Report of the Director of Business, Investment and Culture

NOTE: In accordance with the Constitution, the Chair of the Scrutiny Co-ordination Committee, (or their nominee) will be invited to attend the meeting for this item of business to agree the need for urgency such that call-in arrangements will not apply. The reason for urgency is that the Green Homes Grant Local Authority Delivery (LAD) Scheme was made available to Councils with the capacity to deliver between October 2020 - March 2021. As a result, the timescales for delivery are already tight, and further delay to the acceptance of the funding will reduce the time to deliver further.

5. **Outstanding Issues**

There are no outstanding issues.

6. **Any other items of public business which the Cabinet Member decides to take as matters of urgency because of the special circumstances involved.**
