**10. Adoption Service Annual Report 2015/16**

The Cabinet Member considered a report of the Executive Director of People which detailed the activity and key performance for Coventry Adoption Service in line with the adoption agency statutory duty to provide a report about the children who are in the care of the local authority and who were waiting to be placed with new families in 2015-16. The Adoption Service Statement of Purpose for 2015/16 was appended to the report.

Coventry's policy is to always seek to achieve permanence for all looked after children. Achieving permanence for looked after children is a key driver and permanence depends on securing the right placement for the right child at the right time. One of the key functions is to ensure that each looked after child has a plan for permanence by the time of their second statutory review, as set out in the statutory guidance. This is progressed through our care planning through to Adoption if required.

In the past twelve months, there have been continued developments of significant policy changes. Policy and service improvement are to be welcomed and supported as a driver to deliver good permanent outcomes for looked after and adopted children. Coventry Adoption Service aims to provide a comprehensive adoption service including post order support which is consistent with best practice and national minimum standards.

In 2015/16, 54 children were adopted and 20 adopters approved.

The Cabinet Member and Shadow Cabinet Member questioned officers on aspects of the report, including:-

- The timeliness of adoption
- Exploring recruiting adopters by targeting the largest employers in the City
- Aspects of the Adoption Panel

**RESOLVED that the Cabinet Member for Children and Young People:-**
