

---

To: Cabinet

Date: 30<sup>th</sup> August 2022

Subject: One Coventry Plan Annual Performance Report 2021-22

---

## 1 Purpose of the Note

- 1.1 To inform Cabinet of the outcomes of the consideration by Scrutiny Co-ordination Committee of the report on the One Coventry Plan Annual Performance Report 2021-22 at their meeting on 20<sup>th</sup> July 2022.

## 2 Recommendations

2.1 Cabinet is recommended:

- 1) That the spend on agency staff be reviewed and officers be asked to explore the viability of creating an income generating Coventry City Council employment agency
- 2) To note the following amendments requested by Scrutiny Co-ordination Committee, made to the final report:
  - i. Information on how many children in the City do not have access to a computer and internet at home in relation to educational outcomes
  - ii. Additional information on air quality monitoring be included to highlight the robustness of the process
  - iii. Within the road casualty statistics, include information on motorbikes/motor scooters/electric scooters
  - iv. Include a reference to poverty in the inequalities section

## 3 Background and Information

- 3.1 At their meeting on 20<sup>th</sup> July 2022, Scrutiny Co-ordination Committee considered a report on the One Coventry Plan Annual Performance Report 2021-22.
- 3.2 The Committee considered the report and agreed that all of the indicators that were not met would be considered by the appropriate Scrutiny Board as part of their Work Programme
- 3.3 The Committee asked questions of officers and the Cabinet Member and requested the following:
- Information on jobs created by sector to be circulated
  - An explanation of sickness absence at Coventry City Council be provided
  - Information to be provided on rates of recycling for commercial waste and how this may have been impacted by the industrial action

- Information to be provided on the data set used to define healthy life expectancy
- Consideration to be given to extending "Ask for Angela" to retail premises
- Increase publicity as to where those experiencing Domestic Abuse can access support

#### **4 Health Inequalities Impact**

- 4.1 Health Inequalities are addressed as part of the Equalities/EIA paragraph 6.4 in the main Cabinet report.
