

COVENTRY & WARWICKSHIRE

Health & Wellbeing Alliance Concordat

We will do everything in our power to enable people across Coventry and Warwickshire to pursue happy, healthy lives and put people and communities at the heart of everything that we do.

We will share responsibility to transform our services whilst making circa £400m savings and efficiencies across Coventry and Warwickshire over the next five years.

PRINCIPLES

- We will** be bold, brave and challenging in the service of the people of Coventry and Warwickshire.
- We will** align, share and pool resources, budgets and accountabilities where it improves outcomes for the public.
- We will** focus on benefits to the public as a whole rather than organisational interests.
- We will** take decisions that we know will impact on other parts of the system, only after we have talked to each other.
- We will** streamline system governance to enable decisions to be taken at scale and pace.
- We will** design a system that is easy for everyone to understand and use.

To achieve this we will work in alliance with each other operating with mutual respect and mutual accountability.
