## One of the finest medieval guildhalls in the country

Venture through the medieval gates of St. Mary's Guildhall and you will discover one of Coventry's greatest historic treasures.

Tucked away on the picturesque Bayley Lane, facing the dramatic ruins of the old Cathedral, it is regarded as probably the finest surviving medieval guildhall in the country.

## Weddings at St. Mary's Guildhall

St. Mary's Guildhall offers a unique and memorable setting for your special occasion, with an atmosphere and quality that has made it one of the region's favourite wedding venues.

From an intimate ceremony to a full wedding day, we will be happy to discuss your requirements.

## Coventry's best kept medieval secret

Since the 1340s St. Mary's Guildhall has been at the heart of British history, at times the seat of the Royal Court, a base for merchant guilds and even a stage for Shakespeare. **Experience** one of Coventry's greatest architectural treasures and see where Mary Queen of Scots was imprisoned, **marvel** at the 500 year old, nine metre wide tapestry and tread in the footsteps of monarchs and minstrels.
