Mr G McKelvie
Mrs P Mudhar
Ms S Newing

PAYMENTS TO SUPPLIERS

The company's standard terms of payment are 30 days from the date payment is due, receipt of invoice or delivery of goods, whichever is the later. Alternative payment terms are only made if specifically demanded for contractual purposes.

CHARITABLE AND POLITICAL DONATIONS

There have been no charitable or political donations made in the period.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Directors' and Officers' Liability Insurance policy covers damages and costs arising from any 'wrongful act' by the Directors. Wrongful act covers libel, slander, error, misstatement, misleading statement, misrepresentation, omission, neglect, breach of warranty of authority or other act attempted or committed by any or all of the Directors when acting or serving in that capacity. The limit of indemnity is £5m.

EQUAL OPPORTUNITIES

The Company has complied with the equal opportunities policies of the Council, as the ultimate owner of the Company, that in summary are:

- Everybody should have an equal opportunity to contribute to and benefit from society.
- A diverse community is a positive asset to the City.

PARENT COMPANY

Coventry Municipal Holdings Ltd became the parent company on 5th November 2021. There was no change in ownership of the company throughout the year or since the balance sheet date.

**REPORT OF THE DIRECTORS
for the year ended 31 March 2024**

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

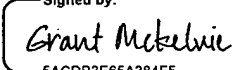

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

The auditors, Luckmans Duckett Parker Limited, will be proposed for re-appointment at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COVENTRY TECHNICAL RESOURCES LIMITED

Opinion

We have audited the financial statements of Coventry Technical Resources Limited (the 'company') for the year ended 31 March 2024 which comprise the Income Statement, Balance Sheet, Statement of Changes in Equity and Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 'Reduced Disclosure Framework' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 March 2024 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The directors are responsible for the other information. The other information comprises the information in the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Directors has been prepared in accordance with applicable legal requirements.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
COVENTRY TECHNICAL RESOURCES LIMITED**

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemption from the requirement to prepare a Strategic Report or in preparing the Report of the Directors.

Responsibilities of directors

As explained more fully in the Directors' Responsibilities Statement set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF COVENTRY TECHNICAL RESOURCES LIMITED

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to designing audit procedures by tailoring and directing testing to aid and support the determined level of risk. In response, the procedures we perform to determine the level of risk include:

- reference to history and experience of the Entity; and
- enquiry of management, including obtaining and reviewing supporting documentation concerning the Entity's procedures relating to:
 - identifying and complying with laws and regulations and whether they were aware of any instances of non-compliance; and
 - detection and response to risk of fraud and whether they were aware of any actual or suspected instances of fraud; and
 - assessment of the controls and processes that the Entity has in place to mitigate risk.

Our assessments included the identification of the following potential areas for fraud:

- management override of control; and
- revenue recognition, particularly in respect of rendering of services

These procedures, and the extent to which they are capable of detecting irregularities, including fraud, are detailed below:

- critically assessed the appropriateness and testing the application of the revenue and cost recognition policies; and
- testing the appropriateness of accounting estimates, journals and other adjustments made in the preparation of the financial statements; and
- reviewing the Entity's accounting policies for non-compliance with relevant standards; and
- making enquiries of management and reviewing correspondence with the relevant authorities to identify any irregularities or instances of non-compliance with laws and regulations.

In performing an audit in accordance with UK GAAP, we exercise professional judgement and maintain professional scepticism throughout the audit process.

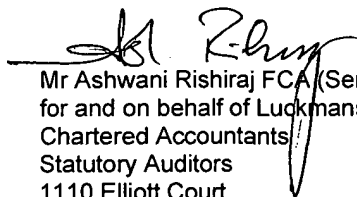

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion or override of internal controls. There are inherent limitations in the audit procedures performed.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS - continued
for the year ended 31 March 2024**

2. ACCOUNTING POLICIES - continued

Turnover

Revenue is recognised at the fair value of the consideration received or receivable net of VAT and trade discounts. Revenue is reduced for estimated customer returns, rebates and other similar allowances. The policies adopted for the recognition of revenue are as follows:

Rendering of services

Revenue from providing services, where performance obligations are satisfied over time, is recognised in the accounting period in which the services are rendered as this represents the way that control passes to customers. In case of fixed-price contracts, the customer pays the fixed amount based on a payment schedule which has usually been set to be broadly aligned with the volume of work performed. If the services rendered exceed the payments, a contract asset is recognised. If the payments exceed the services rendered, a contract liability is recognised.

Financial instruments

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets

The company's financial assets relate to trade and other receivable and cash and cash equivalents. Trade and other receivables are classified as loans and receivables and are measured initially at fair value plus transaction costs and are carried subsequently at amortised cost under the effective interest method, less provision for any impairment. Any change in their value through impairment or reversal of impairment is recognised in the statement of comprehensive income. There are no financial assets classified as fair value through the statement of comprehensive income or as held to maturity or available for sale.

Financial liabilities

Financial liabilities, which include bank loans, overdrafts and trade and other payables are initially measured at fair value net of transaction costs under the effective interest method and thereafter at amortised cost. Finance charges are accounted for on an accruals basis in the statement of comprehensive income using the effective interest method.

Taxation

Current taxes are based on the results shown in the financial statements and are calculated according to local tax rules, using tax rates enacted or substantially enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Employee benefit costs

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the income statement in the period to which they relate.
