Report title: Premises Variation Application

1. Context (or background)

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
- The Prevention of crime & disorder
 - The Protection of public safety
 - The Prevention of public nuisance
 - The Protection of children from harm
- 1.2 A Premises Licence Variation application for Buzz Bingo was received on 29 November 2019.
- 1.3 The application seeks to remove the restriction of opening hours. The Variation application also seeks to make changes to the internal layout of the premises including an extension of the slots area and a slight reconfiguration of the main seating area and diner (see Appendix 2). It should be noted that no changes to the licensable activities (hours) have been applied for.
- 1.4 One representation from a resident (other persons), has been received to the application (outlined in paragraph 3.3).
- 1.5 In addition to the mandatory conditions, the Sub-Committee should refer to the operating schedule detailed in the application (Appendix 1). No further conditions have been proposed with the application.
- 1.6 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.
- 1.7 It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, responsible authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

2. Options considered and recommended proposal

- 2.1 There are three courses of action available to the Sub-Committee in relation to this application:
- (i) Grant the application as requested. If the Sub-Committee consider that granting the application would not undermine any of the Licensing Objectives, it should be granted in full as submitted. This would be granted subject to mandatory conditions and conditions consistent with the applicant's operating schedule, and any other conditions agreed by the applicant as part of the consultation / mediation process. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
 - (ii) Grant the application as above, but the Sub-Committee could impose extra conditions as it thinks fit, or make amendments to the operating schedule conditions, and/or proposed hours. This option may include adding any conditions suggested by other

parties at the hearing, including the applicant. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.

(iii) If the Sub-Committee concludes that no additional conditions would ensure that the Licensing Objectives would be upheld, then the whole application should be rejected.

2.2 Your officer recommends option (ii).

The reason for this recommendation is that there have been no representations made by the responsible authorities. The concerns outlined in the representation (other persons) can be reduced by adding conditions to the Premises Licence. Appropriate conditions can be considered after the mediation meeting has taken place. If problems do occur, then the Review procedure is available to both responsible authorities and other persons.

2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances considered before a decision is made.

2.4 The Sub-Committee must also be aware that licences can be reviewed at any time by any Responsible Authority or any 'other person', if it is considered that any of the Licensing Objectives have been undermined following the grant of the Premises Licence.

3. Results of consultation undertaken

3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees (Responsible Authorities) and any other persons for 28 days in the form of a notice displayed on the premises, and a notice published in a local newspaper.

3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

Responsible Authority	Response Received	Objections	Conditions Agreed
Licensing	No	-	-
Police	Yes	No	-
Environmental Protection	Yes	No	-
Fire Safety	No	-	-
Health & Safety	No	-	-
Trading Standards	Yes	No	-
Planning	No	-	-
Safeguarding Children	No	-	-
Public Health	No	-	-
Secretary of State	No	-	-

3.3 One representation has been received from a resident (any other persons). The grounds for the representation is that the granting of the extension to the hours as requested would undermine the Licensing Objective of Prevention of Public Nuisance. The representations note concerns regarding litter from smoking and drinking alcohol at the front of the premises, parking issues and noise emanating from the premises during the evenings. There are concerns that no restriction on the hours would cause an increase in public nuisance.

3.4 The objector has accepted an offer of attending a mediation meeting to see if any resolution can be reached (date to be confirmed).

4. Timetable for implementing this decision

- 4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

5. Comments from Director of Finance and Resources

5.1 Financial implications

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court and the decision of the Sub-Committee is not upheld.

5.2 Legal implications

The Licensing Act 2003 sets out how applications for variations to premises licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the four Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a variation, the applicant may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

6. Other implications

6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint or Coventry Sustainable Community Strategy

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life.

6.2 How is risk being managed?

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

6.3 What is the impact on the organisation?

None

6.4 Equalities / EIA

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

6.5 Implications for (or impact on) climate change and the environment

None

6.6 Implications for partner organisations?

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West

Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

6.7 Human Rights Act Implications

None

Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence, you should make a new premises licence application under section 17 of the Licensing Act 2003.

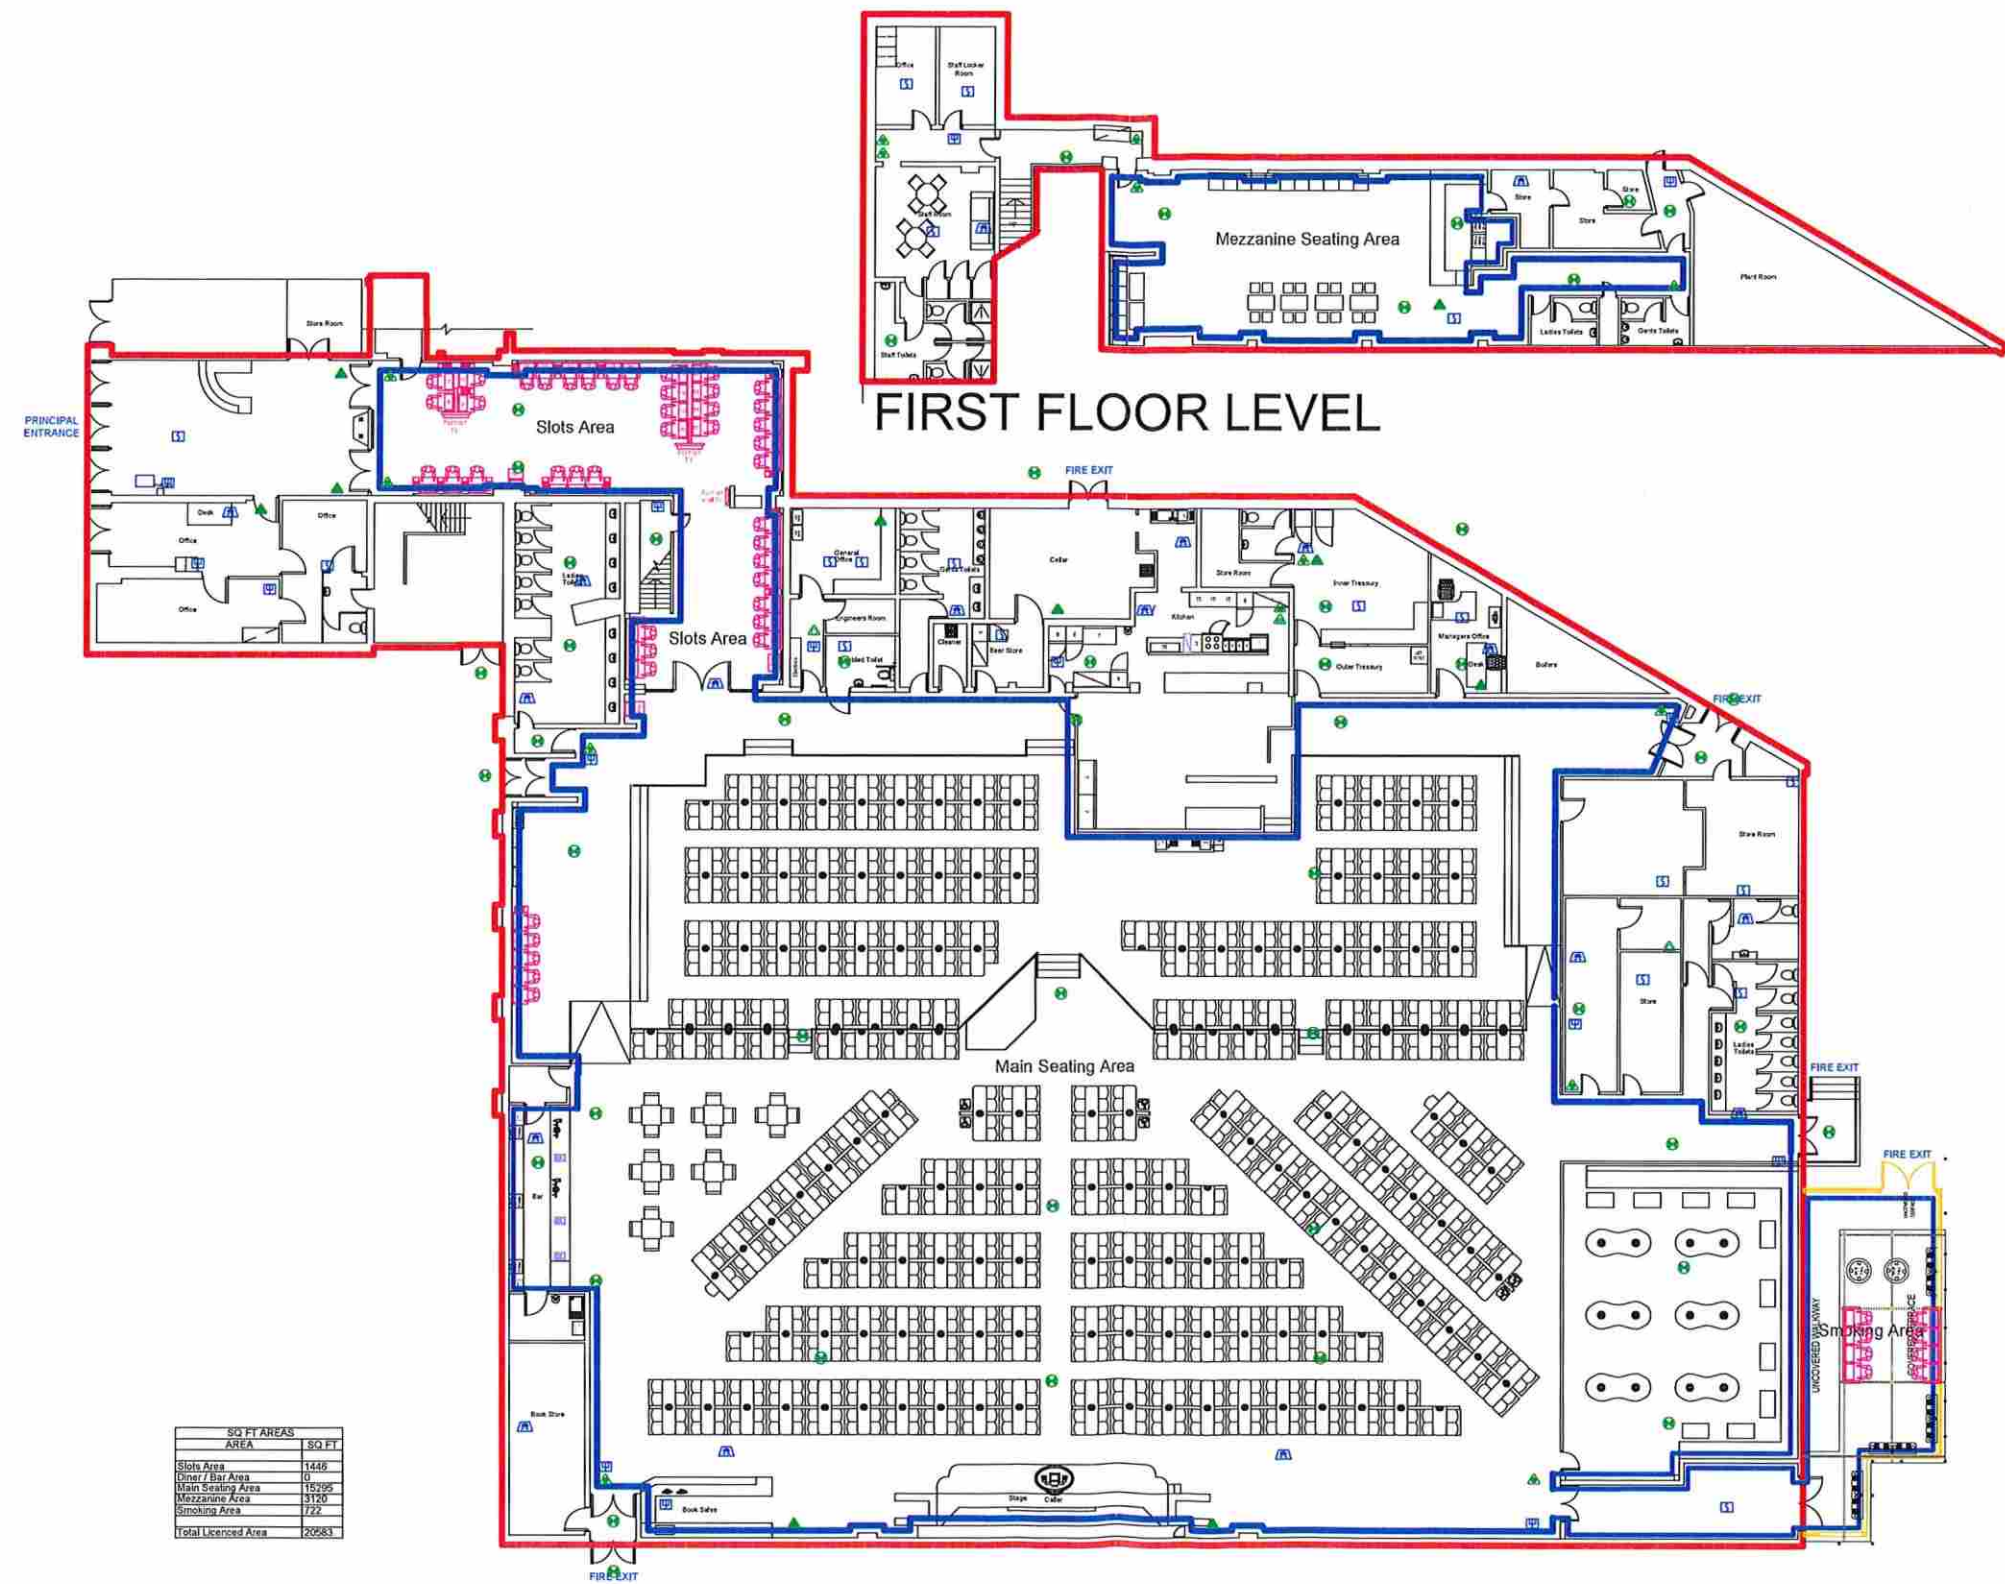

1. You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable for the late night levy
2. Describe the premises. For example, the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place of consumption of these off-supplies of alcohol, you must include a description of where the place will be and its proximity to the premises.
3. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 500.

 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.  - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

Dear Sir/Madam

Buzz Bingo, Savoy Buildings, 268 Radford Road, Coventry, CV6 3BU

Application to vary terms under the Licensing Act 2003

We would like to draw attention to the following matters that form specific concerns in relation to the application to alter the terms of the gambling licence for the above premises.

1. Smoking

There is insufficient provision for a smoking area by the club to keep staff and patrons away from neighbouring premises. This creates a smoking nuisance to us, with their staff and patrons smoking in close proximity to us. This has led to smoking litter, which we then have to repeatedly clear from the front of our premises. There is also an accumulation of smoke fumes which is not welcome.

The staff and patrons also use the awning in front of our premises and even our own doorstep to then smoke in either very good or bad weather. This should be policed, but Buzz Bingo staff can be uncooperative, particularly when the Club Manager is not on the premises.

The Club does not control their staff and patrons and create an unnecessary nuisance to us as neighbours of the above premises. If the opening hours are extended the extent of difficulty in the context of conduct of staff or visitors may well be extended.

2. Drinking

Patrons of the club use the front of our premises to consume alcohol, resulting in a litter nuisance to us, with beer cans and other drink litter, which we then have to clear from our premises on an ongoing basis. The patrons of the club often sit on our property's wall and continue drinking and smoking.

Such behaviour should be controlled by the Club to prevent this from occurring by keeping alcohol consumption on their licensed premises.

3. Parking

The club has 2 car parks that can be used by club staff, patrons and additional visitors to the Buzz Bingo.

However, such users often occupy our limited parking spaces in front of our premises during our store opening hours and beyond, thus restricting our ability to both trade; and enter and leave our premises during their operational hours, even outside their actual club sessions.

We have drawn the matter to the attention of the Club Manager and have noticed that when the Manager, Brian Round is on duty, staff are somewhat better behaved. When the manager is not on duty, staff members park immediately outside our premises, both occupying spaces that our customers and staff may wish to use. This happens on an ongoing basis and is likely to be made worse in the event of extended hours.

In the evenings, in particular, it is not even possible to park outside our premises. Not only is this inconvenient for our own to access our premises, but it also creates a potential problem for Emergency Vehicles from accessing the Buzz Bingo Premises.

To leave when the evening bingo sessions are on can in practice be very difficult; at times it can also be very difficult for a vehicle to pass through the area in front of our premises to exit safely onto the main Radford Road. If a family car cannot pass through safely, it is difficult to see how an ambulance or fire tender can access the buildings if needed.

We would kindly request the Council to find constructive solutions to ensure the license holder puts in place adequate measures to prevent a continuance and exacerbation of these issues.

We need the club to take stronger measures to ensure their staff, patrons and visitors use their specific car parks. We need for our customers and ourselves to be able to park by our shop for trade and emergency access purposes. We also need the Buzz Bingo, its patrons, staff and visitors to clean up after themselves, and to smoke and drink away from our premises.

We are also specifically concerned by the added noise levels from the club additional machines we understand the Club is proposing to place on their premises, in addition to the prospect of exacerbating the above mentioned issues. We would be grateful to ensure - if the Club is allowed to have such machines, they are retained more centrally within the Bingo's own premises with appropriate sound shielding to neighbouring properties.

We would be grateful if the Council can review and amend the terms of the license to reduce noise and nuisance to neighbours.

In summary, this requires the Buzz Bingo to ensure their staff, patrons and visitors:

- Use the Buzz Bingo car parks
- Respect the need for neighbouring business owners, their customers and visitors to use the spaces in front of their premises.
- Smoke in Buzz Bingo territory and not by neighbouring properties where the smoke affects the people residing there (and cumulatively).
- Know not to make a litter, smoking and noise nuisance to neighbouring persons. Perhaps the Bingo can ensure a provision of a litter bin by the exit doors and a member of staff can ensure clean up around the property so as not to present a nuisance to neighbours.
- Sound proofing to avoid noise and disturbance to neighbours.

Licensing Act 2003

Briefing Note 3 – Hearing to Consider a Premises Licence Variation Application

Background

The holder of a premises licence can apply to vary the terms of that licence. A variation application cannot be used to extend the life of a time-limited premises licence or to substantially alter the premises covered by the licence. A new premises licence application would be required to achieve this involving a fresh "Operating Schedule" and plan.

A hearing is required because "relevant representations" (i.e. relevant to the licensing objectives) have been made by a "responsible authority" (i.e. police, fire or local government agencies) or any other person or both.

Section 182 Guidance (Apr 2018)

Particular reference should be made to Parts 8.66f, 9 and 10.

Local Statement of Licensing Policy (2016)

Particular reference should be made to Parts 4, 5, 6, 7

Human Rights Act

The hearing procedure and the availability of a statutory right of appeal comply with the Article 6 requirement to provide a fair hearing when determining the applicant's and objectors' civil rights. A decision to vary a licence will only be regarded as infringing the Article 8 rights of local residents/businesses if any noise/disturbance likely to be caused is of an extreme nature. Given the police powers to close premises in these circumstances this is unlikely to be an issue at application stage.

The Sub-committee's powers

Having heard from the applicant and the other parties the sub-committee may:

- (a) grant the application; or
- (b) grant the application in part or with additional or modified conditions; or
- (c) reject the application outright

Different conditions can be made to apply to different areas of the premises or to different licensable activities taking place on the premises.

Rights of Appeal

An aggrieved applicant can appeal to Coventry Magistrates' Court against any decision made by the sub-committee that falls within (b) and (c) above. An aggrieved objector can also appeal against the grant of an application (i.e. (a) and (b) above).

Monitoring/Enforcement

If an application is approved, monitoring and enforcement of Premises Licence conditions will be carried out in accordance with the Licensing Enforcement Policy.
