**1. Context (or background)**

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
- The Prevention of crime & disorder
  - The Protection of public safety
  - The Prevention of public nuisance
  - The Protection of children from harm
- 1.2 A Premises Licence Review application was received for SPS News, 84b Dawlish Drive, Coventry, CV3 5NA on 15<sup>th</sup> December 2025. The application has been submitted by Trading Standards due to the seizure of duty evading alcohol products and breaching the premises licence condition relating to this.
- 1.3 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.
- 1.4 It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, Responsible Authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

**2. Options considered and recommended proposal**

- 2.1 There are five courses of action available to the Sub-Committee in relation to this application:
- modify the conditions of the licence;
  - exclude a licensable activity from the scope of the licence;
  - remove the DPS;
  - suspend the licence for a period not exceeding 3 months; or
  - revoke the licence.
- 2.2 The Sub-Committee is recommended to consider this matter on its merits in accordance with statutory requirements and the Council's licensing policies, where relevant.

### 3. Results of consultation undertaken

- 3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees for 28 days. The notice was displayed from 15<sup>th</sup> December 2025 – 12<sup>th</sup> January 2026. The Notices were checked on two occasion during the 28-day consultation.
- 3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

### 4. Timetable for implementing this decision

- 4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

### 5 Comments from the Director of Finance & Resources (Section 151 Officer) and Director of Law & Governance

#### 5.1 Financial implications

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates' Court and the decision of the Sub-Committee is not upheld.

#### 5.2 Legal implications

The Licensing Act 2003 sets out how an application, and subsequent hearing, for a Review of a Premises Licence should be conducted. The Sub-Committee must decide, having heard all representations, the outcome of the application, taking into account the four Licensing Objectives as well as Statutory Guidance and the Council's own policies.

In accordance with the provisions of the Act, all interested parties may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

### 6. Other implications

#### 6.1 How will this contribute to achievement of the One Coventry Plan?

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live healthier longer lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life. This aligns with the One Coventry Plan to work together to improve our city and the lives of those who live, work and study here.

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

**6.3 What is the impact on the organisation?**

None

**6.4 Equalities / EIA**

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

**6.5 Implications for (or impact on) climate change and the environment**

None

**6.6 Implications for partner organisations?**

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

**6.7 Human Rights Act Implications**

None

#### Please state the ground(s) for review (please read guidance note 2)

The premises have been subject to inspection by officers of the Trading Standards Team at Coventry City Council and 8 bottles of 1 litre High Commissioner Whisky on sale were seized from behind the serving counter as there appeared to be a counterfeit rear label on the bottles.

A representative of the producer, the Head of Governance at Loch Lomond Group Scotland has stated that based on the lot code on the bottles, the bottles have genuine liquid, bottle, closure and front label, but the rear label has been replaced / covered with a counterfeit UK duty back label after being dispatched from the company. The bottles were for export.

Previously on the 25<sup>th</sup> June 2024 an inspection at the premises resulted in a seizure of 78 illicit vapes. Subsequently, the premises licence holder agreed to a minor variation to the premises licence so that it contained the condition: -

"All alcoholic, nicotine inhaling products (vapes) and tobacco products will be purchased from legitimate traceable sources. Alcohol will be obtained from suppliers registered with the Alcohol Wholesaler Registration Scheme (AWRS)) that provide receipts to confirm purchased items. Nicotine inhaling products (vapes) in the form of a disposable electronic cigarette, a single use cartridge, or a tank will have a capacity no greater than 2ml (refills will be no greater than 10ml). Goods sold will not breach the intellectual property rights of the owner nor evade any duty or taxes and should be authentic goods that are sold in compliance with legislation for consumption or use in the UK market. Where required by legislation, alcoholic products will display a duty stamp on its label. All receipts and records for items on sale or in storage will be made available to officers of Licensing and Business Compliance team at Coventry City Council or West Midlands Police for inspection when requested by an authorised officer."

As the bottles were for export they will not have had duty paid on them and will not have been supplied through a HMRC registered supplier under the AWRS scheme and thus this condition has been breached.

Offences have also been committed under the;

Licensing Act 2003 – Section 136 and 144 – Schedule 4 Clause 9

The Excise Goods (Holding, Movement and Duty Point) Regulations 2010

The Customs and Excise Management Act 1979

Digital Markets, Competition and Consumers Act 2024 – Part 4 – Section 226/237

The sales of these products undermine fair competition with legitimate local traders who are complying with the law. There is also a failure to pay duty and VAT which undermines the taxation system reducing revenue two run services in the UK.

A letter was sent to the premises licence holder on 4<sup>th</sup> December 2025 seeking his comments on the duty evaded alcohol taken from his premises and an email response stated the bottles were in the premises at the time he took over the business and has no invoices for the bottles. He had no reason to believe the product was non-duty paid and this was the first time it was brought to his attention.

The applicant on behalf of the trading standard team state the grounds for this review are therefore based upon the possession of duty evading alcohol products and a breach of a premises licence condition.

**Please provide as much information as possible to support the application (please read guidance note 3)**

On 18<sup>th</sup> November 2025 an inspection was undertaken in partnership with West Midlands Police, at the premises which resulted in 8 bottles of 1 litre High Commissioner Whisky on sale being seized. Officers noted that the rear labels contained a duty stamp that did not react to UV light, and some bottles had clear signs of another label beneath the rear label. In a telephone conversation with the premises licence holder during the visit he stated that the bottles were old stock which had been purchased at the time he purchased the business.

Photographs of the labels, lot code details and carton images were emailed to the Loch Lomond Group. On 28<sup>th</sup> November 2024 the Head of Governance at Loch Lomond Group - 7 Laigh Road Catrine KA56SR Scotland (the producer of this product) stated that High Commissioner 1 litre whisky, with the lot code L3 203 25 22 07 2025 13:48 were bottled at Loch Lomond Group, Glen Catrine Bonded Warehouse as a general export sku, with a Gen Ex back label. So, these bottles have genuine liquid, bottle, closure and front label, but the rear label has been replaced / covered with a counterfeit UK duty back label post-despatch from LLG. This means that the bottles found had export labels on the rear of the bottles when they left the factory. The rear labels that the officers found were counterfeit and indicated by means of a duty stamp that duty had been paid. But this stamp was counterfeit and thus the bottles were duty evading alcohol (smuggled).

The lot code L3 203 25 22 07 2025 13:48 shows that the bottle was produced on 22<sup>nd</sup> July 2025 at 13:48 and is therefore recently produced. This lot number is etched into the bottle and therefore is difficult to tamper with.

Previously on the 25<sup>th</sup> June 2024 an inspection at the premises resulted in a seizure of 78 illicit vapes. As a result, a condition was added to the license which was:

"All alcoholic, nicotine inhaling products (vapes) and tobacco products will be purchased from legitimate traceable sources. Alcohol will be obtained from suppliers registered with the Alcohol Wholesaler Registration Scheme (AWRS)) that provide receipts to confirm purchased items. Nicotine inhaling products (vapes) in the form of a disposable electronic cigarette, a single use cartridge, or a tank will have a capacity no greater than 2ml (refills will be no greater than 10ml). Goods sold will not breach the intellectual property rights of the owner nor evade any duty or taxes and should be authentic goods that are sold in compliance with legislation for consumption or use in the UK market. Where required by legislation, alcoholic products will display a duty stamp on its label. All receipts and records for items on sale or in storage will be made available to officers of Licensing and Business Compliance team at Coventry City Council or West Midlands Police for inspection when requested by an authorised officer."

A letter was sent to the premises licence holder on 4<sup>th</sup> December 2025 seeking his comments on the duty evaded alcohol taken from his premises and an email response stated the bottles were in the premises at the time he took over the business and has no invoices for the bottles. He had no reason to believe the product was non-duty paid and this was the first time it was brought to his attention.

The lot code L3 203 25 22 07 2025 13:48 shows that the bottle was produced on 22<sup>nd</sup> July 2025, the premises licence was issued on 13<sup>th</sup> March 2023 thus your officers believe that the bottles were purchased this year after the business was taken over by the current premises licence holder.

Offences may have been committed under the;

Licensing Act 2003 – Section 136 and 144 – Schedule 4 Clause 9  
The Excise Goods (Holding, Movement and Duty Point) Regulations 2010  
The Customs and Excise Management Act 1979  
Digital Markets, Competition and Consumers Act 2024 – Part 4 – Section 226/237

From the 1<sup>st</sup> of April 2017 all alcohol for retail sale Must be purchased from a supplier that is registered with HMRC under the alcohol wholesale registration scheme (AWRS). Each supplier will have a unique number. Any supplier will have to go through a 'fit and proper test' before approval is given. To check that a supplier is registered the retailer can use an online service or can check the supplier's unique registration number. The retailer should show due diligence by

maintaining records that all stock was purchased from a registered supplier and retained details of the unique number of that supplier. This could not have occurred based upon what was found on the premises during the inspection. HMRC Macy stock supplied from an unapproved UK wholesaler, apply penalties of up to £10,000, or prosecute. (Excise notice 2002 - Alcohol Wholesaler Registration Scheme).

#### Conclusion

The alcoholic products found on the premises were not produced for the UK market and would not have had VAT or duty paid on them (i.e. smuggled.) The current premises licence holder has not provided evidence that he purchased stock from a warehouse that is registered with HMRC under the alcohol wholesaler registration scheme.

It is the opinion of the applicant that:

- The premises licence holder did not adhere to the licencing objectives of the prevention of crime and disorder and has illegal products in the premises which is very concerning have brings into question their fitness to hold a premises licence.
- There was a failure to comply with the alcohol wholesaler registration scheme operated by HMRC to prevent the avoidance of duty payment on alcoholic products
- The circumstances of this case should be considered particularly seriously as detailed in [paragraph 11.27 of the statutory guidance](#) in relation to smuggle goods.

The officer requests the following action to be considered in this instance

1. Revoke the premises licence, or
2. Suspend the premises licence for a period of three months if the premise is that licence holder can provide reassurance and evidence that they will only buy alcoholic products from AWRS approved supplier.

### **Comments made by the Premises Licence Holder**

I am writing in response to your letter dated 05 December 2025 regarding the inspection on 18 November 2025 at my premises.

Thank you for informing me about this matter. I take licensing and Trading Standards compliance very seriously, and I want to clarify the situation fully.

The 1-litre High Commissioner Whisky bottles that were seized were already present in the shop when I took over the business.

I did not purchase this stock myself, nor was I aware that it may have been duty-diverted or had counterfeit labels. As the new owner, I inherited some existing stock from the previous owner, and these bottles were part of that.

I had no reason to believe that the product was non-duty paid, and this is the first time this has been brought to my attention.

Unfortunately, I do not have any invoices for this whisky because the stock was already on the premises when I purchased the business. The previous owner did not supply me with invoices for every individual item, and I was unaware that this particular product required additional verification.

If you require any documents relating to the shop purchase itself, I am happy to provide them.

I am fully committed to ensuring all stock in the premises meets Trading Standards requirements. Going forward, I will make sure that:

all alcohol products are purchased only from duty-paid, reputable suppliers  
invoices are kept and available for inspection at all times

Please let me know if you require any further information or if there are any additional steps I should take.

Kind regards,  
Juren Jagamohan

## **Licensing Act 2003**

### **Briefing Note 7 – Hearing to Consider an Application to Review a Premises Licence**

#### **Background**

A premises licence remains in force in perpetuity (unless a time-limited licence has been granted). Where the way in which the premises are being run gives rise to concerns relevant to the licensing objectives it is possible for the licence to be re-examined by the Licensing Authority. The Licensing Authority cannot review a licence of its own volition but must do so in one of two circumstances:

- (a) where a review application has been accepted from a "responsible authority" or any other person; or
- (b) where the Magistrates' Court has triggered a review following a closure order.

Where a review application is made it is served on the licensee, Responsible Authorities and is advertised by the licensing authority. Responsible Authorities or anyone else can 'join in' on the review by making their own representations.

A hearing is required to determine whether the licence should be allowed to continue or to continue with modifications.

#### **Section 182 Guidance (Apr 2018)**

Particular reference should be made to Part 11 and Parts 15.55 – 15.56.

#### **Local Statement of Licensing Policy (2016)**

Particular reference should be made to Parts 4, 6, 7

#### **Human Rights Act**

The hearing procedure and the availability of a statutory right of appeal comply with the Article 6 requirement to provide a fair hearing when determining the licensee's and objectors' civil rights. A decision to modify, suspend or revoke a premises licence will interfere with the licensee's property rights and Article 1 Protocol 1 will be engaged requiring such action to be in the public interest and to be a proportional response to meeting the four licensing objectives.

#### **The Sub-committee's powers**

Having heard from the review applicant and anyone else making "relevant representations" and the licensee, the sub-committee may:

- (a) take no action; or
- (b) issue an informal warning letter; or
- (c) modify the conditions of licence\*; or
- (d) exclude a licensable activity from taking place on the premises; or
- (e) remove the designated premises supervisor; or
- (f) suspend a licence for up to 3 months; or
- (g) revoke the licence.

[\* controls on live or recorded music that are suspended by the Live Music Act 2012 and SI 2014/3253 can also be reintroduced at a review.]

### Rights of Appeal

An aggrieved licensee can appeal to Coventry Magistrates' Court against actions (c) – (g) above and anyone else can appeal against actions (a) – (f). Any decision taken by a sub-committee does not take effect until after the period for lodging an appeal has elapsed or, where an appeal has been lodged, until the appeal is disposed of by the magistrates' court.
