

# One Coventry Plan 2022-2030 Engagement

# Introduction

# 2030

The One Coventry Plan provides Coventry City Council's vision and objectives until 2030.

It outlines how we need to work with each other, our partners and our communities to achieve our priorities.

Workforce engagement started on 28<sup>th</sup> February 2022 and public engagement started on 13<sup>th</sup> June 2022. Engagement will continue until 30<sup>th</sup> September 2022

We want to provide as many opportunities as possible for those who live, work or study in the city to share their thoughts and help us deliver something truly impactful

# Over to you

---

**Please share your views as part of the engagement process**

---

**Any recommendations on other ways we can engage with our residents, particularly with harder to reach groups?**

---

**Do you have opportunities to promote the One Coventry Plan engagement with your constituents and local networks including community groups and social media?**

# Engagement themes to date

When asked to rank our priorities most people thought:

- **Improving outcomes and tackling inequalities is most important**
- **Tackling climate change is least important**

The **most prominent theme** so far is the importance of **community engagement**

- Talking and listening to our communities
- Acting on community voice
- Reaching all diverse communities

Other emerging themes:

- Importance of collaboration
- Improving our communication
- Build on success of City of Culture and promote the city more

# High level timeline

# Recommendation

**Scrutiny Co-ordination Committee is asked to:**

**Play an active role in enabling those who live, work or study in the city to have their say on the One Coventry Plan and note the approach to engagement**
