Report title: Premises Licence Variation Application

1. Context (or background)

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
- The Prevention of crime & disorder
 - The Protection of public safety
 - The Prevention of public nuisance
 - The Protection of children from harm
- 1.2 A Premises Licence Variation Application for Quids Inn (first floor), 117-118 Gosford Street, Coventry was received on 6 February 2023. The application is requesting an extension of the hours for all current licensable activities (sale/supply of alcohol, regulated entertainment and late-night refreshment) by two hours from 2.00am to 4.00am. It also requests the addition of live music until 4.00 am.
- 1.3 One representation from an Other Person, has been received to the application (outlined in paragraph 3.3). The representation states that the extension of hours would undermine the Prevention of Public Nuisance licensing objective
- 1.4 In addition to the mandatory conditions, the Sub-Committee should refer to the operating schedule detailed in the application (Appendix 1). No further conditions have been proposed with the application.
- 1.5 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.
- 1.6 It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, Responsible Authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

2. Options considered and recommended proposal

2.1 When determining an application for the variation of a premises licence (under section 34 of the Licensing Act 2003), the Sub-Committee must, having regard to relevant representations made in respect of that application, take such of the following steps as it considers appropriate for the promotion of the licensing objectives:

- (i) Modify the conditions of the licence (by way of alteration, omission or addition);
- (ii) Reject the whole or part of the application.

2.2 Your officer recommends option (i).

The reason for this recommendation is that the Responsible Authorities who responded to the Consultation have not offered up further conditions. They consider the application to be suitably conditioned by the applicant for the type of business model and operation intended at the premises; and if problems do occur then the Review procedure is available to both Responsible Authorities and any other persons.

2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances taken into account before a decision is made.

2.4 The Sub-Committee must also be aware that licences can be reviewed at any time by any Responsible Authority or any 'other person', if it is considered that any of the Licensing Objectives have been undermined following the grant of the Premises Licence.

3. Results of consultation undertaken

3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees (Responsible Authorities) and any 'other persons' for 28 days in the form of a notice displayed on the premises, and a notice published in a local newspaper.

3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

| Responsible Authority | Response Received | Objections | Conditions Agreed |
|---------------------------------|--------------------------|-------------------|--------------------------|
| Licensing | Yes | No | - |
| Police | Yes | No | - |
| Environmental Protection | Yes | No | - |
| Fire Safety | Yes | No | - |
| Health & Safety | No | No | - |
| Trading Standards | No | No | - |
| Planning | No | No | - |

| | | | |
|------------------------------|-----|----|---|
| Safeguarding Children | Yes | No | - |
| Public Health | No | No | - |
| Secretary of State | No | No | - |

3.3 One representation has been received from an Other Person. The grounds for the representation are that the granting of the extension to the hours as requested would undermine the Licensing Objective of Prevention of Public Nuisance. They have lived in the area for a number of years and believe that if the extended hours are granted, it would result in an additional noise nuisance.

2.4 A mediation meeting has been offered and the results of this will be reported at the sub-committee hearing.

4. Timetable for implementing this decision

4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

5 Comments from Director of Finance and Resources

5.1 Financial implications

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court and the decision of the Sub-Committee is not upheld.

5.2 Legal implications

The Licensing Act 2003 sets out how applications for variations to premises licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the four Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a variation, the applicant may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

6. Other implications

6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint or Coventry Sustainable Community Strategy

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life.

6.2 How is risk being managed?

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

6.3 What is the impact on the organisation?

None

6.4 Equalities / EIA

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

6.5 Implications for (or impact on) climate change and the environment

None

6.6 Implications for partner organisations?

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

6.7 Human Rights Act Implications

None

Licensing,
Coventry City Council.

19/2/23

Application for variation of premises licence (1st floor) 'Quids Inn,' 117-118 Gosford Street, Coventry.

I must object to this on the ground that it goes against the licensing objective re prevention of public nuisance. and 117 Gosford Street are two halves of a single building, constructed in 1860, with recent extensions. On the first floor is an internal party wall between my and Quids Inn. The nuisance is late-night noise associated with the operation of the first-floor premises, disturbing or preventing sleep. Primarily, this has been recorded music, especially with DJs; but there have been other significant issues. Serious interruption to my sleep has caused me to make many representations to Licensing and Environmental Services over the years. With this background an extension of the licensable hours until 4am would almost certainly result in my difficult situation becoming impossible. And the addition of live music - not currently included in the licence - is a clear indication that the applicant gives no thought to his obligation to prevent noise nuisance to his immediate neighbour. With only an internal party wall between us live music would be a serious nuisance at any time, and after 11pm would make sleep impossible. Live music is so obviously unacceptable in this context - as has been recognised throughout the long period of this licence - that one can only wonder just why it has now been included in this application . . .

My occupation of - almost 20 years - predates the 117-118 first-floor licence, which dates from late 2006. Amalgamation of the first floors of 117 and 118 required change-of-use consent - the upper rooms of 117 had residential status. As two halves of one building, and 117 interlock at first-floor level: has one room at the front, two at the back; 117 had two rooms at the front, one at the back. Thus, the party wall is not straight but has a significant return. At first-floor level - but not ground-floor - our two premises are highly interconnected. Planning consent was conditional on an internal layout, using the areas adjacent to the party wall to mitigate noise nuisance to my flat. From 2006 - 2010 the premises traded as a restaurant, 'Varsity Spice', with no nuisance to me. Problems began after it became 'Quids Inn' in 2010. At some stage, the layout of the area adjacent to the party wall was subsequently altered - without consent - which may go some way to explaining the increase in noise nuisance I have experienced since it became Quids Inn.

Bars and restaurants are inherently quite noisy places. Other than recorded music, my sleep has been disrupted, sometimes as late as 2.30am, by loud banging noises from the moving and dropping of heavy objects - barrels, gas cylinders, bottle crates - in the 'cellar'/store area adjacent to the party wall. Also by vibrational noise of varying degrees, from appliances fixed on, or situated next to, the party wall. Sounds which in the daytime might not constitute a nuisance, are a very different matter up to 2am, never mind 4am . . . I must also draw attention to the first-floor kitchen at the rear of 117, with its large extractor unit chimney on the gable end. The extractor fan goes on and off when the kitchen is in operation. It is audible at a low level in my flat, possibly also affects some flats in Carmelite Court, Whitefriars Street. It is certainly now being used well after midnight. I assume that it has been inspected, and that it complies with any regulations. But is it acceptable that such an extractor unit might potentially operate until 4am?

There are other issues concerning the first-floor kitchen. The application refers to 'Quids Inn', but the upper floor seems to be currently trading as 'Quids Pizza', a restaurant and kitchen, with food delivery. At around 1am on December 5th last, I was woken by very loud music, the source of which I could not pinpoint. This had happened, on occasion, before. I sent a text message to the Quids Inn contact number recently provided. At 1.20am the music went off and I had a one-word reply. Later, I got a msg. from , the overall manager, which began, "it wasn't from Quids, it was the kitchen staff upstairs . . ." I have retained these msgs., which can be verified. The kitchen window is usually open - even if closed, music at a volume to disturb me must have been broadcast over the decking platform at the rear of the building, contravening one of the licence conditions. The conditions that the decking platform be cleared of customers and no music broadcast to it, after 11pm seem to be largely disregarded, especially at weekends, as I have observed on many occasions. I must ask that inspections

take place, with a view to appropriate action. This example serves to underline a general lack of commitment to the licensing objective of prevention of public nuisance, indicating a failure of management at some level. I hope this application will be summarily rejected. Also that my issues of concern over the premises' operation under the existing licence are thoroughly investigated.

Yours faithfully,

Licensing Act 2003

Briefing Note 3 – Hearing to Consider a Premises Licence Variation Application

Background

The holder of a premises licence can apply to vary the terms of that licence. A variation application cannot be used to extend the life of a time-limited premises licence or to substantially alter the premises covered by the licence. A new premises licence application would be required to achieve this involving a fresh "Operating Schedule" and plan.

A hearing is required because "relevant representations" (i.e. relevant to the licensing objectives) have been made by a "responsible authority" (i.e. police, fire or local government agencies) or any other person or both.

Section 182 Guidance (Apr 2018)

Particular reference should be made to Parts 8.66f, 9 and 10.

Local Statement of Licensing Policy (2016)

Particular reference should be made to Parts 4, 5, 6, 7

Human Rights Act

The hearing procedure and the availability of a statutory right of appeal comply with the Article 6 requirement to provide a fair hearing when determining the applicant's and objectors' civil rights. A decision to vary a licence will only be regarded as infringing the Article 8 rights of local residents/businesses if any noise/disturbance likely to be caused is of an extreme nature. Given the police powers to close premises in these circumstances this is unlikely to be an issue at application stage.

The Sub-committee's powers

Having heard from the applicant and the other parties the sub-committee may:

- (a) grant the application; or
- (b) grant the application in part or with additional or modified conditions; or
- (c) reject the application outright

Different conditions can be made to apply to different areas of the premises or to different licensable activities taking place on the premises.

Rights of Appeal

An aggrieved applicant can appeal to Coventry Magistrates' Court against any decision made by the sub-committee that falls within (b) and (c) above. An aggrieved objector can also appeal against the grant of an application (i.e. (a) and (b) above).

Monitoring/Enforcement

If an application is approved, monitoring and enforcement of Premises Licence conditions will be carried out in accordance with the Licensing Enforcement Policy.
