Report title: Draft Work Programme 2018/19

1. Context (or background)

- 1.1 The Committee's Terms of Reference are set out in the Council's Constitution and include the consideration of matters which are relevant to the ethical governance of the Council, its members or employees. This report attaches the approved programme of work for the Committee for the rest of the municipal year. It is designed to assist the Committee to meet its objectives set out in the Terms of Reference, and to ensure that the Council complies with its obligations under section 27 of the Localism Act 2011 to promote and maintain high standards of conduct amongst elected and co-opted members.
- 1.2 The Committee's approved work programme takes account of the need to promote standards and addresses this in a number of ways. The work programme is intended to be flexible in terms of suggestions from members of the Ethics Committee as to additional or substitute areas which they would want to consider and receive reports on. However, certain items have been included which will help the Committee focus on its key aim to promote high standards of conduct for all members and employees of the Council.

2. Options considered and recommended proposal

- 2.1 There continues to be a standing item for each meeting, by way of a Monitoring Officer / Code of Conduct update, which incorporates a review of complaints to date and an update on any national issues on the subject of elected member conduct which may be of interest. This is flexible and can cover additional areas which the Committee is particularly concerned about, as they arise.
- 2.2 The Committee will continue to review declarations of Gifts and Hospitality by both officers and members at six monthly intervals. This will assist the Committee in reviewing how the two Codes of Conduct are working on a day to day basis.
- 2.3 Items have been included to ensure an annual review of the position of the parish councils, an annual review of the Register of Disclosable Pecuniary Interests and a review of any Annual Report from the Committee on Standards in Public Life along with updates on the their recent consultation on local authority standards as and when available.
- 2.4 Other reports include the Annual Report and the Monitoring Officer Protocol. With the agreement of the Chair, the item on the Code of Good Practice on Planning Matters Update has been moved to the December meeting. An additional report on a new Social Media Policy for Members has been added to this meeting. In September, the Committee will receive a report on Local Government Ombudsman cases.
