Coventry City Council

**M** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)**

The premises licence and business are continuing under the same management principles and ownership as prior to the Licensing Act 1964 and the subsequent initial premises licence. There are already policies in place dealing with staff training, fire alarm, emergency evacuation and emergency evacuations and emergency lighting tests and recording, policies dealing with disabled access, policies dealing with searching if weapons or drug abuse is suspected. CCTV monitoring already operates at the premises, door teams comply with security industry requirements.

Staff training to provide a professional and good customer service. All staff to show politeness and respect to customers.

To abide by all Licensing laws and to have a good working relationship with Authorities.

**b) The prevention of crime and disorder**

The extended hours for licensable activities and the proposed continuing 'open' hours for 'drinking up time' will promote the LA 2003 objectives avoid rushed drinking and a mass exodus from the premises.

CCTV will be in operation whenever the premises are open for a licensable activity, record for a 31-day period, during which times there will always be at least 1 member of staff on duty who can operate the CCTV to enable playback.

CCTV footage will be provided to RA's within 48hrs of a request, the exception being serious disorder or serious injury in which case its production may be required ASAP.

All working SIA will wear an individually numbered fluorescent tabard that corresponds to the daily SIA deployment record and clearly identifies the individual as security / door staff.

All working SIA will display their SIA accreditation, on their upper arm and ensure it is clearly visible, as per SIA policy.

A daily deployment record of all working SIA registered staff will be kept, this record will include their deployment, shift times, name, address, and telephone number as well as their SIA badge number. This record will be produced to RA upon request.

Deployment of extra security (SIA Trained).

Random searches if deemed necessary for weapons/drugs.

**c) Public safety**

Existing Health and Safety policy.

Sufficient lighting to include whole area.

Maintain records of training to include whole area.

Maintain records of training and to maintain all electrical, firefighting equipment to above level required.

The management has a Fire Protection service agreement which will continue and the inspections and fire protection 'warning' alarms and detectors etc. will be extended into the enlarged area.

All staff must complete the Action Counter Terrorism training annually and a record of completion of this training maintained. This training record will be produced to RAs upon request.

Coventry City Council

**d) The prevention of public nuisance**

Customers who are identified as causing a nuisance or disturbance in the proximity of the premises will, if necessary be prohibited from using the premises.  
 All customers to be dealt with calmly and politely.  
 Troublesome customers will be ejected without fuss.  
 Maintain a close liaison with the Police to preserve the peace.  
 No outside amplified music

**e) The protection of children from harm**

Specifically, the business policy has not so far promoted any events such as strip tease, gentlemen, or ladies of an 'adult' or 'top shelf' nature. If ever was to promote such events an appropriate age exclusion policy would be implemented and the nature of such entertainment, and exclusion, made clear before persons were able to gain admittance into the premises.  
 The venue does not necessarily set out to provide entertainment for under 16 years.  
 All admissions to be checked by SIA staff to ensure entrants are over 18 years old.  
 Adopt Challenge 25 entry policy.  
 Any event that could be attended by underage customers will operate a wrist band age verification system.  
 Only genuine Photo Id will be accepted, not mobile phone images or copies.  
 Accept only valid passports and driving licences as proof of age.

  15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:
    - A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:
      - does not have the right to live and work in the UK; or
      - is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

They do this in one of two ways:

- 1) by providing with this application, copies or scanned copies of the documents which an applicant has provided, to demonstrate their entitlement to work in the UK (which do not need to be certified) as per information published on gov.uk and in guidance.
- 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

### **Home Office online right to work checking service.**

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their share code (provided to them upon accessing the

## Coventry City Council

service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth, will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
