82. Application for a performance of Hypnotism under the Hypnotism Act 1952, and to approve the regulation of future performances of Hypnotism within the Local Authority

The Committee considered a report of the Deputy Chief Executive (Place) requesting authorisation and approval of conditions for a performance of hypnotism at a licensed premises on 20 April 2019. The report also sought to consider the arrangements for the regulation and authorisation of future performances of hypnotism within the Local Authority.

Section 2(1) of the Hypnotism Act 1952, states that no person shall give an exhibition, demonstration or performance of hypnotism on any living person, or in connection with an entertainment to which the public are admitted, whether on payment or otherwise at any place, unless the Licensing Authority had authorised that exhibition, demonstration or performance. Any such authorisation may be subject to conditions.

The licensing team received a written request in February 2019 to stage a performance of hypnotism on the 20th April 2019 at Pinley RFC. Notice of the performance has been given to the responsible authorities and they had no adverse comments. The applicant had provided all the necessary details as required in the proposed application form (attached as Appendix 2 to the report). The applicant was an experienced hypnotist and the licensing team had confirmed with other local authorities where he had staged previous performances that there had been no concerns or complaints. The proposed venue was a licensed premises within the Local Authority area.

Although delegation to Officers can normally only be granted by Full Council, Section 2(3A) of the Hypnotism Act 1952, stated that the authorisations of hypnotism was a function to be carried out by the Licensing Committee.

Therefore, it was the Licensing & Regulatory Committee (rather than Full Council) which was able to delegate these functions to Officers.

RESOLVED that the Licensing & Regulatory Committee:

- 1. Authorise the performance of hypnotism by Colin Adamson to be undertaken at the Pinley RFC on 20 April 2019, subject to the conditions attached as Appendix 1 to the report.**
- 2. Approve the conditions as attached at Appendix 1 of the report and attach them to any future authorisation issued by the Council for the staging of hypnotism as a means of entertainment.**
- 3. Delegate authority to the Head of Planning and Regulation to determine any future applications for authorisation of performances of hypnotism under the Hypnotism Act 1952**
- 4. Approve that, subject to point 3 above, where a representation is received against a decision to refuse an application for a performance of hypnotism, a Licensing and Regulatory Sub-Committee will meet to review this decision.**
