Report title: Members Training and Development Update

1 Context (or background)

- 1.1 The Council agreed the Elected Members Training and Development Strategy in March 2022. The Members Training and Development Strategy provides a framework for Members to access a programme of training that meets their needs, as well as the needs of the organisation to deliver the ambition set out in the One Coventry Plan.
- 1.2 The strategy helps to support the development of a training culture for Members. As part of this strategy, it was agreed that there would be a core offer of training for all Members to complete during their term of office, as well as training specific to appointments to Planning and Licensing Committees.
- 1.3 The delivery of the strategy and action plan is overseen by a cross-party Members Training and Development Strategy Cabinet Member Advisory Panel, which advises and makes recommendations to the Cabinet Member for Policing and Equalities who has responsibility for Members training.
- 1.4 This is the second year of the strategy, which enables some comparison on the previous year. Overall, there has been an increase in Members training, from an average of 6.5 training sessions attended, compared to 5.7 during 2022-23.
- 1.5 The report at Appendix 1 provides more detail on delivery of the strategy for 2023-24.

2 Options considered and recommended proposal

- 2.1 Option 1 (not recommended): Not to support the programme of training and development for Members. This is not recommended, as it is important that Members have the right skills and knowledge to be able to support those they represent as well as delivery of the One Coventry Plan.

 - 2) Consider ways in which to increase Member's participation in training and development and to address barriers experienced in accessing the programme.

- 3) Support the continued delivery of the Members Training and Development Strategy, including actions for 2024-25
