Dear

Petition – Request for a Young Person’s Council in Tile Hill

I refer to the above petition, which you presented to Cabinet Member (Children and Young People) on 22nd November 2011 and write to confirm the decision taken on the matter.

At the meeting Councillor O’Boyle took account of the issues you raised on behalf of the Petitioners and considered the report of the Director of Children, Learning and Young People. The Cabinet Member assured the petitioners that Integrated Youth Support Services will support local young people in securing access to the established young peoples “Our Choice” group, who have been instrumental in developing a Youth Offer for young people in Tile Hill, and also support their engagement in other local networks which will give them a voice in local decision making. The Cabinet Member also endorsed Integrated Youth Support Services staff organising and facilitating opportunities for young people to have access to Local Councillors to raise issues which affect them.

No doubt you will inform the Petitioners of this decision accordingly. A letter detailing the Cabinet Member’s decision has been sent to the other Ward Councillors, for information.

Should you require any further information on this matter, please do not hesitate to contact me on the above telephone number.

Yours sincerely

Michelle Salmon
Governance Services Officer
