

3 February 2020

Name of Cabinet Member:

Cabinet Member for Education and Skills – Councillor K Maton

Director Approving Submission of the report:

Deputy Chief Executive (People)

Ward(s) affected: All

**Title: Community and Voluntary Controlled School Admission Policies for 2021/22
and Co-ordinated School Admission Schemes for 2021/22**

Is this a key decision? No, although the proposals affect more than two electoral wards, the impact is not expected to be significant.

Executive Summary:

Each year the Department for Education requires Local Authorities to determine the co-ordination schemes for school admissions in their areas and the admissions policies for community and voluntary controlled schools which are the responsibility of the local authority, by 28 February.

In April 2006, Cabinet agreed that consideration of reports on school admission arrangements would be delegated to the appropriate Cabinet Member in years where there were no significant changes to admission arrangements. (Cabinet minute number 253/06 refers). The only change is in the reduction of published admission numbers at three primary schools and a consultation has taken place as required by the School Admissions Code 2014.

Recommendations:

The Cabinet Member for Skills and Education is requested to:

- 1) Determine the Admissions Policy for Community and Voluntary Controlled Primary, Infant and Junior Schools for 2021/22 (see appendix 1 to the report).
- 2) Determine the Co-ordinated Admissions Scheme for Primary, Infant and Junior Schools in Coventry for 2021/22 (appendix 2 to the report)
- 3) Determine the Co-ordinated Admissions Scheme for Secondary Schools in Coventry for 2021/22 (see appendix 3 to the report).

List of Appendices included:

Appendix 1: Consultation proposal for reducing primary school places – results and Community and Voluntary Controlled School Admissions Policies 2021/22

Appendix 2 : Primary, Infant and Junior School Co-ordinated Admissions Scheme 2021/22

Appendix 3: Secondary School Co-ordinated Admissions Scheme 2021/22

Report title: Community and Voluntary Controlled School Admission Policies for 2021/22 and Co-ordinated School Admission Schemes for 2021/22

1. Context (or background)

- 1.1 The local authority is the admission authority for all community and voluntary controlled primary, infant and junior schools in Coventry and is responsible for setting the admission arrangements for these schools. We are proposing a reduction in the published admission numbers (PAN) at 3 primary schools and therefore in line with the requirements for the School Admissions Code 2014 have consulted on the admission arrangements for 2021. This consultation must be completed by 31 January 2020 and the final policies must be determined by 28 February 2020.
- 1.2 The co-ordinated schemes for admissions into all primary and secondary schools have to be adopted by 28 February each year and published. As there has been no significant change to the schemes since the consultation in November 2018, there is no requirement to consult on these co-ordination scheme arrangements.

2. Options considered and recommended proposal

- 2.1 After several years of expanding primary schools across the city, we have recently seen reducing birth rates and lower demand for places in reception at primary school. This trend is forecast to continue. Where schools have high numbers of spare places this creates financial difficulties for the schools. In order to meet these challenges as a local authority we need to be able to offer a sustainable level of school places to offer parental choice whilst supporting schools to manage their financial position.
- 2.2 All primary schools were notified in the summer term about the general picture of falling demand which will leave 12% available spaces across the city which is considerably above the Department for Education recommended levels of 4 – 8% spare capacity. Schools were asked to consider whether their governing bodies would wish to consult on reducing their published admission numbers (PAN). Meetings were held with schools in local planning areas where forecasts showed particularly high levels of surplus places. A meeting of the primary partnership in the autumn term 2019 also provided an opportunity to discuss the strategic picture again.
- 2.3 Alderman's Green and Spon Gate primary schools requested a reduction in their PAN from 2020 and so a separate application has been made to the Office of the Schools Adjudicator to reduce the admission number at each school by one form of entry. Whilst awaiting the result of this application, both schools have been put forward for a reduction from 2021. The governing body of Frederick Bird School also proposed a reduction to assist in managing the reducing level of demand across schools in their local planning area. In each case the schools are proposing to reduce by one form of entry and the consultation has taken place from 27 November to 8 January 2020.
- 2.4 On 9 January 2020 the Office of the Schools Adjudicator published their decision to agree to the reduction of the PAN at Spon Gate School from 2020 onwards to 30. This means that the consultation for a reduction to 30 from 2021 is no longer required.
- 2.5 On 13 January 2020 the Office of the Schools Adjudicator published their decision to agree to the reduction of the PAN at Alderman's Green School from 2020 onwards to 60. This means that the consultation for a reduction to 60 from 2021 is no longer required.
- 2.6 The proposals in this report are to determine the admissions policy for community and voluntary controlled Primary, Infant and Junior Schools for 2021/22. This will include the reduction of the admission number for Frederick Bird school.

- 2.7 Determine the Co-ordinated Admissions Scheme for Primary, Infant and Junior Schools in Coventry for 2021/22 (appendix 2 to the report)
- 2.8 Determine the Co-ordinated Admissions Scheme for Secondary Schools in Coventry for 2021/22 (see appendix 3 to the report).

3. Results of consultation undertaken

- 3.1 The consultation period was held between the 27 November 2019 to 8 January 2020 using the council online consultation platform Let's Talk Coventry. At the close of the consultation survey 59 visitors had downloaded the consultation documents and 19 responses were received. A full analysis is shown in Appendix 1. Overall the proposals were supported for each school. The numbers of parents who disagreed with the proposed reductions were 5 (plus 2 non-parents) at Alderman's Green, 2 parents at Frederick Bird and 3 parents (plus 2 non-parents) at Spon Gate. Comments and concerns raised mainly related to whether all new housing developments were taken into account, the sustainability of one form of entry primary schools and the impact on parental choice in local areas where places were reduced. Responses have been included in the consultation results document to show how these concerns were being addressed.

Please note that as detailed at 2.4 and 2.5 in this report the consultation for Spon Gate school and Alderman's Green school was no longer required.

4. Timetable for implementing this decision

- 4.1 The Local Authority is required to notify the Department for Education that co-ordinated schemes and admissions policies have been determined by 28 February 2020. All admissions arrangements will apply to school admissions from September 2021.
- 4.2 Admission arrangements are reviewed on an annual basis. An annual report will be produced from the Local Authority to the Department for Education on the effectiveness of admission arrangements.

5. Comments from Director of Finance and Corporate Services

- 5.1 There are no direct financial implications arising from the recommendations in this report.
- 5.2 The local authority is the admission authority for community and voluntary controlled schools. The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) (Amendment) Regulations 2012 requires every admission authority to determine their admission arrangements by 28 February 2020. The local authority is also required to formulate a qualifying scheme for co-ordinating admission arrangements for primary and secondary schools in its area. The local authority must notify the Secretary of State that a co-ordinated scheme for admissions in 2021, has been adopted. Where a reduction to admission numbers is proposed there is a requirement to consult for a minimum of 6 weeks between the 1 October and 31 January. A failure to comply with these requirements would prevent any changes to the existing arrangements from being made
- 5.3 Public authority decision makers are under a duty to have due regard to 1) the need to eliminate discrimination: 2) advance equality of opportunity between people who share a protected characteristic and those who do not: 3) foster good relations between persons who share a relevant protected characteristic and people who do not (public sector equality

duty - s 149(1) Equality Act 2010). The applicable protected characteristics are disability, gender reassignment; race, religion or belief, sex; sexual orientation, pregnancy or maternity. Decision makers must be consciously thinking about these three aims as part of their decision making process with rigour and with an open mind. The duty is to have “due regard”, not to achieve a result but to have due regard to the need to achieve these goals. Consideration being given to the potential adverse impacts and the measures needed to minimise any discriminatory effects.

6. Other implications

6.1 How will this contribute to the Council Plan?

The proposed admission arrangements support the aims of ensuring that children and young people are safe and improve the quality of their lives through access to improving schools. Also, the admission schemes will ensure that young people and their parents are enabled to exercise choice.

6.2 How is risk being managed?

The School Organisation Team and Legal Services via the school appeals process continue to consider existing and proposed admission arrangements and monitor their effectiveness. The One Strategic Plan provides long term planning and oversight of school place planning. The risk to schools of not reducing their published admissions number is that they become financially unsustainable, coupled with the Infant Class rule of one qualified teacher to 30 pupils in R,1 and 2, it is important that Governing Bodies understand the impact of the fall in applications, birth rates and popularity of schools.

6.3 What is the impact on the organisation?

The proposed admission arrangements support the aims of the City Council in respect of corporate parenting through providing all children with access to education in accordance with their needs. The arrangements support the partnership and strong working relationships between all schools and types of schools across the City.

6.4 Equality and Consultation Analysis (ECA)

An equality and consultation analysis was undertaken as part of the process for consulting on wide ranging changes to the primary admission arrangements for 2020. The changes for 2021 in this report relate to limited admission number reductions in three primary schools where the demand is falling. Each school is based in a planning area where there are significant alternative options for school places.

6.5 Implications for (or impact on) climate change and the environment

None

6.6 Implications for partner organisations?

None

Appendix 1

Consultation proposal for reducing primary school places - results

After several years of expanding primary schools across the city, we have recently seen reducing birth rates and lower demand for places in reception at primary school. This trend is forecast to continue. Where schools have high numbers of spare places this creates financial difficulties for the schools. The proposed reductions are to help to keep enough spaces to allow for parental choice in the city (5%), and at the same time to make sure that we continue to have our high level of good and outstanding primary schools in the city.

Coventry City Council is proposing to reduce the Published Admissions Number for three community primary schools starting in September 2021. These schools are:

School Name	Current Number	Proposed Number
Aldermans Green Primary	90	60
Frederick Bird Primary	120	90
Spon Gate Primary	60	30

The reductions will apply to reception in 2021 and for each year after this. The size of all higher year groups in the school will remain unchanged whilst children progress through the school.

Consultation response summary

The consultation period was held between the **27 November 2019 to 8 January 2020**. At the close of the consultation survey there were 19 total responses. 14 responses were from parents of children between the ages of 0-18 years old and 5 responses were from individuals not responding as a parent. Out of the responses from Non- parents; 4 responses were from 'other person with an interest in school admissions' and 1 response was from a 'Coventry resident'. A breakdown of equality data provided by respondents is detailed at the end of the document. 59 visitors to the page downloaded the consultation documents and 20 downloaded the draft Primary Admissions Policy.

Overall the proposals were supported for each school. The number of parents disagreeing with the proposed reduction for each school were 5 parents (2 non-parents) at Alderman's Green, 2 parents at Frederick Bird and 3 parents (2 non-parents) at Spon Gate. Comments made during the consultation are listed in the main document and where available the local authority has provided information to clarify or respond to issues raised within this report.

Comments

	Aldermans Green: Comments/queries	Response from the Local Authority
1	I don't believe that the proposal takes fully into consideration the size of the Spirit Quarters development which is still expanding with new houses being built. Primarily housing young families there is a lot of need for school places in this area.	The forecasts for future demand take into account all new developments including those where planning permission has been granted but building has not yet started.
2	I don't think this has taken into consideration the size of the new industrial estate that has been built.	
3	There is a lot of new houses been developed in this area, which will mean there will be young families needing school places	
4	Alderman's Green also serves a deprived area in Wood End and reducing the numbers there presents transport problems for already disadvantaged families	<p>Parents will make choices about which schools to apply for based on a wide range of personal considerations, and therefore the popularity and demand for places at individual schools can fluctuate. This means that we cannot provide specific assurances regarding meeting first choice requests.</p> <p>The city is split into 14 primary school planning areas and these areas are used to ensure that the clusters of local schools within each planning area provide enough school places for the local population. The Department for Education provides place planning guidance which recommends 4 to 8% surplus places which will enable those moving into an area to be able to gain a place at a local school of their choice.</p> <p>The 3 planning areas where reductions are proposed are forecasts to have at least 10% surplus places in 2021 in Reception increasing to up to 18% by 2023. The proposed reductions will reduce the level of surplus to 5 to 12%, thus ensuring sufficient local choices.</p>
5	Need to understand where the additional places will be accommodated and whether this will result in it becoming more difficult for children to get into their first choice of school	
6	Smaller classes always makes sense	

Q2 Do you agree with the changes proposed to the Published Admission Number for Frederick Bird Primary School for Reception 2021 and onwards?

Comments

	Frederick Bird: Comments/queries	Response from the Local Authority
7	Frederick Bird is a great school and it seems a shame to reduce it but being 4 form entry is very large for a primary.	The reducing birth rate means a reducing demand for places in the local area which is already reflected in the spare capacity throughout the school which will be set to increase.
8	Last time I applied my son didn't get a place even though 3 of his siblings were at the school, I'm hoping that reducing the number of pupil intake will not cause problems like this in the future.	The last time siblings were refused places when applying for reception in Frederick Bird School was in 2012 when there was an unexpected increase in demand for places and emergency school expansions were required to meet the need for school places. The city council One Strategic Plan which is now used to deliver school place planning is based on robust data and forecasting to ensure sufficient provision across primary and secondary schools.
9	As long as the catchment areas remain the same.	There are no plans to change the catchment areas
10	Need to understand where the additional places will be accommodated and whether this will result in it becoming more difficult for children to get into their first choice of school	Please see previous response in question 5

Comments

	Spon Gate: Comments/queries	Response from the Local Authority
11	Dependent on the local need in the area. I have some concerns about the sustainability of any 1 form entry school from a financial point of view.	Whilst there are inherently lower economies of scale for one-form entry schools compared with larger schools, it remains possible to successfully run schools of this size. 25 of the 86 primary schools in Coventry are one-form entry schools
12	Taking this school down to one form entry does not seem financially viable	
13	Need to understand where the additional places will be accommodated and whether this will result in it becoming more difficult for children to get into their first choice of school	Please see previous response in question 5

Community and Voluntary Controlled Primary Admissions Policy 2021/22 Oversubscription criteria:

If the number of applications is less than the published admission number then all applicants will be offered a place.

All applicants with an Education, Health and Care Plan which names the school must be admitted before places are allocated using the oversubscription criteria.

If there are more requests for a school than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below.

- 1. Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order, child arrangements order or a special guardianship order**

A looked-after child is defined in Section 22 of the Children Act 1989.

- 2. Children who live in the catchment area served by the school, who have a brother or sister attending the school provided that the brother or sister will continue to attend that school the following year**
- 3. Other children who live in the catchment area served by the school.**
- 4. Children living outside the catchment area with a brother or sister who currently attends the school provided that the brother or sister will continue to attend that school the following year;**
- 5. Children of Staff who have been employed at the school for two or more years at the time of application for the school place; or recruited to fill a vacant post for which there is a demonstrable skill shortage.**
- 6. All other children**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests based on the distance to the school.

Brothers and Sisters

Brothers and sisters are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters.

All brothers or sisters must still be attending the school when the applicant is due to be admitted. Please note that children attending nursery will not be classed as brothers or sisters for the purposes of this definition as they are not attending the main school.

Staff

Under the oversubscription criteria the word staff will mean: All staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows:

- * All full time teaching staff
- * All full time support staff – defined as those on 37 week and above contract
- * All part time teaching staff with a 45% and above timetable
- * All part time support staff who work at least 15 hours per week for 37 weeks or more

The two year qualification period may be waived if a post is hard to fill. Decisions on hard to fill posts will be made based on guidance from Human Resources. The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff.

Distance

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests within that category based on the distance to the school. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the local authority, overseen independently, will select by drawing lots

Home address

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place

If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is likely to be withdrawn.

Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided

Catchment area

One of the aims of local schools is to serve its neighbourhood and develop links with the local community to strengthen the school and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available at <https://www.coventry.gov.uk/catchmentareas>

Deferred entry into Primary School

Legally a child does not have to be educated until the term after their fifth birthday. Parents may feel their child is young for their age, or there may be other reasons for wanting to delay their entry to school. This is called deferred entry.

In this situation applications for a place should be made in the normal way. The Authority recommends that the parent/carer contact the headteacher of the preferred school to discuss the matter in more detail prior to submitting the application. If the parent/carer then decides to defer entry, a place will be reserved until the child starts as long as they start within the academic year. The Authority cannot allocate it to another child. Parents/carers cannot assume however that an application for a deferred entry place will be successful. It will be considered alongside all other applications in accordance with the general City Council admissions policy.

Where a parent/carer of a summer born child wishes to defer entry until the following academic year, and wishes their child to start in reception this will mean the child is taught out of their normal age group. They should still make an application at the usual time but must notify us on the application that they will wish to request a place out of the normal age group. Parents/carers will then be contacted to discuss the matter further and should note there are no guarantees that such applications will be successful, but that each case will be considered individually.

Applications out of normal age group

Parents may seek a place for their child outside of their normal age group. Parents should use the standard application form and include information regarding the year group requested and the reasons for the request. The application will be considered alongside all other applications in accordance with the Coventry co-ordinated admissions scheme. Please note there are no guarantees that such applications will be successful, but each case will be considered individually. Where the application is refused the parent has a right to an appeal against the refusal of a place, unless the child has been offered a place in another year group in the school

For more information on issues to take into account when considering out of normal age group applications please visit the following webpage:

http://www.coventry.gov.uk/downloads/file/28497/guidance_notes_for_applying_to_educate_out_of_the_normal_chronological_age_group

Part time attendance

Parents can request that their child attends part time until the child reaches compulsory school age.

Children currently attending Local Authority Maintained Nursery Classes

Parents of children already attending Nursery Classes will also need to complete an application form in order to request a place at their preferred Primary School. The policy of the City Council is not to provide nursery classes at every school, but to provide classes which serve a wider area than the school's catchment area. The number of part-time places available in a nursery class therefore often exceeds the number of places available in the Reception Class in the same

school. The City Council cannot therefore guarantee that a pupil who is admitted to a school's nursery class will be admitted to the same school.

Waiting List

The Authority cannot always offer places at a preferred school. If this is the case the child's name will be automatically placed on the Waiting List for community and voluntary controlled schools. If places become available, the Authority will allocate the places in accordance with the oversubscription criteria. Each time a child is added, the list is ranked again in line with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion.

Waiting Lists will remain in operation until 31 December 2021. After this parents/carers will need to contact the School Organisation Team if they wish to stay on the waiting list until the end of the academic year when the waiting list will be discarded.

Appeals

Parents who have been refused a place at a school have the right to make an appeal against the decision. Appeals are heard by an independent appeals panel. Appeal forms and details about how to appeal and the schedule for all appeals, including deadlines for appeal forms to be submitted, can be accessed via the Coventry Appeals section on the website at www.coventry.gov.uk/schoolappeals

Parents do not have a right to a second appeal in respect of the same academic year, except where the City Council agrees there were faults in the first appeal which may have significantly affected the outcome or the City Council accepts a further application for a place at the school because of a significant and material change in the circumstances of the parent, child, or school, but this has been turned down. Repeat applications will not be considered unless the significant and material change relates to matters that would affect the level of priority which would be given to the application in accordance with the admission over-subscription criteria.

Admission Numbers 2021/2022

Community and Voluntary Controlled Primary Schools

The admission number represents the capacity of the school to admit pupils at the normal age of entry in the 2021/2022 academic year.

Community and Voluntary Controlled Primary schools	Admission Number 2021/2022
Alderman's Green Community Primary	60
Aldermoor Farm Primary	90

Brothers and Sisters

Brothers and sister are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters.

All brothers or sisters must still be attending the school when the applicant is due to be admitted.

Staff

Under the oversubscription criteria the word staff will mean: All staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows:

- All full time teaching staff
- All full time support staff – defined as those on 37 week and above contract
- All part time teaching staff with a 45% and above timetable

- All part time support staff who work at least 15 hours per week for 37 weeks or more

The two year qualification period may be waived if a post is hard to fill. Decisions on hard to fill posts will be made based on guidance from Human Resources. The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff

Distance

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests within that category based on the distance to the school. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the local authority, overseen independently, will select by drawing lots

Home address

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place.

If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to be withdrawn.

Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided

Catchment area

One of the aims of local schools is to serve its neighbourhood and develop links with the local community to strengthen the school and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available at

<http://www.coventry.gov.uk/catchmentareas>

Deferred entry into School

Legally a child does not have to be educated until the term after their fifth birthday. Parents may feel their child is young for their age, or there may be other reasons for wanting to delay their entry to school. This is called deferred entry.

In this situation applications for a place should be made in the normal way. The Authority recommends that the parent/carer contact the headteacher of the preferred school to discuss the matter in more detail prior to submitting the application. If the parent/carer then decides to defer entry, a place will be reserved until the child starts as long as they start within the academic year. The Authority cannot allocate it to another child. Parents/carers cannot assume however that an application for a deferred entry place will be successful. It will be considered alongside all other applications in accordance with the general City Council admissions policy.

Where a parent/carer of a summer born child wishes to defer entry until the following academic year, and wishes their child to start in reception this will mean the child is taught out of their normal age group. They should still make an application at the usual time but must notify us on the application that they will wish to request a place out of the normal age group. Parents/carers will then be contacted to discuss the matter further and should note there are no guarantees that such applications will be successful, but that each case will be considered individually.

Parents may seek a place for their child outside of their normal age group. The application will be considered alongside all other applications in accordance with the Coventry co-ordinated admissions scheme. Where the application is refused the parent has a right to an appeal against the refusal of a place, unless the child has been offered a place in another year group in the school.

Part time attendance

Parents can request that their child attends part time until the child reaches compulsory school age.

Children currently attending Local Authority Maintained Nursery Classes

Parents of children already attending Nursery Classes will also need to complete an application form in order to request a place at their preferred Primary School. The policy of the City Council is not to provide nursery classes at every school, but to provide classes which serve a wider area than the school's catchment area. The number of part-time places available in a nursery class therefore often exceeds the number of places available in the Reception Class in the same school. **The City Council cannot therefore guarantee that a pupil who is admitted to a school's nursery class will be admitted to the same school.**

Waiting List

The Authority cannot always offer places at the school. If this is the case the child's name will be automatically placed on the waiting list for the school. If places become available, the Authority will allocate the places in accordance with the oversubscription criteria. Each time a child is added, the list is ranked again in line with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion.

Waiting lists will remain in operation until 31 December 2021. After this parents/carers will need to contact the School Organisation Team if they wish to stay on the waiting list until the end of the academic year when the waiting list will be discarded.

Admissions number for the school is 60

Further details on arrangements for late applications and applications outside the normal admissions round are in the Coventry Primary, Infant and Junior Co-ordination Admissions Scheme 2021.

Eastern Green Junior School Policy 2021/22

Oversubscription criteria:

If the number of applications is less than the published admission number then all applicants will be offered a place.

All applicants with an Education, Health and Care Plan which names the school must be admitted before places are allocated using the oversubscription criteria.

If there are more requests for a school than there are places available within the school's admission number, places will be allocated in accordance with the following criteria and in the order shown below.

- 1 Children who, at the time of admission, are in the care of a local authority or are provided with accommodation by the authority (looked after children). Also children who were previously looked after but ceased to be so because they were adopted, or became subject to a residence order, child arrangements order or a special guardianship order**

A looked-after child is defined in Section 22 of the Children Act 1989.

- 2. Children who currently attend St Andrew's Church of England Infant School**
- 3. Children who live in the catchment area served by the school, who have a brother or sister attending the school or St Andrew's Church of England Infant school, provided that the brother or sister will continue to attend that school the following year**
- 4. Other children who live in the catchment area served by the school.**
- 5. Children living outside the catchment area with a brother or sister who currently attends the school or St Andrew's Church of England Infant school, provided that the brother or sister will continue to attend that school the following year;**
- 6. Children of Staff who have been employed at the school for two or more years at the time of application for the school place; or recruited to fill a vacant post for which there is a demonstrable skill shortage.**
- 7. All other children**

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests based on the distance to the school.

Brothers and Sisters

Brothers and sister are those children who live at the same address and either have one or both natural parents in common; are related by a parent's marriage or whose parents are living as partners. We include children who are adopted within our definition of brothers and sisters.

All brothers or sisters must still be attending the school when the applicant is due to be admitted.

Staff

Under the oversubscription criteria the word staff will mean: All staff who have been continuously employed by the school for a period of at least two years for the purpose of working in the school as follows:

- All full time teaching staff
- All full time support staff – defined as those on 37 week and above contract
- All part time teaching staff with a 45% and above timetable
- All part time support staff who work at least 15 hours per week for 37 weeks or more

The two year qualification period may be waived if a post is hard to fill. Decisions on hard to fill posts will be made based on guidance from Human Resources. The definition does not include contract staff. If a service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion. The definition does not include peripatetic staff

Distance

If it is not possible to meet all of the requests in any one of the categories described above, the City Council will prioritise the requests within that category based on the distance to the school. A straight-line measurement will be made, using a computerised mapping system, from the centre of the child's residence - to the centre of the preferred school site. The address used must be the child's permanent home address. The shortest measurement will have the highest priority. Where the final place in a year group can be taken by two or more children living an equal distance from the school, the local authority, overseen independently, will select by drawing lots

Home address

A pupil's home address is considered to be a residential property that is the child's only or main residence. At the time places are allocated, proof of permanent residence at the property concerned may be required. Where documentary evidence can substantiate to the satisfaction of the Local Authority that care is split equally between parents at two homes, parents must name the address to be used for the purpose of allocating a school place

If a school is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent home address, then that place is liable to withdrawal.

Children of UK service personnel and other Crown Servants will be treated as meeting the residency criteria for a catchment area once proof of posting has been provided

Catchment area

One of the aims of local schools is to serve its neighbourhood and develop links with the local community to strengthen the school and the community. The area served by a school is known as the catchment area and details of specific catchment areas are available at <http://www.coventry.gov.uk/catchmentareas>

Applications out of normal age group

Parents may seek a place for their child outside of their normal age group. The application will be considered alongside all other applications in accordance with the Coventry co-ordinated admissions scheme. Where the application is refused the parent has a right to an appeal against the refusal of a place, unless the child has been offered a place in another year group in the school.

Waiting List

The Authority cannot always offer places at the school. If this is the case the child's name will be automatically placed on the waiting list for the school. If places become available, the Authority will allocate the places in accordance with the oversubscription criteria. Each time a child is added, the list is ranked again in line with the oversubscription criteria. Applicants may therefore move both up and down the list depending on whether others joining the list meet a higher ranked oversubscription criterion.

Waiting lists will remain in operation until 31 December 2021. After this parents/carers will need to contact the School Organisation Team if they wish to stay on the waiting list until the end of the academic year when the waiting list will be discarded.

Admissions number for the school is 60

Further details on arrangements for late applications and applications outside the normal admissions round are in the Coventry Primary, Infant and Junior Co-ordinated Admissions Scheme 2021.

1. Introduction

The co-ordination scheme as detailed in this document applies to all primary maintained schools, academies and free schools (excluding special schools) in the Coventry area and shall take effect for the admissions process for the academic year 2021/2022. This is published in

accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulation 2012 as amended by the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) (Amendment) Regulations 2014 and the School Admissions Code 2014.

Coventry City Council are the responsible authority for co-ordinating the arrangements for the admission of pupils to Primary, Infant and Junior schools in the Local Authority area.

2. Co-ordination

2.1 The School Organisation team on behalf of the Local Authority and other admission authorities in Coventry, will co-ordinate applications made during the main admissions round (for the Reception year and year 3 for Junior school). Parents/carers living in Coventry will make an application to the Local Authority for any maintained school, academy or free school for a school place for their child in September 2021. The application process will be available online via the Local Authority website or via a paper common application form from September in the year before children are due to start school.

2.2 For the academic year 2021/2022 and subsequent years, applications made outside of the normal admissions round (In Year Applications) can be made via the online application process found on the Coventry City Council school admissions web pages.

3 Admission Authorities

3.1 There are 5 types of primary schools in Coventry: Local Authority **community** schools, **voluntary controlled** schools, Catholic **voluntary aided** schools, **Academies** and **Free** schools. The arrangements for all these schools are co-ordinated by the Local Authority.

3.2 Coventry City Council is the relevant admissions authority for all Community and Voluntary Controlled schools within the city.

3.3 For academies and free schools their Trust or board of directors is the admissions authority. For Voluntary aided schools the governing bodies are the admissions authority.

4. Application process

4.1. The online application and the Common Application Form will be used as a means of expressing preferences for the purposes of Section 86 of the School Standards and Framework Act 1998, by parents resident in Coventry wishing to express a preference for their child to be admitted to a maintained Primary, Infant and Junior school or an Academy/free school.

4.2. When applying the parent will be able to:

- a. express **three** preferences, in rank order of preference.
- b. give their reasons for each preference.

4.3. The parent will receive no more than one offer of a school place and:

- (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place; and
- (ii) if a place cannot be offered at a nominated school, a place will be offered at the nearest available school following consultation with the schools own admission authorities where appropriate.

4.4 The Local Authority will make appropriate arrangements to ensure that:

- the online application system and the Common Application Forms are available
- A written explanation of the co-ordinated admissions scheme is available on the Local Authority website and from the Local Authority.

4.5. During September 2020 all maintained Primary, Infant and Junior schools and academies/free schools in Coventry will receive information for parents who wish to apply for admission to a Coventry school at the normal age of entry in 2021. Information will also be made available in nurseries and other early years provision, and in other general community settings such as libraries and GP surgeries.

5 Supplementary Information Forms

5.1. All preferences expressed on the Common Application Form or via the online process are valid applications. The governing body of a school which is its own admission authority (eg voluntary aided schools or academies) may ask parents to provide additional information on a supplementary form for the governing body to apply their oversubscription criteria to the application. Details of schools using supplementary forms will be included in the admissions booklet on the city council website. If parents complete a supplementary form, this must be returned to the school.

5.2. Where a school receives a supplementary form it will not be regarded as a valid application unless the parent has also completed an online application or Common Application Form with their Local Authority and the school is nominated on it. Where supplementary forms are received directly by schools which are their own admission authorities the school must inform the Local Authority immediately so the Local Authority can verify whether an application has been received from the parent and, if not, contact the parent and ask them to complete one. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form.

6 Processing of Applications

6.1. Parents must complete the online application by **15 January 2021** which is the closing date. An email confirming receipt of the application will be received once the application has been submitted. Alternatively parents can return a completed Common Application Form to a primary, infant or junior school or to the Local Authority by **15 January 2021**. The Local Authority will issue a receipt within 14 days for all Common Application Forms received. The receipt letter is the only valid proof that an application has been received by the Local Authority. Applications received after the closing date will be treated in accordance with the procedure for late applications.

6.2. All Primary, Infant or Junior schools should forward any Common Application Forms received directly onto the School Admissions Team by **15 January 2021** at the latest.

7. Determining Offers

7.1. **It should be noted that all children with an Education, Health and Care plan that names a school must be admitted to that school before all other applicants.**

7.2 The Local Authority will act as a 'clearing house' for the allocation of places by the relevant admission authorities in response to the online applications and Common Application Forms. The Local Authority will only make a decision with respect to a preference expressed where-

(a) it is acting in its separate capacity as an admission authority, or

(b) an applicant is eligible for a place at more than one school, or

(c) an applicant is not eligible for a place at any school that the parent has nominated.

- 7.3. **By 4 February 2021** Coventry Local Authority will apply the individual admissions policy on behalf of community & voluntary controlled primary schools. Where the governing body is the admission authority, Coventry Local Authority will notify the admission authority for each of the schools of every application that has been made for that school, regardless of ranking. All relevant details which schools require in order to apply their oversubscription criteria will be forwarded to the governing body together with any evidence.
- 7.4. **By 23 February 2021** the admission authority for each school will consider all applications for their school, apply the school's oversubscription criteria (if appropriate) and provide the Local Authority with a list of those applicants 'ranked' according to the school's oversubscription criteria. Where the number of applicants exceeds the number of places available at the school by a significant amount, the admission authority need 'rank' only as many as it agrees with the Local Authority to be necessary, allowing for the fact that some of those who could be offered a place might be offered a place at another school.
- 7.5. The Local Authority will match this 'ranked' list against the 'ranked' lists of the other schools:
- Where the child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
 - Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
 - Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy, following consultation with own admission authorities where appropriate.
- 7.6. On **8 March 2021** the Local Authority will commence the exchange of information with other Local Authorities on potential offers of places in Coventry schools. Similarly, other Local Authorities will notify Coventry Local Authority of potential offers available to Coventry residents.
- 7.7. Following this Coventry and other Local Authorities will compare potential offers and provisionally allocate places. This information will then be exchanged between Local Authorities, and this work will be completed by **31 March 2021**.

8. Decision Letters

- 8.1. **On 16 April 2021** Coventry Local Authority will post letters to parents by second class post notifying them of the Primary / Infant / Junior school place that has been allocated to their child. Emails will also be sent on this date to those parents who have applied on-line. Both will provide the following information:
- The name of the school at which a place is offered;
 - The reasons why the child is not being offered a place at each of the other schools nominated on the application
 - Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;
 - Contact details for applicants to lodge an appeal when they have not been offered a place at a school.

9. Late Applications

- 9.1. The closing date for applications in the normal admissions round is **15 January 2021**.

- 9.2. All applications received after **15 January 2021** will be late and will only be considered after all those who applied on time.
- 9.3 A link to the late application form will be available on the Coventry City Council admissions web pages from the **16 January 2021**.
- 9.4 All late applications and changes of preference made up to 2 weeks after the national offer day will then be considered in a further round of allocations of places

10. Waiting Lists

- 10.1. After the initial allocation on **16 April 2021** the Local Authority will establish waiting lists for community & voluntary controlled Primary, Infant and Junior schools, and these will operate up until 31 December 2021. Parents who wish to have their child's name on a waiting list for a community or voluntary controlled school after this date should contact the Local Authority.
- 10.2. Voluntary Aided schools and academies will be responsible for maintaining their own waiting lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after 31 December 2021, will need to contact the School Organisation Team or check details directly with the school for arrangements to stay on the waiting list.
- 10.3. Waiting lists are kept in the oversubscription criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

11. Admission of children outside their normal chronological age group

- 11.1 Paragraph 2.17 of the **School Admissions Code** allows parents to request that their child is educated outside of their normal age group; for example, if their child is gifted or talented or has experienced problems such as ill health. In addition, the parents of a summer born child may choose not to send that child to school until the September following their fifth birthday, and may request that they are admitted out of their normal age group – to Reception rather than Year 1.
- 11.2 Where a parent/carer seeks a place for their child outside their normal age group they must notify their intention on the application. Parents/carers will then be contacted to discuss the matter further as each case will be considered individually on the circumstances of each case and in the child's best interests. There are no guarantees that such applications will be agreed. Parents will be provided with a letter setting out the decision on their application and the reasons for the decision. Details of how applications are considered are included within individual school policy arrangements.

12. Timetable

Primary / Infant / Junior Coordinated Admissions Scheme Timetable

Birth Range	01/09/2016 – 31/08/2017 - Reception 01/09/2013 – 31/08/2014 - Junior
National closing date for receipt of applications	15 January 2021
Data exchange with other Local Authorities	29 January 2021
Unranked preferences sent to Coventry Admission Authorities for 'Ranking'	4 February 2021

Ranked lists returned to LA from Coventry Admission Authorities	23 February 2021
Offer exchange with other Local Authorities	Week beginning 8 March 2021 Week beginning 22 March 2021 Final exchanges by 31 March 2021
Offer day – Emails and Letters sent (via second class post)	16 April 2021

13. In Year Application Process

- 13.1. The Local Authority co-ordinates in year admissions for all community, voluntary controlled, and voluntary aided schools and academies/free schools within Coventry unless the school has indicated otherwise in their admission arrangements. Contact School Organisation Team for the most up to date information.
- 13.2. Applications are made on a standard on-line application form for all schools. Applicants for some faith schools will need to complete a supplementary information form but only if they are applying on priority faith grounds. Admissions decisions by own admission authority schools will be made within 5 school days in most circumstances. Decision letters will be issued by the Local Authority on behalf of all schools within the co-ordinated scheme in line with the timings published on the city council website and these will include appeal information where an application was unsuccessful.
- 13.3. Waiting lists for all Coventry schools will be notified to the Local Authority. Voluntary Aided schools/Academies/free schools will be responsible for maintaining their own lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after 31 December 2021 will need to contact the School Organisation Team or check details directly with the school for arrangements to stay on the waiting list.

14 Fair Access Protocol

- 14.1 All Coventry schools are required to sign up to an in-year fair access protocol. The aim of this protocol is to reduce the time that vulnerable children spend out of school and to ensure that vulnerable children are admitted to Coventry schools on a fair basis, making sure that no school is asked to take a disproportionate number of pupils presenting with challenging behaviour or who have been excluded. Any children that are considered to require a school place through this protocol will be given priority over those on waiting lists and can be admitted to schools even when the school is full.

Further details of the protocol are available from the Inclusion and Attendance team webpages at www.coventry.gov.uk/attendanceandinclusion

Appendix 3

Coventry Secondary School Co-ordinated Admissions Scheme 2021/22

Contents Page

7 Determining Offers
8 Decision Letters
9 Late Applications
10 Waiting Lists
11 Admissions outside normal age group
12 Timetable
13 In Year Application Process
14 Fair Access Protocol

1. Introduction

The co-ordination scheme as detailed in this document applies to all Secondary academies and free schools (excluding special schools) in the Coventry area and shall take effect for the admissions process for the academic year 2021/2022. This is published in accordance with the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulation 2012 as amended by the School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England)(Amendment) Regulations 2014.

Coventry City Council are the responsible authority for co-ordinating the arrangements for the admission of pupils to Secondary Schools in the Local Authority area.

2. Co-ordination

- 2.1 The School Organisation team on behalf of the Local Authority and other admission authorities in Coventry, will co-ordinate applications made during the main admissions

round (for Year 7). Parents/carers living in Coventry will make an application to the Local Authority for any maintained school, academy or free school for a school place for their child in September 2021. The application process will be available online via the Local Authority website or via a paper common application form from September in the year before children are due to start Secondary school.

- 2.2 For those 14-19 academies, UTCs and Studio Schools across the region that admit pupils into Year 10, the School Organisation Team will co-ordinate applications made during the main admissions round where the academies are part of the co-ordination arrangements within their areas. The application process will be available online via the Local Authority website. Where the academies are not part of co-ordination arrangements, including WMG Academy Coventry, then applications must be made direct to the academy.
- 2.3 For the academic year 2021/2022 and subsequent years, applications made outside of the normal admissions round (In Year Applications) can be made via the online application process found on the Coventry City Council school admissions web pages.

3. Admission Authorities

- 3.1 All secondary schools in Coventry are academies or free schools and their Trust or board of directors is the admissions authority.

4. Application process

- 4.1 The online application and the Common Application Form will be used as a means of expressing preferences for the purposes of Section 86 of the School Standards and Framework Act 1998, by parents resident in Coventry wishing to express a preference for their child to be admitted to a maintained secondary school, Academy or free school within Coventry or located in another Local Authority area.
- 4.2 When applying the parent will be able to:
 - a) express **three** preferences including, where relevant, any schools outside the Local Authority's area, in rank order of preference.
 - b) give their reasons for each preference.
- 4.3 The parent will receive no more than one offer of a school place and :
 - (i) a place will be offered at the highest ranking nominated school for which they are eligible for a place; and
 - (ii) if a place cannot be offered at a nominated school, a place will be offered at the nearest available school following consultation with own admission authorities where appropriate.
- 4.4 The Local Authority will make appropriate arrangements to ensure that:
 - o the online system and the Common Application Forms are available
 - o a written explanation of the co-ordinated admissions scheme is available on the Local Authority website and from the Local Authority.
- 4.5 The Local Authority will take all reasonable steps to ensure that every parent resident in

the Local Authority area who has a child in Year 6 in a Coventry primary school receives information on the application process by 12 September 2020.

5. Supplementary Information Forms

- 5.1 All preferences expressed via the online process or on the Common Application Form are valid applications. Schools may request parents to provide additional information on a supplementary form for the governing body to apply their oversubscription criteria to the application. Details of schools using supplementary forms will be included in the admissions booklet on the city council website. If parents complete a supplementary form, this must be returned to the school.
- 5.2 Where a school receives a supplementary form from a Coventry resident it will not be regarded as a valid application unless the parent has also completed an online application or a Common Application Form and the school is nominated on it. Where supplementary forms are received directly by schools they must inform the Local Authority immediately so the Local Authority can verify whether an application has been received from the parent and, if not, contact the parent and ask them to complete one. Under the requirements of the scheme, parents will not be under any obligation to complete an individual school's supplementary form.

6. Processing of Applications

- 6.1 The closing date for applications is **31 October 2020**. Parents can complete the online application by this date. An email confirming receipt of the application will be received once the application has been submitted. Alternatively parents can return a completed Common Application Form to a Primary or Junior school or to the Local Authority by this date. The Local Authority will issue a receipt within 14 days for all Common Application Forms received. The receipt letter is the only valid proof that an application has been received by the Local Authority. Applications received after **31 October 2020** will be treated in accordance with the procedure for late applications
- 6.2 **By 2 November 2020** primary schools will forward all applications to the Local Authority.

7. Determining Offers

- 7.1 It should be noted that all children with an Education, Health and Care plan that names a school must be admitted to that school before all other applicants.
- 7.2 The Local Authority will act as a 'clearing house' for the allocation of places by the relevant admission authorities in response to the online applications or Common Application Forms. The Local Authority will only make a decision with respect to a preference expressed where:
 - (a) an applicant is eligible for a place at more than one school, or
 - (b) an applicant is not eligible for a place at any school that the parent has nominated.
- 7.3 By **12 November 2020** Coventry Local Authority will exchange "unranked" preferences with other Local Authorities whose schools have been requested by Coventry parents.

- 7.4 **By 25 November 2020** the Local Authority will notify the admission authority for each of the schools of every application that has been made for that school, regardless of ranking, including all relevant details together with any evidence received by this date which schools require in order to apply their oversubscription criteria.
- 7.5 **By 16 December 2020** the admission authority for each school will consider all applications for their school, apply the school's oversubscription criteria (if appropriate) and provide the Local Authority with a list of those applicants ranked according to the school's oversubscription criteria. Where the number of applicants exceeds the number of places available at the school by a significant amount, the admission authority need rank only as many as it agrees with the Local Authority to be necessary, allowing for the fact that some of those who could be offered a place might be offered a place at another school.
- 7.6 The Local Authority will match this ranked list against the ranked lists of the other schools nominated and:
- Where the child is eligible for a place at only one of the nominated schools that school will be allocated to the child.
 - Where the child is eligible for a place at two or more of the nominated schools, they will be allocated a place at whichever of these is the highest ranked preference.
 - Where the child is not eligible for a place at any of the nominated schools, the child will be allocated a place at the nearest appropriate school with a vacancy following consultation with own admission authorities where appropriate.
- 7.7 **31 December 2020** will be the effective 'cut off' date for parents requesting Coventry schools to notify any changes (e.g. home address), which might materially affect their application.
- 7.8 In the week beginning **11 January 2021** the Local Authority will commence the exchange of information with other Local Authorities on potential offers of places in Coventry schools. Similarly other Local Authorities will notify Coventry Local Authority of potential offers available to Coventry residents.
- 7.9 In the weeks beginning **25 January 2021** and **1 February 2021** Coventry Local Authority and other Local Authorities will compare potential offers and provisionally allocate places. This information will then be exchanged between Local Authorities.
- 7.10 **By 18 February 2021** the Local Authority will complete the exchange of information with other Local Authorities and inform them of places in Coventry schools to be offered to their residents. Similarly other Local Authorities will notify Coventry Local Authority of places in their schools to be offered to Coventry residents.

8. Decision Letters

- 8.1 On **1 March 2021** letters will be posted to parents by second class post notifying them of the school place their child has been allocated. Emails will also be sent on this date to those parents who have applied on-line. Both will contain the following information:
- i) The name of the school at which a place is offered;
 - ii) The reasons why the child is not being offered a place at each of the other schools nominated on the application;

- iii) Information about their statutory right of appeal against the decisions to refuse places at the other nominated schools;
- iv) Contact details for applicants to lodge an appeal when they have not been offered a place at a school.

9. Late Applications

- 9.1 The closing date for applications in the normal admissions round is **31 October 2020**. After that date, the Local Authority will continue to receive applications but these will be considered to be late and may not be processed until after **1 March 2021**. Parents will be advised in their receipt letter that this will be the case.
- 9.2 A link to the late application form will be available on the Coventry City Council admissions web pages from the **2 November 2020**.
- 9.3 All late applications and changes of preference made up to 2 weeks after the national offer day will then be considered in a further round of allocations of places

10. Waiting Lists

- 10.1 After the initial allocation of places on **1 March 2021**, schools will be responsible for maintaining their own waiting lists in conjunction with the Local Authority. Waiting lists must operate until **31 December 2021**. Parents, who wish for their children to continue to be considered for any places that might become available after this time will need to contact the School Organisation Team or check details directly with the school for arrangements to stay on the waiting list.
- 10.2 Waiting lists are kept in oversubscription criteria order and this is the basis for deciding where a child is placed on a list. The date of application does not affect the position on a waiting list.

11. Admission of children outside their normal age group

- 11.1 Paragraph 2.17 of the **School Admissions Code** allows parents to request that their child is educated outside of their normal age group; for example, if their child is gifted or talented or has experienced problems such as ill health.
- 11.2 Where a parent/carer seeks a place for their child outside their normal age group they must notify their intention on the application. Parents/carers will then be contacted to discuss the matter further as each case will be considered individually on the circumstances of each case and in the child's best interests. There are no guarantees that such applications will be agreed. Parents will be provided with a letter setting out the decision on their application and the reasons for the decision. Details of how applications are considered are included within individual school policy arrangements.

12. Timetable

Secondary Admissions Co-ordinated Admissions scheme

Birth Range	01/09/2009 – 31/08/2010
National closing date for receipt of applications	31 October 2020

Data exchange with other Local Authorities	12 November 2020
Unranked preferences sent to Coventry Admission Authorities for 'Ranking'	25 November 2020
Ranked lists returned to LA from Coventry Admission Authorities	16 December 2020
Deadline for parents requesting Coventry schools to notify the LA of any changes (eg: home addresses)	31 December 2020
1 st Data exchange of potential offers with other Local Authorities	Week commencing 11 January 2021
Further data exchanges of potential offers with other Local Authorities	Week beginning 25 January 2021 Week beginning 1 February 2021 Week beginning 15 February 2021 From 18 January 2021 – 1 February 2021
Final offer exchange with other Local Authorities	18 February 2021
Offer day – Emails and letters sent (via second class post)	1 March 2021

13. In Year Application Process

- 13.1 The Local Authority co-ordinates in year admissions for all academies and free schools within Coventry unless the school has indicated otherwise in their admission arrangements. Contact School Organisation Team for the most up to date information.
- 13.2. Applications are made on a standard on-line application form for in-year school admissions. Applicants for some faith schools will need to complete a supplementary information form but only if they are applying on priority faith grounds. Further information is available from the School Organisation Team. Admissions decisions by own admission authority schools will be made within 10 school days in most circumstances. Decision letters will be issued by the Local Authority on behalf of all schools within the co-ordinated scheme in line with the timings published on the city council website and these will include appeal information where an application was unsuccessful.
- 13.3 Waiting lists for all Coventry schools will be notified to the Local Authority. Academies and free schools will be responsible for maintaining their own lists in conjunction with the Local Authority. Parents, who wish for their children to continue to be considered for any places at these schools after 31 December 2021 will need to contact the School Organisation Team or check details directly with the school for arrangements to stay on the waiting list.
- 13.4 For those pupils attending a Coventry secondary school who wish to transfer to another Coventry secondary school, parents/carers will be asked to meet with the headteacher or other appropriate member of staff to discuss the reason for transfer. This will provide the school with an opportunity to identify any issues that may be capable of resolution and that may negate the necessity for a school transfer. This will ensure that changes of school are not undertaken hastily and without discussions with the parent/carer as to the likelihood of educational disadvantage to the pupil that may arise from transfer. The headteacher will seek to resolve any issues that may be causing parents/carers to seek a transfer. Where the parent/carer does complete a transfer form and returns this to the school, the school staff will complete the school section of the form providing details so

that the application can be processed as a standard admission or referred to fair access arrangements as necessary.

14 Fair Access Protocol

- 14.1 All Coventry schools are required to sign up to an in-year fair access protocol. The aim of this protocol is to reduce the time that vulnerable children spend out of school and to ensure that vulnerable children are admitted to Coventry schools on a fair basis, making sure that no school is asked to take a disproportionate number of pupils presenting with challenging behaviour or who have been excluded. Any children that are considered to require a school place through this protocol will be given priority over those on waiting lists and can be admitted to schools even when the school is full.

Further details of the protocol are available from the Inclusion and Attendance team webpages at www.coventry.gov.uk/attendanceandinclusion
