Report title: Determination of School Terms and Holidays – 2027/28

1. Context (or background)

- 1.1. Under Section 32 of the Education Act 2002 in the case of a community, voluntary controlled, or community special school, or a maintained nursery school; the Local Authority (LA) is required to determine the dates when the school terms and holidays are set, and the governing body is required to determine the times of the school sessions. Governing bodies are required to set term and holiday dates in foundation and voluntary aided schools. The relevant academy trust is responsible for setting the duration of the school year and term and holiday dates for academies and free schools.
- 1.2. Generally, a standard set of holiday dates adopted by all Coventry schools will be better for school attendance, the organisation of admissions to Year Reception & Year 7, and for parents and carers arranging childcare and transport. All Coventry schools will be requested to adopt the proposed term dates to ensure this continuity.
- 1.3. The Coventry City Council principles and protocols for term dates, following the national guidance, were taken into account when setting the option for consideration:
 - A school year is 195 days, with 190 pupil days and 5 teacher days;
 - 4 teacher days are to be determined by individual schools, with 1 being set by the Local Authority
 - Statutory holidays are observed;
 - Schools (especially Secondary) prefer full weeks of teaching where possible;
 - Schools prefer a full week break at half-term and two full weeks at Easter and Christmas; and
 - Half-term holidays are set at the same time as those of neighbouring local authorities where possible.

2. Options considered and recommended proposal.

- 2.1. The Cabinet Member for Education and Skills is recommended to:-
 - 1) Consider the outcome of the consultation on School Terms and Holidays and agree a calendar for 2027/28;
 - 2) Adopt the School Terms and Holiday calendar for 2027/28 set out in appendix 1; and
 - 3) Invite the Catholic and Church of England Diocesan Authorities and the Governors of Trust Schools and Academies to recommend the same calendar for their schools.
- 2.2. The full details of the proposed term dates for 2027/28 can be found in Appendix 1.
- 2.3. The protocols in paragraph 1.3 were complied with in the proposed option.

- 2.4. As part of a priority to align term dates with neighbouring authorities, Coventry has liaised with local authorities in the West Midlands region regarding their proposed term dates for 2027/28. Where term dates have previously differed across local authority borders, this has caused logistical difficulties, such as childcare for children who have different holiday dates. Additionally, in previous consultations, headteachers have expressed a preference for school holidays to be set at the same time as those of neighbouring authorities. Therefore, the Local Authority is proposing one set of term dates for 2027/28, which are the same as those either proposed or published by other local authorities within the West Midlands region – including the bordering local authorities, Warwickshire and Solihull.
- 2.5. In previous years, teachers have expressed their preferences that pupils should have enough time in school after Easter to prepare for summer exams and expressed a preference for equal term lengths where possible.
- 2.6. The table below shows the term lengths for the proposed option. The dates consulted on as the proposed option were those agreed by the West Midlands Regional Group, and those either proposed or published by other local authorities within the West Midlands region – including the bordering local authorities, Warwickshire and Solihull.

Term	Dates	Days per term
Autumn Term 1	1 st September to 22 nd October 2027	38
Autumn Term 2	1 st November to 17 th December 2028	35
Spring Term 1	4 th January to 11 th February 2028	29
Spring Term 2	21 st February to 7 th April 2028	35
Summer Term 1	24 th April to 26 th May 2028	24
Summer Term 2	5 th June to 20 th July 2028	34

- 2.7. Term one is 73 days in length (inclusive of the Inset Day), term two is 64 days and term three is 58 days. It is noted that the Christmas and Easter holiday dates have been proposed around bank holidays to allow for full weeks of teaching as per the protocols outlined in para 1.3.
- 2.8. Having met the criteria in the protocols outlined in paragraph 1.3, and preferences given from previous consultations in paragraphs 2.3 - 2.5, the proposed option above was consulted upon.
- 2.9. Following agreement at the West Midlands Regional Group, Coventry, alongside the neighbouring authorities of Warwickshire and Solihull all concluded their consultations and propose adopting the term dates as outlined above.

3. Results of consultation undertaken

- 3.1. The consultation ran for 8 weeks from 6th October until 1st December 2025. Consultation documentation was shared with headteachers and governing bodies of Coventry schools and academy trusts, and Trade Unions. It was also available on the Coventry City Council Let's Talk Coventry webpage. A total of 50 responses were received to the consultation. In total, 36 (72%) agreed with the proposed term dates and 14 (28%) did not. A large proportion of responses were from parents/carers (33.3%) and teachers (23.5%) with Headteachers, other school staff and a Trade Union representative also commenting.
- 3.2. Respondents were invited to provide any additional comments if they did not agree with the proposed term dates. There were a number of reasons stated, with the main reason being consideration for a reduction in the summer term holiday length, which would shorten the Autumn term as respondents felt this was a particularly long term; by adding an extra week to the Autumn break in October. Increasing this holiday and reducing the summer break has been discussed recently at the West Midlands Regional Group meeting, but this isn't something the collective group wish to take forwards at this time, including neighbouring Local Authorities Warwickshire & Solihull. Previous consultation feedback was for Coventry to align term dates with Warwickshire and Solihull as closely as possible. There was also feedback on holidays to align with neighbouring/nation-wide authorities.
- 3.3. Through consultation, the majority of responses were positive. Previous consultations have highlighted the importance of aligning term dates with bordering and other neighbouring authorities. Local authorities within the West Midlands (including the bordering local authorities, Warwickshire and Solihull) have proposed or published these dates.

4. Timetable for implementing this decision.

- 4.1. When the Cabinet Member decision becomes effective, schools will be informed of the approved school terms and holidays calendar for 2027/28. The approved calendars will also be published on the City Council website.
- 4.2. Catholic and Church of England Diocesan Authorities, governors of voluntary aided schools, governors of trust schools, free schools and academy trusts will also be informed and invited to recommend the same calendar for their schools.

5. Comments from the Director of Finance and Resources (Section 151 Officer) and the Director of Law and Governance

5.1. Financial Implications

There are no financial implications associated with this report.

5.2. Legal Implications

Section 32 of the Education Act 2002 requires the local authority in England to determine the dates when the school terms and holidays are to begin and end for community, voluntary controlled, community special school or a maintained nursery

school. Under this provision in s.32 Education Act 2002, the governing body is also required to determine the times of the school sessions.

Additionally, the governing body in the case of foundation, voluntary aided, special schools and academies are required to determine school terms and holidays dates and school sessions, as well as the times of the school sessions.

The corresponding provisions for fixing term and holiday periods in Wales are set out in s.32A Education Act 2002.

6. Other implications

6.1. How will this contribute to the One Coventry Plan

The Local Authority is required to determine the dates when the school terms and holidays are to begin and end for community, voluntary controlled, community special schools, and maintained nursery schools. Appropriate school term and holiday dates can increase attendance and aid curriculum planning therefore helping raise pupil achievement.

In line with the One Coventry Plan priority Improving outcomes and tackling inequalities within our communities, consultation feedback has highlighted the length of terms can directly impact pupils education outcomes and attendance.

6.2. How is risk being managed?

Current legislation on the number of teaching sessions has been complied with. Consultation documentation was shared with headteachers and governing bodies of Coventry schools and academy trusts and Trade Unions, and responses invited from all. Trade Unions were asked to consider the calendar options to ensure that the options were acceptable to their members.

6.3. What is the impact on the organisation?

6.3.1. Centrally employed staff on Teachers Pay and Conditions will have their holiday pattern determined by this consultation.

6.4. Equalities / EIA?

6.4.1. Although all the views of different groups are considered in setting term dates, government legislation and the protocols given in paragraph 1.3 limit the flexibility of the dates for school terms and holidays. Before the start of the consultation on 2027/28 term dates, Warwickshire, Solihull, and West Midlands local authorities were consulted to find out if there were any issues they believed would affect setting the school term and holiday dates. No specific equalities issues were identified through this process.

6.4.2. The consultation on the Coventry 2027/28 term dates took place from 6th October until 1st December 2025. The consultation aimed to establish the views of

parents/carers, headteachers, teachers, governors, other school and academy trust employees and trade unions.

6.4.3. The consultation document was sent to headteachers and governing bodies of Coventry schools and academy trusts and Trade Unions for wider circulation to parents/carers, school/trust employees and Diocesan Boards of Education. The consultation documentation was also available on the Let's Talk Coventry webpage, and available in other formats and languages on request.

6.4.4. The responses mainly reflected the views of parents/carers, headteachers, teachers, governors and Trade Unions, and did not raise any equality issues.

6.5. Implications for (or impact on) climate change and the environment?

None

6.6. Implications for partner organisations?

It is desirable to align school holidays with those of neighbouring local authorities to minimise the difficulties to families such as those where parents/carers work or live in a different authority to that of the school attended by their children or where siblings attend schools in different authorities. It is noted that Warwickshire and Solihull have concluded their consultations and have adopted the term dates that are the same as those proposed for Coventry.
