## 1. Context (or background)

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
- The Prevention of crime and disorder
  - The Protection of public safety
  - The Prevention of public nuisance
  - The Protection of children from harm
- 1.2 A Premises Licence application for The Cottage was received on 21st March 2019. The application is requesting the sale/supply of alcohol (on & off sales) from Sunday to Thursday 09.00hrs – 23.00hrs, Friday & Saturday 09.00hrs – 00.00hrs (midnight); regulated entertainment Sunday to Thursday 11.00hrs – 23.00hrs, Friday & Saturday 11.00hrs – 00.00hrs (midnight) and late night refreshment, Friday & Saturday 23.00hrs – 00.00hrs (midnight).
- 1.3 A representation from Environmental Protection (Responsible Authority), has been received to the application (outlined in paragraph 3.3).
- 1.4 In addition to the mandatory conditions, the Sub-Committee should refer to the operating schedule detailed in the application (Appendix 1), which will be attached as conditions to the licence should it be granted.
- 1.5 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' Which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The policy will be available at the hearing for reference purposes.
- 1.6. It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, responsible authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

## 2. Options considered and recommended proposal

- 2.1 There are three courses of action available to the Sub-Committee in relation to this application:
- (i) Grant the application as requested. If the Sub-Committee consider that granting the application would not undermine any of the Licensing Objectives, it should be granted in full as submitted. This would be granted subject to mandatory conditions and conditions consistent with the applicant's operating schedule, and any other conditions agreed by the applicant as part of the consultation / mediation process. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
- (ii) Grant the application as above, but the Sub-Committee could impose extra conditions as it thinks fit, or make amendments to the operating schedule conditions, and/or proposed hours. This option may include adding any conditions suggested by other parties at the

hearing, including the applicant. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.

(iii) If the Sub-Committee concludes that no additional conditions would ensure that the Licensing Objectives would be upheld, then the whole application should be rejected.

- 2.2 Your Officer recommends option (ii).  
The reasons for this recommendation are that the Environmental Protection team have concerns regarding noise when customers are leaving the premises and would like the hours to be reduced to 23.30hrs for all licensable activities on Friday & Saturday. The applicant will not agree to reduce the hours and has been unable to satisfy these concerns.
- 2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all of the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances taken into account before a decision is made.
- 2.4 The Sub-Committee must also be aware that licences can be reviewed at any time by any Responsible Authority or any 'other person', if it is considered that any of the Licensing Objectives have been undermined following the grant of the premises licence.

### 3. Results of consultation undertaken

- 3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees (Responsible Authorities) and any other persons for 28 days in the form of a notice displayed on the premises, and a notice published in a local newspaper.
- 3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

<b>Responsible Authority</b>	<b>Response Received</b>	<b>Objections</b>	<b>Conditions Agreed</b>
<b>Licensing</b>	No	-	-
<b>Police</b>	Yes	No	No
<b>Environmental Protection</b>	Yes	Yes	No
<b>Fire Safety</b>	Yes	No	No
<b>Health &amp; Safety</b>	No	-	-
<b>Trading Standards</b>	Yes	No	No
<b>Planning</b>	No	-	-
<b>Safeguarding Children</b>	Yes	No	No
<b>Public Health</b>	No	-	-
<b>Secretary of State</b>	No	-	-

- 3.3 A Representation has been received from Environmental Protection (Responsible Authority). The grounds for the representation is that the granting of a Premise Licence would undermine the Licensing Objective of Prevention of Public Nuisance. The representation notes that the granting of the licence would lead to an increase in noise nuisance to residents. Environmental Protection would like the hours to be reduced to 23.30hrs for all licensable activities on Friday & Saturday.
- 3.4 Mediation between Environmental Protection and the Applicant regarding the proposed hours has taken place, but no resolution could be reached.

#### **4. Timetable for implementing this decision**

- 4.1 The Appeal period is 21 days from the applicant and objectors being notified of the decision.

#### **5. Comments from Director of Finance and Resources**

##### **5.1 Financial implications**

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court and the decision of the Sub-Committee is not upheld.

##### **5.2 Legal implications**

The Licensing Act 2003 sets out how applications for premises licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a premises licence the applicant may appeal against the decision, to a Magistrates' court within 21 days of being notified of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of being notified of the decision.

#### **6. Other implications**

##### **6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint or Coventry Sustainable Community Strategy**

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life.

##### **6.2 How is risk being managed?**

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

##### **6.3 What is the impact on the organisation?**

None

##### **6.4 Equalities / EIA**

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

##### **6.5 Implications for (or impact on) the environment**

None

##### **6.6 Implications for partner organisations?**

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West

Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.
