The Coventry Award of Merit

1. Context (or background)

- 1.1 The Coventry Award of Merit was established by the City Council in the 1960s as a means of acknowledging and honouring personal behaviour reflecting the highest ideals of citizenship or outstanding performance in any field of human endeavour which enhances the good name of Coventry and affords inspiration to its citizens.

The Award has previously taken the form of a citation under the common seal together with a presentation of a gold medallion pendant from a ribbon in the City's colours. The motif on the medallion is the phoenix, symbolising the resurgence of Coventry from the flames of the Blitz.

- 1.2 The Advisory Panel is made up of the following members:
- Cabinet Member for Policing and Equalities, Councillor A Khan (Chair)
 - Cabinet Member for Strategic Finance and Resources, Councillor J Mutton
 - Shadow Cabinet Member for Policing and Equalities, Councillor A Andrews
 - Chair of Scrutiny Co-ordination Committee, Councillor T Khan, (or his representative)
 - The Lord Mayor, ex officio, Councillor J Blundell
 - The Council's Honorary Recorder, Judge A Lockhart
- 1.3 The Advisory Panel met on 30 July, 2018 to advise the Cabinet Member for Policing and Equalities following the receipt of a nomination for Mr R Stanton and unanimously supported the granting of the award.
- 1.4 Rick Stanton was nominated for the award following his internationally publicised key role in the rescue of 12 boys and their football coach from the Tham Luang caves in Thailand. The group had been trapped for 9 days before being found by Rick and his diving partner, John Volanthen. This was not Mr Stanton first rescue mission and he has been involved in saving lives before, as well as being a firefighter for 25 years. A copy of the nomination form is attached as an Appendix to this report.

- 4.1 The Cabinet Member for Policing and Equalities will consider the recommendation from the Coventry Award of Merit Advisory Panel and will then make a recommendation regarding the recipient to the City Council for approval at their meeting on 4 September, 2018.

Award of Merit Nomination

Mr Richard William Stanton MBE

Mr Rick Stanton, 56, is a former firefighter. He was based at Canley Fire Station where he served with the West Midlands Fire Service for 25 years before retiring.

As a member of the South and Mid Wales Cave Rescue Team for many years, he and his diving partner, John Volanthen, were called to help rescue the youth soccer team and their coach trapped in the Tham Luang caves in Thailand.

The team of divers risked their lives in rescuing the boys who had been trapped for nine days before being found by Mr Stanton and Mr Volanthen. It has been reported to be the most challenging underground rescue in history, with more than 90 Special Forces Soldiers originally drafted in to help.

In an interview in 2007, Mr Stanton stated that he became interested in diving as a child, after watching a programme called "Underground Eiger". He went on to join diving clubs at university.

An online encyclopedia states that Rick Stanton is "one of the world's most accomplished cave-divers". In 2004 he was involved in the rescue of six British cavers who were trapped for 8 days in a cave at the Mexican Alpacatzuc caverns.

In 2008 Rick Stanton received the EUROTEK award for his contribution to advanced and technical diving and in 2012 he received a medal from the Royal Humane Society for his attempt to rescue a diver from a French cave.

He was appointed a Member of the Most Excellent Order of the British Empire (MBE) in the 2013 New Year Honours.
