Dear 

Re: Progress report in respect of proposed gating order for the closure of the Public Right of Way, Foleshill Road through to Lockhurst Lane and outcome of formal consultation

I refer to the above petition which you supported and write to inform you that a report responding to the petition was considered by the Cabinet Member (Community Safety and Equalities) at his meeting held on Thursday 9th February 2012.

At that meeting, Councillor Townshend considered the issues contained in the report and matters raised at the meeting and the Cabinet Member:-

- (1) Acknowledged that due process had been followed with regards to the Council's Gating Policy and a formal consultation has been undertaken.
- (2) Acknowledged the objections received following the consultation as attached in appendix 2 of the report and approves responses provided to the objections including revised plans to re-site the gates at each end of the public right of way (appendix 3 refers).
- (3) Authorised officers' recommendation to grant the application for a Gating Order on line with the Local Authority Gating Policy.
- (4) Subject to granting of the gating order as approved in (3) above, requested officers from the Community Safety Team work with Legal Services, Highways Authority and West Midlands Police to prepare the order and make necessary arrangements for the installation of the gates and associated arrangements for residents identified as requiring access.
