Our reference C/EMK  
3<sup>rd</sup> October, 2011

Dear [REDACTED]

**Report Back on Petitions – Against the Installation of a Residents Parking Scheme – Swanswell Area**

I refer to the above petitions which were the subject of a further report at the Cabinet Member (City Services) meeting on Tuesday 20<sup>th</sup> September, 2011. I write to inform you that at this meeting Councillor Harvard took account of the consultation undertaken with all the St. Michael's Ward Councillors in relation to Phase 1 of the scheme and to the issues that you both raised at the meeting.

Councillor Harvard decided that a review of the proposals for the Part I area in St. Michael's Ward be carried out, to take into account residents' concerns about parking by non-residents attending City College evening classes. He also requested that on-going monitoring of the Phase 1 area of the Ward be carried out as further phases of the Hillfields Residents Parking Scheme are implemented to determine if residents are experiencing problems relating to displaced parking. A letter was to be sent to all residents in the St. Michael's Ward area of Phase 1 apprising them of the situation.

In light of the discussion concerning Stoney Stanton Road, Councillor Harvard requested that the residential part of the road be included in the proposals for Phase 2 and that the implementation of Phase 2 be progressed urgently.

No doubt you will inform the petitioners accordingly. I am sending a copy of this letter to the petitions' spokespersons and also to the other St Michael's Ward Councillor for their information.

Should you require any additional information, please do not hesitate to contact me on the above telephone number.

Yours sincerely

Liz Knight  
Governance Services Officer
