To Whom It May Concern,

I am writing in regards to the premises license application for Family Mart at the above address.

I believe there are already too many establishments around this area with premises licenses already, which harms the overall security of the area.

The hours they are imposing is too long for the sale of alcohol. With the amount of students binging on alcohol brings nuisance to surrounding properties e.g. urinating in outside shops, bottles left on side of roads and noise.

Regards
