomed by residents and visitors to the city.
- 5.3 The Licensing Authority will not set fixed trading hours within designated areas. However, an earlier terminal hour and stricter conditions with regard to noise control than those contained within an application, may be appropriate in residential areas where relevant representations are received and such measures are deemed appropriate to uphold the licensing objectives.
- 5.4 Shops, stores and supermarkets will generally be free to provide sales of alcohol for consumption off the premises at any times when the retail outlet is open for shopping, unless there are good reasons based on the licensing objectives for restricting those hours.

6 LATE NIGHT LEVY AND EARLY MORNING RESTRICTION ORDER(S)

- 6.1 The Licensing Authority, having not been presented with sufficient evidence to the contrary, does not consider that the application of a Late Night Levy or Early Morning Restriction Order(s) are appropriate for the Council's area at the present time. The Licensing Authority will keep these matters under review and accordingly reserves the right, should the need arise, to introduce these measures during the life of this statement of licensing policy.

7 CUMULATIVE IMPACT

- 7.1 For the purposes of this document 'cumulative impact' means the potential impact on the promotion of the licensing objectives of a significant number of licensed premises concentrated in one area. Cumulative impact is a proper matter for the Council to consider in developing its licensing policy. This should not be confused with 'need', which concerns the commercial demand for another particular type of premises. The Government Guidance states that "need" is not a matter for the Licensing Authority but is a matter for the planning authority and the free market.
- 7.2 The Licensing Authority, having not been presented with sufficient evidence to the contrary, does not consider any area within the city to currently have a particular concentration of licensed premises causing a cumulative impact on one or more of the licensing objectives. The Licensing Authority will keep this matter under review and accordingly reserves the right, should the need arise, to introduce a special policy concerning cumulative impact during the life of this statement of licensing policy.
- 7.3 The absence of a special policy does not prevent any Responsible Authority or any other party from making representations on a new application for the grant of an authorisation on the grounds that the premises will give rise to a negative cumulative impact on one or more of the licensing objectives. The Act allows for such consideration but the individual merits of each application must always be considered.

8 PROMOTION OF THE LICENSING OBJECTIVES

Prevention of Crime and Disorder

- 8.1 Licensed premises, especially those offering late night/early morning entertainment or alcohol and refreshment for large numbers of people, can sometimes be associated with elevated levels of crime and disorder.
- 8.2 The Licensing Authority expects existing authorisation holders and new applicants to regularly review their arrangements in addressing crime and disorder issues pertinent to their particular licensable activities, location and/or premises. Information and advice can be obtained from the Police, business network groups and other sources. The Licensing Authority also encourages local residents and other businesses to discuss issues of concern directly with individual businesses, or, to contact the Police Licensing Officer if they believe that particular licensed premises are failing to promote this objective.
- 8.3 The City Council as a statutory member of the Local Community Safety Partnership will develop and deliver against multi-agency strategies and action plans to tackle the misuse of alcohol, which has also been identified in the Cabinet Office's Alcohol Harm Reduction Strategy as being a precursor to crime and anti-social behaviour. The Licensing Authority expects existing authorisation holders and new applicants to be able to demonstrate the measures they use, or propose to adopt, to prevent and actively discourage the sale/supply of alcohol to children and the sale/supply of alcohol to individuals who are

already intoxicated and thus potentially vulnerable themselves or pose a risk to others. In general, conditions will reflect local crime issues and subsequent prevention strategies.

- 8.4 The risk assessment approach remains fundamental in the operation and good practice of all licensed premises. Authorisation holders and applicants are strongly recommended to work closely with the Local Policing Unit Partnerships Team in particular, in bringing into effect appropriate control measures to either overcome established or prevent potential problems. A combination of short and longer-term strategies may need to be deployed by authorisation holders to sustain and promote the prevention of crime and disorder. The Police have a list of recommended SIA registered Operators and we would advise that this list be used when considering the employment of SIA registered door staff.
- 8.5 The Licensing Authority will expect new applicants and existing authorisation holders to adopt recognised good practice in whatever area of operation they are engaged. The Licensing Authority regards the Police as the primary source of advice in relation to preventing crime and disorder and will normally expect Police advice/recommendations to be followed unless there are good reasons for not doing so. A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises; money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. The Licensing authority does not have the power to judge the criminality or otherwise of any issue, this is a matter for the courts.
- 8.6 Queues at late night take-aways can be a source of disorder and applicants for premises licences for this type of premises are expected to address this in their operating schedule.
- 8.7 The City Council has specific duties under Section 17 of the Crime and Disorder Act 1998 that underpins any control strategy that is employed. The Council will continue to work in partnership with the Police in addressing crime and disorder issues.
- 8.8 The objective of preventing crime and disorder will include the Licensing Authority taking appropriate decisions and/or imposing appropriate conditions, upon a representation being received containing evidence that a licensed premises has a music policy which might incite violence, crime or disorder or the threat of such against minority groups.
- 8.9 Coventry's Director of Public Health will support the police by facilitating access to health information such as anonymised A&E data due to alcohol related admissions. e.g. as part of a license review application. They will also provide Trading Standards with evidence of the health impact of illicit/counterfeit alcohol.
- 8.10 The Licensing Authority is of the view that generally, in order to promote the licensing objectives; all licensed premises within the city are encouraged to be members of the relevant local Pubwatch Scheme, where one exists.
- 8.11 The Licensing Authority and Police have a zero tolerance of illegal substance/drug misuse in licensed premises and recognise that drug use is not something that is associated with all licensed premises. However, it is recognised that special conditions may need to be imposed for certain venues to reduce the likelihood of drugs being sold and consumed on the premises and to achieving a safer environment for those who may have taken them.
- 8.12 Once away from licensed premises a minority of consumers may behave inappropriately and unlawfully. There are additional mechanisms both within and outside the licensing regime that are available for addressing such issues. The Council will address a number of these issues through the Community Safety Service and the Local Partnership in line with the strategic objectives for crime and disorder reduction and drug and alcohol misuse within the City.

- 8.13 In relation to premises seeking or holding a Premises Licence and where alcohol will be sold under the terms of that licence the Licensing Authority expects that (a) any designated premises supervisor will have been given sufficient management authority and to be able to exercise effective day-to-day control of the premises and (b) authority to make alcohol sales when given by the DPS or any other Personal Licence holder should be clearly evidenced in writing. This is to ensure that premises selling alcohol are properly managed in accordance with the Act and that premises operate in a way that promote the prevention of crime and disorder. This will also benefit operators themselves through being able to demonstrate a commitment to the proper management of premises, particularly if enforcement becomes necessary.

Promotion of Public Safety

- 8.14 Public safety is not defined within the Act, but the Government Guidance advises that it is concerned with the physical safety of people using the premises and not with public health. To ensure the safety of customers, applicants should be prepared to demonstrate, where necessary, that the premises comply with all health and safety regulations and that risk assessments, where needed are current.
- 8.15 Applicants and event organisers will be expected to assess not only the physical environment of the premises (or site) but also operational practices, in order to protect the safety of members of the public visiting the site, those who are employed in the business, those who are engaged in running an event or anyone else that could be affected by site activities. This assessment would normally take place within a risk assessment framework.
- 8.16 Holders of premises licences, and club certificates, or those organising temporary events, should interpret 'public safety' widely to include freedom from danger or harm.
- 8.17 For licensed or certificated premises and for temporary events, public safety must be kept under review and where changes to operational practices/events occur, or the customer profile changes, a review of risk assessments must be undertaken.
- 8.18 Fire safety is governed by the Regulatory Reform (Fire Safety) Order 2005 and is not something with which the Licensing Authority will normally become involved.

Where a Responsible Authority has recommended a safe capacity limit on all or part of premises the Licensing Authority will normally expect an applicant/authorisation holder to follow such a recommendation unless there are good reasons for not doing so.

- 8.19 Businesses must ensure that in carrying out their activities they protect and support even the most vulnerable people and keep them safe from harm.
- 8.20 Coventry's Director of Public Health will support the sharing of health information such as anonymised A&E data with other responsible authorities where it links to public safety. They will also explore the impact of alcohol related incidents on emergency services such as West Midlands Ambulance Service.

Prevention of Public Nuisance

- 8.21 The Licensing Authority remains sensitive to the expectations and needs of different parts of the community in respect of leisure and cultural pursuits, and will view applications accordingly. The impact of those activities on people who have to live, work and sleep within the local vicinity of a licensed premises or event will also be considered. If the impact of licensed activities is disproportionate and unreasonable or markedly reduces the amenity value of the area to local people, then the Licensing Authority will take account of this when exercising its functions.

- 8.22 The Licensing Authority considers that the potential for public nuisance can be prevented or much reduced by good design and planning during new or ancillary construction works, by the provision of good facilities and effective management. This will require appropriate advice at the planning and development stages of new projects. Applicants should consider carefully the suitability of the premises for the type of activity to be undertaken, particularly in terms of ventilation, noise breakout and noise/vibration transmission to adjoining premises.
- 8.23 Licence holders already in receipt of complaints should seek an early remedy to any confirmed problem. The organisers of temporary events should pre-empt potential nuisance, especially when complaints have previously arisen at the same venue.
- 8.24 The Licensing Authority expects authorisation holders to use their risk assessments and Operating Schedules to review and, if need be, to make necessary improvements to the premises, or to operational practices, in order to prevent public or statutory nuisance.
- 8.25 Where the provisions of existing legislation prove inadequate or inappropriate for control purposes, the Licensing Authority will consider imposing licence conditions. Any condition deemed appropriate and imposed by the Licensing Authority to promote the prevention of public nuisance will focus on measures within the direct control of the licence holder or designated premises supervisor.
- 8.26 Coventry's Director of Public Health will provide evidence on the impact of the health and wellbeing of vulnerable groups such as street drinkers, and the effect this has on anti-social behaviour.

Protection of Children from Harm

- 8.27 The Act details a number of legal requirements designed to protect children in licensed premises. The Licensing Authority is duty bound to ensure that authorisation holders including organisers of temporary events, create safe environments (in terms of physical, moral and psychological welfare) for children who may be on the premises. Children should be unable to access alcohol or drugs and be subject to an appropriate level of care and supervision at all times.
- 8.28 The Act prohibits children aged under 16 years old and unaccompanied by an adult, from being present in licensed premises (including premises operating under a TEN) that are being used primarily or exclusively for consumption of alcohol
- 8.29 The admission of children to any premises will otherwise normally be left to the discretion of the individual licensee/event organiser, as the Act does not generally prohibit children from accessing licensed premises. Where children are accompanied and supervised by a responsible adult, then additional measures should not normally be necessary. The Licensing Authority supports the view that children should enjoy access to a range of licensed premises where possible, but cannot impose conditions requiring the admission of children to any premises.

The Licensing Authority will judge the merits of each separate application before deciding whether or not to impose conditions restricting access by children. Conditions which may be relevant in this respect are outlined in the Government Guidance.

- 8.30 In premises where alcohol is sold or supplied it is a mandatory condition that premises licence holders will operate a recognised "Proof of Age" scheme. The City Council supports the Challenge 25 scheme and where this is not proposed within the operating schedule, alternative and similarly rigorous controls should be detailed. The City Council recommends that the premise licence holder operates a method for recording when a sale is refused as part of any age challenge scheme (also known as a refusals book).

- 8.31 The Licensing Authority expects that customers should be confronted by clear and visible signs on the premises that underage drinking constitutes an offence in law and that they may well be required to produce proof of their age to a member of staff. Organisers of temporary events should apply similar safeguards in their undertakings. By ensuring licensed premises refuse sales of alcohol to children, or those attempting to purchase it on behalf of children, this will impact positively on a reduction in child alcohol-related health problems.
- 8.32 Venue operators seeking premises licences and club premises certificates can volunteer prohibitions and restrictions in their operating schedules because their own risk assessments have determined that the presence of children is undesirable or inappropriate. These will become conditions attached to the licence or certificate where no relevant representations are received by the Licensing Authority.
- 8.33 The Licensing Authority regards the Coventry Safeguarding Children Board as being the primary source of advice and information on children's welfare and would normally expect any advice/recommendations from the Board to be followed unless there are good reasons for not doing so. The Licensing Authority will attach appropriate conditions where these appear appropriate to protect children from moral, psychological or physical harm. It is also reasonable for the licensing authority to expect the responsible authorities to intervene where the basis for the intervention falls within the remit of that other authority. For example, the police should take appropriate steps where the basis for the review is concern about crime and disorder or the sexual exploitation of children.
- 8.34 The Licensing Authority will consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 8.35 Coventry's Director of Public Health will engage with Coventry Safeguarding Children Board to share relevant information such as data on young people accessing substance misuse services. They will also consider the proximity of licensed premises to schools, youth centres, play groups and family centres and share anonymised A&E data with other responsible authorities relating to young people and alcohol related incidents
- 8.36 In order to prevent children from seeing films incompatible with their age, authorisation holders who exhibit films will be expected to impose and enforce viewing restrictions in accordance with the recommendations of the British Board of Film Classification. In exceptional cases e.g. where the BBFC has not classified a film then the Council may specify viewing restrictions which an authorisation holder will be expected to comply with.
- 8.37 It is expected that authorisation holders will ensure that, whenever children are in the vicinity of a film or exhibition that is being shown/staged in a multi purpose premises, sufficient ushers/stewards (minimum 18 years old) will be in attendance at the entrance to the viewing rooms at all times to ensure children cannot enter or view the film or exhibition.
- 8.38 Children have access to a range of regulated public entertainment venues and may be present as members of a viewing audience or as performers in their own right. The Licensing Authority expects authorisation holders including those organising temporary public events, to make proper provision for child safety and welfare during such events. Notwithstanding public safety issues, supervisory arrangements must be reflected within operating schedules. Suitable monitoring strategies should also be in place to ensure that supervisory levels are appropriate.
- 8.39 Where a large number of children are likely to be present on any licensed premises, for example, a children's show or pantomime, the Council may require that there is an adequate number of adult staff at places of entertainment to control access and egress of children and to protect them from harm. Children present at events as entertainers will be expected to have a nominated adult responsible for each child performer.

9 MANDATORY LICENSING CONDITIONS

- 9.1 The Government has introduced a range of mandatory conditions aimed at establishing minimum standards for the way alcohol is sold. The conditions apply to all alcohol retailers.

10 OTHER CONSIDERATIONS

Relationship with Planning

- 10.1 The planning and licensing regimes involve consideration of different (albeit related) matters. The Licensing and Regulatory Committee and Sub-committees are not bound by decisions made by the City Council's Planning Committee, and vice versa.
- 10.2 The grant of any application or variation of a licence which involves a material alteration to a building would not relieve the applicant of the need to apply for planning permission or building control approval, where appropriate.
- 10.3 There are also circumstances when as a condition of planning permission; a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning consent would be liable to enforcement action under planning law.
- 10.4 The Local Planning Authority may also make representations against a licensing application in its capacity as a Responsible Authority, where such representations relate to one or more of the licensing objectives (see Paragraph 1.1 above).

Applications

- 10.5 An applicant may apply under the terms of the Act for a variety of authorisations and any such application will be considered on its individual merits. Any person may make representations on an application or seek a review of a licence or certificate where provision has been made for them to do so in the Act.
- 10.6 The Licensing Authority expects each and every applicant for a premises licence, club premises certificate or variation to address how they intend to meet the licensing objectives. Where no information is given by the applicant, there may be circumstances where the Licensing Authority considers the application to be incomplete and the application is returned without further processing.
- 10.7 In determining a licence application the Licensing Authority will take each application on its merits. Licence conditions will only be imposed following a hearing and in order to promote the licensing objectives and will only relate to matters within the control and ability of the applicant. Licence conditions will not normally be imposed where other regulatory provision is in force (e.g. planning, environmental health, fire safety, and building control legislation) so as to avoid confusion and duplication, except where they can be exceptionally justified to promote the licensing objectives.
- 10.8 The Licensing Authority will impose only such conditions as are proportionate towards promoting the licensing objectives and which do not propose unnecessary burdens and which are appropriate to the individual size, style and characteristics of the premises and events concerned.
- 10.9 In considering applications, the Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of public living, working or engaged in normal activity in the area concerned. The Licensing Authority

recognises that licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned.

- 10.10 Conditions include any limitations or restrictions attached to a licence certificate or other authorisation and essentially are the steps or actions the holder of the authorisation will be required to take or refrain from taking at all times when licensable activities are taking place at the premises in question.

Deregulated Public Entertainment

- 10.11 As a result of the Live Music Act 2012 and The Legislative Reform (Entertainment Licensing) Order 2014 most public entertainment taking place between 0800 and 2300 hrs has, subject to certain conditions, been deregulated and removed from the scope of Licensing Authority control. No authorisation is required where public entertainment is being provided under these statutory exemptions. However, if exempt public entertainment is or will be taking place as well as licensable activities (e.g. selling alcohol) then an authorisation covering the licensable activities will still be required. Operators of 'on-licensed' premises should also note that it is possible to re-introduce full licensing controls over public entertainment where a premises licence or a club premises certificate has been reviewed and a Licensing Sub-Committee determines that it is appropriate for such controls to be re-introduced..

11 Best Practice Schemes

- 11.1 The Council supports best practice schemes for licensed premises. If your premise is in an area covered by a scheme, you are encouraged to become a member of the scheme. Schemes, set up by local businesses, have adopted an agreed approach to reduce crime and disorder in the area by excluding those whose presence on their premises pose a risk to a safe drinking environment. The schemes are supported and attended by West Midlands Police and the Council's Licensing Team. The Coventry Pubwatch Scheme operates within the city and further details are available from BIDS@coventry.gov.uk

12 GUIDANCE FOR ON AND OFF LICENSED PREMISES

- 12.1 Guidance has been developed by the Licensing Authority and the Responsible Authorities in order to provide a reliable source of information to support authorisation holders in the responsible day to day management of their premises and advise what they must be doing to comply with the Licensing Act. This guidance will be referred to whenever the Licensing Authority or any Responsible Authority have made recommendations for improvements in the management of licensed premises or where new conditions of operation are being considered.
- 12.2 Every licensed premise has been issued with this guidance and new applicants or new Licensees will receive a copy as part of the application process. Further copies can be downloaded from the City Council web site.

13 INTEGRATING STRATEGIES AND THE AVOIDANCE OF DUPLICATION

- 13.1 By consulting widely prior to this policy statement being published, the Council has taken full account of local policies covering crime prevention, public health, anti-social behaviour, culture, transport, planning and tourism as part of an integrated strategy for the Council, police and other agencies. Many of these strategies may not be directly related to the promotion of the licensing objectives, but indirectly impact upon them.

13.2 There are a number of wider issues which may need to be given due consideration when dealing with applications. The Council's Licensing and Regulatory Committee can request reports, where it thinks it is appropriate on the following areas:-

- the needs of the local tourist economy to ensure that these are reflected in their considerations;
- the employment situation and the need for new investment and employment where appropriate; and
- the general impact of alcohol related crime and disorder, by providing regular reports to the planning committee. This will enable the planning committee to have regard to such matters when taking its decisions and avoid any unnecessary overlap.

Crime, Nuisance and Harm Prevention strategies

13.3 Crime, nuisance, harm prevention and drug and alcohol misuse strategies developed through the Coventry Community Safety Partnership (CCSP) will be reflected in any licence conditions suggested by Responsible Authorities, so far as possible.

13.4 The CCSP, with membership including the Council, Police and the West Midlands Fire Service, is committed to making Coventry a safe place in which to live, work and visit. The CCSP will co-ordinate action to protect and support our most vulnerable children and adults. It is the role of the CCSP to strategically plan, commission and oversee services that tackle crime and disorder and address drug and alcohol misuse.

Health and Wellbeing Strategy

13.5 Alcohol has been identified as a priority within Coventry's Health and Wellbeing Strategy. Drinking too much can cause physical and mental harm. Public health related licence conditions will be used where practicable to reduce the impact of alcohol on public safety and other licensing objectives

13.6 The vision of Coventry's Alcohol Strategy is to reduce the harms caused by alcohol misuse and make Coventry a safer and healthier place where less alcohol is consumed. This aim can be supported through opportunities within the licensing process.

Cultural strategies

13.7 The Strategic Arts Policy sits within the framework of the Local Cultural Strategy and has been developed within the context of Coventry's existing arts infrastructure, initiatives and activities. The Council will monitor the licensing of regulated entertainment and particularly live music and dancing, to ensure that potential event organisers have not been deterred from making applications because of licensing requirements.

Coventry a Marmot City

13.8 In line with the principles of the Marmot Review 'Fair Society, Healthy lives' Coventry City Council has agreed to develop common policies to reduce the scale and impact of health inequalities across the city. This includes focussing interventions such as alcohol reduction on reducing the social gradient in health.

There is a social gradient in the harms from alcohol consumption, but not in alcohol consumption itself. Quantities and patterns of drinking differ across socio- economic groups, as do harmful outcomes.

According to the Marmot Review, those people from more deprived areas who consume alcohol are more likely to have problematic drinking patterns and dependence than those from more affluent areas.

Binge drinking in under 18s is associated with deprivation and unemployment is associated with alcohol consumption

Transport

- 13.9 As part of an agreed enforcement protocol where the police have identified a particular need to disperse people from the City centre swiftly and safely so as to avoid situations which could lead to disorder and disturbance, the Council will inform those responsible for providing local transportation so that arrangements can be made to reduce the potential for problems to occur.

Duplication

- 13.10 When considering any application, the Council will avoid duplication with other regulatory regimes so far as possible. Therefore, the Council will not attach conditions to an authorisation in relation to a matter covered by another regulatory regime unless going beyond such a regime is considered appropriate for the promotion of the licensing objectives in the particular circumstances.

Promotion of Equality

- 13.11 The Licensing Authority in carrying out its functions under the Act is obliged to have 'due regard' to the need to eliminate unlawful discrimination harassment and victimisation, to advance equality of opportunity and to foster good relations between persons with different protected characteristics. The protected characteristics are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Government Guidance advises that conditions should not be attached to authorisations which would duplicate existing statutory requirements. The Council therefore takes this opportunity to remind operators of premises of their duties towards disabled persons (including performers) on their premises under the Building Regulations and the Equality Act 2010. This includes a duty that any person who provides a service to the public must make reasonable adjustments to any physical feature that makes it impossible or unreasonably difficult for a disabled person to access a service, or to provide the services by a reasonable alternative means.

14 ENFORCEMENT

- 14.1 The Licensing Authority has an established working relationship with the Police and other enforcing authorities on enforcement issues. This will provide a more efficient deployment of resources targeting high risk premises and activities.
- 14.2 This enforcement regime in relation to licensing follows the Government's Regulators' Code in that it follows the basic principles of Openness, Helpfulness, Proportionality and Consistency. This is clarified by the operation of a ladder of intervention for Licensed Premises. This ladder of intervention is contained at Appendix 1. [Link to enforcement policy.](#)
- 14.3 Licensed premises are visited by the Responsible Authorities and the Licensing Authority to carry out targeted inspections to check that the premises licence/certificate is being complied with, to check compliance with other legislation and/or to deal with a complaint that has been received.

- 14.4 On some occasions a multi-agency group (representing a number of Responsible Authorities) known as the Licensing Taskforce, will visit the premises. The Taskforce officers inspect the areas of the premises relevant to their role. Again, any action taken will be in line with the ladder of intervention.
- 14.5 There are several enforcement options available depending on the outcome of the inspection or complaint which includes:
- Verbal advice – this covers minor complaints/infringements where advice is seen as the most appropriate way to deal with the issue.
 - Written warning – this is a step-up from verbal advice and authorisation holders are given a letter recording the warning given and containing the details of any necessary remedial action.
 - Action planning – this plan will be written down and given to the authorisation holder and Designated Premises Supervisor. It explains what actions are required and within what time period, in order to comply with the licensing objectives, specific legislation or conditions. It will be regularly reviewed and if the authorisation holder/DPS have complied, the action plan will be terminated. If there are areas of non-compliance, the authorisation holder may face prosecution or their authorisation may be called for a review.
 - Mutual consent to the addition of licensing condition which reflects a harm identified by any of the Responsible Authorities and which the premise licence holder agrees not to continue (known as a minor variation)
 - Review – when there is evidence to show that the licensing objectives are not being met then the authorisation holder will have to attend a review hearing in front of the Licensing Sub-Committee. A decision will be made by the Licensing Authority Sub-Committee based on the evidence put forward as to whether the DPS will be removed and/or the authorisation revoked, suspended, amended or have additional conditions applied.
 - Prosecution – under the Licensing Act, certain offences can be instituted by the Licensing Authority / Director of Public Prosecutions / the Weights and Measures Authority (Trading Standards). In addition, Responsible Authorities have a wide range of powers to institute prosecution under other specific legislation depending on the nature of evidence found.
 - Closure – several of the Responsible Authorities have the power to close licensed premises whilst on site if they deem it necessary e.g. the Police, Health & Safety, Environmental Health, Trading Standards and the Fire Service. The Licensing Team also have powers to request closure through the Magistrates Court for continuing unauthorised alcohol sales.

15 ADMINISTRATION, EXERCISE AND DELEGATION OF FUNCTIONS

Licensing and Regulatory Committee

- 15.1 The powers of the Council under the Act may be carried out by the Licensing and Regulatory Committee, by a Sub-Committee or, instead, by one or more Council officers acting under delegated authority.
- 15.2 It is considered that many of the decisions and functions will be purely administrative in nature. In the interests of speed, efficiency and cost effectiveness the Council has delegated these functions to Sub-Committees, or in appropriate cases, to officers supporting the licensing function.
- 15.3 Where under the provisions of the Act there are no relevant representations on an application these matters will be dealt with by officers. Should there be relevant representations then an oral hearing will usually take place before a licensing sub-

committee except where all parties agree to proceed in writing. A licence/certificate review will normally take place before a licensing sub-committee. The following table sets out the delegation of functions:

Matters to be dealt with	Full Committee	Sub Committee	Officers
Application for personal licence		If a police objection	If no objection made
Application for premises licence/club premises certificate		If a relevant representation made	If no relevant representation made
Application for provisional statement		If a relevant representation made	If no relevant representation made
Application to vary premises licence/club premises certificate		If a relevant representation made	If no relevant representation made
Application to vary designated premises supervisor		If a police objection	All other cases
Request to be removed as designated premises supervisor			All cases
Application to transfer of premises licence		If a police objection	All other cases
Application for interim authorities		If a police objection	All other cases
Application to review premises licence/club premises certificate		All cases	
Decision on whether a complaint is irrelevant frivolous vexatious etc.			All cases
Decision to object when local authority is a consultee and not the relevant authority considering the application	All cases		
Determination of a police/EHO objection to a temporary event notice		All cases	
Determination of a Minor Variation application			All cases
Removal of the requirement for a designated premises supervisor at community premises		If a police objection	All other cases

Application forms and process

- 15.4 The application form will be in the prescribed format. The operating schedule will form part of the completed application form for a premises licence and a club premises certificate. The form will need to contain information that describes the style of the venue, the licensable activities to be provided, the operational procedures, hours, nature of the location, needs of the local community, etc. Most importantly, the applicant will have to detail the steps that will be taken to promote the licensing objectives. Applicants should carry out a risk assessment before they apply for a licence.
- 15.5 Applicants are encouraged to fully consult the police and other statutory services well in advance of carrying out their risk assessments and submitting their applications. Application forms and guidance leaflets will be available from the Licensing Team and our website, including contact names for each of the responsible authorities that will be receiving applications. Most applications will require additional documentation and a fee to be included with the form. Incomplete applications will not be considered and will be returned to the applicant.
- 15.6 Where national guidance permits, on line applications will be accepted providing the necessary documentary attachments are uploaded into the application and the appropriate fee paid. Coventry is currently using the Electronic Licence Management System (GOV.UK) which is supported by the Department of Business Innovation and Skills.

15.7 Applicants are encouraged to make themselves aware of any relevant planning and transportation policies, tourism and cultural strategies and local crime, alcohol, drug and disorder strategies in order to take these into account, where appropriate, when formulating their operating schedule. Guidance notes containing contact and website information about these policies will be available from the Licensing Team, City Services Directorate. Contact details are below.

16 COMMENTS ON THIS POLICY

16.1 The Statement of Licensing Policy will be reviewed on a regular basis. Individuals and organisations that wish to comment on the policy are invited to send their comments in writing to:

Coventry City Council

Licensing Act 2003

Briefing Note 7 – Hearing to Consider an Application to Review a Premises Licence

Background

A premises licence remains in force in perpetuity (unless a time-limited licence has been granted). Where the way in which the premises are being run gives rise to concerns relevant to the licensing objectives it is possible for the licence to be re-examined by the Licensing Authority. The Licensing Authority cannot review a licence of its own volition but must do so in one of two circumstances:

- (a) where a review application has been accepted from a "responsible authority" or any other person; or
- (b) where the Magistrates' Court has triggered a review following a closure order.

Where a review application is made it is served on the licensee, Responsible Authorities and is advertised by the licensing authority. Responsible Authorities or anyone else can 'join in' on the review by making their own representations.

A hearing is required to determine whether the licence should be allowed to continue or to continue with modifications.

Section 182 Guidance (Mar 2015)

Particular reference should be made to Part 11 and Parts 15.55 – 15.56.

Local Statement of Licensing Policy (Jan 2011)

Particular reference should be made to Parts 4, 6, 7

Human Rights Act

The hearing procedure and the availability of a statutory right of appeal comply with the Article 6 requirement to provide a fair hearing when determining the licensee's and objectors' civil rights. A decision to modify, suspend or revoke a premises licence will interfere with the licensee's property rights and Article 1 Protocol 1 will be engaged requiring such action to be in the public interest and to be a proportional response to meeting the four licensing objectives.

The Sub-committee's powers

Having heard from the review applicant and anyone else making "relevant representations" and the licensee, the sub-committee may:

- (a) take no action; or
- (b) issue an informal warning letter; or
- (c) modify the conditions of licence*; or
- (d) exclude a licensable activity from taking place on the premises; or
- (e) remove the designated premises supervisor; or
- (f) suspend a licence for up to 3 months; or
- (g) revoke the licence.

[* controls on live or recorded music that are suspended by the Live Music Act 2012 and SI 2014/3253 can also be reintroduced at a review.]

Rights of Appeal

An aggrieved licensee can appeal to Coventry Magistrates' Court against actions (c) – (g) above and anyone else can appeal against actions (a) – (f). Any decision taken by a sub-committee does not take effect until after the period for lodging an appeal has elapsed or, where an appeal has been lodged, until the appeal is disposed of by the magistrates' court.

Notice of Attendance

(Reg.8 Licensing Act 2003 (Hearings) Regulations 2005)

Date/Time of Hearing: **Friday 5th August 2016 @ 10:00am**
Applicant: West Midlands Police.
Premises: Club M, Hertford Street, Coventry, CV1 3JZ.

Please complete this form, * delete as appropriate and return along with any papers referred to in 6 below to the Licensing Team, Regulatory Services, Planning Transport & Highways Division, Floor 6, Civic Centre 4, Much Park Street, Coventry, CV1 2PY.

Or E-mail: licensing@coventry.gov.uk,

1. Please print your name PC 4093 BOWES
2. I would like this matter to be decided *with/~~without~~ a hearing
3. I *~~will~~/will not be present at the hearing
4. I *will/~~will not~~ be represented at the hearing. Give the name and address of your representative:
 - ① Duncan Craig, Citadel Chambers,
190 Corporation St, B'ham B4 6QD.
 - ② PC 7136 Healy
5. I *~~do~~ do not want permission for a witness to address the hearing in support of my case. If so, please provide the following information:
 - a) the name and address of each witness
.....
.....
.....
 - b) the points to be raised by each witness
.....
.....

.....

6. I ~~do~~ do not want the hearing to consider further documents in addition to my application/representation. If so, list the documents and the points to which they relate in the space below:

..Police logs and crime reports.....
.....
.....
.....

Any documents not listed here may only be allowed with all the other parties' consent

Signed  4093..... Date 20/7/15

Note: Representations can only be made in relation to the four licensing objectives as detailed in Coventry City Council's Statement of Licensing Policy attached.

Failure to return this form by the date indicated may result in you losing your right to take part in the hearing.

INNKeeper ENTRY 16/8/15

PC MARSTON AND PC TURNER WERE CALLED TO ZONE TWO DUE TO THE CAMERA ROOM HIGHLIGHTING THAT TWO IC 3 MALES WERE ACTING SUSPICIOUSLY IN PALMER LANE. A DISCUSSION STARTED TO WHICH ONE OF THE MALES WHO IS KNOWN AS DJ CLOUD NINE STATED THAT HE WAS PLAYING AT AN EVENT AT CLUB SO/CLUB M. HE STATED THAT HE WAS FROM LONDON AND SOME OF HIS BOYS HAD COME UP FROM THIS EVENT.

WITHIN THE BURGESS AREA IT WAS VERY BUSY WITH LONDON MALES WHO WERE ALL HEADING TO CLUB M.

[REDACTED]

PC MARSTON AND PC TURNER THEN ATTENDED CLUB M TO WHICH JOHN WAS PRESENT. WHILST TALKING OUTSIDE LARGE GROUPS OF IC3 MALES WERE ARRIVING. JOHN WAS ASKED ABOUT THE EVENT TO WHICH HE STATED THAT THERE WAS A 21ST BIRTHDAY PARTY BUT NO EXTERNAL DJ'S. I ASKED DETAILS OF THE PARTY TO WHICH JOHN STATED IT WAS A 21ST FOR A MALE KNOWN AS [REDACTED] AND ABOUT 60 GUESTS WOULD BE ARRIVING.

AS THE GROUPS OF MALES ARRIVED PC MARSTON ASKED WHOS PARTY THEY WERE ARRIVING FOR TO WHICH THE PEOPLE IN THE GROUP HAD MIXED RESPONSIVES FROM [REDACTED] PARTY TO [REDACTED] PARTY. THE MALES WERE ASKED WHERE THEY CAME FROM TO WHICH THEY STATED THEY HAD COME FROM BIRMINGHAM. WITH THIS OVER HEARD JOHN STATED THAT HE WOULD NOT ALLOW THEM IN AND RAN TO THE FRONT ENTRANCE.

ABOUT 10 MINUTES LATER THE MALES RETURNED TO PC MARSTON AND PC TURNER AND STATED THE VENUE HAD SAID THAT THE POLICE HAVE STOPPED THE EVENT. THE GROUP WERE INFORMED ABOUT THE POLICE CONCERNS AND STATED THAT THE VENUE HAVE THE RIGHT TO STOP ANYONE FROM ENTERING THE VENUE, HOWEVER THE POLICE HAD NOT STOPPED THE EVENT.

DUE TO THE NUMBER OF PEOPLE THAT WERE GOING TO BE TURNED AWAY AND WHAT PC MARSTON AND PC TURNER HAD VIEWED IN THE BURGESS AREA IT WAS DECIDED TO PRE WARN OTHER VENUES [REDACTED]

[REDACTED]

WITH THIS INSPECTOR TAMBLING AND SERGEANT EAVES WERE INFORMED AND A DISPERSAL NOTICE WAS AUTHORISED. PC TURNER INFORMED ALL VENUES VIA THE PUBWATCH SCHEME ABOUT THE CANCELLED EVENT AND ALL NPT STAFF WERE ASKED TO STAY ON DUTY TO HELP CLEAR THE MALES AND SHOW HIGH VISIBILITY.

[REDACTED]

WITNESS STATEMENT

Crime Number:.....

Criminal Procedure Rules, r 27.2; Criminal Justice Act 1967, s. 9; Magistrates' Courts Act 1980, s.5B

URN

--	--	--	--

Statement of: Claire MARSTON

Age if under 18:Over 18 (if over 18 insert 'over 18') Occupation: Police Constable

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Signature:..... Date Monday 25th July 2016.....

I am Police Constable based with the West Midlands Police, from 2006 till early 2016 I was one of the licensing officers for the area of Coventry. Within that time I would assist coordinating operation cocktail, which was a deployment of police officers and the passive drugs dog to educate people about the dangers of alcohol and illegal drugs and to reduce the alcohol and drug related violence within the City in the night time economy. This operation was based on intelligence and on every deployment Club M/Club SO, Hertford Place, City Centre, Coventry was visited. Sometimes due to the intelligence the premise was visited twice within a night.

Over a year's deployment the following was found upon visits:

30/1/15- Operation cocktail visited the location. From the previous operations the smoking area and the attaching room was always the most vulnerable space within that premise. However upon arrival there were no door supervisors in the area. Customers quickly exited the garden via the far door as there was no control or supervision in the garden area.

Results from the deployment into that one area was, a male found with a bag of white substance believed to be cocaine. This male was placed onto the drug referral scheme. Also a male was detected with 6 ecstasy pills in his pocket and arrested for possession with intent to supply.

Whilst there, the door procedure was observed, the results were poor with no customers being searched prior to entry. Both amounts of drugs were found in the pockets of the customers, indicating that the customers felt safe not to hide the drugs, but just have them in their pockets.

From this result, a meeting was arranged with the DPS Darren Raynor as the management in the venue was poor and the customers were controlling the smoking area and the room attached. This meeting was conducted on the 3/2/15. The premise was placed on an action plan to move things forward, especially concerning the control and layout of the ground floor. It was agreed via the owner David Gains and Darren Raynor that changes would be implemented as the management agreed that the garden area was a concern. The alterations were agreed via the Police and the owners and the venue was placed on the corvus staffing template to be supported each weekend by the Police.

18/4/15- Operation cocktail was deployed to the venue, to which there was an increase in door staff and the DPS was present, however they were all positioned by the front entrance with no observation on the garden area. From the smoking area there were 6 indications, however due to the amount of staff at the front entrance the deployment of officers to get inside was delayed, to which officers could see a lot of movement inside the garden area and customers going back into the attaching room. It was felt that the delay at the front entrance limited the results found inside, as the customers would have secreted the drugs and left the garden area.

15/05/15-Action plan signed off and there was information that a new member of staff would be supporting the venue called John Hall.

15/8/15 from 2000 hours till 0200 hours I was on mobile patrol with PC Christopher Turner in the night time economy in the Coventry area. At around 2200 hours PC Turner was called via the radio to zone two, which at the time covered the area known as the Burges and surrounding roads. The camera room via the radio had highlighted that two IC3 males were acting suspiciously in Palmer Lane, Coventry.

Upon arrival, the area was very busy with males loitering around Mac Donald's and the surrounding roads. The atmosphere was classed as moody with people hanging about. The crowd's non-verbal communication towards PC Turner and me was hostile and moody. One of the males when we arrived had hid and stepped back into Palmer Lane upon seeing the Police, which caught my attention. From this, we spoke to the two males in Palmer Lane, I spoke to a male who called himself DJ Cloud Nine. He stated he was purchasing some food before going to Club M to play as a DJ at a gig. Cloud Nine said he was from London and that some of 'his boys' from London were coming to the event. I asked Cloud Nine if the people hanging around the area were coming to the event, to which he confirmed that they were.

Whilst in that area, I spoke to Lee Miles from EMK who was supplying Club M with door staff at the time. He stated that he was withdrawing his staff from the venue due to not being paid; approximately £10,000 was outstanding and that the venue was cutting corners by not having enough door staff working, which caused the door staff safety concerns.

From all this information and the atmosphere in the area, PC Turner and I attended Club M, to which John Hall was at the front entrance talking to a large group of IC3 males. I asked John what event was on tonight, to which he stated that there was no event, but a 21st birthday party, with just the normal in house DJ's performing. I asked for confirmation via documentation about the party, to which John stated there was no documentation, but the male was known as Jerry who was 21 and about 60 guests were attending. I asked if John knew about a male called Cloud Nine that was supposedly playing at the event, not party and suggested that John observed the social media feed to prepare the venue for what was being advertised and what potential crowds were being attracted to the event.

As the groups of males started to arrive I asked what party they were arriving for, to which the people in the group had mixed responses from Jerry's party, to Gary's party. Some of the members from the group didn't respond as I believe they didn't know what they were attending. The males were asked where they have come from, to which they stated they were from Birmingham. With this John over heard the conversation we were having with the groups and started to become all anxious and informed the door staff that the groups were not allowed in.

About 10 minutes later the males returned to PC Turner and me and stated that the venue had said that the police had stopped the event. The group were informed about the concerns the Police had, however that the Police had not stopped the event and at this point John had not informed PC Turner and I that the event was cancelled. At this point we were on high visibility on the grass area near to Club M to monitor the crowd to feedback to Inspector Tambling, who was the manager for the night time economy on that night.

Due to the number of people being turned away PC Turner and I conducted a patrol of all the other venues to pre warn the staff that people might be a little annoyed due to the actions of Club M and these people could be approaching their venues.

Whilst patrolling along Spon Street, Coventry there was tension at the bottom of Spon Street with people being refused entry. This also was reflected in the Burgess and lower Spon Street. From this, static visibility had to be conducted and dispersal advice given to try and reduce the atmosphere amongst the customers.

With this information, Inspector Tambling and Sergeant Eaves authorised a dispersal notice and officers were asked to stay on to support this order. It was concerning that Club M had not pre warned all the venues via the Pub watch radio; however PC Turner made the call to inform all the venues.

21/8/15-Meeting was then held with PC Bowes, Darren Raynor, David Gains, EMK security and the local authority about the weekend and how their poor management had impacted on the night time economy, police resources and had endangered other venues. There were also concerns over the external fittings of the venue and the internal procedures.

5/9/15-Operation cocktail- Due to the recent intelligence from previous operations, intelligence about drug activity later in the evening, also that the venue knew that we only visited the venue once per operation and that this venue was on a police action plan, it was decided that this venue would be supported twice in the operation on the same night.

The first visit was before midnight for which the venue was low in numbers. However I moved to the garden area immediately. Inside the garden area there were 6 indications with the atmosphere very hostile. A female was extremely aggressive and intoxicated, to which the premise were highlighted about. From this Darren asked her to be removed with her friends and she was advised by the Police to get a taxi.

We then re visited at 0300 hours on the 6/9/15, to which again the same procedure was conducted. As soon as I entered, I saw a male rush to the fence and try and throw over what looked like a kinder egg. Immediately he was detained and the egg was recovered which had 3 wraps of white substance in it. Crime reference number 20/cv/162916/y/15 was created. Also 11 people were indicated and searched. Whilst there, the same female that was indicated earlier was back inside the venue, however had consumed more alcohol and was extremely abusive and was arrested for drunk and disorderly.

Also the activity outside the venue was extremely active with a vehicle search being conducted as well. It was advised to Darren that this kinder egg clearly had been in the male's pocket as he was quick to try and throw it away. Again it was stated that the management were poor and that the customers were controlling this outside area. I suggested the DPS moves around this area constantly so that people smoke and then go back into the rooms.

1/11/15- An ambo log had been received over the weekend, where a 17 year old female had received facial injuries and had been taken to hospital. I called the injured party who stated that she had been inside with three other friends and all had been purchasing and consuming alcohol. Inside they had seen a girl from school that was 15 years old. The injured party said that she had been to the venue a few times as she was never challenge on the front entrance.

12/12/15-Operation cocktail, visited quite early due to the plan of the operation. Again the garden area was hard to contain with people, but nothing of note.

19/12/15-Operation cocktail was conducted, however there was a delay getting into the garden area as people had grouped around the entrance to the garden. From my experience I believe they did this to delay the Police from entering. Results were 18 detections, but no referrals as I believe the drugs had been thrown or past back into the club.

5/2/16- Attended the location around midnight to walk around the location rather than the venue. A walk through was conducted inside however the location was empty due to the time of the visit.

Since then no other dates for operation cocktail have been conducted. From my overall experience the concerns with the venue are repeatedly poor management and supervision, with no direction to manage the ground floor and in particular the smoking area. From the results from the operation the later we visited the venue the more hostile and out of control the garden area became, with people feeling comfortable that they could store drugs in their pockets. From the drugs found these were not for personal use but to supply to the customers in the club, again highlighting that customers felt safe to deal inside the venue; in the brightest most open part of the venue. Whilst operation cocktail visited the venue the only room which was visited was the garden area due to the layout and containment of the venue.

WITNESS STATEMENT

Crime Number:.....

Criminal Procedure Rules, r 27.2; Criminal Justice Act 1967, s. 9; Magistrates' Courts Act 1980, s.5BURN

--	--	--	--

Statement of: Claire MARSTON

Age if under 18:Over 18 (if over 18 insert 'over 18') Occupation: Police Constable

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false, or do not believe to be true.

Signature:  Date Monday 25th July 2016.....

I am Police Constable based with the West Midlands Police, from 2006 till early 2016 I was one of the licensing officers for the area of Coventry. Within that time I would assist coordinating operation cocktail, which was a deployment of police officers and the passive drugs dog to educate people about the dangers of alcohol and illegal drugs and to reduce the alcohol and drug related violence within the City in the night time economy. This operation was based on intelligence and on every deployment Club M/Club SO, Hertford Place, City Centre, Coventry was visited. Sometimes due to the intelligence the premise was visited twice within a night.

Over a year's deployment the following was found upon visits:

30/1/15- Operation cocktail visited the location. From the previous operations the smoking area and the attaching room was always the most vulnerable space within that premise. However upon arrival there were no door supervisors in the area. Customers quickly exited the garden via the far door as there was no control or supervision in the garden area.

Results from the deployment into that one area was, a male found with a bag of white substance believed to be cocaine. This male was placed onto the drug referral scheme. Also a male was detected with 6 ecstasy pills in his pocket and arrested for possession with intent to supply.

Whilst there, the door procedure was observed, the results were poor with no customers being searched prior to entry. Both amounts of drugs were found in the pockets of the customers, indicating that the customers felt safe not to hide the drugs, but just have them in their pockets.

From this result, a meeting was arranged with the DPS Darren Raynor as the management in the venue was poor and the customers were controlling the smoking area and the room attached. This meeting was conducted on the 3/2/15. The premise was placed on an action plan to move things forward, especially concerning the control and layout of the ground floor. It was agreed via the owner David Gains and Darren Raynor that changes would be implemented as the management agreed that the garden area was a concern. The alterations were agreed via the Police and the owners and the venue was placed on the corvus staffing template to be supported each weekend by the Police.

18/4/15- Operation cocktail was deployed to the venue, to which there was an increase in door staff and the DPS was present, however they were all positioned by the front entrance with no observation on the garden area. From the smoking area there were 6 indications, however due to the amount of staff at the front entrance the deployment of officers to get inside was delayed, to which officers could see a lot of movement inside the garden area and customers going back into the attaching room. It was felt that the delay at the front entrance limited the results found inside, as the customers would have secreted the drugs and left the garden area.

15/05/15-Action plan signed off and there was information that a new member of staff would be supporting the venue called John Hall.

15/8/15 from 2000 hours till 0200 hours I was on mobile patrol with PC Christopher Turner in the night time economy in the Coventry area. At around 2200 hours PC Turner was called via the radio to zone two, which at the time covered the area known as the Burges and surrounding roads. The camera room via the radio had highlighted that two IC3 males were acting suspiciously in Palmer Lane, Coventry.

Upon arrival, the area was very busy with males loitering around Mac Donald's and the surrounding roads. The atmosphere was classed as moody with people hanging about. The crowd's non-verbal communication towards PC Turner and me was hostile and moody. One of the males when we arrived had hid and stepped back into Palmer Lane upon seeing the Police, which caught my attention. From this, we spoke to the two males in Palmer Lane, I spoke to a male who called himself DJ Cloud Nine. He stated he was purchasing some food before going to Club M to play as a DJ at a gig. Cloud Nine said he was from London and that some of 'his boys' from London were coming to the event. I asked Cloud Nine if the people hanging around the area were coming to the event, to which he confirmed that they were.

Whilst in that area, I spoke to [REDACTED] who was supplying Club M with door staff at the time. He stated that he was withdrawing his staff from the venue due to not being paid; approximately £10,000 was outstanding and that the venue was cutting corners by not having enough door staff working, which caused the door staff safety concerns.

From all this information and the atmosphere in the area, PC Turner and I attended Club M, to which John Hall was at the front entrance talking to a large group of IC3 males. I asked John what event was on tonight, to which he stated that there was no event, but a 21st birthday party, with just the normal in house DJ's performing. I asked for confirmation via documentation about the party, to which John stated there was no documentation, but the male was known as Jerry who was 21 and about 60 guests were attending. I asked if John knew about a male called Cloud Nine that was supposedly playing at the event, not party and suggested that John observed the social media feed to prepare the venue for what was being advertised and what potential crowds were being attracted to the event.

As the groups of males started to arrive I asked what party they were arriving for, to which the people in the group had mixed responses from Jerry's party, to Gary's party. Some of the members from the group didn't respond as I believe they didn't know what they were attending. The males were asked where they have come from, to which they stated they were from Birmingham. With this John over heard the conversation we were having with the groups and started to become all anxious and informed the door staff that the groups were not allowed in.

About 10 minutes later the males returned to PC Turner and me and stated that the venue had said that the police had stopped the event. The group were informed about the concerns the Police had, however that the Police had not stopped the event and at this point John had not informed PC Turner and I that the event was cancelled. At this point we were on high visibility on the grass area near to Club M to monitor the crowd to feedback to Inspector Tambling, who was the manager for the night time economy on that night.

Due to the number of people being turned away PC Turner and I conducted a patrol of all the other venues to pre warn the staff that people might be a little annoyed due to the actions of Club M and these people could be approaching their venues.

Whilst patrolling along Spon Street, Coventry there was tension at the bottom of Spon Street with people being refused entry. This also was reflected in the Burgess and lower Spon Street. From this, static visibility had to be conducted and dispersal advice given to try and reduce the atmosphere amongst the customers.

With this information, Inspector Tambling and Sergeant Eaves authorised a dispersal notice and officers were asked to stay on to support this order. It was concerning that Club M had not pre warned all the venues via the Pub watch radio; however PC Turner made the call to inform all the venues.

21/8/15-Meeting was then held with PC Bowes, Darren Raynor, David Gains, EMK security and the local authority about the weekend and how their poor management had impacted on the night time economy, police resources and had endangered other venues. There were also concerns over the external fittings of the venue and the internal procedures.

5/9/15-Operation cocktail- Due to the recent intelligence from previous operations, intelligence about drug activity later in the evening, also that the venue knew that we only visited the venue once per operation and that this venue was on a police action plan, it was decided that this venue would be supported twice in the operation on the same night.

The first visit was before midnight for which the venue was low in numbers. However I moved to the garden area immediately. Inside the garden area there were 6 indications with the atmosphere very hostile. A female was extremely aggressive and intoxicated, to which the premise were highlighted about. From this Darren asked her to be removed with her friends and she was advised by the Police to get a taxi.

We then re visited at 0300 hours on the 6/9/15, to which again the same procedure was conducted. As soon as I entered, I saw a male rush to the fence and try and throw over what looked like a kinder egg. Immediately he was detained and the egg was recovered which had 3 wraps of white substance in it. Crime reference number 20/cv/162916/y/15 was created. Also 11 people were indicated and searched. Whilst there, the same female that was indicated earlier was back inside the venue, however had consumed more alcohol and was extremely abusive and was arrested for drunk and disorderly.

Also the activity outside the venue was extremely active with a vehicle search being conducted as well. It was advised to Darren that this kinder egg clearly had been in the male's pocket as he was quick to try and throw it away. Again it was stated that the management were poor and that the customers were controlling this outside area. I suggested the DPS moves around this area constantly so that people smoke and then go back into the rooms.

1/11/15- An ambo log had been received over the weekend, where a 17 year old female had received facial injuries and had been taken to hospital. I called the injured party who stated that she had been inside with three other friends and all had been purchasing and consuming alcohol. Inside they had seen a girl from school that was 15 years old. The injured party said that she had been to the venue a few times as she was never challenge on the front entrance.

12/12/15-Operation cocktail, visited quite early due to the plan of the operation. Again the garden area was hard to contain with people, but nothing of note.

19/12/15-Operation cocktail was conducted, however there was a delay getting into the garden area as people had grouped around the entrance to the garden. From my experience I believe they did this to delay the Police from entering. Results were 18 detections, but no referrals as I believe the drugs had been thrown or past back into the club.

5/2/16- Attended the location around midnight to walk around the location rather than the venue. A walk through was conducted inside however the location was empty due to the time of the visit.

Since then no other dates for operation cocktail have been conducted. From my overall experience the concerns with the venue are repeatedly poor management and supervision, with no direction to manage the ground floor and in particular the smoking area. From the results from the operation the later we visited the venue the more hostile and out of control the garden area became, with people feeling comfortable that they could store drugs in their pockets. From the drugs found these were not for personal use but to supply to the customers in the club, again highlighting that customers felt safe to deal inside the venue; in the brightest most open part of the venue. Whilst operation cocktail visited the venue the only room which was visited was the garden area due to the layout and containment of the venue. *muir R1452*

 9754 07/11/2015 05:59:33 WebOASIS ** TASER REVIEW ** I HAVE ATTENDED THIS INCIDENT
 9754 07/11/2015 05:59:33 WebOASIS FOLLOWING A TASER ACTIVATION BY PC 0308 JONES ON A
 9754 07/11/2015 05:59:33 WebOASIS MALE WHO GAVE HIS DETAILS AS [REDACTED] I SEIZED
 9754 07/11/2015 05:59:33 WebOASIS THE TASER CARTRIDGE REF. C31034AHO WHICH I EXHIBIT AS
 9754 07/11/2015 05:59:33 WebOASIS HEM-1; TASER BLAST DOORS WHICH I EXHIBIT AS HEM-2 AND
 9754 07/11/2015 05:59:33 WebOASIS TASER BARBS WHICH I EXHIBIT AS HEM-3. I DIDN'T SIEZE
 9754 07/11/2015 05:59:33 WebOASIS ANY TASER AFIDS AS IT WAS RAINING HEAVILY AND THEY
 9754 07/11/2015 05:59:33 WebOASIS HAD BECOME EMERSED BY WATER AND DISINTEGRATED. THESE
 9754 07/11/2015 05:59:33 WebOASIS ITEMS WERE LATER BOOKED INTO DETAINED PROPERTY AT
 9754 07/11/2015 05:59:33 WebOASIS COVENTRY CENTRAL TO WHICH PROPERTY REF [REDACTED]
 9754 07/11/2015 05:59:33 WebOASIS REFERS. ON ARRIVAL AT THE SCENE I COULD SEE THAT A
 9754 07/11/2015 05:59:33 WebOASIS MALE HAD BEEN TASERED TO THE RIGHT THIGH. I
 9754 07/11/2015 05:59:33 WebOASIS CONSIDERED THE WELFARE OF THE SUBJECT WHO SUSTAINED
 9754 07/11/2015 05:59:33 WebOASIS NO LASTING INJURY. I HAVE ENDORSED THE TASER USAGE IN
 9754 07/11/2015 05:59:33 WebOASIS THE TASER LOG. I WAS INFORMED BY PC JONES THAT ON
 9754 07/11/2015 05:59:33 WebOASIS ATTENDING THE SCENE TO A REPORT OF A MALE KICKING THE

07/11/2015 05:59:33 WebOASIS DOOR- A [REDACTED] APPROACHED HIM COVERED IN BLOOD STATING
9754 07/11/2015 05:59:33 WebOASIS THAT HE HAD BEEN ASSAULTED POINTING TOWARDS THE
9754 07/11/2015 05:59:33 WebOASIS SMOKING AREA- PC JONES OPENED THE DOOR AND COULD SEE
9754 07/11/2015 05:59:33 WebOASIS A [REDACTED] BEING AGGRESSIVE AND LASHING OUT AT DOOR
9754 07/11/2015 05:59:33 WebOASIS STAFF. PC JONES RESTRAINED HIM AND TOOK HIM TO THE
9754 07/11/2015 05:59:33 WebOASIS GROUND. THE [REDACTED] THEN SWUNG AT PC BURMAN AT WHICH
9754 07/11/2015 05:59:33 WebOASIS TIME PC JONES FEARING FOR OFFICER SAFETY TASERED [REDACTED]
9754 07/11/2015 05:59:33 WebOASIS TO THE THIGH.THE SUBJECT WAS ARRESTED ON SUSPICION OF
9754 07/11/2015 05:59:33 WebOASIS SECTION 18 WOUNDING AND RESISTING ARREST.*** THIS IS

Updates

User	Date	Time	Terminal	Text
57921	06/09/2015	15:20:57	SLCHC7	OFFENDER WAS [REDACTED]
57921	06/09/2015	15:22:20	SLCHC7	[REDACTED]
57921	06/09/2015	15:22:21	SLCHC7	.
57921	06/09/2015	15:22:31	SLCHC7	HE PUNCHED CALLER IN MOUTH. HE HAS A BUST LIP.
57921	06/09/2015	15:22:32	SLCHC7	.
57921	06/09/2015	15:22:40	SLCHC7	CALLER STATES OFFICERS WERE PRESENT- THEY THOUGHT
57921	06/09/2015	15:22:52	SLCHC7	THAT CALLER WAS THE PROBLEM AND THEY REMOVED HIM
57921	06/09/2015	15:22:59	SLCHC7	FROM THE CLUB. HE SAID HE TRIED TO EXPLAIN AND SO
57921	06/09/2015	15:23:08	SLCHC7	DID SECURITY. OFFENDER WAS ALLOWED TO STAY IN THE
57921	06/09/2015	15:23:09	SLCHC7	CLUB.
57921	06/09/2015	15:23:09	SLCHC7	.
57921	06/09/2015	15:23:32	SLCHC7	CALLER STATED THAT AFTER THE OFFENDER PUNCHED HIM
57921	06/09/2015	15:30:45	SLCHC7	CALLER LUNGED FOR HIM - THEN HE WAS REMOVED FROM
57921	06/09/2015	15:30:46	SLCHC7	CLUB
57921	06/09/2015	15:30:47	SLCHC7	.
57921	06/09/2015	15:31:04	SLCHC7	SOMETIME AFTER HIS GIRLFRIEND WAS APPROACHED BY THE
57921	06/09/2015	15:31:14	SLCHC7	[REDACTED] AND HE SAID [REDACTED]
57921	06/09/2015	15:31:30	SLCHC7	[REDACTED], CALLER WAS STANDING FURTHER AWAY AND
57921	06/09/2015	15:31:38	SLCHC7	THEN SAW HIM RAISE A HAND TO HIS GIRLFRIEND AS
57921	06/09/2015	15:31:45	SLCHC7	THOUGH HE WAS GOING TO SLAP HER ... CALLER RUSHED
57921	06/09/2015	15:31:58	SLCHC7	OVER BUT MALE WAS WALKING AWAY AND HIS GIRLFRIEND
57921	06/09/2015	15:32:01	SLCHC7	STOPPED HIM GOING OVER
57921	06/09/2015	15:32:02	SLCHC7	.
57921	06/09/2015	15:32:22	SLCHC7	CALLER'S BROTHER WAS ALSO ASSAULTED- HAS A BLACK
57921	06/09/2015	15:32:37	SLCHC7	EYE- BELIEVE THIS HAPPENED AFTER CALLER LEFT THE
57921	06/09/2015	15:32:44	SLCHC7	CLUB IN THE SMOKING AREA.
57921	06/09/2015	15:32:59	SLCHC7	THE IC4 MALE THAT PUNCHED CALLER WAS BRAGGING WHEN
57921	06/09/2015	15:33:07	SLCHC7	HE CAME OUT OF THE CLUB SAYING [REDACTED]
57921	06/09/2015	15:33:09	SLCHC7	[REDACTED]
57921	06/09/2015	15:33:10	SLCHC7	.
57921	06/09/2015	15:33:34	SLCHC7	CALLER'S GIRLFRIEND IS [REDACTED]
57921	06/09/2015	15:33:45	SLCHC7	CALLER IS IN [REDACTED]
57921	06/09/2015	15:33:50	SLCHC7	[REDACTED]
57921	06/09/2015	15:33:51	SLCHC7	[REDACTED]
57921	06/09/2015	15:33:56	SLCHC7	Graded Response changed from APPOINTMENT to ROUTINE
57921	06/09/2015	15:34:08	SLCHC7	* NOTED THIS IS NOW A HATE CRIME AS RACIAL WORDS
57921	06/09/2015	15:34:16	SLCHC7	USED AND WOULD NORMALLY BE AN EARLY HOWEVER CALLER
57921	06/09/2015	15:34:29	SLCHC7	NEEDS TO TRAVEL TO COVENTRY TO P-S SO GRADED EARLY *

Corvus Briefing Summary

19th July 2015

Report of excessive bottles left in the area and male with injury

25th July 2015

Fight at premises whilst officers were present, male ejected. Further fight attended that evening by same officer at Club M

1st August 2015

Concerns re OCG's frequenting the premises

16th August 2015

Dispersal order put in place, officers retained on duty due to demand from Club M.

23rd August 2015

Issues re known nominal causing issues.

6th September 2015

Passive drugs operation at premises. 12 persons searched as a result of indications by the passive dog, 1 male arrested for possession of Class A drugs, one female arrested for drunk & disorderly, known nominal causing issues at premises.

12th September 2015

Male detained with large quantity of drugs.

6th February 2016

Operation Cocktail, several detections by passive dog, no drugs found.

INNKEEPER ENTRY 16/8/15

PC MARSTON AND PC TURNER WERE CALLED TO ZONE TWO DUE TO THE CAMERA ROOM HIGHLIGHTING THAT TWO IC 3 MALES WERE ACTING SUSPICIOUSLY IN PALMER LANE. A DISCUSSION STARTED TO WHICH ONE OF THE MALES WHO IS KNOWN AS DJ CLOUD NINE STATED THAT HE WAS PLAYING AT AN EVENT AT CLUB SO/CLUB M. HE STATED THAT HE WAS FROM LONDON AND SOME OF HIS BOYS HAD COME UP FROM THIS EVENT.

WITHIN THE BURGESS AREA IT WAS VERY BUSY WITH LONDON MALES WHO WERE ALL HEADING TO CLUB M.

[REDACTED]

PC MARSTON AND PC TURNER THEN ATTENDED CLUB M TO WHICH JOHN WAS PRESENT. WHILST TALKING OUTSIDE LARGE GROUPS OF IC3 MALES WERE ARRIVING. JOHN WAS ASKED ABOUT THE EVENT TO WHICH HE STATED THAT THERE WAS A 21ST BIRTHDAY PARTY BUT NO EXTERNAL DJ'S. I ASKED DETAILS OF THE PARTY TO WHICH JOHN STATED IT WAS A 21ST FOR A MALE KNOWN AS [REDACTED] AND ABOUT 60 GUESTS WOULD BE ARRIVING.

AS THE GROUPS OF MALES ARRIVED PC MARSTON ASKED WHOS PARTY THEY WERE ARRIVING FOR TO WHICH THE PEOPLE IN THE GROUP HAD MIXED RESPONSIVES FROM [REDACTED] PARTY TO [REDACTED] PARTY. THE MALES WERE ASKED WHERE THEY CAME FROM TO WHICH THEY STATED THEY HAD COME FROM BIRMINGHAM. WITH THIS OVER HEARD JOHN STATED THAT HE WOULD NOT ALLOW THEM IN AND RAN TO THE FRONT ENTRANCE.

ABOUT 10 MINUTES LATER THE MALES RETURNED TO PC MARSTON AND PC TURNER AND STATED THE VENUE HAD SAID THAT THE POLICE HAVE STOPPED THE EVENT. THE GROUP WERE INFORMED ABOUT THE POLICE CONCERNS AND STATED THAT THE VENUE HAVE THE RIGHT TO STOP ANYONE FROM ENTERING THE VENUE, HOWEVER THE POLICE HAD NOT STOPPED THE EVENT.

DUE TO THE NUMBER OF PEOPLE THAT WERE GOING TO BE TURNED AWAY AND WHAT PC MARSTON AND PC TURNER HAD VIEWED IN THE BURGESS AREA IT WAS DECIDED TO PRE WARN OTHER VENUES [REDACTED]

[REDACTED]

WITH THIS INSPECTOR TAMBLING AND SERGEANT EAVES WERE INFORMED AND A DISPERSAL NOTICE WAS AUTHORISED. PC TURNER INFORMED ALL VENUES VIA THE PUBWATCH SCHEME ABOUT THE CANCELLED EVENT AND ALL NPT STAFF WERE ASKED TO STAY ON DUTY TO HELP CLEAR THE MALES AND SHOW HIGH VISIBILITY.

[REDACTED]

Offence	CAUSE INT HARASSMENT/ALARM/DISTRESS		
Offence Type	OT - Other		
Location	SO CLUB ROOM HERTFORD PLACE CITY CENTRE COVENTRY CV1 3JZ		
Repeat Victim	No		
People	VICT - Victim Address SUSP - Suspect Address ORTO - Person Offence reported to 9192 Alan Mackey INPT - Input by 52854 Helen Sparrow		
MO	BMT OFFENDER HAS TRIED TO GAIN ENTRY TO THE CLUB BUT WAS REFUSED BY DOOR STAFF. OFFENDER THEN BECAME AGGRESSIVE AND THROW A METAL GATE TOWARDS THE SMOKING AREA WHERE CUSTOMERS WERE. OFFENDER HAS THEN TRIED TO FORCE HIS WAY INTO THE CLUB PAST DOOR STAFF BUT WASNT ALLOWED ACCESS. OFFENDER THEN BECAME VERBALLY ABUSIVE, AND THREATENED IP THAT HE WOULD GO AND GET A MACHETE AND SAID HE WOULD COME BACK AND BURN THE PLACE DOWN. IP BELIEVES THAT HE IS CAPABLE OF THESE THREATS AS HE HAS DEALT WITH OFFENDER ON MANY OCCASIONS. IP FELT H/A/D AND HE BELIEVES THE CUSTOMERS WOULD AS WELL. OFFENDER THEN LEFT THE AREA.
