**Report title: New Premises Licence Application**

**1. Context (or background)**

- 1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:
- The Prevention of crime & disorder
  - The Protection of public safety
  - The Prevention of public nuisance
  - The Protection of children from harm
- 1.2 A Premises Licence application for Kitchen 126, 126 Southbank Road, Coventry was received on 9 May 2023. The application is requesting Sale of Alcohol (On & Off Sales) from Monday – Sunday 11:00 – 22:00.
- 1.3 One representation has been received from Other Persons. (Appendix 4). The representation states that granting the application could undermine the Prevention of Public Nuisance licensing objective.
- 1.4 The Licensing Act 2003 requires the Council to publish a ‘Statement of Licensing Policy’ which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.
- 1.5 It is essential that the Sub-Committee takes into account the government’s guidance to the Licensing Act before reaching a decision. The applicant, Responsible Authorities, or any other persons, should bring to the Sub-Committee’s attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing

**2. Options considered and recommended proposal**

- 2.1 There are three courses of action available to the Sub-Committee in relation to this application:
- (i) Grant the application as requested. If the Sub-Committee consider that granting the application would not undermine any of the Licensing Objectives, it should be granted in full as submitted. This would be granted subject to mandatory conditions and conditions consistent with the applicant’s operating schedule, and any other conditions agreed by the applicant as part of the consultation / mediation process. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
  - (ii) Grant the application as above, but the Sub-Committee could impose extra conditions as it thinks fit, or make amendments to the operating schedule conditions, and/or proposed hours. This option may include adding any conditions suggested by other parties at the hearing, including the applicant. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
  - (iii) If the Sub-Committee concludes that no additional conditions would ensure that the Licensing Objectives would be upheld, then the whole application should be rejected.

- 2.2 Your officer recommends option (ii).  
The reason for this recommendation is that the applicant has voluntarily added the following conditions in the operating schedule:

“Event evenings are ticket in advance and catering for smaller audiences. Customers are reminded to leave quietly. Recorded music will be background only. Any rare instances live music I provide at the premises will be covered by deregulation. I would notify neighbours in advance and provide a telephone number in case any issues were to arise”.

The Responsible Authorities who responded to the Consultation have not offered up further conditions because they consider the application to be suitably conditioned by the applicant for the type of business model and operation intended at the premise and if problems do occur then the Review procedure is available to both Responsible Authorities and any other person.

- 2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances taken into account before a decision is made.
- 2.4 The Sub-Committee must also be aware that licences can be reviewed at any time by any Responsible Authority or any ‘other person’, if it is considered that any of the Licensing Objectives have been undermined following the grant of the Premises Licence.

### 3. Results of consultation undertaken

- 3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees for 28 days. The notice was displayed at the premises from 10 May 2023 – 6 June 2023, the notice was checked by the Licensing Officer on two occasions during the 28 day period. Licensing applications are also published weekly in the Members Bulletin which is available to Ward Councillors.
- 3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

<b>Responsible Authority</b>	<b>Response Received</b>	<b>Objections</b>	<b>Conditions Agreed</b>
<b>Licensing</b>	Yes	No	No
<b>Police</b>	Yes	No	No
<b>Environmental Protection</b>	Yes	No	No
<b>Fire Safety</b>	Yes	No	No
<b>Health &amp; Safety</b>	No	-	-
<b>Trading Standards</b>	No	-	-
<b>Planning</b>	No	-	-
<b>Safeguarding Children</b>	Yes	No	No
<b>Public Health</b>	No	-	-
<b>Secretary of State</b>	No	-	-

- 3.3 One representation from an Other Person has been received (Appendix 4). The grounds for the representation is that the granting of the Premises Licence would undermine the licensing objective of the Prevention of Public Nuisance.

- 3.4 A mediation meeting has been offered and this is being arranged, the outcome of this meeting will be reported at the hearing.
- 3.5 The Planning Officer will arrange for an officer to investigate the planning issues, however, please note that following recent changes to the Town and Country Planning Use Classes Order 1987 (as amended) the change of use from retail shop to premises for the sale of food and drink where consumption is mostly on the premises does not require planning permission.

#### **4. Timetable for implementing this decision**

- 4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

#### **5. Comments from Interim Chief Executive (Section 151 Officer) and Chief Legal Officer**

##### **5.1 Financial implications**

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court and the decision of the Sub-Committee is not upheld.

##### **5.2 Legal implications**

The Licensing Act 2003 sets out how applications for Premises Licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the four Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a Premises Licence, the applicant may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

#### **6. Other implications**

##### **6.1 How will this contribute to achievement of the Council's key objectives / corporate priorities (corporate plan/scorecard) / organisational blueprint or Coventry Sustainable Community Strategy**

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life.

##### **6.2 How is risk being managed?**

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

##### **6.3 What is the impact on the organisation?**

None

##### **6.4 Equalities / EIA**

This decision will not affect the service provision and therefore details of the Equalities

Impact Assessment are not relevant in this case.

#### 6.5 Implications for (or impact on) climate change and the environment

None

#### 6.6 Implications for partner organisations?

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West Midlands Police, Community Safety Partnership, local people and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

#### 6.7 Human Rights Act Implications

None
