To be moved by Councillor R Brown and seconded by Councillor P Akhtar:

“That this Council notes the unprecedented rise in crime within the City.

These are not just crimes against property such as burglaries, but a rise in crimes against persons.

The effect of this on some of the residents in our local communities is to make them frightened, intimidated and in many cases isolated.

The obvious solution to this is to give our Police Force the tools they need to do their job. There must be a more visible presence of Officers on the streets and resources available for the detection of crime.

Therefore this Council will petition the Government to act now and to make the funding available for our Police Force to carry out its duties and responsibilities in keeping the streets safe for all our citizens”.
