Dear Members of the Audit and Procurement Committee

### **Audit Plan for Coventry City Council for the year ending 31 March 2017**

This Audit Plan sets out for the benefit of those charged with governance (in the case of Coventry City Council, the Audit and Procurement Committee), an overview of the planned scope and timing of the audit, as required by International Standard on Auditing (UK & Ireland) 260. This document is to help you understand the consequences of our work, discuss issues of risk and the concept of materiality with us, and identify any areas where you may request us to undertake additional procedures. It also helps us gain a better understanding of the Council and your environment. The contents of the Plan have been discussed with management.

We are required to perform our audit in line with Local Audit and Accountability Act 2014 and in accordance with the Code of Practice issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General in April 2015. Our responsibilities under the Code are to:

- give an opinion on the Council's financial statements
- satisfy ourselves the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

As auditors we are responsible for performing the audit, in accordance with International Standards on Auditing (UK & Ireland), which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities for the preparation of the financial statements which give a true and fair view.

The contents of this report relate only to the matters which have come to our attention, which we believe need to be reported to you as part of our audit planning process. It is not a comprehensive record of all the relevant matters, which may be subject to change. In particular we cannot be held responsible to you for reporting all of the risks which may affect the Council or all weaknesses in your internal controls. This report has been prepared solely for your benefit. We do not accept any responsibility for any loss occasioned to any third party acting, or refraining from acting on the basis of the content of this report, as this report was not prepared for, nor intended for, any other purpose.

We look forward to working with you during the course of the audit.

Yours sincerely  
Mark Stocks  
Engagement Lead

**Chartered Accountants**

Grant Thornton UK LLP is a limited liability partnership registered in England and Wales: No. OC307742. Registered office: Grant Thornton House, Melton Street, Euston Square, London NW1 2EP. A list of members is available from our registered office. Grant Thornton UK LLP is authorised and regulated by the Financial Conduct Authority.

Grant Thornton UK LLP is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. Services are delivered by the member firms. GTIL and its member firms are not agents of, and do not obligate, one another and are not liable for one another's acts or omissions. # Understanding your business and key developments

## Developments

### West Midlands Combined Authority (WMCA)

The WMCA was established on 17 June 2016 following the signing of a devolution deal with the Chancellor of the Exchequer in November 2015. It is a new way for local authorities to work together on key strategic functions that cross geographic council boundaries and which could be more effectively delivered together rather than separately. The WMCA aims to deliver tangible improvements to the prospects of people and businesses in the West Midlands. The election of a Mayor for the WMCA is due to take place in May 2017.

## Key challenges

### Autumn Statement

The Chancellor detailed plans in the Autumn Statement to increase funding for Housing and Infrastructure, and further extend devolved powers to Local Authorities. No plans were announced to increase funding for adult social care. The Council plans to help address the funding shortfall in adult social care by applying the 3% social care precept.

### Medium Term Financial Plan

The Council will need to work hard to balance its finances over the medium term as funding from central government continues to fall. The Council is currently forecasting that it will have a balanced budget between 2017/18 and 2019/20.

### Financial Outturn

For 2016/17 the Council is currently forecasting an overspend of £4.8m against budget.

This overspend is mainly due to not achieving savings targets within the people directorate within the expected timescales and an increased demand for children and adult social care services.

## Financial reporting changes

### CIPFA Code of Practice 2016/17 (the Code)

Changes to the Code in 2016/17 reflect aims of the 'Telling the Story' project, to streamline the financial statements to be more in line with internal organisational reporting and improve accessibility to the reader of the financial statements.

The changes affect the presentation of the Comprehensive Income and Expenditure Statement and the Movement in Reserves Statements, segmental reporting disclosures and a new Expenditure and Funding Analysis note has been introduced. The Code also requires these amendments to be reflected in the 2015/16 comparatives by way of a prior period adjustment.

### Earlier closedown

The Accounts and Audit Regulations 2015 require councils to bring forward the approval and audit of financial statements to 31 July by the 2017/2018 financial year. The Council are well placed to meet this requirement as the opinion on the 2015/16 financial statements was given on 28 July 2016.

## Our response

- We aim to complete all our substantive audit work of your financial statements by mid-July 2017.
- As part of our opinion on your financial statements, we will consider whether your financial statements accurately reflect the financial reporting changes in the 2016/17 Code.
- We will keep you informed of changes to the financial reporting requirements for 2016/17 through on-going discussions and invitations to our technical update workshops.

# Materiality

In performing our audit, we apply the concept of materiality, following the requirements of International Standard on Auditing (UK & Ireland) (ISA) 320: Materiality in planning and performing an audit. The concept of materiality is fundamental to the preparation of the financial statements and the audit process and applies not only to the monetary misstatements but also to disclosure requirements and adherence to acceptable accounting practice and applicable law. An item does not necessarily have to be large to be considered to have a material effect on the financial statements. An item may be considered to be material by nature, for example, when greater precision is required (e.g. senior manager salaries and allowances).

We determine planning materiality (materiality for the financial statements as a whole determined at the planning stage of the audit) in order to estimate the tolerable level of misstatement in the financial statements, assist in establishing the scope of our audit engagement and audit tests, calculate sample sizes and assist in evaluating the effect of known and likely misstatements in the financial statements.

We have determined planning materiality based upon professional judgement in the context of our knowledge of the Council. In line with previous years, we have calculated financial statements materiality based on a proportion of the gross revenue expenditure of the Council. For purposes of planning the audit we have determined overall materiality to be £13.572m (being 1.8% of gross revenue expenditure). In the previous year, we determined materiality to be £13.550m (being 1.75% of gross revenue expenditure). Our assessment of materiality is kept under review throughout the audit process and we will advise you if we revise this during the audit.

Under ISA 450, auditors also set an amount below which misstatements would be clearly trivial and would not need to be accumulated or reported to those charged with governance because we would not expect that the accumulation of such amounts would have a material effect on the financial statements. "Trivial" matters are clearly inconsequential, whether taken individually or in aggregate and whether judged by any criteria of size, nature or circumstances. We have defined the amount below which misstatements would be clearly trivial to be £678k.

ISA 320 also requires auditors to determine separate, lower, materiality levels where there are 'particular classes of transactions, account balances or disclosures for which misstatements of lesser amounts than materiality for the financial statements as a whole could reasonably be expected to influence the economic decisions of users'. We have identified the following items where separate materiality levels are appropriate:

| Balance/transaction/disclosure  | Explanation   | Materiality level   |
|---|---|---|
| Disclosures of officers' remuneration, salary bandings and exit packages in the notes to the financial statements | Due to public interest in these disclosures and the statutory requirement for them to be made.              | £20,000   |
| Related party transactions  | Related party transactions have to be disclosed if they are material to the Council or to the related party | £20,000, however any errors identified by testing will be assessed individually, with due regard given to the nature of the error and its potential impact on users of the financial statements and its materiality for the related party |

Misstatements, including omissions, are considered to be material if they, individually or in the aggregate, could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements; Judgments about materiality are made in light of surrounding circumstances, and are affected by the size or nature of a misstatement, or a combination of both; and Judgments about matters that are material to users of the financial statements are based on a consideration of the common financial information needs of users as a group. The possible effect of misstatements on specific individual users, whose needs may vary widely, is not considered. (ISA (UK and Ireland) 320)

# Significant risks identified

An audit is focused on risks. Significant risks are defined by ISAs (UK and Ireland) as risks that, in the judgment of the auditor, require special audit consideration. In identifying risks, audit teams consider the nature of the risk, the potential magnitude of misstatement, and its likelihood. Significant risks are those risks that have a higher risk of material misstatement.

| Significant risk  | Description   | Audit procedures  |
|---|---|---|
| <b>The revenue cycle includes fraudulent transactions</b> | Under ISA (UK and Ireland) 240 there is a presumed risk that revenue streams may be misstated due to the improper recognition of revenue.<br>This presumption can be rebutted if the auditor concludes that there is no risk of material misstatement due to fraud relating to revenue recognition. | Having considered the risk factors set out in ISA240 and the nature of the revenue streams at Coventry City Council, we have determined that the risk of fraud arising from revenue recognition can be rebutted, because: <ul style="list-style-type: none"> <li>• there is little incentive to manipulate revenue recognition</li> <li>• opportunities to manipulate revenue recognition are very limited</li> <li>• the culture and ethical frameworks of local authorities, including Coventry City Council, mean that all forms of fraud are seen as unacceptable.</li> </ul> |
| <b>Management over-ride of controls</b>                   | Under ISA (UK and Ireland) 240 there is a non-rebuttable presumed risk that the risk of management over-ride of controls is present in all entities.  | <b>Work completed to date:</b> <ul style="list-style-type: none"> <li>• Review of accounting estimates, judgments and decisions made by management</li> <li>• Review of the journal entry process</li> </ul> <b>Further work planned:</b> <ul style="list-style-type: none"> <li>• Further review of accounting estimates, judgments and decisions made by management</li> <li>• Testing of unusual journal entries back to supporting documentation</li> <li>• Review of unusual significant transactions</li> </ul>   |

"Significant risks often relate to significant non-routine transactions and judgmental matters. Non-routine transactions are transactions that are unusual, due to either size or nature, and that therefore occur infrequently. Judgmental matters may include the development of accounting estimates for which there is significant measurement uncertainty." (ISA (UK and Ireland) 315) . In making the review of unusual significant transactions "the auditor shall treat identified significant related party transactions outside the entity's normal course of business as giving rise to significant risks." (ISA (UK and Ireland) 550)

## Significant risks identified (continued)

We have also identified the following significant risks of material misstatement from our understanding of the entity. We set out below the work we have completed to date and the work we plan to address these risks.

| Significant risk  | Description   | Audit procedures  |
|---|---|---|
| <p><b>Changes to the presentation of local authority financial statements</b></p> | <p>CIPFA has been working on the 'Telling the Story' project, for which the aim was to streamline the financial statements and improve accessibility to the user and this has resulted in changes to the 2016/17 Code of Practice.</p> <p>The changes affect the presentation of income and expenditure in the financial statements and associated disclosure notes. A prior period adjustment (PPA) to restate the 2015/16 comparative figures is also required.</p> | <p><b>Work planned:</b></p> <ul style="list-style-type: none"> <li>• We will document and evaluate the process for the recording of the required financial reporting changes to the 2016/17 financial statements.</li> <li>• We will review the re-classification of the Comprehensive Income and Expenditure Statement (CIES) comparatives to ensure that they are in line with the Authority's internal reporting structure.</li> <li>• We will review the appropriateness of the revised grouping of entries within the Movement In Reserves Statement (MIRS).</li> <li>• We will test the classification of income and expenditure for 2016/17 recorded within the Cost of Services section of the CIES.</li> <li>• We will test the completeness of income and expenditure by reviewing the reconciliation of the CIES to the general ledger.</li> <li>• We will test the classification of income and expenditure reported within the new Expenditure and Funding Analysis (EFA) note to the financial statements.</li> <li>• We will review the new segmental reporting disclosures within the 2016/17 financial statements to ensure compliance with the CIPFA Code of Practice.</li> </ul> |
| <p><b>Valuation of pension fund net liability</b></p>                             | <p>The Council's pension fund asset and liability as reflected in its balance sheet represent a significant estimate in the financial statements.</p>   | <p><b>Work planned:</b></p> <ul style="list-style-type: none"> <li>• We will identify the controls put in place by management to ensure that the pension fund liability is not materially misstated. We will also assess whether these controls were implemented as expected and whether they are sufficient to mitigate the risk of material misstatement.</li> <li>• We will review the competence, expertise and objectivity of the actuary who carried out your pension fund valuation. We will gain an understanding of the basis on which the valuation is carried out.</li> <li>• We will undertake procedures to confirm the reasonableness of the actuarial assumptions made.</li> <li>• We will review the consistency of the pension fund asset and liability and disclosures in notes to the financial statements with the actuarial report from your actuary.</li> </ul>   |

## Significant risks identified (continued)

| Significant risk   | Description  | Audit procedures   |
|--|--|--|
| <p><b>Valuation of property, plant and equipment</b></p> | <p>The Council re-values its assets on a rolling basis over a five year period. The Code requires that the Council ensures that the carrying value at the balance sheet date is not materially different from current value. This represents a significant estimate by management in the financial statements.</p> | <p><b>Work planned:</b></p> <ul style="list-style-type: none"> <li>• Review of management's processes and assumptions for the calculation of the estimate.</li> <li>• Review of the competence, expertise and objectivity of any management experts used.</li> <li>• Review of the instructions issued to valuation experts and the scope of their work</li> <li>• Discussions with valuer about the basis on which the valuation is carried out and challenge of the key assumptions.</li> <li>• Review and challenge of the information used by the valuer to ensure it is robust and consistent with our understanding.</li> <li>• Testing of revaluations made during the year to ensure they are input correctly into the Council's asset register</li> <li>• Evaluation of the assumptions made by management for those assets not revalued during the year and how management has satisfied themselves that these are not materially different to current value.</li> </ul> |

# Other risks identified

Reasonably possible risks (RPRs) are, in the auditor's judgment, other risk areas which the auditor has identified as an area where the likelihood of material misstatement cannot be reduced to remote, without the need for gaining an understanding of the associated control environment, along with the performance of an appropriate level of substantive work. The risk of misstatement for an RPR or other risk is lower than that for a significant risk, and they are not considered to be areas that are highly judgmental, or unusual in relation to the day to day activities of the business.

| Reasonably possible risks | Description of risk  | Audit procedures   |
|---------------------------|--|--|
| Operating expenses        | Year end creditors and accruals are understated or not recorded in the correct period. | <p><b>Work completed to date:</b></p> <ul style="list-style-type: none"> <li>We have updated our understanding and discussed the cycle with relevant personnel from the finance team.</li> <li>We have conducted a walkthrough of the key controls for this system.</li> </ul> <p><b>Further work planned:</b></p> <ul style="list-style-type: none"> <li>We will search for unrecorded liabilities by reviewing payments after the year end.</li> <li>We will review the Council's accruals process and test accordingly (including goods received).</li> </ul>   |
| Employee remuneration     | Employee remuneration accruals are understated   | <p><b>Work completed to date:</b></p> <ul style="list-style-type: none"> <li>We have updated our understanding and discussed the cycle with relevant personnel from the payroll and finance team.</li> <li>We have conducted a walkthrough of the key controls for this system.</li> </ul> <p><b>Further work planned:</b></p> <ul style="list-style-type: none"> <li>We will review the reconciliation of the payroll system to the general ledger, including proof in total of the monthly payroll to the general ledger.</li> <li>We will perform a trend analysis of monthly payroll</li> <li>We will test amount paid to individual employees on a sample basis.</li> </ul> |

"In respect of some risks, the auditor may judge that it is not possible or practicable to obtain sufficient appropriate audit evidence only from substantive procedures. Such risks may relate to the inaccurate or incomplete recording of routine and significant classes of transactions or account balances, the characteristics of which often permit highly automated processing with little or no manual intervention. In such cases, the entity's controls over such risks are relevant to the audit and the auditor shall obtain an understanding of them." (ISA (UK and Ireland) 315)

---

# Other risks identified (continued)

## Going concern

As auditors, we are required to “obtain sufficient appropriate audit evidence about the appropriateness of management's use of the going concern assumption in the preparation and presentation of the financial statements and to conclude whether there is a material uncertainty about the entity's ability to continue as a going concern” (ISA (UK and Ireland) 570). We will review the management's assessment of the going concern assumption and the disclosures in the financial statements.

## Other material balances and transactions

Under International Standards on Auditing, "irrespective of the assessed risks of material misstatement, the auditor shall design and perform substantive procedures for each material class of transactions, account balance and disclosure". All other material balances and transaction streams will therefore be audited. However, the procedures will not be as extensive as the procedures adopted for the risks identified in the previous sections but will include:

- Heritage assets
- Investments (long term and short term)
- Cash and cash equivalents
- Borrowing and other liabilities (long term and short term)
- Usable and unusable reserves
- Movement in Reserves Statement and associated notes
- Statement of cash flows and associated notes
- Financing and investment income and expenditure
- Taxation and non-specific grants
- Schools balances and transactions
- Segmental reporting note
- Officers' remuneration note
- Leases note
- Related party transactions note
- Capital expenditure and capital financing note
- Financial instruments note
- Collection Fund and associated notes

# Group audit scope and risk assessment

In accordance with ISA (UK and Ireland) 600, as group auditor we are required to obtain sufficient appropriate audit evidence regarding the financial information of the components and the consolidation process to express an opinion on whether the group financial statements are prepared, in all material respects, in accordance with the applicable financial reporting framework.

| Component[/s]  | Significant? | Level of response required under ISA (UK and Ireland) 600 | Risks identified           | Planned audit approach   |
|--|--------------|---|----------------------------|--|
| Coventry and Solihull Waste Disposal Company Limited | Yes          | Targeted  | Investments carrying value | Review and testing of arrangements in place to produce group accounts. |
| Coventry North Regeneration Limited                  | No           | Analytical  | None                       | Analytical procedures at the Group level                               |
| North Coventry Holdings Limited                      | No           | Analytical  | None                       | Analytical procedures at the Group Level                               |

## Audit scope:

**Comprehensive** – the component is of such significance to the group as a whole that an audit of the components financial statements is required

**Targeted** – the component is significant to the Group, audit evidence will be obtained by performing targeted audit procedures rather than a full audit

**Analytical** – the component is not significant to the Group and audit risks can be addressed sufficiently by applying analytical procedures at the Group level

# Value for Money

## Background

The Code requires us to consider whether the Council has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. This is known as the Value for Money (VfM) conclusion.

The National Audit Office (NAO) issued its guidance for auditors on value for money work for 2016/17 in November 2016. The guidance states that for local government bodies, auditors are required to give a conclusion on whether the Council has proper arrangements in place.

The guidance identifies one single criterion for auditors to evaluate:

*In all significant respects, the audited body takes properly informed decisions and deploys resources to achieve planned and sustainable outcomes for taxpayers and local people.*

This is supported by three sub-criteria as set out opposite:

| Sub-criteria                                  | Detail   |
|---|--|
| Informed decision making                      | <ul style="list-style-type: none"> <li>Acting in the public interest, through demonstrating and applying the principles and values of sound governance</li> <li>Understanding and using appropriate cost and performance information (including, where relevant, information from regulatory/monitoring bodies) to support informed decision making and performance management</li> <li>Reliable and timely financial reporting that supports the delivery of strategic priorities</li> <li>Managing risks effectively and maintaining a sound system of internal control</li> </ul> |
| Sustainable resource deployment               | <ul style="list-style-type: none"> <li>Planning finances effectively to support the sustainable delivery of strategic priorities and maintain statutory functions</li> <li>Managing and utilising assets effectively to support the delivery of strategic priorities</li> <li>Planning, organising and developing the workforce effectively to deliver strategic priorities.</li> </ul>  |
| Working with partners and other third parties | <ul style="list-style-type: none"> <li>Working with third parties effectively to deliver strategic priorities</li> <li>Commissioning services effectively to support the delivery of strategic priorities</li> <li>Procuring supplies and services effectively to support the delivery of strategic priorities.</li> </ul>   |

---

# Value for Money (continued)

## **Risk assessment**

We have carried out an initial risk assessment based on the NAO's auditor's guidance note (AGN03). In our initial risk assessment, we considered:

- our cumulative knowledge of the Council, including work performed in previous years in respect of the VfM conclusion and the opinion on the financial statements.
- the findings of other inspectorates and review agencies, including the Ofsted.
- any illustrative significant risks identified and communicated by the NAO in its Supporting Information.
- any other evidence which we consider necessary to conclude on your arrangements.

We have identified significant risks which we are required to communicate to you. These are set out overleaf.

## **Reporting**

The results of our VfM audit work and the key messages arising will be reported in our Audit Findings Report and in the Annual Audit Letter.

We will include our conclusion in our auditor's report on your financial statements which we will give by 31 July 2017.

## Value for money (continued)

We set out below the significant risks we have identified as a result of our initial risk assessment and the work we propose to address these risks.

| Significant risk   | Link to sub-criteria  | Work proposed to address  |
|--|---|---|
| <p>The Council will need to work hard to balance its finances over the medium term as funding from central government continues to fall. The Council is currently forecasting a balanced budget for the period 2017/18 to 2019/20.</p>   | <p>This links to the Council's arrangements for:</p> <ul style="list-style-type: none"> <li>• planning finances effectively to support its strategic functions</li> <li>• making informed decisions.</li> </ul> | <p>We will assess whether the Council is:</p> <ul style="list-style-type: none"> <li>• producing and using appropriate and reliable financial information to support informed decision making and performance management</li> <li>• producing reliable and timely financial reporting that supports the delivery of strategic priorities</li> <li>• planning its finances effectively to support the sustainable delivery of strategic priorities and maintain statutory functions</li> <li>• taking action to manage social care expenditure.</li> </ul> |
| <p>An Ofsted inspection of children's services in March 2014 judged the services provided by the Council to be inadequate. The Council have been working hard to address the issues and a re-inspection by Ofsted is currently underway.</p>   | <p>This links to the Council's arrangements for ensuring high quality and effective children's social care services.</p>  | <p>We will:</p> <ul style="list-style-type: none"> <li>• update our understanding of the Council's arrangements following the result of the latest Ofsted inspection and consider their adequacy.</li> </ul>  |
| <p>The Council must work effectively with the West Midlands Combined Authority if it is to deliver its strategic priorities, particularly in respect of city centre regeneration. One outcome of the Devolution Deal is that it gives the Council the opportunity to participate in the Business Rates Retention Pilot Scheme.</p> | <p>This links to the Council's arrangements for working effectively with third parties to improve services.</p>   | <p>We will assess whether the Council has adequate arrangements in place to work with the West Midlands Combined Authority to deliver strategic priorities, such as through the Business Rates Retention pilot</p>  |

---

# Other audit responsibilities

In addition to our responsibilities under the Code of Practice in relation to your financial statements and arrangements for economy, efficiency and effectiveness we have a number of other audit responsibilities, as follows:

- We will undertake work to satisfy ourselves that the disclosures made in your Annual Governance Statement are in line with CIPFA/SOLACE guidance and consistent with our knowledge of the Council.
- We will read your Narrative Statement and check that it is consistent with the financial statements on which we give an opinion and that the disclosures included in it are in line with the requirements of the CIPFA Code of Practice.
- We will carry out work on your consolidation schedules for the Whole of Government Accounts process in accordance with NAO instructions to auditors.
- We consider our other duties under the Act and the Code, as and when required, including:
  - We will give electors the opportunity to raise questions about your financial statements and consider and decide upon any objections received in relation to the financial statements;
  - issue of a report in the public interest; and
  - making a written recommendation to the Council, copied to the Secretary of State
- We certify completion of our audit.

# Results of interim audit work

The findings of our interim audit work, and the impact of our findings on the accounts audit approach, are summarised in the table below:

|  | <b>Work performed</b>  | <b>Conclusion</b>   |
|--|--|---|
| <b>Internal audit</b>                            | We have completed a high level review of internal audit's overall arrangements.  | Overall, we have concluded that the internal audit service provides an independent and satisfactory service to the Council and that internal audit work contributes to an effective internal control environment. |
| <b>Entity level controls</b>                     | <p>We have obtained an understanding of the overall control environment relevant to the preparation of the financial statements including:</p> <ul style="list-style-type: none"> <li>• Communication and enforcement of integrity and ethical values</li> <li>• Commitment to competence</li> <li>• Participation by those charged with governance</li> <li>• Management's philosophy and operating style</li> <li>• Organisational structure</li> <li>• Assignment of authority and responsibility</li> <li>• Human resource policies and practices</li> </ul> | Our work has identified no material weaknesses which are likely to adversely impact on the Council's financial statements   |
| <b>Review of information technology controls</b> | Our information systems specialist will perform a high level review of the general IT control environment, as part of the overall review of the internal controls system.  | We will report the results of this work in our Audit Findings report.   |

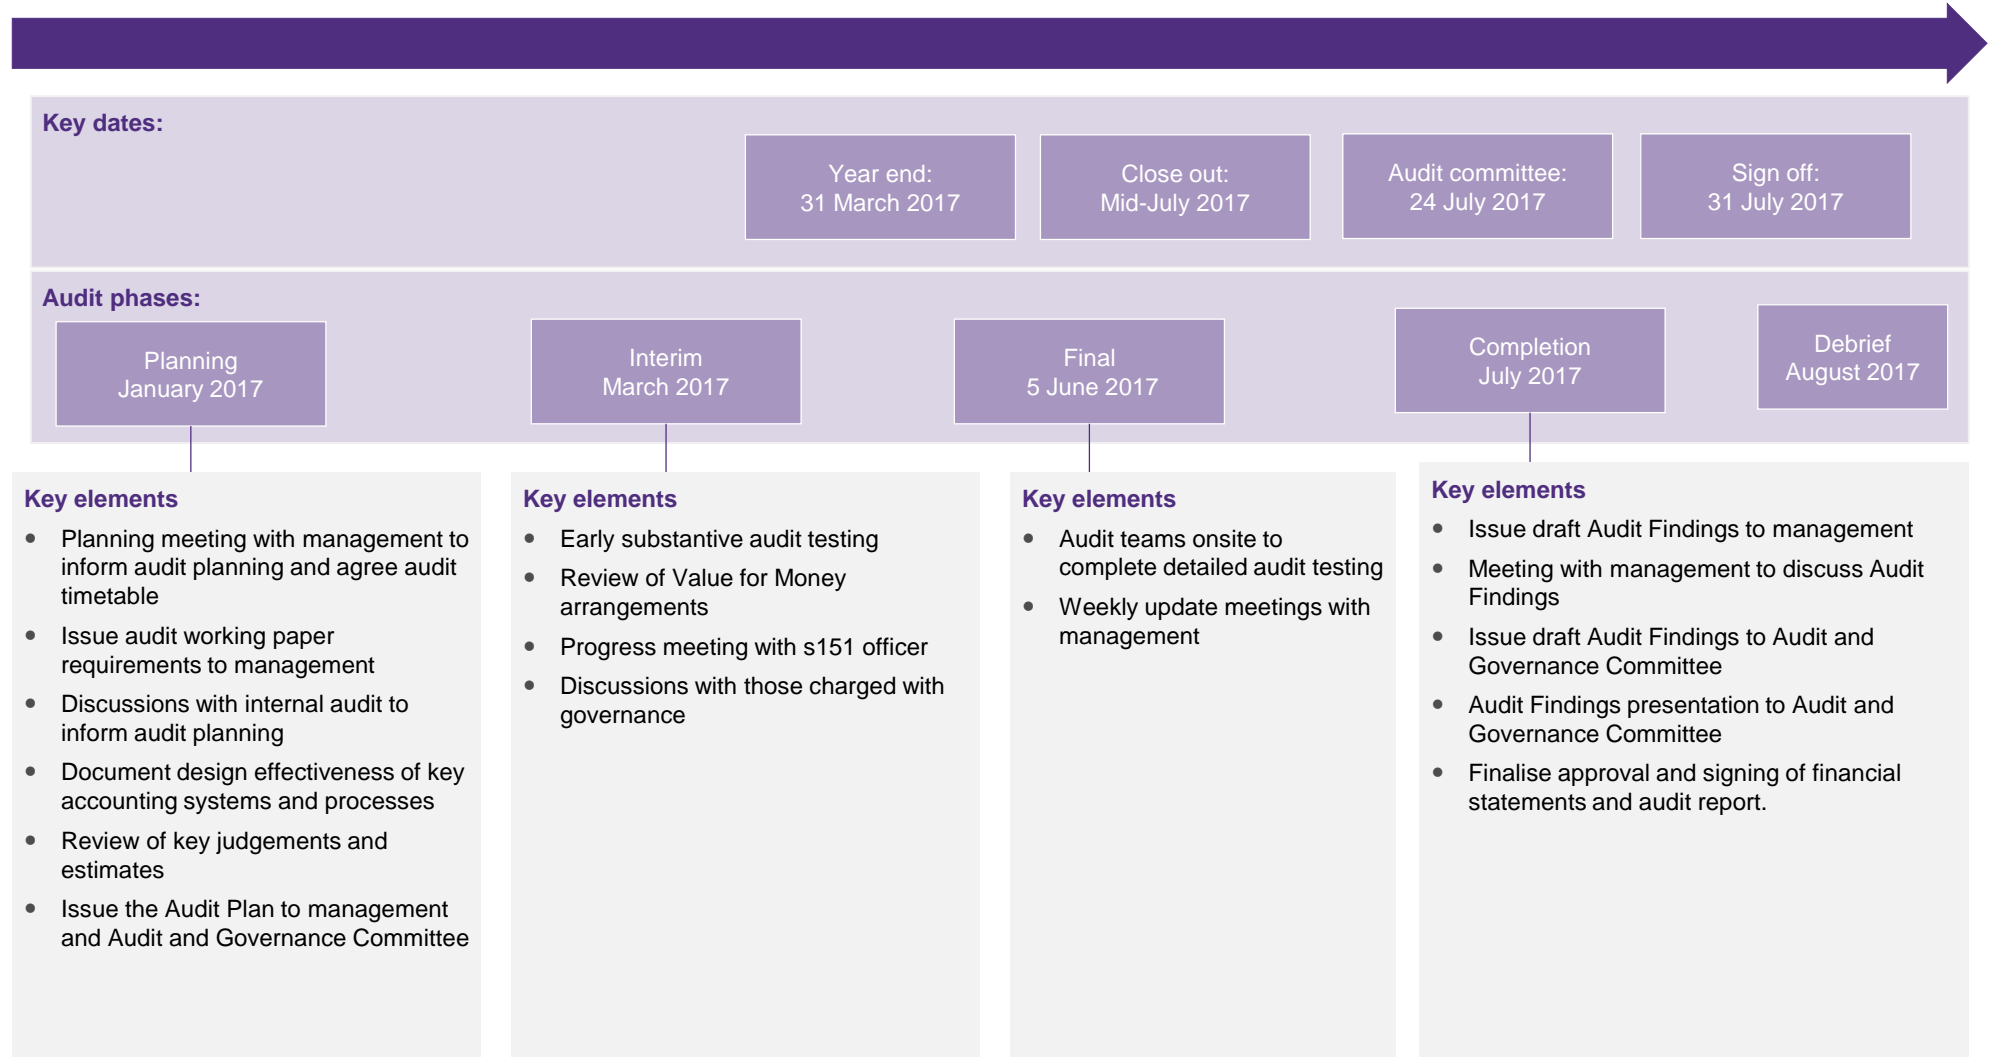

## Results of interim audit work (continued)

|                               | <b>Work performed</b>   | <b>Conclusion</b>  |
|-------------------------------|---|--|
| <b>Walkthrough testing</b>    | <p>We have completed walkthrough tests of the Council's controls operating in areas where we consider that there is a risk of material misstatement to the financial statements. The areas covered were:</p> <ul style="list-style-type: none"> <li>• revaluation of property, plant and equipment</li> <li>• operating expenses</li> <li>• employee remuneration.</li> </ul> <p>Our work has not identified any issues which we wish to bring to your attention. Internal controls have been implemented by the Council in accordance with our documented understanding.</p> | Our work has not identified any weaknesses which impact on our audit approach. |
| <b>Journal entry controls</b> | <p>We have reviewed the Council's journal entry policies and procedures as part of determining our journal entry testing strategy and have not identified any material weaknesses which are likely to adversely impact on the Council's control environment or financial statements.</p>  | Our work has not identified any weaknesses which impact on our audit approach. |

|   | 2016/17         |
|---|-----------------|
| Council audit                           | £173,460        |
| Grant certification                     | £15,698         |
| <b>Total audit fees (excluding VAT)</b> | <b>£189,158</b> |

### Our fee assumptions include:

- Supporting schedules to all figures in the accounts are supplied by the agreed dates and in accordance with the agreed upon information request list,
- The scope of the audit, and the Council and its activities, have not changed significantly,
- The Council will make available management and accounting staff to help us locate information and to provide explanations, and
- The accounts presented for audit are materially accurate, supporting working papers and evidence agree to the accounts, and all audit queries are resolved promptly.

### Grant certification

- Fees in respect of other grant work, such as reasonable assurance reports, are shown under 'Fees for other services'.

## Fees for other services

Fees for other services detailed on the following page, reflect those agreed at the time of issuing our Audit Plan. Any changes will be reported in our Audit Findings Report and Annual Audit Letter.

### What is included within our fees

- A reliable and risk-focused audit appropriate for your business
- Feed back on your systems and processes, and identifying potential risks, opportunities and savings
- Invitations to events hosted by Grant Thornton in your sector, as well as the wider finance community
- Regular sector updates
- Ad-hoc telephone calls and queries
- Technical briefings and updates
- Regular contact to discuss strategy and other important areas
- A review of accounting policies for appropriateness and consistency
- Annual technical updates for members of your finance team

# Independence and non-audit services

Ethical Standards and ISA (UK and Ireland) 260 require us to give you timely disclosure of matters relating to our independence.

We confirm that there are no significant facts or matters that impact on our independence as auditors that we are required or wish to draw to your attention. We have complied with the Auditing Practices Board's Ethical Standards and we confirm that we are independent and are able to express an objective opinion on the financial statements.

We confirm that we have implemented policies and procedures to meet the requirements of the Auditing Practices Board's Ethical Standards.

For the purposes of our audit we have made enquiries of all Grant Thornton UK LLP teams providing services to Coventry City Council. The following audit related and non-audit services were identified for the Council for 2016/17 to date:

## Fees for other services

| Service  | Fees £                                     | Planned outputs  |
|--|--|--|
| <b>Audit related</b>                                 |  |  |
| Certification of teachers pension return for 2016/17 | 4,200                                      | Certified teachers pension return  |
| <b>Non-audit related</b>                             |  |  |
| CFO Insights (Full cost for 3-year subscription)     | 30,000<br>(10,000 to be charged each year) | Online tool for Council's aspiring to improve the financial performance of their Local Authority |

The amounts detailed are fees agreed to-date for audit related and non-audit services (to be) undertaken by Grant Thornton UK LLP (and Grant Thornton International Limited network member Firms) in the current financial year. Full details of all fees charged for audit and non-audit services by Grant Thornton UK LLP and by Grant Thornton International Limited network member Firms will be included in our Audit Findings report at the conclusion of the audit.

The above services are consistent with the Council's policy on the allotment of non-audit work to your auditors.

# Communication of audit matters with those charged with governance

International Standard on Auditing (UK and Ireland) (ISA) 260, as well as other ISAs (UK and Ireland) prescribe matters which we are required to communicate with those charged with governance, and which we set out in the table opposite.

This document, The Audit Plan, outlines our audit strategy and plan to deliver the audit, while The Audit Findings will be issued prior to approval of the financial statements and will present key issues and other matters arising from the audit, together with an explanation as to how these have been resolved.

We will communicate any adverse or unexpected findings affecting the audit on a timely basis, either informally or via a report to the Council.

## Respective responsibilities

As auditor we are responsible for performing the audit in accordance with ISAs (UK and Ireland), which is directed towards forming and expressing an opinion on the financial statements that have been prepared by management with the oversight of those charged with governance.

This plan has been prepared in the context of the Statement of Responsibilities of Auditors and Audited Bodies issued by Public Sector Audit Appointments Limited (<http://www.psa.co.uk/appointing-auditors/terms-of-appointment/>)

We have been appointed as the Council's independent external auditors by the Audit Commission, the body responsible for appointing external auditors to local public bodies in England at the time of our appointment. As external auditors, we have a broad remit covering finance and governance matters.

Our annual work programme is set in accordance with the Code of Audit Practice ('the Code') issued by the NAO and includes nationally prescribed and locally determined work (<https://www.nao.org.uk/code-audit-practice/about-code/>). Our work considers the Council's key risks when reaching our conclusions under the Code.

The audit of the financial statements does not relieve management or those charged with governance of their responsibilities.

It is the responsibility of the Council to ensure that proper arrangements are in place for the conduct of its business, and that public money is safeguarded and properly accounted for. We have considered how the Council is fulfilling these responsibilities.

| Our communication plan  | Audit Plan | Audit Findings |
|---|------------|----------------|
| Respective responsibilities of auditor and management/those charged with governance   | ✓          |                |
| Overview of the planned scope and timing of the audit. Form, timing and expected general content of communications  | ✓          |                |
| Views about the qualitative aspects of the entity's accounting and financial reporting practices, significant matters and issues arising during the audit and written representations that have been sought   |            | ✓              |
| Confirmation of independence and objectivity  | ✓          | ✓              |
| A statement that we have complied with relevant ethical requirements regarding independence, relationships and other matters which might be thought to bear on independence.<br>Details of non-audit work performed by Grant Thornton UK LLP and network firms, together with fees charged.<br>Details of safeguards applied to threats to independence | ✓          | ✓              |
| Material weaknesses in internal control identified during the audit   |            | ✓              |
| Identification or suspicion of fraud involving management and/or others which results in material misstatement of the financial statements  |            | ✓              |
| Non compliance with laws and regulations  |            | ✓              |
| Expected modifications to the auditor's report, or emphasis of matter   |            | ✓              |
| Uncorrected misstatements   |            | ✓              |
| Significant matters arising in connection with related parties  |            | ✓              |
| Significant matters in relation to going concern  | ✓          | ✓              |
| Matters in relation to the group audit, including:<br>Scope of work on components, involvement of group auditors in component audits, concerns over quality of component auditors' work, limitations of scope on the group audit, fraud or suspected fraud  | ✓          | ✓              |

# Communication of audit matters with those charged with governance (cont.)

In addition to the areas covered on the previous page, we are required to consider the following in our discussions with those charged with governance (the Audit and Procurement Committee)

| Area of consideration  | Current understanding based on planning and interim work to date  |
|--|---|
| <b>Awareness of fraud or suspected fraud</b>   | There are no material instances of fraud that have been identified during the year. Any significant suspected or alleged fraud are investigated by Internal Audit and reported to the Audit and Procurement Committee on a regular basis.   |
| <b>Views about the risks of fraud</b>  | Although there is an on-going risk of fraud being committed against the Council arrangements are in place to both prevent and detect fraud. These include the regular review of arrangements and work carried out by Internal Audit as part of their annual plan. The risk of material misstatement of the accounts due to undetected fraud is low and this is consistent with the risk management processes that are in place within the Council.    |
| <b>Awareness of whistleblower tips or complaints</b>   | The Council has a Confidential Reporting (whistleblowing) Policy in place which outlines the responsibilities and channels for raising concerns and issues, and also the approach to be taken. There are no material instances of fraud that have been identified during the year arising from whistleblower tips or complaints.  |
| <b>How the Audit and Procurement Committee provide oversight of management's fraud risk assessment process</b> | The Annual Governance Statement and Head of Internal Audit Opinion are formally presented to the Audit and Procurement Committee on an annual basis.<br><br>The system of internal control is reviewed annually as part of the annual governance statement. The work plan of Internal Audit includes reviewing the operation of internal controls and appropriate segregation of duties. Internal Audit include fraud risk in their planning process. |
