1. Context (or background)

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
 - The Prevention of crime & disorder
 - The Protection of public safety
 - The Prevention of public nuisance
 - The Protection of children from harm
- 1.2 A Premises Licence application for Mix Me Ltd was received on 17 May 2022. The application is requesting the sale/supply of alcohol (off sales only); Monday to Sunday 24 hours per day. This application is for an e-commerce-based business from a residential property where orders are made online, and drivers will deliver to local consumers.
- 1.3 During the 28-day consultation period, the applicant agreed with Environmental Protection to amend the application to reduce the sale/supply of alcohol to Monday to Friday 09.00 18.00 hours, conditions have also been agreed with Trading Standards & Planning (Appendix 1a).
- 1.4 Two representations from members of the public (other persons) have been received to the application (outlined in paragraph 3.3).
- 1.5 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.
- 1.6 It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, Responsible Authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

2. Options considered and recommended proposal

- 2.1 There are three courses of action available to the Sub-Committee in relation to this application:
 - (i) Grant the application as requested. If the Sub-Committee consider that granting the application would not undermine any of the Licensing Objectives, it should be granted in full as submitted. This would be granted subject to mandatory conditions and conditions consistent with the applicant's operating schedule, and any other conditions agreed by the applicant as part of the consultation / mediation process. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
 - (ii) Grant the application as above, but the Sub-Committee could impose extra conditions as it thinks fit, or make amendments to the operating schedule conditions, and/or proposed hours. This option may include adding any conditions suggested by other parties at the hearing, including the applicant. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.

- (iii) If the Sub-Committee concludes that no additional conditions would ensure that the Licensing Objectives would be upheld, then the whole application should be rejected.
- 2.2 Your officer recommends option (i).

The reason for this recommendation is that the applicant has voluntarily agreed conditions which has significantly modified the application, namely reducing the hours of operation following discussions with Environmental Protection, Planning & Trading Standards. The Responsible Authorities who responded to the consultation have not offered up further conditions because they consider the application to be suitably conditioned for the type of business model and operation intended at the premises, and if problems do occur then the Review procedure is available to both Responsible Authorities and any other persons.

- 2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances taken into account before a decision is made.
- 2.4 The Sub-Committee must also be aware that licences can be reviewed at any time by any Responsible Authority or any 'other person', if it is considered that any of the Licensing Objectives have been undermined following the grant of the Premises Licence.

3. Results of consultation undertaken

3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees (Responsible Authorities) and any other persons for 28 days in the form of a notice displayed on the premises, and a notice published in a local newspaper.

Health & Safety	No	-	-

3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

- 3.3 Two representations from other persons have been received (Appendix 4). The grounds for the representation is that the granting of a Premises Licence would undermine the licensing objective of Prevention of Public Nuisance and Public Safety.
- 3.4 A mediation meeting has been offered and if accepted, the outcome will be presented at the Licensing & Regulatory Sub-Committee Hearing.
- 4. Timetable for implementing this decision

Page 6

4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

5. Comments from Director of Finance and Corporate Services and Director of Law and Governance

5.1 **Financial implications**

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court and the decision of the Sub-Committee is not upheld.

5.2 Legal implications

The Licensing Act 2003 sets out how applications for Premises Licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the four Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a Premises Licence, the applicant may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

6. Other implications

6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint or Coventry Sustainable Community Strategy

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life.

6.2 How is risk being managed?

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

6.3 What is the impact on the organisation? None

6.4 Equalities / EIA

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

6.5 Implications for (or impact on) climate change and the environment None

6.6 Implications for partner organisations?

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West

Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

6.7 Human Rights Act Implications None

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- Is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is A British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an
 official document giving the person's permanent National Insurance number and their name issued by a
 Government agency or a previous employer.

Continued from previous page... A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity. A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity. A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence. A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer. A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence. Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number. Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:evidence of the applicant's own identity - such as a passport, evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months: working e.g. employment contract, wage slips, letter from the employer, (i) self-employed e.g. contracts, invoices, or audited accounts with a bank. (11) studying e.g. letter from the school, college or university and evidence of sufficient funds; or (iii) self-sufficient e.g. bank statements. (iv) Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

(i) any page containing the holder's personal details including nationality;

(ii) any page containing the holder's photograph;

(iii) any page containing the holder's signature;

(iv) any page containing the date of expiry; and

(v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <u>https://www.gov.uk/prove-right-to-work</u>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity,

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Mr Vardon

I have now spoke to the relevant Responsible Authorities, can you confirm that you agree with the following conditions:

Environmental Protection:

1. To reduce trading times to Monday – Friday 09.00 – 18.00

Trading Standards:

- 1. Age verification will be requested in the website where your date of birth is required. If under 18, purchases will no longer be possible.
- 2. On delivery, drivers will adopt the Challenge 25 approach where ages must be verified if they look under the age of 25.
- 3. Verification of IDs will be a valid Passport and/or Driver's Licence.
- 4. Debit/credit cards used for purchase will be verified at the point of delivery.
- Documented training will be given to all staff in regards to the sale of alcohol and Challenge 25. A training log will be kept to detail this, and the records will be available to council officers and police on request.

Planning:

- 1. No more than 4 or 5 deliveries per day (products leaving the premises for delivery to customers).
- 2. All deliveries to be undertaken personally by Max Vardon no third party delivery companies permitted.
- 3. No additional employees permitted at the premises.
- 4. No commercial / wholesale deliveries to the site.

All Responsible Authorities will withdraw their representations to your application if these conditions are agreed.

I will then contact the 2 members of the public that have objected. I may be able to organise a mediation meeting with them prior to the Licensing & Regulatory Sub-Committee Hearing to address their concerns.

Please get back to me as soon as possible, as I am now working to very tight deadlines.

Kind Regards

Rekha

Re Application for alcohol license for off sales for Mix Me Ltd.

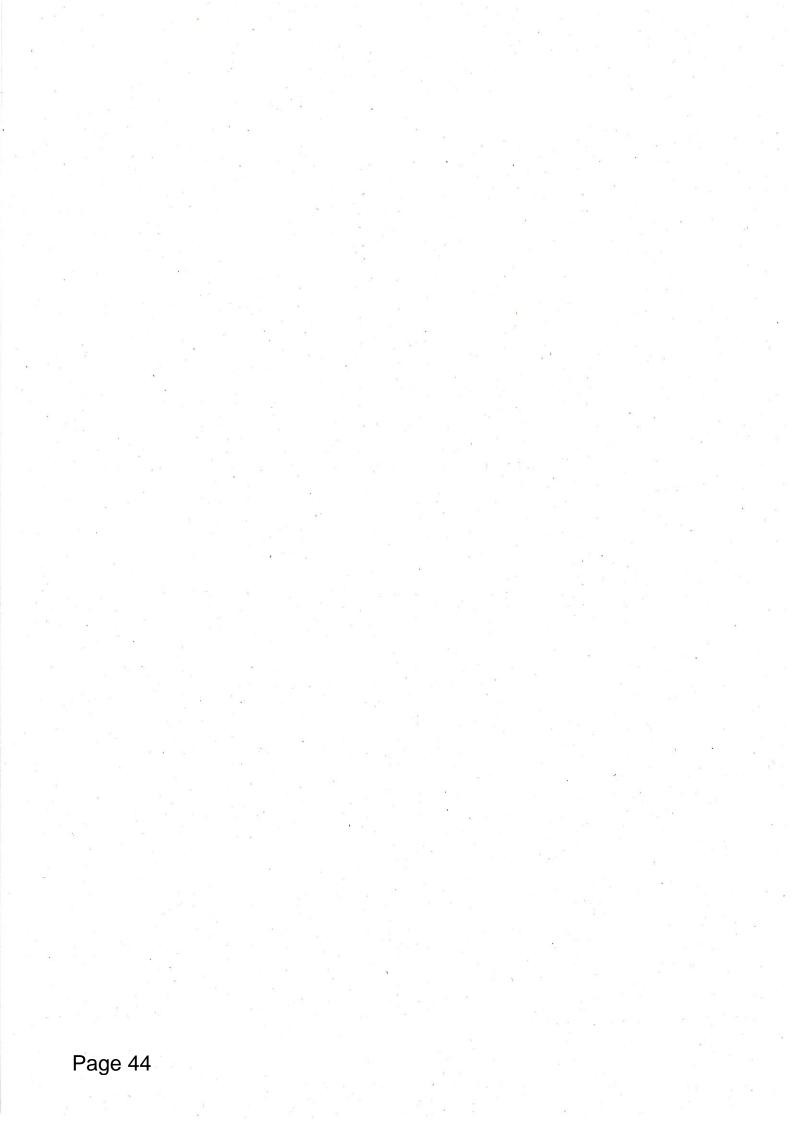

I write as an elderly resident of this road of 74 years and in close proximity to 116 Melbourne Road (a close by neighbour).

I strongly oppose this application to sell and supply alcohol from a residential house! This is completely unacceptable. It will be far too noisy impacting residents , no parking and incite anti social behaviour.

Yours Sincerely

Local resident on Melbourne Road.

To whom it may concern,

I write as an advocate for my grandmother who is 98 yrs old and lives at **sector sector**. I also write on my own behalf to strongly object to the selling of alcohol at the property proposed . My Grandma lives alone and relies on her family & friends to remain in her home of 75 yrs . The noise and parking will cause immense issues plus the public hanging around at all hours . There are at least 5 shops that I know off within a half mile radius that sell alcohol !! Why would another be required ?

This will cause great distress to my grandma and other residents . Please take this email as a very strong rejection to this proposal .

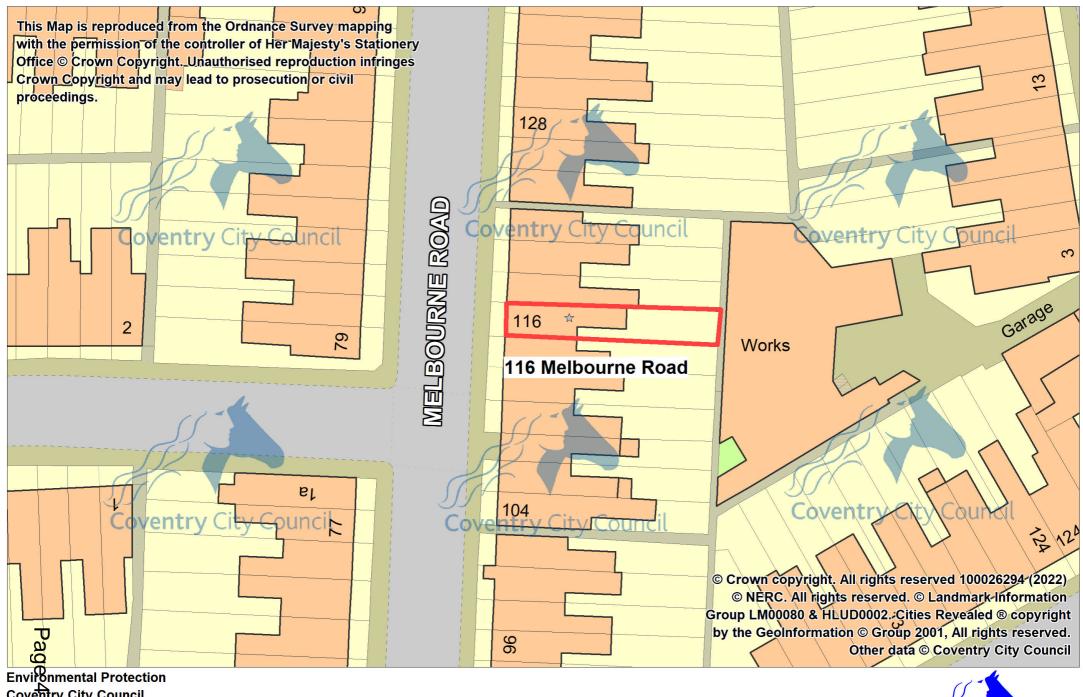

If you could keep me informed of the outcome of this proposal I would be very grateful.

Yours sincerely

<u>Licensing Act 2003</u> Briefing Note 1 – Hearing to Consider a Premises Licence Application

Background

A Premises Licence is required before any licensable activity can take place on any land, vehicle or vessel and where that activity will not be covered by a Club Premises Certificate or a Temporary Event Notice. The application can be made by a living individual aged 18+ or by a corporation. The application must include an "operating schedule" and a plan of the premises. If it is intended to supply alcohol from the premises, the application must specify a "Designated Premises Supervisor" who will be the person having day-to-day responsibility for the premises. The "Operating Schedule" states the kinds of licensable activities that will be taking place on the premises, the proposed times of opening and the steps proposed to promote the four licensing objectives. Premises Licences remain in force indefinitely unless a time-limited licence has been requested.

A hearing is required because "relevant representations" (i.e. relevant to the licensing objectives) have been made by a "responsible authority" (i.e. police, fire or local government agencies) or any other person or both.

Section 182 Guidance (Apr 2018)

Particular reference should be made to Parts 9 and 10.

Local Statement of Licensing Policy (2016)

Particular reference should be made to Parts 4, 5, 6, 7

Human Rights Act

The hearing procedure and the availability of a statutory right of appeal comply with the Article 6 requirement to provide a fair hearing when determining the applicant's and objectors' civil rights. A decision to grant a licence will only be regarded as infringing the Article 8 rights of local residents/businesses if any noise/disturbance likely to be caused is of an extreme nature. Given the police powers to close premises in these circumstances this is unlikely to be an issue at application stage.

The Sub-committee's powers

Having heard from the applicant and the other parties the sub-committee may:

- (a) grant the application; or
- (b) grant the application with additional or modified conditions; or
- (c) exclude one or more licensable activities from taking place on the premises; or
- (d) where the Police have objected to the proposed DPS, refuse to agree to the proposed "designated premises supervisor"; or
- (e) reject the application outright

Rights of Appeal

An aggrieved applicant can appeal to Coventry Magistrates' Court against any decision made by the sub-committee that falls within (b) - (e) above. An aggrieved objector can also appeal against the grant of an application.

Monitoring/Enforcement

If an application is approved, monitoring and enforcement of Premises Licence conditions will be carried out in accordance with the Licensing Enforcement Policy.
