Is this a key decision?

No

Executive Summary:

A petition of 39 signatures, sponsored by Councillors Welsh, O'Boyle and Akhtar St Michael's Ward Councillors, regarding concerns over; anti-social behaviour in the vicinity of Priors Harnall and Cawthorne Close, notably focused around the greenspace to the rear of 16 – 22 Priors Harnall, was submitted to the Council on 14th June 2017. This was presented before the Cabinet member in July 2017.

An outcome of the meeting was that the police and council agreed to carry out more proactive patrols in the area. It was also agreed to adapt a lamp column within the grassed area adjacent to both streets so that it can accommodate a CCTV camera in readiness for the lighter nights this was installed. This will allow the monitoring of any ASB throughout the summer months when footfall is perhaps much higher. Additional patrols have been carried out by both the police and the council to ensure that any ASB can be monitored.

The police have also agreed to look into increased youth provision during the summer months.

This report details actions taken by the City Council and West Midlands Police.

Recommendations:

The Cabinet Member is recommended to:-

1. Request West Midlands Police and Council officers to continue their monitoring of the area and respond accordingly to residents requests for assistance.
2. Encourage residents to continue to report incidents of concern to Police and the Council as soon as they occur, police to engage with those perceived to be engaged in antisocial activity.
3. Request that some form of youth engagement be initiated in the area to mitigate the impact that large numbers of children may have on the area.
4. To continue with the use of CCTV in the area if it felt that there is a need to monitor criminal activity.
5. To continue to look at the feasibility study into developing the greenspace [it is appreciated that this will be a long term solution].

1. Context (or background)

- 1.1 On 14th June 2017, a petition signed by 39 people was received by the Council. The petition highlights residents' concerns with anti-social behaviour notably that young children and youths congregate around the green open space between Priors Harnall and Cawthorne Close in the St Michaels Ward. The residents highlight that young children are playing ball games within the grassed area within Cawthorne Close. They also state that in the evening there are older youths who congregate to the rear of the garage area and it is believed that they are taking drugs.
- 1.2 Residents feel intimidated and are regularly disturbed by the activity of these groups and state that there are also numerous incidents of dog fouling, littering and fly tipping in the same area. This makes the area look dirty and untidy and encourages more flytipping. Residents are keen to have the issues addressed at the earliest opportunity.

1.4 The 6 month update was heard on the 13th March 2018 it was agreed that the recommendations agreed at the initial hearing were to carry on but also for residents to report specific issues directly to the local policing team using a non-crime number. This will allow a better picture of the issues to be obtained.
