Conditions agreed with Environmental Protection:

1) The hours for licensable activities from Sunday to Wednesday shall be reduced to 08:00 to 24:00 with people having a further half an hour when the premises are open to the public.

2) The Licence Holder will ensure that all external windows and doors all of which are double glazed and the doors have automatic closures shall be kept closed whenever

regulated entertainment is taking place at these licensed premises except for access and egress.

3) Prominent notices shall be displayed at the main exit door asking people who are leaving the premises whether to smoke or departing, to respect the residents of Earlsdon Park Village (The Village) and to be as quiet as possible.

4) There shall be regular visits to the outside of the premises and in particular to the area between the Club and the said Village which shall be made by the DPS or his staff to ensure that people are behaving quietly and if there are any problems a Club mobile phone can be contacted on 07469 146 233 if it is felt there are problems.

5) Only taxis may drop attendees at functions or events at the main entrance, other persons attending shall use the main car park fronting to Butts Road at all times and the rear car park at the Railway End on rare occasions.

6) A preferred and regular taxi firm, namely Lewis Taxis telephone number 02476666666, shall be advertised at that said main entrance and their drivers shall be instructed to arrive and leave as quietly as possible.

7) Regulated entertainment within the main stand shall be limited to the areas marked Millichip and Arena on the ground floor and the Platinum and Vice-President's Suite on the second floor.

8) The performers or band or Disc Jockey shall be instructed to have a wind down period in which music volumes shall be reduced during the last half an hour of the performance and also to verbally encourage people to leave quietly.

9) The Licence Holder shall take all reasonable steps to prevent noise nuisance to occupiers of nearby premises and will undertake to establish suitable volumes with DJ's and to subjectively monitor music noise regularly at the site boundary.

A Mediation meeting was held on 4th October 2017 at 10am.

Although all objectors were invited to the meeting, not everyone could attend. Several points were discussed regarding the application but no resolution was agreed.
