Coventry Domestic Abuse Practitioner Survey

We are carrying out a Domestic Abuse Needs Assessment to understand the needs of people who have experienced domestic abuse in Coventry.

Coventry City Council and it's partners would like your help to try and improve domestic abuse provision in the borough. By receiving your feedback, we will be able to improve our response and target our resources more effectively.

The assessment will be used to help develop services across the city that better meet the needs of people who have experienced domestic abuse.

The deadline for responses is 30/06/2021

The information collected in this survey will be used by Coventry City Council officers to help improve our services. We may share the results of the survey. All information produced will be anonymised. More information on how we handle personal information and your rights under the data protection legislation can be found in our <u>Privacy Notice</u>.
