110. Coventry Good Citizen Award

On behalf of the City Council, the Lord Mayor and His Honour Judge Lockhart QC presented Antony Woan with the Good Citizen Award. His citation read:

Since 1988 Antony has been a Manager of Whitley Juniors Football Club and with 29 years of service, he is the longest continually serving manager in the Coventry & Warwickshire Youth League. Over the years with Whitley Juniors FC Antony has worked

with hundreds of children from all walks of life, many of whom have found themselves facing them down the wrong path. Through the game of football Antony has been able to connect with the children and has helped to guide them with the vast majority of these children going on to be law abiding citizens with great careers and families. It is a testament to his success that many have brought their own children back to the club to play football and to benefit from the positive, safe fun and friendly environment which is provided.

Antony has essentially kept the club running for 30 years, during this time he has faced many struggles, from run down facilities to loss of players; these hardships have only encouraged Antony to work harder. He is currently he is in the process of turning a rundown hut on the grounds into something the club can be proud of and a place for the children to go and enjoy. On a daily basis Antony is constantly making arrangements for the club; ordering or picking up kit, arranging for pitches to be marked and all manner of other jobs. Without Antony's care and devotion the club would struggle and the children would not have a football club in their local area.

To Antony it has never been about recognition, but the joy that the football club gives to children; his actions truly reflect his character and he is a worthy recipient of this Good Citizen Award.

114. **Adoption of Housing & Homelessness Strategy 2019-24**

Further to Minute 123/18 of Cabinet, the City Council considered a report of the Deputy Chief Executive (Place), which set out the Housing and Homelessness Strategy for adoption.

The Council is required to have an up to date Strategy to prevent homelessness. The proposed Housing and Homelessness Strategy for adoption covered the period 2019-2024 and would replace the Council's previous strategy which operated between 2013 and 2018.

The Housing Strategy and Homelessness Strategy had been combined into one document, reflecting the fact that activities to prevent homelessness are dependent on the availability of additional housing, an improvement in the management and quality of existing housing and the advice and support available to people who need it to successfully maintain their home. This ensures the Council takes a comprehensive and joined up approach to all matters relating to housing and homelessness.

The final strategy had been updated following a period of consultation in November and December 2018. The results of the consultation were set out in Appendix 3 of the report submitted.

The Strategy continued to focus on four main themes: Preventing homelessness and supporting homeless households; Support for people and communities; Improving the use of existing homes; and New housing developments.

The Cabinet had noted that the Strategy would also be supported by an Action Plan that would remain a live document and be monitored and delivered by the City Council and its relevant partners. The Strategy and the Action Plan were both appended to the report submitted.

The Cabinet had agreed to note the consultation responses received to the draft Housing and Homelessness Strategy and the summary report provided at Appendix 3.

RESOLVED that the City Council adopt the new Housing and Homelessness Strategy (Appendix 1) and supporting Action Plan (Appendix 2) with effect from 20th March, 2019.

115. **Annual Pay Policy 2019/20**

The City Council considered a report of the Deputy Chief Executive (People) which provided information on the Annual Pay Policy Statement 2019/20.

Local Authorities are required by sections 38 and 39 of the Localism Act 2011 to produce an annual Pay Policy Statement. The statement must articulate the City Council's policies towards a range of issues relating to the pay of the workforce, particularly the most senior (or "chief officer") and the relationship of their pay to the lowest paid employees. The proposed Annual Pay Policy Statement for 2019/20 was attached as Appendix 1 to the report.

RESOLVED that the City Council approve the Annual Pay Policy Statement 2019/20 as attached at Appendix 1 of the report.

119. Debate: Support Unite the Unions Period Poverty Charter

The following Motion was moved by Councillor R Auluck and seconded by Councillor L Bigham:

“This Council agrees to support Unite the Unions Period Poverty Charter which calls for us to:-

1. Ensure sanitary products are accessible.
2. Ensure there is a positive, supportive culture towards periods.
3. Support Unite’s campaign in ensuring VAT is removed from sanitary products. Sanitary products to women are essential. They are not a luxury item.
4. Support Unite’s campaign for places of education to provide sanitary products.
5. Support campaigns so that no women or young girls face period poverty.

Having a period is a completely natural process that should not be a source of awkwardness for anyone in today’s society. Women and girls do not choose to have a period; a period is not a luxury. It comes at an expensive monthly cost. With this in mind, Coventry City Council supports the Charter, especially the call for Government to ensure that they remove VAT from all sanitary products at the earliest opportunity”.

RESOLVED that the Motion, as set out above, be unanimously adopted.

120. Thanks to the Lord Mayor

On behalf of the City Council, Councillors G Duggins and G Ridley thanked the Lord Mayor for the manner in which he had Chaired Council meetings during 2018/19.
