## **Public Business**

### **24. Declarations of Interest**

There were no declarations of interest.

### **25. Minutes**

The minutes of the meetings held on 1<sup>st</sup> October and 19<sup>th</sup> December 2013 were agreed and signed as a true record. There were no matters arising.

### **26. Report on Pupil Behaviour in Coventry Schools and Educational Settings in 2012/2013**

The Acting Cabinet Member (Education) considered a report of the Executive Director, People, that summarised the data on pupil behaviour in schools and other educational settings in Coventry and sought approval of the further development of strategies to further improve pupil behaviour.

National data for 2011/12 released in July 2013, showed the incidence of fixed term and permanent exclusions in Coventry continued to be below that for England and low in relation to statistical neighbours. Local data for 2012/13 indicated that while the incidence of fixed term exclusion of 5 days or less had risen by 5% there had been significant reductions in fixed term exclusion of more than 5 days and in permanent exclusions.

**RESOLVED that the Acting Cabinet Member (Education) approves the report and the further development of the identified strategies to further improve pupil behaviour.**

27. **The Standards, Progress and Achievement of Coventry Children by Ages 5, 7, 11, 16 and 18 in 2013**

The Acting Cabinet Member (Education) considered a report of the Executive Director, People, that provided details of the Standards, Progress and Achievement of Coventry Children at the end of each Key Stage: The Early Years Foundation Stage (EYFS); Key Stage 1 (KS1)-Aged 7; Key Stage 2 (KS2)-Aged 11; Key Stage 4 (KS4)-Aged 16; and Key Stage 5 (KS5)-Aged 18. It reported on the most recent comparative data, as at December 2013, about the performance of pupils at the five Key Stages and recommended priorities for improvements at each Key Stage.

**RESOLVED that the Acting Cabinet Member (Education):**

- 1) Endorses the evaluation of the outcomes of the 2013 standards, progress and achievements of Coventry children at EYFS, KS1, KS2, KS4 and KS5.**
- 2) Approves the key priorities for the 2013-14 school improvement cycle detailed in the report for each key stage.**

28. **Racist Incident Monitoring 2012-2013**

The Acting Cabinet Member (Education) considered a report of the Executive Director, People, that provided details of the number of racist incidents recorded by Coventry schools during 2012/13 and subsequently reported to the local authority, the number of schools that did not make a return; the need to modify the method of reporting to the Cabinet Member, and the on-going measures to support schools in combating racism.

The importance and value of recording and reporting racist incidents by the Local Authority and schools was identified in the 2010 Equality Act and the 2012 Ofsted Framework. The City Council and Coventry schools had made considerable efforts to improve systems of the recording and reporting, enabling more reliable comparisons and conclusions to be made, thus supporting the development of evidence based strategies for combating racism.

**RESOLVED that the Acting Cabinet Member (Education):**

- (1) Notes the information provided in respect of the number of racist incidents for 2012/13.**
- (2) Recognises the need to 'challenge' schools that fail to provide a timely racial incident return.**
- (3) Approves the modifications to the method of presentation and the support available to schools in respect of racist incident monitoring, recording and reporting.**

- (4) Requests that he be advised, through the annual Racist Incident Monitoring Report, of those schools that have not provided termly racial incident returns.**

**29. Services to Schools Pricing Strategy 2014/2015**

The Acting Cabinet Member (Education) considered a report of the Executive Director, People, that detailed the pricing strategies of those Council services that provided services to schools and provided an update on whether these services were achieving full cost recovery.

The on-going financial situation presented significant challenges to the Council in balancing the revenue budget. Setting the appropriate level for fees and charges was an important element in raising revenue to meet the medium term financial pressures. It was essential that the Council maximised its income to ensure that, wherever possible, it at least recovered its costs for the services that were provided. Any Council service which provided a service to schools was required to adopting a consistent charging policy for the delivery of services to all schools, the starting point of which was that services recovered the full cost of service delivery. The Council service was required to complete the Full Cost Recovery Tool on an annual basis to identify whether full cost recovery was achieved and if not, develop a pricing strategy or cost reduction strategy to move towards full cost recovery.

In identifying any shortfall between forecast income and expenditure, consideration needed to be given to the impact on school buy back if services increased charges by more than inflation. In cases such as this action plans needed to include phased increases and/or cost reduction strategies to move towards full cost recovery. It was recognised that there may be exceptions where there may be a valid reason why a service should not recover full cost, which would require approval. Appendix 1 to the report set out details of those services which were forecast to require a subsidy and did not have an action plan to move towards full cost recovery.

**RESOLVED that the Acting Cabinet Member (Education):**

- (1) Agrees the proposed Service Level Agreement charge increases as set out in appendix 1 to the report.**
- (2) Requires services that are not achieving full cost recovery to set out a plan and timescale for moving towards full cost recovery.**
- (3) Meets with the Cabinet Member (Strategic Finance and Resources) and the Executive Director, People, to give further consideration to apportionment in respect of Work Related Learning.**

**30. Appointment of Authority Governors**

**Title:** Co-ordinated School Admission Schemes for 2015 and Community and Voluntary Controlled School Admission Policies for 2015

---

**Is this a key decision?**

No - Proposals are not expected to significantly impact on communities

---

**Executive Summary:**

Each year the Department for Education requires Local Authorities to determine the co-ordination schemes for school admissions in their areas and the admissions policies for community and voluntary controlled schools which are the responsibility of the local authority, by 15 April.

In April 2006, Cabinet agreed that consideration of reports on school admission arrangements would be delegated to the appropriate Cabinet Member in years where there were no significant changes to admission arrangements (their minute 196/06 refers).

All schemes and policies referred to in this report were considered by the School Admissions Forum on 7 February 2014. As there have been no significant changes to the schemes and policies since the 2013 policies, no consultation has been required by the School Admissions Code. It should be noted that increasing the admission numbers at Edgewick Primary School has been subject to a separate consultation process and is the subject of separate reports to Cabinet on 4 March 2014 and 13 May 2014.

**Recommendations:**

The Cabinet Member is requested to:

- 1) Determine the co-ordinated admissions scheme for primary, infant and junior schools in Coventry for 2015/16 and the admissions policy for community and voluntary controlled primary, infant and junior schools for 2015/16, as set out in Appendix 1 to the report.
- 2) Determine the co-ordinated admissions scheme for secondary schools in Coventry for 2015/16, as set out in Appendix 2 to the report.

**Report title:****Co-ordinated School Admission Schemes for 2015 and Community and Voluntary Controlled School Admission Policies for 2015****1. Context (or background)**

1.1 The School Admissions Code 2012 made changes to the consultation requirements for admission arrangements from 2013. Admissions authorities must consult on admission arrangements every 7 years or more frequently where any significant changes are proposed. No significant changes are proposed to the scheme or the admissions policies for community and voluntary controlled schools since the last consultation for admission in September 2013. Therefore no consultation has been required for 2015. The increased admission number for Edgewick Primary School has been subject to separate consultation arrangements and final agreement will be subject to a statutory notice period and separate Cabinet approval.

**2. Options considered and recommended proposal**

2.1 As detailed in point 1.1 of the report, no significant issues have been identified which require changes to the admission arrangements since the consultation carried out for the 2013 policies.

2.2 The first proposal is to determine the co-ordinated admissions scheme for primary, infant and junior schools in Coventry for 2015/16 and the admissions policy for community and voluntary controlled schools for 2015/16, as set out in Appendix 1 to the report.

2.3 The second proposal is to determine the co-ordinated admissions scheme for secondary schools in Coventry for 2015/16, as set out in Appendix 2 to the report.

**3. Results of consultation undertaken**

3.1 There has been no requirement to undertake consultation, as detailed in point 1.1 of the report.

**4. Timetable for implementing this decision**

4.1 The Local Authority is required to notify the Department for Education that co-ordinated schemes and admissions policies have been determined by 15 April 2014. All admissions arrangements will apply to school admissions from September 2015

4.2 Admission arrangements are reviewed on an annual basis with the next consultation due to take place within 5 years. The School Admissions Forum will continue to consider existing and proposed admission arrangements, in particular how they serve the interests of local parents and children collectively. The Forum will consider how admission processes operate during each year and view an annual report from the Local Authority to the Department for Education on the effectiveness of admission arrangements.

**5. Comments from Executive Director, Resources****5.1 Financial implications**

No financial implications

## 5.2 Legal implications

The Local Authority is the admission authority for community and voluntary controlled schools. Regulation 17 of the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 requires every admission authority to determine their admission arrangement by 15 April in the determination year. The local authority is also required to formulate a qualifying scheme for co-ordinating admission arrangements for primary and secondary school in its area (Regulation 26 refers) and to consult on those arrangements at least every 7 years, or where the qualifying co-ordinated scheme is substantially different from the scheme adopted in the preceding academic year (Regulation 27 refers). The local authority must notify the Secretary of State that a co-ordinated scheme for admissions in 2015, has been adopted by the 15 April 2014 (Regulation 28 refers).

## 6. Other implications

### 6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint / Local Area Agreement (or Coventry Sustainable Community Strategy)?

The proposed admission arrangements support the aims of ensuring that children and young people are safe, achieve and make a positive contribution, and developing a more equal city with cohesive communities and neighbourhoods.

### 6.2 How is risk being managed?

The School Admissions Forum will continue to consider existing and proposed admission arrangements and monitor their effectiveness.

### 6.3 What is the impact on the organisation?

The proposed admission arrangements support the aims of the City Council in respect of corporate parenting through providing all children with access to education in accordance with their needs. The arrangements support the partnership and strong working relationships between all schools and types of schools across the City.

### 6.4 Equalities / EIA

An equality impact assessment was undertaken in September 2010 on admissions arrangements and no changes are identified in these proposals.

### 6.5 Implications for (or impact on) the environment

None

### 6.6 Implications for partner organisations?

None

### Coventry Primary, Infant and Junior School Co-ordinated Admissions Scheme: 2015/16

#### Introduction

1. This primary co-ordinated scheme is published in accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulation 2012.

#### The scheme

2. Coventry City Council are the responsible authority for co-ordinating the arrangements for the admission of pupils to primary junior and infant schools in the Local Authority area.
3. The scheme shall apply to every primary, junior and infant school in the Local Authority area (except special schools) and shall take effect for the admissions process leading to admissions into primary, junior and infant schools in September 2015.

The scheme complies with the DfE School Admissions Code February 2012.

The details of the scheme are set out in Schedule 1 and Schedule 2 of this document.

## SCHEDULE 1

### PART 1 – THE SCHEME

1. The application process will be available online via the Local Authority website or via a paper common application form.
2. The online application and the Common Application Form will be used as a means of expressing preferences for the purposes of Section 86 of the School Standards and Framework Act 1998, by parents resident in Coventry wishing to express a preference for their child to be admitted to a maintained primary, junior or infant school or an Academy/free school.
3. When applying the parent will be able to:
  - a. express **three** preferences, in rank order of preference.
  - b. give their reasons for each preference.
4. The parent will receive no more than one offer of a school place and:
  - (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place; and
  - (ii) if a place cannot be offered at a nominated school, a place will be offered at the nearest available school following consultation with own admission authorities where appropriate.
5. The Local Authority will make appropriate arrangements to ensure that:

- the online application system and the Common Application Forms are available
  - A written explanation of the co-ordinated admissions scheme is available on the Local Authority website and from the Local Authority.
6. During September 2014 all maintained primary, junior and infant schools and academies/free schools in Coventry will receive information for parents who wish to apply for admission to a Coventry primary, junior or infant school at the normal age of entry in 2015. Information will also be made available in nurseries and other early years provision, and in other general community settings such as libraries and GP surgeries.

### **Supplementary Information Forms**

7. All preferences expressed on the Common Application Form or via the online process are valid applications. The governing body of a school which is its own admission authority (eg voluntary aided schools or academies) school may ask parents who wish to nominate, or have nominated, their school through this process to provide additional information on a supplementary form for the governing body to apply their oversubscription criteria to the application. If parents complete a supplementary form, this must be returned to the Local Authority, along with any evidence, so that the relevant forms can be passed to the school/s.
8. Where a school receives a supplementary form from a Coventry resident it will not be regarded as a valid application unless the parent has also completed an online application or Common Application Form and the school is nominated on it. Where supplementary forms are received directly by schools which are their own admission authorities the school must inform the Local Authority immediately so the Local Authority can verify whether an application has been received from the parent and, if not, contact the parent and ask them to complete one. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form.

### **Processing of Common Application Forms**

9. Parents can complete the online application by 15 January 2015. An email confirming receipt of the application will be received once the application has been submitted. Alternatively parents can return a completed Common Application Forms to a primary, junior or infant school or to the Local Authority by 15 January 2015. The Local Authority will issue a receipt within 14 days for all Common Application Forms received. The receipt letter is the only valid proof that an application has been received by the Local Authority. Applications received after 15 January 2015 will be treated in accordance with the procedure for late applications.
10. The primary, junior or infant school should forward any Common Application Forms received directly onto the School Admissions Team by 15 January 2015 at the latest.

### **Determining Offers**

11. The Local Authority will act as a 'clearing house' for the allocation of places by the relevant admission authorities in response to the online applications and Common Application Forms. The Local Authority will only make a decision with respect to a preference expressed where-
- (a) it is acting in its separate capacity as an admission authority, or
  - (b) an applicant is eligible for a place at more than one school, or
  - (c) an applicant is not eligible for a place at any school that the parent has nominated.

12. **By 6 February 2015 Coventry** Local Authority will apply the individual admissions policy on behalf of community & voluntary controlled primary schools. Where the governing body is the admission authority, Coventry Local Authority will notify the admission authority for each of the schools of every application that has been made for that school, regardless of ranking. All relevant details and any supplementary forms received which schools require in order to apply their oversubscription criteria will be forwarded to the governing body together with any evidence.
13. **By 25 February 2015** the admission authority for each school will consider all applications for their school, apply the school's oversubscription criteria (if appropriate) and provide the Local Authority with a list of those applicants 'ranked' according to the school's oversubscription criteria. Where the number of applicants exceeds the number of places available at the school by a significant amount, the admission authority need 'rank' only as many as it agrees with the Local Authority to be necessary, allowing for the fact that some of those who could be offered a place might be offered a place at another school.
14. The Local Authority will match this 'ranked' list against the 'ranked' lists of the other schools:
  - (a) Where the child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
  - (b) Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
  - (c) Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy, following consultation with own admission authorities where appropriate.
15. By 4 March 2015 the Local Authority will commence the exchange of information with other Local Authorities on potential offers of places in Coventry schools. Similarly other Local Authorities will notify Coventry Local Authority of potential offers available to Coventry residents.
16. Following this Coventry and other Local Authorities will compare potential offers and provisionally allocate places. This information will then be exchanged between Local Authorities, and this work will be completed by 30 March 2015.

**17. It should be noted that all children with statements of special educational needs that names a school must be admitted to that school before all other applicants.**

#### **Decision Letters**

18. **On 16 April 2015** Coventry Local Authority will post letters to parents by second class post notifying them of the primary / junior / infant school place that has been allocated to their child. Emails will also be sent on this date to those parents who have applied on-line. Both will contain the following information:
  - The name of the school at which a place is offered;
  - The reasons why the child is not being offered a place at each of the other schools nominated on the application;
  - Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;

- Contact details for applicants to lodge an appeal when they have not been offered a place at a school.

## **PART 11 – LATE APPLICATIONS**

17. The closing date for applications in the normal admissions round is **15 January 2015**.
18. All applications received after **15 January 2015** will be late and will only be considered after all those who applied on time.

### **Waiting Lists**

19. After the initial allocation on **16 April 2015** the Local Authority will establish waiting lists for community & voluntary controlled primary, junior and infant schools, and these will operate up until the end of the Autumn term in **2015**. Parents who wish to have their child's name on a waiting list for a community or voluntary controlled school after this date should contact the Local Authority.
20. Voluntary Aided schools and academies will be responsible for maintaining their own waiting lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after the end of the Autumn term, must contact the schools direct.
21. Waiting lists are kept in admissions criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

### **Applications outside the normal admissions round**

22. The Local Authority co-ordinates in year admissions for all community, voluntary controlled, and voluntary aided schools and academies/free schools within Coventry unless the school has indicated otherwise in their admission arrangements. Contact Admissions and Benefits Team for the most up to date information. Applications are made on a standard application form for all schools. Applicants for Coventry Voluntary Aided Church of England schools will need to complete a supplementary information form but only if they are applying on priority faith grounds. Admissions decisions by own admission authority schools will be made within 5 school days in most circumstances. Decision letters will be issued by the Local Authority on behalf of all schools within the co-ordinated scheme and these will include appeal information where an application was unsuccessful. Waiting lists for all Coventry schools will be notified to the Local Authority. Voluntary Aided schools/Academies/free schools will be responsible for maintaining their own lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after the end of the Autumn term must contact the schools direct. The Local Authority will maintain lists for community and voluntary controlled schools. Children will remain on these waiting lists for the term in which they apply, but failure to confirm continued interest in a school within 14 days of the beginning of each term will result in removal from waiting lists.

## **SCHEDULE 2**

### **Primary / junior / Infant Coordinated Admissions Scheme Timetable**

- |                        |   |
|------------------------|---|
| <b>15 January 2015</b> | National closing date for making an online application or returning Coventry Common Application Forms |
| <b>6 February 2015</b> | Details of preferences expressed will be sent to Coventry Voluntary Aided schools for "ranking".      |

- 25 February 2015** Coventry Voluntary Aided schools will provide the Local Authority with a "ranked" list of applicants.
- 4 March 2015** From this date onwards Coventry Local Authority will compare provisional offers data and finalise the allocation of places.
- 16 April 2015** Coventry Local Authority will notify its schools which parents have been offered places.
- On this date letters will be sent out by second class post notifying parents of the school place offered to their child(ren). Parents who have applied on-line will be notified on this date by email.

### **Community and Voluntary Controlled Primary and Infant School Admissions Policy 2015/16 Oversubscription criteria:**

If there are more requests for a school than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below.

- 1 Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order or a special guardianship order.**

A looked-after child is defined in Section 22 of the Children Act 1989.

- 2. Children who live in the catchment area served by the school, who have a brother or sister attending the school or, in the case of separate infant and junior schools, the corresponding junior school, provided that the brother or sister will continue to attend that school the following year.**
3. Other children who live in the catchment area served by the school.
- 4. Children living outside the catchment area with a brother or sister who currently attends the school or, in the case of separate infant and junior schools, the corresponding junior school, provided that the brother or sister will continue to attend that school the following year.**
- 5. Children by reference to the distance to the preferred school.**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests by reference to distance.

#### **Brothers and Sisters**

The City Council sees the benefits of children from the same family attending the same school and gives priority to brother and / or sister connections in its policy for allocating places. The definition of brother or sister includes step-brothers, step-sisters, half-brothers, half-sisters and adopted brothers and sisters living at the same permanent address. However, where schools are over-subscribed no guarantee can be given that places will be available for brothers and sisters.

## **Distance**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests within that category by reference to distance. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the local authority will select by drawing lots

## **Home address**

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place

**If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.**

Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided

## **Catchment area**

One of the aims of local schools is to serve its neighbourhood and develop links with the local community to strengthen the school and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available from the Admissions and Benefits team

## **Deferred entry into Primary School**

Legally a child does not have to be educated until the term after their fifth birthday. Parents may feel their child is young for their age, or there may be other reasons for wanting to delay their entry to school. This is called deferred entry.

In this situation applications for a place should be made in the normal way. The Authority recommends that the parent/carer contact the headteacher of the preferred school to discuss the matter in more detail prior to submitting the application. If the parent/carer then decides to defer entry, a place will be reserved until the child starts as long as they start within the academic year. The Authority cannot allocate it to another child. Parents/carers cannot assume however that an application for a deferred entry place will be successful. It will be considered alongside all other applications in accordance with the general City Council admissions policy.

## **Part time attendance**

Parents can request that their child attends part time until the child reaches compulsory school age.

## **Children currently attending Local Authority Maintained Nursery Classes**

Parents of children already attending Nursery Classes will also need to complete an application form in order to request a place at their preferred Primary School. The policy of the City Council is not to provide nursery classes at every school, but to provide classes which serve a wider area

than the school's catchment area. The number of part-time places available in a nursery class therefore often exceeds the number of places available in the Reception Class in the same school. **The City Council cannot therefore guarantee that a pupil who is admitted to a school's nursery class will be admitted to the same school.**

### **Waiting List**

The Authority cannot always offer places at a preferred school. If this is the case the child's name will be automatically placed on the Waiting List for community and voluntary controlled schools. If places become available, the Authority will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion. Waiting Lists will remain in operation until the end of the 2015 Autumn Term. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

## **Eastern Green Junior School Admissions Policy 2015/16 Oversubscription criteria:**

If there are more requests for a school than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below.

- 1 Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also, children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order or a special guardianship order.**  
  
A looked-after child is defined in Section 22 of the Children Act 1989.
- 2. Children who currently attend St Andrew's Church of England Infant School**
- 3. Children who live in the catchment area served by the school, who have a brother or sister attending the school or St Andrew's Church of England Infant school, provided that the brother or sister will continue to attend that school the following year.**
- 4. Other children who live in the catchment area served by the school.**
- 5. Children living outside the catchment area with a brother or sister who currently attends the school or St Andrew's Church of England Infant school, provided that the brother or sister will continue to attend that school the following year.**
- 6. Children by reference to the distance to the preferred school.**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests by reference to distance.

### **Brothers and Sisters**

The City Council sees the benefits of children from the same family attending the same school and gives priority to brother and / or sister connections in its policy for allocating places. The definition of brother or sister includes step-brothers, step-sisters, half-brothers, half-sisters and

adopted brothers and sisters living at the same permanent address. However, where schools are over-subscribed no guarantee can be given that places will be available for brothers and sisters.

### **Distance**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests within that category by reference to distance. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the local authority will select by drawing lots

### **Home address**

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place

**If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.**

Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided.

### **Catchment area**

One of the aims of local schools is to serve its neighbourhood and develop links with the local community to strengthen the school and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available from the Admissions and Benefits team.

### **Waiting List**

The Authority cannot always offer places at a preferred school. If this is the case the child's name will be automatically placed on the Waiting List for community and voluntary controlled schools. If places become available, the Authority will allocate the places in accordance with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion.

Waiting Lists will remain in operation until the end of the 2015 Autumn Term. Thereafter, parents will be required to register their interest in the preferred school at the beginning of each term, otherwise they will be deemed to have withdrawn their interest.

## **Admission Numbers 2015/16**

### **Community and Voluntary Controlled Primary, Infant and Junior Schools**

The admission number represents the capacity of the school to admit pupils at the normal age of entry in the 2015/16 academic year and should be set with regard to the capacity assessment for the school. Increased admission numbers are highlighted with an asterisk. These increases are

the subject of separate consultation and will be subject to the completion of statutory notices procedures before coming into force.

# Coventry Secondary School Co-ordinated Admissions Scheme: 2015/2016

### Introduction

1. This secondary co-ordinated scheme is published in accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements)(England) Regulation 2012.

### The scheme

2. Coventry City Council is the responsible authority for co-ordinating the arrangements for the admission of pupils to secondary schools in the Local Authority area.
3. The scheme shall apply to every maintained secondary school and academy in the Local Authority area (except special schools). The following scheme details the admissions process leading to admissions into secondary schools in September 2015.
4. The scheme complies with the DfE School Admissions Code 2012.
5. The details of the scheme are set out in Schedule 1 and Schedule 2 of this document.

## SCHEDULE 1

### PART I - THE SCHEME

1. The application process will be available online via the Local Authority website or via a paper Common Application Form.
2. The online application and the Common Application Form will be used as a means of expressing preferences for the purposes of Section 86 of the School Standards and Framework Act 1998, by parents resident in Coventry wishing to express a preference for their child to be admitted to a community, voluntary controlled, voluntary aided, foundation or trust secondary school or Academy within Coventry or located in another Local Authority area.
3. When applying the parent will be able to:
  - a. express **three** preferences including, where relevant, any schools outside the Local Authority's area, in rank order of preference.
  - b. give their reasons for each preference.
4. The parent will receive no more than one offer of a school place and:
  - (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place; and
  - (ii) if a place cannot be offered at a nominated school, a place will be offered at the nearest available school following consultation with own admission authorities where appropriate.

5. The Local Authority will make appropriate arrangements to ensure that:
  - a. the online system and the Common Application Forms are available.
  - b. a written explanation of the co-ordinated admissions scheme is available on the Local Authority website and from the Local Authority.
6. The Local Authority will take all reasonable steps to ensure that every parent resident in the Local Authority area who has a child in Year 6 in a Coventry primary school receives information on the application process by 12 September 2014.
7. All preferences expressed via the online process or on the Common Application Form are valid applications. The governing body of Voluntary Aided, Trust schools and Academies may request parents who wish to nominate, or have nominated, their school on the Common Application Form, to provide additional information on a supplementary form for the governing body to apply their oversubscription criteria to the application. If parents complete a supplementary form, this must be returned to the Local Authority, along with any evidence, so that the relevant forms can be passed to the school/s.
8. Where a school receives a supplementary form from a Coventry resident it will not be regarded as a valid application unless the parent has also completed an online application or a Common Application Form and the school is nominated on it. Where supplementary forms are received directly by Voluntary Aided schools, Trust Schools or Academies (or foundation in another Local Authority area) the school must inform the Local Authority immediately so the Local Authority can verify whether an application has been received from the parent and, if not, contact the parent and ask them to complete one.

### **Processing of Applications**

9. The closing date for applications is **31 October 2014**. Parents can complete the online application by this date. An email confirming receipt of the application will be received once the application has been submitted. Alternatively parents can return a completed Common Application Forms to a primary, junior or infant school or to the Local Authority by this date. The Local Authority will issue a receipt within 14 days for all Common Application Forms received. The receipt letter is the only valid proof that an application has been received by the Local Authority. Applications received after 31 October 2014 will be treated in accordance with the procedure for late applications
10. **By 5 November 2014** primary schools will forward all applications and any supplementary forms to the Local Authority.
11. **By 18 November 2014** Coventry Local Authority will exchange "unranked" preferences with other Local Authorities whose schools have been requested by Coventry parents.

### **Determining offers**

12. The Local Authority will act as a 'clearing house' for the allocation of places by the relevant admission authorities in response to the online applications or Common Application Forms. The Local Authority will only make a decision with respect to a preference expressed where:
  - (a) it is acting in its separate capacity as an admission authority, or
  - (b) an applicant is eligible for a place at more than one school, or
  - (c) an applicant is not eligible for a place at any school that the parent has nominated.

13. **By 27 November 2014** the Local Authority will notify the admission authority for each of the schools of every application that has been made for that school, regardless of ranking, including all relevant details and any supplementary form together with any evidence received by this date which schools require in order to apply their oversubscription criteria.
14. **By 18 December 2014** the admission authority for each school will consider all applications for their school, apply the school's oversubscription criteria (if appropriate) and provide the Local Authority with a list of those applicants ranked according to the school's oversubscription criteria. Where the number of applicants exceeds the number of places available at the school by a significant amount, the admission authority need rank only as many as it agrees with the Local Authority to be necessary, allowing for the fact that some of those who could be offered a place might be offered a place at another school.
15. The Local Authority will match this ranked list against the ranked lists of the other schools nominated and:
  - Where the child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
  - Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
  - Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy following consultation with own admission authorities where appropriate.
16. **31 December 2014** will be the effective 'cut off' date for parents requesting Coventry Local Authority schools to notify any changes (e.g. home address), which might materially affect their application.
17. **By 8 January 2015** the Local Authority will commence the exchange of information with other Local Authorities on potential offers of places in Coventry schools. Similarly other Local Authorities will notify Coventry Local Authority of potential offers available to Coventry residents.
18. **By 22 January 2015** and again by **5 February 2015** Coventry Local Authority and other Local Authorities will compare potential offers and provisionally allocate places. This information will then be exchanged between Local Authorities.
19. **By 12 February 2015** the Local Authority will complete the exchange of information with other Local Authorities and inform them of places in Coventry schools to be offered to their residents. Similarly other Local Authorities will notify Coventry Local Authority of places in their schools to be offered to Coventry residents.
20. On **2 March 2015** letters will be posted to parents by second class post notifying them of the school their child has been allocated. Emails will also be sent on this date to those parents who have applied on-line. Both will contain the following information:
  - i) The name of the school at which a place is offered;
  - ii) The reasons why the child is not being offered a place at each of the other schools nominated on the application;
  - iii) Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;

- iv) Contact details for the Local Authority (& those nominated Voluntary Aided or Trust schools or Academies where they were not offered a place, so that they can lodge an appeal with the governing body);

**21. It should be noted that all children with statements of special educational needs that name a school must be admitted to that school before all other applicants.**

## **PART II - LATE APPLICATIONS**

22. The closing date for applications in the normal admissions round is **31 October 2014**. After that date, the Local Authority will continue to receive applications but these will be considered to be late and may not be processed until after 3 March 2014.

## **PART III – WAITING LISTS**

23. After the initial allocation of places on **2 March 2015**, the Local Authority will establish a waiting list for community schools, and this will operate up until the end of the Autumn term 2014. Parents, who wish for their children to continue to be considered for any places that might become available after this time must contact the Local Authority.
24. Voluntary Aided and Trust schools and Academies will be responsible for maintaining their own waiting lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after the end of the Autumn term must contact the schools direct.
25. Waiting lists are kept in admissions criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

## **PART IV – APPLICATIONS OUTSIDE OF THE NORMAL ADMISSIONS ROUND**

26. The Local Authority co-ordinates in year admissions for all community, trust and voluntary aided schools and academies within Coventry unless the school has indicated otherwise in their admission arrangements. Contact Admissions and Benefits Team for the most up to date information Applications are made on a standard application form for all schools for in year admissions and for school transfers. Applicants for some own admission schools will need to complete a supplementary information form to enable school governors to fully consider their application against oversubscription criteria. Admissions decisions by own admission authority schools will be made within 10 school days in most circumstances. Decision letters will be issued by the Local Authority on behalf of all schools in the co-ordinated scheme and these will include appeal information where an application was unsuccessful. Waiting lists for all Coventry schools will be notified to the Local Authority. Voluntary Aided schools, Trust schools and Academies will be responsible for maintaining their own lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after the end of the Autumn term, must contact the schools direct. The Local Authority will maintain lists for community schools. Children will remain on these waiting lists for the term in which they apply, but failure to confirm continued interest in a school within 14 days of the beginning of each term will result in removal from waiting lists.
27. For those pupils attending a Coventry secondary school who wish to transfer to another Coventry secondary school:-

The parent /carer will be asked to:

- Meet with the Headteacher or other appropriate staff member to discuss the reason for transfer. This will provide the school with an opportunity to identify any

issues that may be capable of resolution and that may negate the necessity for a school transfer. This will ensure that changes of school are not undertaken hastily and without discussions with the parent/carer as to the likelihood of educational disadvantage to the pupil that may arise from transfer

- Complete the form and return it to the school

The Headteacher will:

- i) Seek to resolve any issues that may be causing parents/carers to seek a transfer
- ii) Complete the schools part of the form detailing any action that the school has taken to address the parent/carers concerns and provide the school's views on the transfer request
- iii) Return the form to the Admissions and Benefits Team

28. The Coventry Fair Access Protocol exists to ensure that access to education is secured quickly for children who have no school place, and to ensure that all schools in an area admit their fair share of children with challenging behaviour. Further information is available from Local Authority.
