

To: Scrutiny Co-ordination Committee

Date: 3rd March 2017

Subject: Outstanding Issues Report

1 Purpose of the Note

- 1.1 To inform Members of the approach to be taken on progress, outcomes and responses to recommendations and substantial actions made by the Scrutiny Board.

2 Recommendations

- 2.1 Members are recommended to:
- 1) Note the attached outstanding issues at Appendix 1

3 Information/Background

- 3.1 When recommendations and actions are made following a scrutiny meeting, they are circulated to the relevant Cabinet Member and officer, and recorded on a recommendations tracker.
- 3.2 The purpose of this report is to bring to the Committee's attention the responses received from Cabinet Members and officers in regard to recommendations and actions from previous meetings.
- 3.3 Once a response has been received or an action dealt with, it will be removed from this report and kept in the full recommendations tracker. The complete tracker can be viewed by contacting the Scrutiny Team on the details below.
- 3.4 At the start of this year, the opportunity was introduced for members of the public to suggest topics that members of the Scrutiny Co-ordination Committee could consider adding to the work programme. The guidance explains that while there are no hard and fast rules about what makes a good topic for Scrutiny to investigate, only issues that Coventry residents are concerned about will be considered, and particularly if the issue affects the whole city. It explains that local issues may be better discussed with ward councillors and that other processes are in place to deal with complaints about services.
- 3.5 There have been no suggestions from the public since the previous meeting.
