Title:

2016/17 Council Tax Setting Report

Is this a key decision?

Yes - Council are being recommended to approve the Council Tax levels for 2016/17

Executive Summary:

This report calculates the Council Tax level for 2016/17 and makes appropriate recommendations to the Council, consistent with the Budget Report 2016/17 on the same agenda. The report recommends a 3.9% increase in the City's Council Tax. Some figures and information are necessarily provisional at this stage due to the Fire Authority's precept not having been confirmed. These are shaded in grey.

The report incorporates the impact of the Council's gross expenditure and the level of income it will receive through grants, fees and charges. This results in a Council Tax requirement, as the amount that its expenditure exceeds all other sources of income.

The report includes a calculation of the Band D Council Tax that will be needed to generate this Council Tax requirement, based on the City's approved Council Tax base. The 2016/17 Band D Council Tax that is calculated through this process is increased by £54.25 from the 2015/16 level.

In previous years the City Council has had the flexibility to increase Council Tax by up to 2% without holding a local referendum on the matter. The Pre-Budget Report was approved on the basis of consulting on a Council Tax rise of 1.9%. In recognition of the increasing pressure on adult social care (ASC) services across the country the Government have increased this flexibility by a further 2%, up to a maximum of 4%. The recommendations within the Budget Report 2016/17 include taking up this additional 2% flexibility in order to increase the resources available to fund ASC services in the city. As a result, the budget is being proposed on the basis of increasing Council Tax by 3.9%.

$$(f) \text{ £1,429.37} = \frac{(2)(d) - (2)(e)}{(1)(a)} = \frac{\text{£1,429.76} - \frac{\text{£30,037.00}}{77,525.1}}$$

being the amount at (2)(d) above, less the result given by dividing the amount at (2)(e) above by the amounts at (1)(a) above, calculated by the Council, in accordance with Section 34(2) of the Act, as the basic amount of its Council Tax for the year for dwellings in those parts of the area to which no special item relates. (*Council Tax at Band D for the City excluding Parish Precepts*);

(*Council Taxes at Band D for the City and Parish*).

**Report title:
2016/17 Council Tax Setting Report**

1. Context (or background)

- 1.1 The purpose of this report is to seek approval for the City's 2016/17 Council Tax. The total planned spending (Gross Expenditure) in 2016/17 will be met in part by grant income (including Revenue Support Grant), and fees and charges. Any spending that is in excess of these income streams must be met from Council Tax and is referred to as the 'Council Tax Requirement'.
- 1.2 The details of the planned spending for 2016/17 are proposed in the 'Budget Report 2016/17' that is being considered by the Council in conjunction with this Council Tax Setting Report.
- 1.3 In previous years the City Council has had the flexibility to increase Council Tax by up to 2% without holding a local referendum on the matter. The Pre-Budget Report was approved on the basis of consulting on a Council Tax rise of 1.9%. In recognition of the increasing pressure on adult social care (ASC) services across the country the Government have increased this flexibility by a further 2%, up to a maximum of 4%. The recommendations within the Budget Report 2016/17 include taking up this additional 2% flexibility in order to increase the resources available to fund ASC services in the city. As a result, the budget is being proposed on the basis of increasing Council Tax by 3.9%.
- 1.4 At the time of writing this report the precept from the West Midlands Fire and Rescue Authority has not been confirmed. A report, with confirmed final figures, will be presented at the Council meeting on the 23 February 2015.
- 1.5 On 23 June 2015 the City Council agreed a reorganisation order to establish a parish and parish council for the Finham area of the city with effect from 1 April 2016. The reorganisation order included details of the proposed budget requirement for the first year of the new parish. As a result, this report includes, for the first time, the details of the tax amounts to be levied in the new Finham parish.

2. Options considered and recommended proposal

- 2.1 The total Band D Council Tax in 2015/16 was £1,536.61. The figures calculated in this report represent a 3.9% increase from the 2015/16 figures for the City's Council Tax, and a 3.9% increase in total.

Total Council Tax, excluding any element for Parish Precepts, can be broken down as:

	Band D £	Increase from 2015/16 %	Proportion of total bill %
Coventry City Council	1,429.37	3.9	89.5
Police and Crime Commissioner for the West Midlands	111.55	4.7	7.0
West Midlands Fire Authority	56.03	2.0	3.5
Total Coventry Council Tax	1,596.95	3.9	100.0

- 2.2 The Band D Council Tax is used by Government as the national comparator. However, for Coventry, this does not reflect the demographics of the area and the make-up of the property mix; Coventry's property base is weighted towards Bands A to C. The average Council Tax bill in Coventry is £934.98, after allowing for all discounts and exemptions.
- 2.3 The total or "headline" council tax calculated for each band, for households of 2 or more adults with no reductions, and for households of 1 adult (who receive a 25% discount), is summarised below:

Valuation Band	Value of Property As at April 1991	Proportion of Band D	Chargeable Dwellings		Council Tax	
			No.	%	2 + Adults ¹ £	1 Adult ¹ £
Band A dwellings entitled to Disabled Persons Relief		5/9	131	0.1	887.19	665.40
A	Up to £40,000	6/9	53633	40.5	1,064.63	798.47
B	£40,001 to £52,000	7/9	39793	30.0	1,242.07	931.55
C	£52,001 to £68,000	8/9	21971	16.6	1,419.51	1,064.63
D	£68,001 to £88,000	9/9	8745	6.6	1,596.95	1,197.71
E	£88,001 to £120,000	11/9	4477	3.4	1,951.83	1,463.87
F	£120,001 to £160,000	13/9	2264	1.7	2,306.71	1,730.04
G	£160,001 to £320,000	15/9	1336	1.0	2,661.58	1,996.18
H	Over £320,000	18/9	94	0.1	3,193.89	2,395.41
			132,444	100.0		

¹ These amounts may be subject to penny rounding when the actual bill is produced

3. Results of consultation undertaken

The proposals in the Pre-Budget Report have been subject to seven weeks public consultation ending on the 21 January 2016. The details arising out of this consultation period have been reported in Appendix 1 of the budget report.

4. Timetable for implementing this decision

The proposals in this report take effect for the financial year starting 1st April 2016

5. Comments from Executive Director of Resources

5.1 Financial implications

A £1m increase or decrease in either the City Council's 2016/17 Council Tax requirement or Government grant, would lead to a £12.90 increase or decrease in Band D Council Tax (£7.55 in the average Council Tax per chargeable dwelling). Every £1 added to or removed from the Council Tax level will raise or reduce Council Tax income by £77,525.

5.2 Legal implications

A statutory duty is placed on the Council, as billing authority, to set for each financial year an amount of council tax for different categories of dwellings according to the band in which the dwelling falls. The requirements to calculate and set a Council Tax are set out in the Local Government Finance Act 1992 and are detailed in the report. The Localism Act 2011 made significant changes to this Act, requiring authorities to calculate a Council Tax requirement for the year, not a budget requirement as was previously required. The Local Government Finance Act 2012 made minor changes to the 1992 Act, clarifying the effect of the changes made to the way non-domestic rates income is distributed.

6. Other implications

6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint / Local Area Agreement (or Coventry Sustainable Community Strategy)?

The budget report on today's agenda outlines the very tight resource constraints facing the Council and the planned approach to identify savings options that are intended to minimise any adverse impact on the quality and level of services provided and the achievement of key objectives.

6.2 How is risk being managed?

A non-collection rate is built into estimates of Council Tax income. Collection performance is monitored on a regular basis.

6.3 What is the impact on the organisation?

See Budget Setting 2016/17 Report, Council 23 February 2016.

6.4 Equalities / EIA

No further implications

6.5 Implications for (or impact on) the environment

No further implications

6.6 Implications for partner organisations?

No further implications
