- 3.3 To help with the review, it is suggested that the Board include consideration of the following questions:
- 3.3.1 Recognising that the Board cannot cover everything, the work programme was used to prioritise issues for consideration. There are some issues on the work programme that were not covered during the year and some areas of Cabinet Member portfolios that were not addressed. The national and local policy landscape is also constantly changing.  
**Are there any issues that should be given priority for next year?**
- 3.3.2 During the year, Scrutiny Boards have carried out their business through a range of activities including traditional board meetings, task and finish groups and visits. Boards have gathered evidence from and engaged with Cabinet Members, council officers, partner organisations from the public, private and third sectors and members of the public.  
**What has worked most effectively and what should be taken into account when planning arrangements for next year?**
