**36. Neighbourhood Plan Submission Draft - Willenhall**

The Committee considered a report of the Head of Planning and Regulation which requested the Committee to note the submission of the Willenhall Neighbourhood Plan and agree the statutory requirement to publicise and invite comment.

The 2011 Localism Act introduced a right for communities to draw up a Neighbourhood Plan which was supported through national regulatory control. This provided an opportunity for local communities to get more actively involved in planning in their areas. Local Planning Authorities were expected to play a positive role in facilitating and supporting this process.

On 3 July 2017, Willenhall Neighbourhood Forum submitted their Neighbourhood Plan to Coventry City Council. Alongside the draft Neighbourhood Plan itself, they also submitted supporting documents which included the Basic Conditions Statement, Consultation Statement and Strategic Environmental Assessment (SEA) and Habitat Regulations Assessment (HRA) Screening. There was now a regulatory requirement for the Council to formally publicise and invite comments for a period of time in line with Regulation 16. In this case, a period of 6 weeks was proposed and was due to commence on 4 August 2017 and end on 15 September 2017.

Neighbourhood Development Plans must also be examined by a suitably qualified independent person, appointed by the Council and agreed by the qualifying body (Neighbourhood Forum). Neighbourhood Plans must also pass a referendum of local voters by a simple majority. If a Plan passes the referendum, the Council must adopt it, unless it breaches EU obligations or human rights legislation. Discussions were currently underway with the Elections Team to organise the referendum, however the timetable for this would largely be dictated by the outcome of the Examination.

**RESOLVED that the Planning Committee:**

- 1. Notes the formal submission draft of the Willenhall Neighbourhood Plan made by the Willenhall Neighbourhood Forum as attached at Appendix 1 of the report.**
- 2. Agrees to publicity and invite comments for a period of six weeks in line with Regulation 16 of the Neighbourhood Planning Regulations.**
- 3. Delegates authority to the Head of Planning and Regulation to submit all representations and documentation to the examiner following the completion of the period of publicity.**

**37. Appeals Progress Report**

The Committee considered a report of the Head of Planning and Regulation which provided information on appeals lodged and determined in the period 1 April 2017 to 30 June 2017.

**RESOLVED that the Planning Committee:**

- 1. Notes the report.**
- 2. Requests that training on appeals be provided for the Committee at a future planning quarterly seminar.**
