Report title: New Premises Licence Application

1. Context (or background)

1.1 The Licensing Act 2003 requires Coventry City Council, as the Licensing Authority, to carry out its various licensing functions so as to promote the following four Licensing Objectives:

- The Prevention of crime & disorder
- The Protection of public safety
- The Prevention of public nuisance
- The Protection of children from harm

1.2 A Premises Licence application for Burger Boi, 48 Daventry Road, Coventry CV3 5DP was received on 15th March 2024. The application is requesting Late Night Refreshment, Monday - Sunday 23:00 – 00:00.

1.1 Three representations have been received (see Appendix 3). There are 2 representations from 'other' persons' and a petition containing 34 signatures (the petition was received electronically so the signatures are not included in the Appendices). The representations state that granting the application could undermine the following licensing objectives: Public Safety and the Prevention of Public Nuisance.

1.2 The Licensing Act 2003 requires the Council to publish a 'Statement of Licensing Policy' which sets out the policies the Council will have regard to and apply to promote the Licensing Objectives when making a decision on applications made under the Act. The Policy will be available at the hearing for reference purposes.

1.3 It is essential that the Sub-Committee takes into account the government's guidance to the Licensing Act before reaching a decision. The applicant, Responsible Authorities, or any other persons, should bring to the Sub-Committee's attention any relevant paragraphs. However, it is suggested good practice for Members of the Sub-Committee to read the relevant paragraph(s) of the guidance prior to the hearing.

2. Options considered and recommended proposal.

2.1 There are three courses of action available to the Sub-Committee in relation to this application:

- (i) Grant the application as requested. If the Sub-Committee consider that granting the application would not undermine any of the Licensing Objectives, it should be granted in full as submitted. This would be granted subject to mandatory conditions and conditions consistent with the applicant's operating schedule, and any other conditions agreed by the applicant as part of the consultation / mediation process. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
- (ii) Grant the application as above, but the Sub-Committee could impose extra conditions as it thinks fit, or make amendments to the operating schedule conditions, and/or proposed hours. This option may include adding any conditions suggested by other parties at the hearing, including the applicant. Any conditions to be attached to a licence must be appropriate to promote the Licensing Objectives.
- (iii) If the Sub-Committee concludes that no additional conditions would ensure that the Licensing Objectives would be upheld, then the whole application should be rejected.

2.2 Your officer recommends option (i).

The reason for this recommendation is that other responsible authorities who responded to the consultation have not made representations or offered up further conditions.

2.3 The Sub-Committee are advised that they may depart from the officer recommendation if, having heard all the evidence, they believe it is appropriate to do so. Should the Sub-Committee decide to depart from the recommendation and choose an alternative option, they must provide full reasons for this decision, based on the promotion of the Licensing Objectives. This application should be considered on its own merits and all the circumstances taken into account before a decision is made.

2.4 The Sub-Committee must also be aware that a Premises Licence can be reviewed at any time by any Responsible Authority or any 'other person', if it is considered that any of the Licensing Objectives have been undermined following the grant of the Premises Licence.

3. Results of consultation undertaken

3.1 As prescribed by the Licensing Act 2003, the application has been out for consultation to statutory consultees for 28 days. The notice was displayed at the premises from 15th March 2024 until 12th April 2024 and was checked by the Licensing Officer on two occasions during the 28-day period. Licensing applications are also published weekly in the Members Bulletin which is available to Ward Councillors.

3.2 Responsible Authorities have received a copy of the application. Please see below responses received:

3.3 A mediation meeting is arranged for Tuesday 23 April; The outcome of this meeting will be reported at the hearing.

4. Timetable for implementing this decision.

4.1 The Appeal period is 21 days beginning on the date that the Appellant(s) receive notification of the decision of the Licensing Authority.

5. Comments from Director of Finance & Resources (Section 151 Officer) and Director of Law & Governance.

5.1 Financial implications

There are no financial implications arising directly from this report. However, there are possible cost implications if an appeal against the decision is made to the Magistrates Court

and the decision of the Sub-Committee is not upheld.

5.2 Legal implications

The Licensing Act 2003 sets out how applications for Premises Licences should be dealt with where valid representations have been submitted. The Sub-Committee have to decide the outcome of the application taking into account the four Licensing Objectives.

In accordance with the provisions of the Act, if a Licensing Authority rejects in whole or in part, an application to grant a Premises Licence, the applicant may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

Similarly, where a person who made relevant representations in relation to the application contends that the licence ought not to have been granted or that alternative or additional conditions should have been imposed on the licence, they may appeal against the decision, to a Magistrates' court within 21 days of receiving notification of the decision.

6. Other implications

6.1 How will this contribute to achievement of the One Coventry Plan?

It is the Regulatory Services team's responsibility to ensure that members of the public in Coventry are not put at risk. This contributes to the Council's core aim of ensuring that citizens live longer healthier lives. The business' failure to uphold the Licensing Objectives may have an adverse effect on Public Safety and citizen's quality of life. This aligns with the One Coventry Plan to work together to improve our city and the lives of those who live, work and study here.

6.2 How is risk being managed?

If the application is not handled in line with the Licensing Act 2003, there is a risk of judicial appeals, reviews and associated costs.

6.3 What is the impact on the organisation?

None

6.4 Equalities / EIA

This decision will not affect the service provision and therefore details of the Equalities Impact Assessment are not relevant in this case.

6.5 Implications for (or impact on) climate change and the environment

None

6.6 Implications for partner organisations?

The Council recognises that the licensing function is only one means of promoting delivery of the above objectives and should not therefore be seen as a means for solving all problems within the community. The Council will therefore continue to work with the West Midlands Police, Community Safety Partnership, local people, and those involved in child protection (Coventry Safeguarding Children Board) to promote the common objectives as outlined.

6.7 Human Rights Act Implications

None
