7. Minutes

The Minutes of the meeting held on 23 July, 2020 were agreed and signed as a true record.

There were no matters arising.

8. Appointment of Independent Chair

RESOLVED that Ruth Wills, Independent Person, be appointed as the Chair for consideration of the matter referred to in Minute 9 below relating to "Hearing into Complaint Under Code of Conduct".

9. **Hearing into Complaints Under Code of Conduct**

The Committee considered a report of the Director of Law and Governance which detailed a complaint made on 17 June, 2020 by eight separate individuals (“the Complainants”). The content of each of the complaints is the same. The complaint was against Councillor G Williams (the “Subject Member”) and relates to comments made by the Subject Member on Twitter.

The Complainants alleged that the Subject Member breached the Council’s Code of Conduct for Elected and Co-opted Members in a number of respects, most notably in connection with comments that he had made on social media. These were detailed in the Stage 2 report attached.

An initial review concluded that there should be an investigation into the complaints. Julie Newman, the Council’s Monitoring Officer carried out the investigation and concluded that most of the examples of behaviour relied upon by the Complainants either fell outside of the timescale for considering complaints or had already been investigated and findings made. However, the matters raised in paragraph 2.3.8 of the report were new matters and so should be considered as part of the investigation. These matters related to tweets about using water cannon on anti-racist protestors and about “swarms” of illegal immigrants arriving in the UK.

The Stage 2 Investigation Report concluded that the Subject Member’s postings were antagonistic and aimed to dehumanise and were incendiary and offensive. They crossed the boundary of acceptable respectful debate and amounted to a prima facie breach of Paragraph 3 (j) of the Code (treating people with respect).

In accordance with Paragraph 7.4 of the Council’s Complaints Protocol, the Deputy Monitoring Officer had referred the complaint to a hearing of the Ethics Committee.

The Subject Member had written to the Chair of the Ethics Committee, Councillor Walsh, to give reasons for his non-engagement with the complaint process, together with his non-attendance at the meeting. The letter was read in full to the Committee.

The Committee decided to proceed with the Hearing in the Subject Member’s absence.

The Committee considered the following:-

- a) Presentation of the Investigation report
- b) Summing up from the Investigating Officer
- c) Views and submissions of the Independent Person (Steve Atkinson)

The Committee then determined the complaint and concluded that there had been a breach of paragraphs 2 (d) 3 (f) and 3 (j).

Before determining what sanctions, if any, should be applied, the Independent Person was invited to make representations as to whether or not any sanctions should be applied and, if so, what form they should take. The Committee noted that the application of any sanction should be reasonable and proportionate to the Subject Member's behaviour.

RESOLVED that the conclusion of the Committee be as set out in the Decision Notice attached as Appendix 1 to these Minutes.

NOTE: On behalf of the Committee, Councillor Walsh thanked Ruth Wills for chairing this item of business.
