

Late Representations

Planning Committee 28 September 2017

Item No. 7	<p>Application No. - FUL/2017/1812</p> <p>Description of Development - Erection of new bungalow and demolition of garage and outbuildings</p> <p>Site Address - 114 Hawkes Mill Lane</p> <p>Consultation</p> <p>Further comments have been received from a local resident who objected to the application has raised concerns over the accuracy of Councillor Kershaw's letter. The resident comments that the Allesley Parish Council has not supported the planning application, there is not substantive evidence to corroborate that the proposals are supported by the local community; and that local support or opposition to a proposal is not in itself a reason for granting or refusing planning permission.</p> <p>Appraisal</p> <p>The Parish Council have confirmed that they declined to support the application as it is outside of the boundary of the Parish.</p>
