59. Hackney Carriage and Private Hire Licensing Fee Review 2024 - 2025

The Licensing and Regulatory Committee received a report of the Director of Law and Governance regarding the Hackney Carriage and Private Hire Licensing Fee Review 2024 – 2025. This review allowed members to consider objections, following a 28-day public consultation to the recent proposed increase in fees & charges for Hackney Carriage and Private Hire licensing.

The proposed fee changes were approved by the Licensing & Regulatory Committee on 23rd January 2024, subject to a 28-day public consultation and consideration of the objections received. The proposed fees will come into force on 1st April 2024.

Following a discussion with officers, the Committee raised concerns around the general misunderstanding raised throughout the representations during the consultation period regarding the legal powers the council has to control the use of app based private hire vehicles. They also raised concerns around parking enforcement especially at sites such as Coventry Railway Station. Officers reassured the committee that work was being done with the Taxi Forum, Avanti, and other neighbouring authorities to better enforce against private hire vehicles parking inappropriately and in taxi ranks throughout the city. They did however recognise that more joint operations should take place especially during the nighttime economy to pick up on these issues. The Committee further suggested communicating these issues to the West Midlands Combined Authority in order to remedy these problems on a wider scale.

RESOLVED that, the Licensing and Regulatory Committee:

- 1) Approves, subject to consideration of objections at Appendix B of the report, the proposed fee changes detailed in Appendix A of the report to commence on the 1st April 2024.**
- 2) Approves licensing officers sending out communications to taxi drivers regarding the legal remit of the Council to control the use and operations of app-based services and the current efforts of officers to help taxi drivers.**
- 3) Agrees raising issues surrounding private hire parking at Coventry Railway Station with the Cabinet Member for City Services and the West Midlands Combined Authority.**
