PART 1: SUMMARY AND EXPLANATION

1. The Council's Constitution

1.1. Coventry City Council has a Constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that decisions are efficient, transparent, and accountable to local people. Some of these processes are required by the law, while others are a matter for the Council to choose.

1.1. The purpose of the Constitution is to ensure that the Council's decision-making and governance arrangements help the Council to achieve its corporate aims, objectives and priorities effectively and efficiently. It also ensures that the Council meets its legal duties.

2. Corporate Objectives and Values

2.1. Coventry – proud to be a city that works...

- for jobs and growth
- for better pavements, streets and roads
- to support and celebrate our young people
- to protect our most vulnerable residents

2.2. We're proud to do this by...

- being honest, fair and transparent when we make decisions
- working with residents, communities and partners to get things done
- celebrating all that's good about our city and its future.

2.3. The Council's current corporate objectives and priorities are set out in its One Coventry Plan. This is available on the Council's website at www.coventry.gov.uk

3. What's in the Constitution?

3.1. The Constitution is divided in 6 parts that govern how it operates.

3.2. This part provides a summary and explanation of how the Council operates, including through any joint arrangements with other authorities. Part 2 sets out the Scheme of Delegation to committees, officers and through the Cabinet. Part 3 sets out the Rules and Procedures through which the Council operates and Part 4 Relevant Codes and Protocols. Towards the

end there is the Scheme of Members' Allowances in Part 5 as well as the Management Structure for the Authority in Part 6.

4. How the Council Operates

- 4.1. The Council consists of 54 Councillors (sometimes known as “members”) with one third elected three years in four, usually on the first Thursday in May. In the fourth year, there are not normally local elections. There may be a by-election at any time (including in the fourth year) if a Council seat becomes vacant during a Councillor's term of office.
- 4.2. Councillors are democratically accountable to residents of their ward. There are 3 Councillors for each ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.
- 4.3. Councillors must follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Ethics Committee has overall responsibility for ensuring training on the Code is available for Members. The Code of Conduct for Elected and Co-opted Members is set out in Part 4.
- 4.4. All Councillors meet together as the Council and this is often called “full Council”. Members of the public are welcome to attend Council meetings. Here Councillors make decisions that are reserved to full Council (see Part 2), decide on some of the Council's policies and set the budget each year.

5. Calendar of Business and Schedule of Meetings

- 5.1. At its annual meeting the Council will approve its planned Calendar of Business and Schedule of Meetings but nothing in this paragraph will prevent amendments being made to the Calendar of Business and Schedule of Meetings during the following 12 months in accordance with Part 3 of the Constitution.
- 5.2. There are three types of Council meeting:
 - the annual meeting
 - ordinary meetings
 - extraordinary meetings

and they will be conducted in accordance with the Council Procedure Rules in Part 3 of this Constitution.

- 5.3. The Council is responsible for electing the Leader who in turn will appoint a Deputy Leader and Cabinet. The Council (through a scrutiny process and

call-in of decisions) is ultimately responsible for holding the Cabinet to account. The role of the Council is set out in Part 2.

6. Interpretation

6.1. The ruling of the Lord Mayor as to the construction or application of this Constitution or as to any proceedings of the Council will not be challenged at any meeting of the Council. Such interpretation will have regard to the purposes of this Constitution.

7. How Decisions are Made

7.1. The Council has decided to adopt a Leader and Cabinet form of Executive. The Executive is a group of Councillors responsible collectively for the executive functions of the Council. The Executive is known as the Cabinet. Individual Members of the Cabinet have responsibility for specific functions allocated to them by the Leader.

7.2. The Cabinet is the part of the Council which is responsible for developing the policies and strategies of the Council and most of the decisions on service provision. The Cabinet is made up of the Leader, a Deputy Leader and, in accordance with legislation, up to eight other Cabinet Members appointed by the Leader. The Leader may also appoint Deputy Cabinet Members to assist Cabinet Members in their roles.

7.3. When major decisions are to be discussed or made, these are published in the Cabinet Notice of Key Decisions (which is available on the Council's website) insofar as they can be anticipated. If these major decisions are to be discussed at a meeting of the Cabinet, this will generally be open for the public to attend except where exempt or confidential matters are being discussed. The Cabinet has to make decisions which are in line with the Council's overall policies and budget. If it wishes to make a decision which is outside the budget or policy framework (set out in Part 3), this must be referred to the Council as a whole to decide.

7.4. The Constitution also provides an opportunity to focus decision making so that it enables the Council to:-

- Provide clear leadership to the community in partnership with local people, communities, businesses and other organisations.
- Support the active involvement of local people and local communities in the process of local authority decision making
- Help Councillors represent their constituents more effectively.
- Create a powerful and effective means of holding decision makers to public account.
- Ensure that no one will review or scrutinise a decision in which

they were directly involved.

- Be clear about who is responsible for making specific decisions and that they explain the reasons for decisions.
- Provide a means of improving the delivery of services to the community.

8. Scrutiny

- 8.1. Scrutiny Boards support and challenge the work of the Cabinet and the Council as a whole. They allow residents to have a greater say in Council matters by holding inquiries into matters of local concern. These lead to reports and recommendations which advise the Cabinet, the Council as a whole, and, in some cases, outside agencies on policies, budget, and service delivery. Members of the public may attend except where exempt or confidential matters are to be discussed.
- 8.2. The Scrutiny Co-ordination Committee manages scrutiny business and also monitors the decisions of the Cabinet. Non-Cabinet Members can 'call-in' a decision which has been made by the Cabinet but not yet implemented. The Scrutiny Co-ordination Committee then considers whether the decision is appropriate. It may recommend that the Cabinet reconsider the decision.
- 8.3. Non-Cabinet Members may also be consulted by the Cabinet or the Council on forthcoming decisions and the development of policy.

9. Planning, Licensing and Regulatory, Audit and Procurement, Ethics, Emergency Planning Forum and Other Committees

- 9.1. The Council has established a Planning Committee to deal with planning and development control matters.
- 9.2. The Council has established a Licensing and Regulatory Committee to deal with a range of functions relating to regulatory matters and licensing. Sub-Committees of the Licensing and Regulatory Committee deal with applications under the Licensing Act 2003 and the Gambling Act 2005 and Hackney Carriages and Private Hire (Taxis) Applications.
- 9.3. An Ethics Committee promotes high standards of Councillor conduct and deals with allegations of a breach of the Code of Conduct for Elected and Co-opted Members. There is also an Audit and Procurement Committee, a Coventry Shareholders Committee (a sub-Committee of Cabinet), a Health and Wellbeing Board and an Independent Remuneration Panel to advise on Members' allowances.
- 9.4. The Council has established an Emergency Planning Forum to deal with executive decisions during an emergency and the Council's response to an emergency.

9.5. In addition, Elected Members take part when required in Appeals Committees and Appointment and Advisory Panels.

9.6. All these are explained in more detail in Part 2.

10. Key Roles of Councillors

10.1. The Lord Mayor

10.1.1. Coventry was established as a City in 1346 and has had a Mayor since that time. In 1953 the position of Lord Mayor was created by Royal Charter. The Lord Mayor is the first citizen of the City.

10.1.2. The Lord Mayor is a Councillor who is elected as Lord Mayor by the Council at its annual meeting.

10.1.3. The office of Lord Mayor and Deputy Lord Mayor will be offered to the Councillor who has the longest service and has not previously held the office. If that Councillor declines that offer, then it is offered to the next person in order of length of service. Any Councillor who declines the offer may take up the offer in subsequent years.

10.2. Ceremonial Role

10.2.1. The Lord Mayor, and in their absence the Deputy Lord Mayor, will have the following roles and functions:-

- (b) The office of Lord Mayor of the City of Coventry, together with the resources which the office represents, are intended to benefit both the City and its residents .
- (c) The Lord Mayor, as Coventry's "first citizen", will endeavour to focus engagements on promoting the Council's vision and the One Coventry Plan whilst undertaking this traditional and civic role. To assist in meeting the City's needs, the Lord Mayor will promote the City to ensure it continually strives for prosperity and vitality, promotes equality of opportunity for Coventry residents and builds cohesive communities.

10.2.2. To pursue this Mission the Lord Mayor will:-

- **Command** partnership working with other organisations to provide greater scope for the City.

- Network with those who can bring benefit and prestige to the City.
- Thank those individuals and organisations who have brought success to the City.
- Receive visitors to the City promoting its historic past and exciting future.
- Yield opportunities to represent the City at home, nationally and internationally acting as “Ambassador” for Coventry.

10.2.3. These key factors will be at the forefront of minds as the Lord Mayoralty undertakes its duties and strives to achieve the City Council’s priorities.

10.3. **Additional Role**

10.3.1. In addition to the ceremonial role, the Lord Mayor and, in their absence the Deputy Lord Mayor, will have the following responsibilities:-

- (a) To uphold and promote the purposes of the Constitution, and to interpret the Constitution when necessary.
- (b) To chair and preside over meetings of the Council so that its business can be carried out efficiently and with regard to the rights of Councillors and the interests of the community.
- (c) To ensure that the Council meeting is a forum for the debate of matters of concern to the local community and the place at which Councillors who are not in the Cabinet or who do not sit on committees or hold Chairs are able to hold the Cabinet Members, Chairs of Scrutiny and Committees Chairs to account.
- (d) To promote public involvement in the Council's activities.
- (e) To attend such civic and ceremonial functions as the Council and they consider appropriate.

10.4. **The Deputy Lord Mayor**

10.4.1. The Deputy Lord Mayor will also be elected at the annual meeting of the Council. They will have the following responsibilities:-

- (a) To assist and deputise for the Lord Mayor in carrying out the responsibilities of that office.

- (b) In the absence of the Lord Mayor, to preside over meetings of the Council so that its business can be carried out efficiently and with regard to the rights of Councillors and the interests of the community.
- (c) To attend such civic ceremonial functions as the Council and the Lord Mayor may determine to be appropriate.

10.5. Roles of All Councillors

10.5.1. All Councillors will:-

- (a) collectively be the ultimate policy-makers and carry out a number of strategic and corporate management functions.
- (b) contribute to the good governance of the City and actively encourage community participation and citizen involvement in decision making.
- (c) effectively represent the interests of the communities of the City in their own ward and individual constituents.
- (d) respond to constituents' enquiries and representations, fairly and impartially.
- (e) participate in the governance and management of the Council.
- (f) maintain the highest standards of conduct and ethics and observe the Code of Conduct for Elected and Co-opted Members set out in Part 4 of this Constitution.
- (g) be available to represent the City Council on other bodies; and
- (h) attend meetings of bodies to which they are appointed or, if they are unable to attend, present their apologies with their reason for absence.

10.5.2. Councillors will be entitled to receive allowances in accordance with the Members' Allowances Scheme set out in Part 5 of this Constitution.

10.6. Main Opposition Group and Leader of the Main Opposition Group

10.6.1. The Main Opposition Group is the Political Group that has the numerically largest opposition Group. The Leader of that Group is the Leader of the Main Opposition Group. In the event of there being one than more Group having the same numerically largest number of seats, all of those Groups will be afforded the same rights.

11. The Council's Employees

- 11.1. The Council has people working for it (called 'employees') to give advice, implement decisions and carry out the day-to-day delivery of its services. Some employees have a specific duty to ensure that the Council acts within the law and uses its resources wisely. The Management Structure is set out in Part 6.
- 11.2. Employees must comply with a Code of Conduct which is set out in Part 4.
- 11.3. The recruitment, selection and dismissal of employees will comply with the Employment Procedure Rules set out in Part 3 of this Constitution.

- 12.1. The One Coventry Partnership brings together agencies across the city, building on the existing good links between organisations in the public, voluntary, community and business sectors to work together to find new ways to improve the lives of people who live or work in Coventry, with particular emphasis on helping those neighbourhoods and communities with priority needs.

12.2. Partnership Working

- 12.2.1. The Council will be working with existing partners and creating new partnerships that will assist the Council in fulfilling its corporate vision and objectives. In addition, the way in which the Council delivers some of its services and functions to residents and businesses will change in order to ensure value for money is delivered. In part this will be achieved through more creative and effective partnership working.

14. Residents ' Rights

- 14.1. The Council welcomes the participation of residents in its work.
- 14.2. Residents have a number of rights in their dealings with the Council. Some of these are legal rights, whilst others depend on the Council's own processes. The local Coventry Citizen' Advice and Central England Law Centre can advise on individuals' legal rights.

PART 2A: GENERAL PRINCIPLES

1. Principles of Decision Making

1.1. All decisions should be taken, as far as possible, in accordance with the following principles:-

- (a) There is a presumption in favour of decision-making being open and transparent. All decisions should be taken in public and members of the public should be afforded access to all relevant information (unless the decision concerns confidential or exempt business).
- (b) All appropriate consultation should take place with those affected or likely to be affected by any decision and the body or individual taking the decision should have regard to the outcome(s) of such consultation.
- (c) Decision making should be planned and the public given due notification of forthcoming decisions.
- (d) Decisions must be taken with regard to all relevant considerations and ignoring all irrelevant considerations.
- (e) Decisions should reflect the Council's overall corporate aims and objectives and have regard to any relevant approved policies and procedures of the Council.
- (f) Decisions should be taken only after the decision-making body or individual has obtained and considered professional advice from suitably qualified officers of the Council. If the Council does not have a suitably qualified individual to give the appropriate advice, consideration should be given to obtaining such advice from an external source.
- (g) Any decision taken must be justifiable in terms of being proportionate to the desired outcome – "the principle of proportionality".
- (h) Due regard must be had to any relevant statutory provisions and with respect for human rights protected by the Human Rights Act 1998.
- (i) Due regard must be had to the Council's obligations and desire to promote equality of opportunity and equal treatment.
- (j) Due regard must be had to the Council's desire to improve the quality of life for those working and visiting within the City particularly for those suffering highest levels of deprivation.

- (k) All decisions taken through the political management process should be taken only after a properly constructed report has been presented and considered. The report should make it clear what options were considered and the reason for the decision that was taken.
- (l) In some instances (in case of urgency or where confidential or exempt business is being considered) it may not be appropriate to comply with all these principles. Decision makers must be satisfied that the principles have been complied with as far as practicable and that in all the circumstances it is appropriate to take the decision.

2. Types of Decision

2.1. Under the Constitution, decisions may be taken by:-

- the full Council
- the Cabinet collectively
- individual Cabinet Members
- Committees and sub committees
- Employees

2.2. Under the Constitution, decisions taken by:-

- Scrutiny Boards and Scrutiny Co-ordination Committee
- Advisory Panels
- Appointments Panels

will form recommendations or referrals (as appropriate) to the decision-making bodies listed above.

2.3. Whichever body or individual is responsible for taking a decision, the decision will be formally minuted and recorded and unless it contains confidential or exempt information, will be open to public inspection.

2.4. Decisions relating to the functions listed in Part 2C will be made by the full Council and not delegated.

3. Key Decisions

3.1. A key decision is an executive decision which is likely to:-

- (a) result in the City Council incurring expenditure, making savings or receiving income which is/are significant having regard to the

Council's budget for the service or function to which the decision relates or;

- (b) be significant in terms of its effects on communities living or working in an area comprising 2 or more wards or electoral divisions in the area of the City.

3.2. By the term "significant" the Council means a decision which:-

- (a) results in expenditure, savings, income, additional funding or virement of over £1 million per annum being incurred or achieved and which additionally, in the case of a capital scheme, has not been identified in the "Approved Programme" within the Capital Programme; or
- (b) results in an outcome which will have a marked effect on communities living or working in an area comprising 2 or more wards.

3.3. The following will be deemed not to be key decisions:-

- (a) any decision to implement or take forward an earlier key decision.
- (b) any decision that is non-executive.

3.4. A decision taker may only make a key decision in accordance with the requirements of the Procedure Rules set out in Part 3 of this Constitution.

4. Decision Making by Council Bodies and Individuals

4.1. Council meetings will follow the Council Procedure Rules set out in the Constitution when considering any matter.

4.2. The Cabinet and Cabinet Members will follow the Cabinet Procedure Rules set out in the Constitution when considering any matter.

4.3. Other Council committees and sub-committees will follow those parts of the Council Procedures Rules set out in the Constitution as apply to them.

5. Decision Making by Council Bodies Acting as Tribunals

5.1. The Council, a Council body, a Councillor or an employee may from time-to-time act as a tribunal and exercise quasi-judicial decision making. When so acting, the body or individual will adopt and follow procedures so as to ensure all legal requirements including the rules of natural justice and Human Rights Act are complied with. Details of the procedure applying to any such body can be made available

upon request.

6. Government Consultation Papers

- 6.1. Responses to Government Consultation Papers (unless the Chief Executive determines that they relate to a “technical” issue) shall be agreed by Cabinet Member (where practicable within the timescale) updating the Shadow Cabinet Member.
- 6.2. Where the Government Consultation paper is high profile or of a particular matter of substantial public importance this will be decided by Council (where practicable within the timescale). Where the timescale of a Government Consultation Paper that is high profile or of a particular matter of substantial public importance does not permit consideration by Council, responses shall be decided by Cabinet. Where the timescale of any such Government Consultation Paper does not permit consideration by Cabinet, responses shall be agreed by the Leader, the appropriate Cabinet Member and Chief Executive and appropriate Director following consultation with the appropriate Shadow Cabinet Member. In the last case, the appropriate Cabinet Member has the authority, at their discretion, to refer a consultation to the relevant Scrutiny Board.

7. Allocation of Functions

- 7.1. In this part "Functions of the Executive" will mean functions of the Leader and Cabinet and "Council functions" shall mean functions of the full Council of the City of Coventry comprising its Elected Members and chairperson (or Lord Mayor) and of any committees or sub committees exercising functions on behalf of the full Council.

Section 9D of the Local Government Act 2000 provides that all functions of a local authority shall be functions of the Executive of that authority except in so far as they are reserved to Council by legislation or by regulations made under the Local Government Act 2000. The Local Authorities (Functions and Responsibilities) (England) Regulations 2000 set out those functions:

 - (c) which may not be the sole responsibility of the Executive, where the Council exercises a confirmatory function; and
 - (d) that would otherwise be Executive functions but which fall to be discharged other than by the Executive in prescribed

circumstances, that is when they become Council functions.

7.3. The Council may make arrangements under section 101 of the Local Government Act 1972 for the discharge of certain of its functions by:

- a Committee
- a Sub-Committee
- a Joint Committee
- another local authority
- an employee

7.4. Under section 9E of the Local Government Act 2000, the Leader may make provision that specific Executive functions shall be allocated to, and discharged by:

- the Executive as a body
- an individual member of the Executive
- a Committee of the Executive
- an area committee
- an officer

7.5. Additionally, s.236 Local Government and Public Involvement in Health Act 2007 allows both Council and Cabinet functions to be delegated to individual members on local ward matters. However, at present no such functions are delegated to individual members.

7.6. This Part gives details of the split of functions adopted by the City Council in accordance with the statutory regime.

Health Services are required to consult a local authority's Health Overview and Scrutiny Committee about any proposals they have for a substantial development or variation in the provision of health services in their area. When these substantial developments or variations affect a geographical area that covers more than one local authority, the local authorities are required to appoint a Joint Health Overview and Scrutiny Committee (HOSC) for the purposes of the consultation. Increasingly, proposals from the National Health Service are affecting larger geographical areas.

1.2. These terms of reference set out the arrangements for Coventry City Council and Warwickshire County Council to operate a Joint HOSC Committee within line with the provisions set out in legislation and guidance and allow it to operate both as a mandatory committee and as a discretionary committee.

2. General Terms of Reference

2.1 The Joint Health Overview and Scrutiny Committee will operate formally as a mandatory joint committee i.e. where the councils have been required under Regulation 30 (5) Local Authority (Public Health, Health and Well-being Boards and Health Scrutiny) Regulations 2013 to appoint a joint committee for the purposes of the specified consultation.

2.2 The purpose of the mandatory Joint HOSC is to:

- (c) Require the member or employee of the relevant health service to attend before it to answer questions in connection with the consultation.

2.3 Both participating authorities have retained all other powers, including the ability to refer issues to the Secretary of State.

2.4 The joint response to the consulting health service will be agreed by the Joint Health Overview and Scrutiny Committee and signed by both Chairs.

2.5 At any other time, the Joint Health Overview and Scrutiny Committee can be convened as a discretionary committee with the agreement of

both Committee Chairs. This would allow the Joint Committee to consider relevant issues, but the two local authorities would retain their health scrutiny functions.

- 2.6 No matter to be discussed by the Committee shall be considered to be confidential or exempt without the agreement of both Councils and subject to the requirements of Schedule 12A of the Local Government Act 1972.

3. Timescales & Governance

- 3.1. The Joint Health Overview and Scrutiny Committee will operate as a **mandatory** Committee only while the proposed service changes that affect both areas are considered, that is from the point at which the relevant health body notifies the Joint HOSC of the formal consultation timetable and the point at which a decision is taken.
- 3.2. The responsibility for chairing meetings will alternate between Coventry and Warwickshire, the Health Scrutiny Chair of the hosting authority to chair the meeting. The location of meetings is to rotate between the two authorities. In the absence of a meeting Chair, the Chair of the other Authority, if present, takes the chair, and in the absence of both Chairs, a Chair will be elected from those members present at the meeting.
- 3.3. Meetings of the Joint HOSC will be conducted under the Standing Orders of the host Local Authority (i.e. the Local Authority chairing the meeting and providing democratic services support).

4. Communication with Media

- 4.1. Should a press statement or press release need to be made by the Joint Health Overview and Scrutiny Committee, this will be drafted by the host Local Authority on behalf of the Committee and will be agreed by both Chairs.

Responsibility for administrative/ policy support and clerking arrangements is also to be alternated between the two Authorities. Leader.

- 9.2. No Motions on Notice will be allowed at the February Council Tax/Budget setting meeting.

The proposer and seconder will not be entitled to vote unless either of them is a member of the Body.
- 9.9. If a Motion is made in pursuance of a notice of Motion which would increase expenditure of the City Council, or reduce income to the City Council, then the Motion will be regarded as tentative only and will be referred by the City Council to the appropriate Body for them to consider and make their views known to the City Council before formal approval is given.

- 9.10. The tentative decision will be included in the summons for the next appropriate meeting of the City Council where the City Council may confirm, amend or rescind it, having regard to the views of the appropriate Body.

Monitoring Officer before it is further discussed or put to the meeting. A copy of any amendment(s) will be circulated to all members at the meeting when the amendment(s) has/have been moved and seconded. Every amendment must be the subject of a vote unless the amendment, having been moved and seconded, is withdrawn by the proposer.

- 15.3. A Councillor intending to move an amendment will declare that intention, together with the wording of the amendment and the name of the Councillor then present in the meeting who has agreed to second the amendment, within three minutes of starting to speak in the debate on a Motion. Once the amendment has been moved and seconded the debate is then on the amendment. The Councillor named to second the amendment will, immediately upon being so named, indicate their agreement to this to the Lord Mayor by show of hand. The mover of the amendment may thereupon continue to speak, provided that, in total, the length of his or her speech will not exceed five minutes.
- 15.4. If the mover of an amendment does not, for whatever reason, name their seconder as prescribed in Rule 15.3 or, if the named seconder fails to indicate agreement by show of hand, the mover of the amendment will speak for no more than three minutes and will then sit. The Lord Mayor will then call for a seconder of the amendment. If any Councillor present seconds the amendment, the mover of the amendment will have the right to resume their speech for a further period not exceeding two minutes. If no Councillor present seconds the amendment, the mover of the amendment will not speak further upon the amendment.
- 15.5. The mover of an original Motion will have the right of reply at the close of a debate upon the recommendation immediately before either it is put to the vote or before a Motion is put that:-

- "the question now be put"

- "the debate be now adjourned" or
 - "that the Council so now proceed to the next business"
- 15.7. A Councillor, when seconding a Motion or an amendment, may reserve their right to speak until later in the debate provided that the Councillor clearly signifies their intention to do so.
- 15.8. A Councillor may speak once in relation to any Motion; and once more in relation to any amendment to that Motion; and once more in relation to each and every further amendment in any debate. This is in addition to any right of reply on a point of order or by way of personal explanation. All contributions to any debate must refer directly to the Motion or the amendment before the Council.
- 15.9. A Councillor, who has not participated in the debate then before the City Council, may, at the conclusion of a speech of another Councillor, move without comment "that the question be now put". On the seconding of that Motion the Lord Mayor (if in his or her opinion the question has been sufficiently discussed) will put this Motion to the vote. If it is carried, the question before the meeting will then be put to the vote following the reserved right to second in Rule 15.6 above and the right of reply in Rule 15.5 above.
- 15.10. A Councillor may move:-
- (a) "that the Council do now adjourn"
 - (b) "that the Council do now proceed to the next business", or
 - (c) "that the debate be now adjourned"

- 15.12. On the seconding of that Motion, if it is the Lord Mayor's opinion that the question has been sufficiently discussed) will put this Motion to the vote. If it is carried, the question before the meeting will then be put to the vote following the reserved right to second in Rule 15.6 above and the right of reply in Rule 15.5 above.
- 15.13. A second Motion "that the Council do now adjourn", "that the Council do now proceed to the next business" or "that the debate be now adjourned" will not be made within a period of 15 minutes unless it is moved by the Lord Mayor or unless some business or subject of debate is before the City Council when the second Motion is moved which was not before the City Council when the first Motion was moved.

- 15.14. On the resumption of an adjourned debate, the Councillor who moved the adjournment will be entitled to speak first.
- 15.15. A Councillor, when speaking must stand and address the meeting through the Lord Mayor unless the Councillor has physical difficulties in doing so, in which case they will receive an automatic dispensation to address the meeting while seated. If more than one Councillor addresses the meeting, the Lord Mayor will ask one to speak and the others will sit. Other Councillors must remain seated whilst a Councillor speaks, unless they wish to make a point of order or of personal explanation (see Rules 15.19 and 15.20).
- 15.16. Except as provided for in Rule 15.14 above, a Councillor moving a Motion or amendment may speak for not more than 5 minutes and other speeches will last no more than 3 minutes.
- 15.17. The time limits referred to Rule 15.13 above will not apply to:-

 - (b) leave out words;
 - (c) add or insert words; or
 - (d) leave out words and add or insert words
- 15.19. But such omissions, insertions or additions of words will not have the effect of negating the Motion before the City Council.
- 15.20. If an amendment is rejected, other amendments may be moved on the original Motion. If an amendment is carried, the Motion as amended will become the Substantive Motion and be the Motion upon which any further amendment may be moved.
- 15.21. A further amendment will not be moved until the City Council has disposed of every amendment previously moved. When an amendment is proposed, the Proposer of the original or amended Motion may decide to accept that amendment. Should the Proposer

accept the amendment, then the wording contained in the amendment will be incorporated into the original or amended Motion and will be treated as part of the Motion then under debate. Where an amendment is accepted, the right of reply of the Mover of the amendment set out in Rule 15.5 will not apply.

- (j) As (e) above.
- (k) Any further amendments will be moved in the order in which the proposer is seen by the Lord Mayor.
- (l) When there are no more amendments, the debate on the substantive Motion takes place and the vote is taken.

15.23. Notes:

- In accordance with the Council Procedure Rules, the mover of the original Motion (or substantive Motions if the original Motion is amended) is entitled to speak on any amendment immediately before the reply by the mover of the amendment.
- Should adjournments be necessary during the course of the meeting, rooms will be made available.
- If the proposer of the recommendation is not the Leader of the Council, then the Leader of the Council will be given one opportunity for a speech that is not time limited.

- 17.3. Rule 17.2 does not apply to a Motion to remove the Leader from the role of Leader.

18. Voting

- 18.1. The vote on every question will be taken by the voice, except whereby law or in these Rules it is otherwise provided, but if the Lord Mayor is unable to decide upon the voices or if any two Councillors challenge their decision thereon, the vote will be taken by a show of hands. Councillors are required to be seated in their allocated position when the vote is taken.
- 18.2. If, before the Lord Mayor finally declares the result of the vote (whether taken by the voice or by show of hands), any 2 Councillors require a recorded vote, this will supersede any vote taken under 18.1 above.
- 18.3. A recorded vote will be taken immediately afterwards and recorded in the minutes. A Councillors vote will only be recorded if the Councillor personally answers "For", "Against" or "Abstain" immediately after their name is called by the Monitoring Officer.
- 18.4. Where any Councillor requests it immediately after the vote is taken, their vote will be so recorded in the minutes to show whether they voted for or against the Motion or abstained from voting.
- 18.5. A recorded vote will be required at a meeting of the Council on Motions, amendments or substantive Motions relating to the approval of the budget or setting of council tax, whereby there shall be recorded in the minutes the names of the Councillor who cast a vote for the Motion/amendment or against the Motion/amendment or who abstained from voting. As this is a mandatory standing order under the Local Authorities (Standing Orders) Regulations 2001, it cannot be suspended under Council Procedure Rule 23.

- 18.6. In the case of an equal number of votes, the Lord Mayor will have a casting vote in addition to their vote as a Councillor.

NB. As a matter of convention, at full Council meetings only where there are an equal number of votes, the Lord Mayor will cast their casting vote in favour of the largest Political Group represented on the Council.

- 18.7. If there are more than two people nominated for any position to be filled and there is not a clear majority of votes in favour of one person, then the name of the person with the least number of votes will be taken off the list and a new vote taken. The process will continue until there is a majority of votes for one person.

19. Minutes

- 19.1. The minutes of every meeting of the City Council will be reproduced and a copy sent before the next subsequent meeting to each Councillor. - 19.2. Where in relation to any meeting, the next meeting for the purpose of signing the minutes is a meeting called under paragraph 3 of Schedule 12 to the Local Government Act 1972 (an Extraordinary Meeting), then the next following meeting (being a meeting called otherwise than under that paragraph) will be treated as a suitable meeting for the purposes of paragraph 41(1) and (2) of Schedule 12 relating to signing of minutes.

- 21.3. If the Councillor continues to behave improperly after such a Motion is carried, the Lord Mayor may move that either the Councillor leaves

the meeting or that the meeting is adjourned for a specified period. If seconded, the Motion will be voted on without discussion.

- 21.4. In the event of general disturbance which, in the opinion of the Lord Mayor renders the due and orderly despatch of business of the meeting impossible, the Lord Mayor (in addition to any other power invested in the Lord Mayor) may, without question, adjourn the meeting for such period as they in their discretion consider expedient.
- 21.5. In accordance with Rule 7.5, if Members are required to leave the meeting under Rule 21.3 their leaving the meeting will affect the quorum.

The Common Seal will be attested by the signature (including the facsimile of the signature by whatever process reproduced) of the Monitoring Officer or some other person authorised to do so. NOTE:

10.5. Public Interest

10.5.1. In each case before information can be exempt the Council must be satisfied that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. The changes bring the exemptions and access to information into line with those exemptions available under the Freedom of Information Act 2000.

10.5.2. There is no legal definition of what the public interest test is but the following identifies some of the relevant considerations.

- The public interest in disclosure is particularly strong where the information in question would assist public understanding of an issue that is subject to current national debate.
- The issue has generated public or parliamentary debate.
- Proper debate cannot take place without wide availability of all the relevant information.
- The issue affects a wide range of individuals or companies.
- The public interest in a local interest group having sufficient information to represent effectively local interests on an issue.
- Facts and analysis behind major policy decisions.
- Knowing reasons for decisions.
- Accountability for proceeds of sale of assets in public ownership.
- Openness and accountability for tender processes and prices.
- Public interest in public bodies obtaining value for money.
- Public health.

- Contingency plans in an emergency.
- Damage to the environment.

11. Exclusion of Access by the Public to Reports

11.1. If the Monitoring Officer thinks fit, the Council may exclude access by the public to the whole or any part of a report which in his or her opinion relates to items during which, in accordance with Rule 10, the meeting is likely not to be open to the public. Such reports will be marked "Not for Publication" together with the category of information likely to be disclosed. To allow the public access to all public information contained in reports, all private reports must be accompanied by a corresponding public report, unless there are extreme exceptional circumstances.

12. Application of Rules to the Cabinet and Cabinet Members and Employees

12.1. Rules 12 to 21.1 apply to the Cabinet and, where indicated, to executive decisions taken by individual Cabinet Members and employees. If the Cabinet meets to take a key decision, then Rules 1 to 11 must also be complied with unless Rule 15 (general exception) or Rule 16 (special urgency) apply.

12.2. A key decision is as defined in Part 2A of this Constitution as one which is likely to:-

- (a) result in the City Council incurring expenditure, making savings, or receiving income which is/are significant having regard to the Council's budget for the service or function to which the decision relates; or
- (b) be significant in terms of its effects on communities living or working in an area comprising 2 or more wards or electoral divisions in the area of the City;

12.3. By the term "significant" the Council means a decision which:-

- (a) results in expenditure, savings, income, additional funding or virement of over per £1 million per annum being incurred or achieved and which additionally, in the case of a capital scheme, has not been identified in the "Approved Programme" within the Capital Programme; or
- (b) results in an outcome which will have a marked effect on communities living or working in an area comprising 2 or more wards.

Part 3B - Access to Information Procedure Rules

12.4. Any decision to implement or take forward an earlier key decision will be deemed not to be a key decision.

12.5. This requirement does not include meetings held solely to brief Councillors.

13. Procedure before Taking Key Decisions

13.1. Subject to Rule 15 (general exception) and Rule 16 (special urgency), a key decision may not be taken unless:

15. General Exception for Key Decisions

- 15.1. Where it is impracticable to include a matter which is likely to be a key decision in the document referred to in Rule 13, then subject to Rule 16 (special urgency), the decision may still be taken if:

- (b) the Monitoring Officer has made a copy of that notice available to the public at the offices of the Council and published it on the Council's website; and
- (c) at least 5 clear working days have elapsed following the day on which the the Monitoring Officer complied with (b) and (c).

- 15.2. As soon as reasonably practicable after the Monitoring Officer has complied with Rule 15.1, he or she must make available at the offices of the Council and publish on the Council's website a notice setting out the reasons why compliance with Rule 13 is impracticable.

- 15.3. Where such a decision is taken by the Cabinet collectively, it must be taken in public.

16. Special Urgency for Key Decisions

- 16.1. The power to require a report rests with the Board, but is also delegated to the Chief Executive, who will require such a report on behalf of any Scrutiny Board when so requested by the Chair or any 5 members of that Scrutiny Board. Alternatively, the requirement may be raised by resolution passed at a meeting of the relevant Scrutiny Board.

17.2. Cabinet Report to Council

- 17.2.1. The Cabinet will prepare a report for submission to the next available meeting of the Council. However, if the next meeting of the Council is within 7 days of receipt of the written notice, or the resolution of the Scrutiny Board, then the report may be submitted to the next meeting after that. The report to Council will set out particulars of the decision, the individual or body taking the decision, and if the Cabinet is of the opinion that it was not a key decision, the reasons for that opinion.

17.3. Reports on Special Urgency Decisions on Key Decisions

- 17.3.1. Where there is no Chair of the relevant Scrutiny Board or he or she is unable to act, the agreement of the Lord Mayor will be sought and where there is no Lord Mayor, the agreement of the Deputy Lord Mayor will be sought.

PART 3C: BUDGET AND POLICY FRAMEWORK PROCEDURE RULES

1. The Framework for Executive Decisions

- 1.1. The full Council will be responsible for the adoption of the Budget & Policy Framework as set out in Part 2A, Section 3. Once the Framework is in place it will be the responsibility of the Cabinet to implement it.

2. Process for Developing the Framework

- 2.1. The Cabinet will publicise by including in the Key Decision Document referred to in Part 3B, Rule 13, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the Budget & Policy Framework, and its arrangement for consultation after publication of these initial proposals. The consultation period shall in each instance be no less than 8 weeks. A copy of the Key Decision Document will also be sent to the Chairs of the Scrutiny Boards so that they are aware that proposals are to be made.
- 2.2. At the end of the consultation period, Cabinet will then draw up firm proposals having regard to the responses it has received to the consultation. If a Scrutiny Board wishes to respond to the Cabinet in that consultation process, then it may do so. As the Scrutiny Boards have responsibility for fixing their own work programme, it is open to the Scrutiny Board to investigate research or report in detail the policy recommendations before the end of the consultation period. The Cabinet will consider responses from the Scrutiny Boards and take those into account in drawing up firm proposals for submission to the Council and the Cabinet report to Council will reflect the comments made by consultees and the Cabinet's response.
- 2.3. Once the Cabinet has approved the final proposals the Director of Finance and Resources as Section 151 Officer will refer them at the earliest opportunity to the full Council for decision.
- 2.4. In reaching a decision the Council may adopt the Cabinet's proposals, amend them, refer them back to the Cabinet for further consideration or, in principle, substitute its own proposals in their place.
- 2.5. If it accepts the recommendations of the Cabinet without amendment, the Council may make a decision which has immediate effect. Otherwise it may only make an "in principle" decision. In either case the decision would be made on the basis of a simple majority of votes cast at the meeting. Council Procedure Rule 18.5 in Part 3A of this Constitution will apply to the recording of votes taken relating to the approval of the budget or setting the council tax.

- 2.6. A copy of the Council decision shall be given to the Leader.
- 2.7. An "in principle" decision will automatically become effective 7 days from the date of the Council decision unless the Leader informs the Monitoring Officer writing within 5 days of the decision that she/he objects to the decision becoming effective and provides reasons why.

3. Conflict Resolution Mechanism

- 3.1. Where the Leader has objected, on behalf of the Cabinet, to an in-principle decision of the Council, under Rule 2.7 above, the City Solicitor will within 7 days call a meeting of the full Council. This meeting should take place as soon as possible after the expiry of the 7-day period and, in any event, within 28 days of the original decision. At that meeting the Council will be required to reconsider its decisions together with any further information or documentation which may be submitted by the Leader. The Council may:-
- (a) approve the Cabinet's recommendation by a simple majority of votes cast at the meeting; or
 - (b) approve a different decision which does not accord with the recommendation of the Cabinet by a simple majority of votes cast at the meeting.
- 3.2. The decision shall then be made public and shall be implemented immediately.

4. Virements and Policy Changes

- 4.1. In approving the Budget & Policy Framework the Council will also specify the extent of the virement within the budget and the degree of in year changes to the Policy Framework which may be undertaken by the Cabinet in accordance with Rules 5 and 6 of these Rules and in accordance with any thresholds established by the Financial Procedure Rules. Any other changes to the Policy and Budgetary Framework are reserved to full Council.

5. Decisions outside the Budget & Policy Framework

- 5.1. Subject to the provisions of Rule 4 (Virements and Policy Changes) the Cabinet, Cabinet Members, and officers discharging executive functions may only make decisions which are in line with the Budget and Policy Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy Framework or contrary to and not wholly in accordance with the budget approved by full Council then that decision may only be taken by the Council subject to Rule 6 below.

- 5.2. If the Cabinet, Cabinet Members, or officers discharging executive functions wish to make such a decision then they must take advice from the Monitoring Officer and/or the Director of Finance and Resources as Section 151 Officer as to whether the decision they want to make would be contrary to the Policy Framework, or contrary to or not wholly in accordance with the budget. If the advice of either of those officers is that the decision would not be in line with the existing budget and/or Policy Framework then the decision must be referred by that body or officer to full Council for decision, unless the decision is a matter of urgency, in which case the provisions of Rule 6 (Urgent Decisions outside the Budget & Policy Framework) shall apply.

6. Urgent Decisions outside the Budget & Policy Framework

- 6.1. The Cabinet, or a Cabinet Member or officer discharging executive functions may take a decision which is contrary to the Council's Policy Framework or contrary to or not wholly in accordance with the budget approved by full Council if the decision is a matter of urgency. However, the decision may only be taken:-
- (a) if it is not practicable to convene a quorate meeting of the full Council; and
 - (b) the Chair of the Scrutiny Co-ordination Committee, or Deputy, agrees that the decision is a matter of urgency.
- 6.2. The reasons why it is not practicable to convene a quorate meeting of full Council and the Chair of the Scrutiny Co-ordination Committee's, or their deputy, consent to the decision being taken as a matter of urgency, must be noted on the record of the decision. In the absence of the Chair of the Scrutiny Co-ordination Committee and their Deputy then the consent of the Lord Mayor, or in their absence, the Deputy Lord Mayor, shall be sufficient.
- 6.3. Following the decision the decision taker will provide a full report to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

7. In Year Changes to Policy Framework

- 7.1. The responsibility for agreeing the Budget & Policy Framework lies with the Council and decisions by the Cabinet, Cabinet Member or officers must be in line with it. No changes to any policy and strategy which make up the Policy Framework may be made by those bodies or individuals except those changes:-
- (a) which will result in the closure or discontinuance or reduction of a service or part of a service to meet a budgetary constraint;

- (b) necessary to ensure compliance with the law, ministerial direction or government guidance;
- (c) in relation to the Policy Framework in respect of a Policy which would normally be agreed annually by the Council following consultation but where the existing Policy document is silent on the matter under consideration;
- (d) which relate to Policy in relation to schools where the majority of School Governing Bodies agree with the proposed change;
- (e) where the Chair of the Scrutiny Co-ordination Committee or in his/her absence their Deputy, agrees that the proposed change is sufficiently minor in the context of the Policy concerned and is an appropriate change in the circumstances;
- (f) where, when approving the Framework, the Council gave specific authority to the Cabinet to make in-year changes.

8. Call-in of Decisions outside the Budget or Policy Framework

- 8.1. Where a Scrutiny Board is of the opinion that an Executive decision is, or if made, would be contrary to the Policy Framework or not wholly in accordance with the Council's budget then it shall seek advice from the Monitoring Officer or Director of Finance and Resources as S151 Officer.
- 8.2. In respect of functions which are the responsibility of the Executive, the Monitoring Officer's report and/or the Director of Finance and Resources report shall be given to the Executive with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Executive must meet to decide what action to take in respect of the Monitoring Officer's report and to prepare a report to Council in the event that the Monitoring Officer or the Director of Finance and Resources conclude that the decision was a departure, and to the Scrutiny Board if the Monitoring Officer or the Director of Finance and Resources conclude the decision was not a departure.
- 8.3. If the decision has yet to be made, or has been made but not yet implemented, the advice from the appropriate officer is that the decision is, or would be, contrary to the Policy Framework or not wholly in accordance with the budget, the Scrutiny Board may refer the matter to Council. In such cases, no further action shall be taken in respect of the decision or its implementation until the Council has met and considered the matter. The Council shall meet within 28 days of the request by the Scrutiny Board. At the meeting it will receive the report of the decision or proposals and the advice of the officer. The Council may either:-

Part 3C – Budget and Policy Procedure Rules

- (b) amend the Council's Financial Procedure Rules, Financial Regulations or Policy concerned to encompass the decision or proposal of the body or individual responsible for that Executive function and agree to the decision with immediate effect. In this case, no further action is required save the decision of the Council be minuted and circulated to all Councillors in the normal way; or
- (c) where the Council accepts the decision or proposal is contrary to the Policy Framework or not wholly in accordance with the budget and does not amend the existing Framework to accommodate it, require the Executive to reconsider the matter in accordance with the advice of either the Monitoring Officer or Director of Finance and Resources.

- 2.1. At its Annual Meeting the Council will receive a report from the Leader on the delegations of executive functions made by them for inclusion on the Council's scheme of delegation at Part 2 to this Constitution. The scheme of delegation will contain the following information about Cabinet functions in relation to the coming year.
 - (a) The names and wards of the people appointed to the Cabinet;
 - (b) The extent of any authority delegated to Cabinet Member individually including details of the limitation of their authority;
 - (c) The nature and extent of any delegation of Cabinet functions to any other authority or any joint arrangements and the names of those Cabinet Members appointed to any joint committee for the coming year; and
 - (d) The nature and extent of any delegation to employees with details of any limitation on that delegation, and the title of the employee to whom the delegation is made.

- 2.2. The Leader is also able to decide whether to delegate Cabinet functions, and they may amend the scheme of delegation relating to Cabinet functions at any time during the year. To do so, the Leader must give written notice to the Monitoring Officer and Council.

3. Sub-delegation of Cabinet Functions

- (a) Where the Cabinet or an individual Cabinet Member is responsible for a Cabinet function, they may delegate further to joint arrangements or an employee.
- (b) Unless the Council directs otherwise, the Cabinet may delegate further to an employee.
- (c) Even where Cabinet functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated.

4. Conflicts of Interest

- (a) Where the Leader has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Elected and Co-opted Members in Part 4 of this Constitution.
- (b) If every Member of the Cabinet has a conflict of interest this should be dealt with as set out in the Council's Code of Conduct for Elected and Co-opted Members in Part 4 of this Constitution.

6. Public or Private Meetings of the Cabinet

- 6.1. The Cabinet or Cabinet Member meetings will be open to the public, unless the nature of the business to be transacted requires the meeting to take place in private in accordance with the Access to Information Procedure Rules detailed in Part 3B.

7. Quorum

- 7.1. The quorum for a meeting of the Cabinet will be 5 Elected Members.

8. How are Decisions to be taken by the Cabinet?

- 8.3. (The Call-In procedure is referred to in Part 3E).

- (a) In any case where the Cabinet or Cabinet Member determines an urgent matter, other than a matter which is a Key Decision as defined in Part 2A, the recorded decision will include the reason for the urgency and the Cabinet or Cabinet Member may be required by Scrutiny to justify why the matter was considered as urgent. Matters determined on this basis are not subject to the Call-In arrangements. In such circumstances, the Chair of the Scrutiny Co-ordination Committee must be invited to attend Meetings where urgent decisions are taken to determine if the matter is urgent. If the Chair of the Scrutiny Co-ordination Committee is unable to attend, then they can appoint a nominee to attend the meeting. However, no decisions can be made unless the Chair of the Scrutiny Co-ordination Committee or their nominee is present at the meeting at which the urgent item is considered. Any reports on which urgent decisions have been made are to be referred to Scrutiny Co-ordination Committee for them to understand the need for urgency, but this will not delay implementation of the urgent decision itself.

- (b) Where an urgent matter is also a Key Decision it will be determined in accordance with the procedures set out in Part 3B, Rules 15 and 16.

- 8.4. The Monitoring Officer or their representative will be present where a Cabinet Member responsible for a portfolio makes a formal decision, to advise and record that decision and, if the Monitoring Officer or their representative is not present, no decision will be deemed to have been taken.

- 8.5. In the absence of a Cabinet Member responsible for a portfolio, a decision in respect of a function under that portfolio may not be taken by another Cabinet Member unless he or she has been reassigned that function by the Leader of the City Council, or in their absence, the Deputy Leader of the City Council or the Leader takes the decision themselves. Unless this is the case, the decision will be referred to the Cabinet.
- 8.6. In the case of a Cabinet Member responsible for a portfolio declaring an interest in a matter and being unable to act, that matter should be referred to the Cabinet for their consideration.
- 8.7. Advisory Panels may be established for each portfolio and for the Cabinet to provide advice and guidance to the Cabinet Member responsible for that portfolio on the development of policy. Advisory Panel meetings will not generally be public meetings although Cabinet or Cabinet Member may invite any person with particular expertise to an Advisory Panel meeting.

9. How are Cabinet Meetings Conducted?

9.1. Who Presides?

- 9.1.1. At any Cabinet meeting, if the Leader is present, they will preside. In their absence if the Deputy Leader is present, they will preside. 9.4. Consultation

- 9.4.1. All reports to the Cabinet from any Member of the Cabinet or an employee on proposals relating to the budget and policy framework must contain details of the nature and extent of consultation with stakeholders and relevant Scrutiny Board, and the outcome of that consultation. Reports about other matters will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration.

9.5. Who can put Items on the Cabinet Agenda?

- (a) The Leader may put on the agenda of any Cabinet meeting any matter which they wish, whether or not authority has been delegated to the Cabinet, a Cabinet Committee or any Member or employee in respect of that matter. The Monitoring Officer will comply with the Leader's requests in that respect.
- (b) In the absence of the Leader, the Deputy Leader may exercise the function at (a) above.
- (c) Any Member of the Cabinet may require the Monitoring Officer to make sure that any appropriate item is placed on the agenda of the next available meeting of the Cabinet for consideration. If they receive such a request the Monitoring Officer will comply.
- (d) The Monitoring Officer will make sure that an item is placed on the agenda of the next available meeting of the Cabinet where a relevant Scrutiny Board or the full Council has resolved that an item be considered by the Cabinet.
- (e) The Monitoring Officer and/or the Director of Finance and Resources may include an item for consideration on the agenda of a Cabinet meeting and may require the Monitoring Officer to call such a meeting in pursuance of their statutory duties. In other circumstances, where any two of the Head of Paid Service, Director of Finance and Resources and Monitoring Officer are of the opinion that a meeting of the Cabinet needs to be called to consider a matter that requires a decision, they may jointly include an item on the agenda of a Cabinet meeting. If there is no meeting of the Cabinet soon enough to deal with the issue in question, then the person(s) entitled to include an item on the agenda may also require that a meeting be convened at which the matter will be considered.

10. Referrals to Cabinet/Cabinet Members by Scrutiny

- 10.1. Scrutiny Boards can refer items to Cabinet/Cabinet Members with the agreement of the Chair of the Cabinet or the appropriate Cabinet Member. However, this does not prejudice consideration of call-ins as detailed in Part 3E and Scrutiny's right to make a recommendation to the Cabinet or Cabinet Member to amend a decision.

PART 3E: SCRUTINY PROCEDURE RULES

1. Scrutiny Arrangements

- 1.1. Constitution of Scrutiny Boards and Scrutiny Co-ordination Committee
- 1.2. The Council will have Scrutiny Boards with the functions as set out in Part 2D and will appoint to them as it considers appropriate from time to time. Scrutiny Boards may appoint time limited sub-groups to assist their work.
- 1.3. There will also be a Scrutiny Co-ordination Committee whose main functions will be to co-ordinate the work of the Scrutiny Boards and will be responsible for the consideration of call-ins and undertake review of the way the Council deals with petitions.

2. Frequency of Meetings of Scrutiny Boards and Scrutiny Co-ordination Committee

- 2.1. At its Annual Meeting, the Council will determine a schedule of dates of meetings for the period up to the next Annual Meeting.
- 2.2. Additional meetings will be convened by the Monitoring Officer after consultation with the Chair of the relevant Scrutiny Board or Scrutiny Co-ordination Committee or, in their absence, the Deputy Chair of Scrutiny Co-ordination Committee.
- 2.3. The Monitoring Officer with the agreement of the Chair, or in his or her absence the Deputy Chair of Scrutiny Co-ordination Committee, may alter, cancel/postpone or bring forward a meeting.
- 2.4. If at least 3 members of a Scrutiny Board or of the Scrutiny Co-ordination Committee notify the Monitoring Officer in writing that they wish a meeting to be called, the Monitoring Officer will do so as soon as possible, and in any event within 15 working days, the date and time being determined in consultation with the relevant Chair (or in their absence the Deputy Chair of Scrutiny Co-ordination Committee). Where such a special meeting is summoned, the agenda will set out the business to be considered at that meeting.

3. Work Programme and Annual Report

- 3.1. Each Scrutiny Board will, subject to the views of the Scrutiny Co-ordination Committee, be responsible for setting its own work programme and in doing so it will consult with relevant Cabinet Members and the Leadership Board. They will also consider the wishes of those Members of the Scrutiny Board who are not members

of the largest Political Group on the Council.

4. Agenda Items of Scrutiny Boards

- 4.1. Any member, whether a member of a Scrutiny Board or not, will be entitled to give notice in writing to the Monitoring Officer that they wish an item relevant to the function of that Scrutiny Board to be included on the agenda for the next available meeting of the Scrutiny Board. In the case of a member who is not a member of the Scrutiny Board in question, the item must also not be an excluded matter as defined by law. In all cases, they must give full details and reasons for the request. On receipt of such a request, the Monitoring Officer will ensure that it is included on the next available agenda, provided it falls within the Scrutiny Board's terms of reference and, where appropriate, is not an excluded matter. The Chair of the Scrutiny Board will decide, at the start of the meeting at which such item is referred, whether it is appropriate for the Board to deal with the items so notified. Where it is not considered appropriate for the Board to deal with the items, the reasons for this decision will be given to the member requesting the item and recorded in the minutes.
- 4.2. The Scrutiny Board will also respond, as soon as its work programme permits, to a request from the Council, Cabinet, or any Cabinet Member or any other Committee of the Council, to review particular areas of Council activity. Where it does so, the Scrutiny Board will report its findings and any recommendations back to the Council, the Cabinet or any Cabinet Member or the relevant Committee, as it deems appropriate.
- 4.3. In the event of any dispute or disagreement about whether an item should be included on an agenda for a Scrutiny Board the Chief Executive or in his or her absence the Monitoring Officer will arbitrate.

5. Policy Review and Development

They may ask witnesses to attend to address them on any matter under consideration.
- 5.3.3. They may pay advisors, assessors or witnesses any reasonable fee and expenses within the available budget.

6. Reports From Scrutiny Boards

6.1. Preparation of Reports

- 6.1.1. As soon as it has formed recommendations or proposals for development, a Scrutiny Board will prepare a full report and submit it to the Monitoring Officer who will arrange for its consideration by the Cabinet or the appropriate Cabinet Member or the City Council.
- 6.1.2. If the proposals are consistent with the existing Budget and Policy Framework the Cabinet or Cabinet Member or the City Council will consider the report and take such actions as the Cabinet or Cabinet Member or City Council deem appropriate.

6.2. Minority Reports

- 6.2.1. If a Scrutiny Board cannot agree one single final report to the Cabinet or Cabinet Member on any matter, no more than one minority report may be prepared and submitted to the Cabinet or Cabinet Member. Any minority report so submitted must be supported by at least two Councillors who are members of the relevant Scrutiny Board.
- 6.2.2. Any minority report so submitted will be appended to the report of the Scrutiny Board to the Cabinet in such a manner that makes it clear that there is a minority view on the subject matter of the report and indicating the nature and substance of that minority view. This will be done notwithstanding disagreement of the Scrutiny Board.

7. Consideration of Scrutiny Reports/Recommendations

- 7.1. As soon as Scrutiny produces a report/recommendation on any matter which is the responsibility of the Cabinet or any Cabinet Member which has been considered and approved by Scrutiny and which requires a decision by Cabinet/Cabinet Member it will be included on the agenda of the next available meeting of the Cabinet or Cabinet Member, unless the matter which is the subject of the report is scheduled to be considered by the Cabinet or Cabinet Member within a period of six weeks from the date the report is approved by Scrutiny. In such cases, the report of Scrutiny will be considered by the Cabinet or Cabinet Member when it considers that matter. In any event, the Cabinet/Cabinet member will consider the report within 2 months of receipt of the report or of a notice from the Scrutiny Board requiring the Cabinet /Cabinet member to consider the report.
- 7.2. If the Cabinet or Cabinet Member disagree with the recommendations of Scrutiny, they will inform Scrutiny giving their reasons. In such circumstances, Scrutiny can either accept the Cabinet/Cabinet Member decision or refer the matter back to Cabinet/Cabinet Member for reconsideration giving their reasons. If Cabinet/Cabinet Member still disagree, they will inform Scrutiny giving their reasons. Scrutiny can either accept the Cabinet/Cabinet Member decision or refer the matter to Council for a decision on the dispute. In these circumstances the Council will have before them the views of both Scrutiny and the Cabinet/Cabinet Member.

8. Rights of Scrutiny Board Members to Documents

- 8.1. In addition to their rights as Councillors, members of Scrutiny Boards have the additional right to documents and to notice of meetings as set out in the Access to Information Procedure rules in Part 3B of this Constitution.

10. Attendance at Scrutiny Boards

10.1. Members and Employees Giving Account

10.1.1. Any Scrutiny Board may scrutinise and review decisions made or actions taken in connection with the discharge of any Council functions within the Portfolio allocated to the Scrutiny Board. As well as reviewing documentation, in fulfilling the Scrutiny role a Scrutiny Board may require any member of the Cabinet, Deputy Cabinet Members, the Chief Executive and/or any senior employee to attend before it to explain in relation to matters within their remit:-

- (a) any particular decision or series of decisions.
- (b) the extent to which the actions taken implement Council policy.
- (c) their performance

10.1.2. and it is the duty of those persons to attend.

10.2. Notice of Attendance

10.2.1. Where any Member or employee is required to attend a Scrutiny Board, the Monitoring Officer will inform the Member or employee of the meeting at which she/he is required to attend. The notice will state the nature of the item on which she/he is required to attend and whether any documentation is required to be produced for the Scrutiny Board. Where this will require the production of a report, the Member or employee concerned will be given sufficient notice to allow for preparation of that report.

10.3. Member/Employee Unable to Attend

10.3.1. If, in exceptional circumstances, a Member or employee is unable to attend on the required date, the Chair of the Scrutiny Board will either:

- (a) in consultation with the Member or employee, arrange an alternative date for attendance; or
- (b) agree to consider the item of business in the absence of the Member or employee.

10.4. Attendance by Others

10.4.1. A Scrutiny Board or Sub-Group may invite people other than those referred to in Rule 13 to address it, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents or other stakeholders, community representatives,

members of minority ethnic communities and Members and Officers in other public sector or partner organisations and may invite such people to attend. However, they are not obliged to attend unless this is specified in legislation.

11. Call-In Procedure

11.1. Call-in Procedure

- 11.1.1. In this context call-in means the right for non-Cabinet Members to look at and consider issues decided by the Cabinet or any Cabinet Member subject to the limitations on this right set out in Rule 18 below.
- 11.1.2. Information about decisions to be taken by the Cabinet or any Cabinet Member will be issued at least five clear working days before the Cabinet or Cabinet Member meeting. A summary sheet will be communicated to all Members of the Council at the end of each week setting out decisions taken and the deadline for calling items in.
- 11.1.3. Decisions of the Cabinet or Cabinet Member on which information has been issued can be called in by no fewer than three persons comprising Members (or, in respect of Education matters only, Co-opted Members) who are not Cabinet Members. To call-in an item, Members must complete the appropriate form which may be submitted in person, by fax or electronically, or a combination of these, which must include the specific decision being called in, a written reason for the call-in and an indication of whether or not they wish the relevant Cabinet Member(s) to attend Scrutiny Co-ordination Committee when the matter is considered, and submit it to the Monitoring Officer by no later than 9.00 a.m. on the specified date. Any decisions not called in by this deadline will immediately become effective.
- 11.1.4. The appropriateness of a call-in under these procedures will be determined by the Chair of the Scrutiny Co-ordination Committee (or in his or her absence, his or her nominee), in accordance with the criteria decided by the Committee, on advice by the Monitoring Officer. The Chair of the Committee will also determine whether the relevant Cabinet Member(s) is required to attend the Scrutiny Co-ordination Committee when the matter is considered, taking into account the wishes of the Members calling in the decision, however, this does not preclude Cabinet Member(s) from attending and speaking if they so wish. At this stage, there is no requirement for any Members who called in a decision to be present. If a call-in is rejected as being inappropriate, the Members who have submitted the call-in will be advised of the decision and the reason for it.

- 11.1.5. Once the deadline for calling in items has passed, and the appropriateness of call-ins has been determined, the Monitoring Officer will inform all Members of the Council, and Co-opted Members of Scrutiny Boards where appropriate, of the items called-in and will arrange for these to be considered at the next appropriate meeting of the Scrutiny Co-ordination Committee. The agenda for that meeting will show the written reasons given for the call-ins and enclose the relevant documents. The Chair of the relevant Scrutiny Board will be invited to attend the meeting when the call-in is to be considered to ensure that they are kept informed of issues relevant to their Board.
- 11.1.6. At least one of the Members who called in a decision must attend and speak at the meeting of the Scrutiny Co-ordination Committee mentioned in 17.5 (if they are not already a Member of that Committee). If none of the Members attend, the call-in will fail unless the Committee decide that the matter can be referred to a subsequent meeting when at least one Member can attend or that the call-in can be considered in their absence.
- 11.1.7. A call-in may only be withdrawn by notification in writing, by fax or electronically, from all the Members who requested the call-in and submitted to the Monitoring Officer.
- 11.1.8. The Scrutiny Co-ordination Committee will consider the decisions called in and will have at its disposal the information which has been submitted to the Cabinet or Cabinet Member, including any advice/recommendations from Advisory Panels. They can require the relevant Cabinet Member(s) and appropriate employee(s) to attend the meeting to answer questions about the issue. If the Scrutiny Co-ordination Committee accepts the original decision by the Cabinet or Cabinet Member it becomes effective. If the Scrutiny Co-ordination Committee makes a recommendation to the Cabinet or Cabinet Member to amend a decision, this will be considered by the Cabinet or Cabinet Member.
- 11.1.9. If the Cabinet or Cabinet Member disagree with the recommendation of the Scrutiny Co-ordination Committee to amend a decision they will inform the Scrutiny Co-ordination Committee. In such circumstances, the Scrutiny Co-ordination Committee may refer the matter to the Council for decision on the dispute. In these circumstances the Council will have before them the views of both the Scrutiny Co-ordination Committee and the Cabinet or Cabinet Member. If the Cabinet or Cabinet Member decides further work needs to be done, they may defer the item for this to be carried out.
- 11.1.10. Scrutiny Co-ordination Committee may refer any issue which arises during the consideration of a call in to the appropriate Scrutiny Board for further detailed consideration. Where the call in is referred to an appropriate Scrutiny Board, that Board will follow the procedure detailed in Rules 17.8 and 17.9 above in relation to accepting the

original decision, making recommendations to the Cabinet or Cabinet Member to amend a decision, or, in the case of a dispute, referring the matter to Council for decision.

11.2. Limitations on Call-in

11.2.1. A call-in will normally be regarded as appropriate **UNLESS**:

- i. It relates to:-
 - (a) a matter which is to be determined by the Council.
 - (b) a decision of the Cabinet/Cabinet Member taken as a matter of urgency and the Chair of the Scrutiny Co-ordination Committee (or their nominee) had been invited to attend the meeting where the urgent decision had been taken or the Scrutiny Co-ordination Committee has previously agreed the need for urgency.
 - (c) a decision made by an employee exercising delegated authority unless it is a key decision.
 - (d) decisions of the Licensing and Regulatory Committee, the Planning Committee the Appeals and Appointments Panels and the Audit and Procurement Committee.
 - (e) a matter where the associated report has already been considered by the Scrutiny Co-ordination Committee or a Scrutiny Board who have endorsed the recommendations or made recommendations that have been accepted by the Cabinet/Cabinet Member.
- ii. The call-in form is not completed correctly.
- iii. The call-in form is received after the specified time.
- iv. The reason for the call-in is unclear or does not relate directly to the decision specified on the call-in form.
- v. The reason for the call-in is a question, the answer to which can be found in the report relating to the decision which is being called in.

11.3. Call-in - Urgent Decisions

11.3.1. Decisions of the Cabinet or any Cabinet Member which are urgent (i.e. any delay likely to be caused by the call-in process would prejudice the Council's or the public's interest) will not be subject to call-in.

- 11.3.2. The records of such decisions will reflect the reasons for urgency and state that therefore they are not subject to call-in.
- 11.3.3. The Chair of the Scrutiny Co-ordination Committee, or their nominee, will be invited to and must attend meetings where urgent decisions are to be taken and will be asked to agree the need for urgency unless the Scrutiny Co-ordination Committee has already given its approval to a decision being taken urgently so that call-in does not apply. In the absence of the Chair or nominee then the Lord Mayor or Deputy will be invited to perform this role.
- 11.3.4. Any reports on which urgent decisions have been made are to be reported to Scrutiny Co-ordination Committee for it to understand the need for urgency, but this will not delay implementation of the urgent decision itself.

11.4. The Party Whip

- 11.4.1. When a Scrutiny Board considers any matter in respect of which a Member of that Board is subject to a Party Whip, the Member must declare the existence of the Whip, and the nature of it, before the commencement of the Scrutiny Board's consideration of the matter. The declaration, and the details of the Whipping arrangements, will be recorded in the minutes of the meetings.

12. Miscellaneous

12.1. Business of Scrutiny Boards

- 12.1.1. At each meeting of the Scrutiny Boards the following business will be conducted:-
- (a) Apologies and notification of substitutes;
 - (b) Minutes of the last meeting;
 - (c) Declarations of interest;
 - (d) Responses of the Council, Cabinet or any Cabinet Member or other Committees to reports of the Scrutiny Board; and
 - (e) Other business set out on the agenda for the meeting including reports back on attendance at Conferences etc except those relating to the Lord Mayoralty which will be considered by the Scrutiny Co-ordination Committee.

13. Investigations/Reviews

- 13.1. When the Scrutiny Board conducts investigations/reviews (including by means of a Sub-Group) it may ask people to attend to give

evidence at meetings, which are to be conducted in accordance with the following principles:-

- (a) The investigation/review will be conducted fairly and all Members of the Scrutiny Board or Sub-Group will be given the opportunity to ask questions of those attending and to contribute and speak.
- (b) Those assisting the Scrutiny Board or Sub-Group to give evidence will be treated with respect and courtesy.
- (c) The investigation/review will be conducted so as to maximise the efficiency and effectiveness of the investigation/review.

- 14.1. If an investigation/review is carried out by a Scrutiny Board that Scrutiny Board will prepare a report for submission to the Council, Cabinet, Cabinet Member or other Committee as it deems appropriate and will make its report and findings public except when the Information Rules require otherwise.
- 14.2. If an investigation/review is carried out by a Sub-Group, that Sub-Group will prepare a report for submission initially to the Scrutiny Board which appointed it and will make its report findings public except when the Information Rules require otherwise. The Scrutiny Board will then refer the report to the relevant body.

15. Outside Bodies – Annual Reports to Scrutiny

- 15.1. Where the Council nominates more than one representative to an Outside Body, a Lead Member will be nominated to be responsible for co-ordinating a report to the Scrutiny Co-ordination Committee following the Annual Meeting of the body on the work of the Organisation, the benefits to the City Council of continuing its membership and the added value that the City Council's representatives bring to the Organisation. Where only one representative is appointed then they will be the Lead Member. If an organisation does not have an Annual Meeting, then the Council's Lead Member will report in the third quarter of the year so that the Council can consider the benefits of retaining its representation. The Scrutiny Co-ordination Committee will decide, at the start of each Municipal Year, which outside bodies it wishes to receive reports on.

16. Referrals to Scrutiny by Cabinet/Cabinet Members

- 16.1. With the agreement of the Chair of the appropriate Scrutiny Board/Scrutiny Co-ordination Committee, Cabinet/Cabinet Members can refer items to Scrutiny. However, call-in will still apply to referred items.

NOTE: Reports should not normally be referred to Scrutiny for information.

PART 3G: CONTRACT PROCEDURE RULES

1. Introduction

- 1.1. These Contract Procedure Rules (CPRs) are the standing orders required by the Local Government Act 1972. They are part of the Council's Constitution and are, in effect, the instructions of the Council to officers and councillors for making contracts on behalf of the Council. The purpose of these CPRs is to set clear rules for the procurement of works, goods and services for the Council and to ensure a system of openness, integrity and accountability, in which the probity and transparency of the Council's procurement process will be beyond reproach. Accordingly, these CPRs must be followed for **all** contracts (but excluding the categories listed in Rule 6.2, grants and land contracts which are dealt with under different rules) for:-
- the supply of goods to the Council;
 - the supply of services to the Council; and
 - the execution of works for the Council.
- 1.2. The Council has a Procurement Strategy, setting out how the Council intends to go about procuring works, goods and services. Conformity to these CPRs, and the Council's Employee Code of Conduct and relevant associated employment policies, will ensure that contracts are let in accordance with the 'Procurement Strategy and any associated User Guides and Procedures'.
- 1.3. The Council is subject also to the following regulations:
- (a) The Procurement Act 2023 ("PA2023") and supplementary Procurement Regulations 2024.
 - (b) the Health Care Services (Provider Selection Regime) Regulations 2023, (introduced by the Health Care Act 2022 for the procurement of in-scope health care services and public health services in England.
- 1.4. For contracts entered in to prior to the commencement of the Procurement Act and supplementary Regulations, the Council is also subject to the Public Contracts Regulations 2015 in relation to the management of contracts for goods, services and works, and the Concession Contracts Regulations 2016 in relation to the management of concession contracts.
- 1.5. These legislations require contract letting procedures to be open, fair and transparent. These CPRs provide a basis for true and fair competition in contracts, by providing clear and auditable procedures, which, if followed, will give confidence that the Council has a procurement regime that is fully accountable and compliant with the

legislation.

3.1. The Director responsible for Legal and Procurement Services and the Director for Finance and Resources (if they are not the same officer) or their authorised deputy, subject to conditions, may authorise a contract as an exception to the CPRs if the works or goods/services are below PA2023 thresholds. An exception cannot be granted where a breach of any UK legislation would be incurred.

4. Objectives

4.1. The CPRs exist to achieve the aims set out below and to assist and protect the interests of the Council and individual Officers.

- 4.2. It is important that they are viewed as **an aid to good management and not as a hindrance**. Followed properly, they provide protection for Officers against criticism and support good procurement practice.
- 4.3. Officers must be able to demonstrate that they followed procedure or had obtained the necessary authority for not doing so, in order to:-
- ensure value for money is obtained;
 - ensure probity in the award of Council contracts;
 - ensure fairness, equity, openness and transparency in the treatment of contractors/suppliers in particular SMEs;
 - ensure that procedures for placing contracts/orders comply with legislation;
 - ensure records are kept which demonstrate compliance with CPRs.

5. Scope of CPRs

- 5.1. All purchases and contracts made in the name of and binding the Council must comply with these CPRs, and also any contract that involves income to the Council. This includes contracts where the expenditure is grant aided by a third party. These rules also apply to a company which is owned or controlled by the Council or is funded by public money. Any arrangement where the Council pays or receives money or equivalent value, other than a contract to employ staff, must comply with these Rules. This includes contracts for:
- (a) buying and selling goods;
 - (b) any work being carried out;
 - (c) services (including financial and consultancy services);
 - (d) hire, rental or lease (of goods)
 - (e) concession agreements
- 5.2. To receive and deal with expressions of interest (through the Procurement Board or the Panels as appropriate) from relevant bodies in providing or assisting in providing a relevant service on behalf of the Council in accordance with Part 5, Chapter 2 of the Localism Act 2011 and to consult with the relevant Cabinet Member on each expression of interest that is received.

6. Compliance

- 6.1. Every contract entered into on behalf of the Council must comply with these CPRs and all relevant UK legislation.
- 6.2. The only areas excluded from these Rules are:
- (a) Internally recharged services;
 - (b) Schemes where the Council has delegated a function to a third party to perform and where a contract makes separate provision for procurement rules
 - (c) Test purchasing in the course of an Officer's duty. (e.g. Trading Standards).
 - (d) Land transactions
 - (e) Property transactions
 - (f) Grants
- 6.3. All contracts must be in writing. Except in an emergency situation which has been approved by the Head of Legal and Procurement Services (or in their absence, the Deputy Head of Procurement), contracts under £100,000 in value must be made on an official Council Form of Agreement or standard form of contract, as appropriate, approved by a designated Authorising Officer, with the Council's standard terms of trading endorsed or referred to. For works contracts, one of the standard forms of contract, such as the NEC, JCT or ICE forms may be appropriate. The Legal and Procurement Services Team, in consultation with Legal Services, will advise on other suitable forms of contract.
- 6.4. Responsibility for compliance with CPRs remains at all times with Council officers. Directors and the Head of Legal and Procurement Services will be responsible for monitoring compliance against these rules, aided by internal or external audits or inspections which will be carried out as appropriate.
- 6.5. See Rule 8 regarding approvals required before a Relevant Procedure (as defined in Rule 8.1.1) may be commenced.

7. Justification of Need

- 7.1. Before any Relevant Procedure (as defined in Rule 8.1.1) is commenced consideration must be given to:

- (a) whether the expenditure is really necessary, and/or can demonstrate benefit to residents or the Council;
- (b) whether a critical review has been carried out to identify if the requirement can be met from within existing resources or whether it is being funded through grants or other approved income sources;
- (c) the revenue consequences of any capital investment;
- (d) the national priorities contained within the National Procurement Policy Statement; and
- (e) in any case, whether the necessary approvals in Rule 8 have been obtained.

8. Approvals Required before Certain Relevant Procedures are Commenced

8.1. Rule 8 applies to any Relevant Procedure:

8.1.1. Relevant Procedure: means any procedure conducted by or on behalf of the Council for the genuine purpose of the Council (alone or with others) entering into a contract for the purchase of goods, services and/or works, subject to the following:

- (a) This shall include (without limitation), the seeking of quotations, the conduct of any tender exercise via the Open or Competitive Flexible Procedure, including those as prescribed under the Provider Selection Regime, the conduct of any direct award or mini-competition exercise under a framework agreement, the making of a purchase under a dynamic market or off an approved list (or the like).
- (b) This shall not include any genuine exercise to research market conditions (including without limitation, any soft market testing or benchmarking exercise) which is not in itself genuinely intended to directly result in the Council entering into a contract for the purchase of goods, services and/or works or concession arrangement.

8.1.2. This Rule 8 only applies to conduct involving Council members and its officers and does not apply as between the Council and the public at large. Accordingly (and without limiting the implications of this), non-compliance by the Council or by any of its members or officers with all or any part of this Rule 8 shall not in itself result in any of the following:

- (a) Any act by or on behalf of the Council resulting from that non-compliance being invalid for any reason (including without limitation, any assertion that the Council has acted beyond its powers).
- (b) Any member of the public (including any person to who takes part in a Relevant Procedure which is conducted in breach of this Rule 8) having any claim of any kind whatsoever against the Council, including any claim for compensation.

8.2. Requirements before a Relevant Procedure may be commenced:

8.2.1. All of the following, to the extent relevant, and without limiting other requirements elsewhere in the Council's Constitution but subject to the exceptions in Rule 8.5 must be completed before a Relevant Procedure may be commenced:

- (a) The expenditure must be within approved budget and policy framework which has been approved by Members.
- (b) The use of expenditure must have been approved by the Procurement Board (or on the Procurement Board's behalf by the Procurement Panel where relevant) in accordance with Rule 8.3.
- (c) Where the Relevant Procedure is a sensitive matter (see Rule 8.4), the Procurement Board shall consider and give its approval or delegate the approval to the Procurement Panel.

8.3. Delegation by the Procurement Board of the task of considering whether to approve a prospective Relevant Procedure for the purposes of Rule 8.2(b).

8.3.1. The Procurement Board may (but shall not be obliged to) delegate that task to Procurement Panel (or any other relevant subcommittees the Procurement Board has in place from time to time), **but only if both of the following conditions** apply to the prospective Relevant Procedure under consideration:

- (a) The reasonably estimated total value of the contract or contracts for goods, services and/or works expected to be entered by the Council at the conclusion of the Relevant Procedure (whether under a single contract, as aggregated under a framework agreement across its full term, across two (2) or more lots contained in the same Relevant Procedure, or as aggregated under a series of reasonably connected contracts) is **less than** £1,000,000 (one million pounds). Where there is reasonable doubt about whether the value is to exceed that figure, there

shall be a presumption for the purposes of this Rule 8.3 (a) that it does exceed that figure; **and**

(b) The Relevant Procedure is **not** a sensitive matter (see Rule 8.4).

8.3.2. Any of the following may constitute a ‘sensitive matter’ for the purposes of this Rule 8 but the Procurement Board or Procurement Panel will make the decision.

(a) There is a significant risk (on a reasonable view) that the Relevant Procedure (and/or any purchase of goods, services and/or works resulting from it) will create serious adverse publicity for the Council.

(b) Under the proposed contract for the purchase of goods, services and/or works expected to result from the Relevant Procedure, the Council would be required to deal with a particular supplier or provider on an exclusive basis.

8.4. Exceptions to obtaining any of the approvals required in Rule 8: only with the written consent of the Director responsible for Legal and Procurement Services and the Director of Finance and Resources (if they are not the same person).

9. The Procurement Board and Procurement Panel

9.1. Composition of the Procurement Board:

(a) Appointment and removal of Procurement Board members: from time to time in accordance with its approved terms of reference and its members must include the Director for Finance and Resources, a minimum of two (2) Directors and the Head of Legal and Procurement Services.

(b) How the Procurement Board is to conduct itself: as determined by the Procurement Board’s Terms of Reference, acting reasonably and in good faith, and in any case, lawfully.

(c) The Procurement Panel shall include Directors, Head of Function and other officers of the Council appointed or removed in accordance with its approved terms of reference.

9.2. The Procurement Board shall have the following powers:

(a) To determine whether to approve or refuse any proposed Relevant Procedures which it has not otherwise delegated according to Rule 8.3;

- (b) To monitor compliance with contract rules and monitor spend and contracts; to achieve savings;
- (c) The status of the Procurement Panel in place from time to time shall be as a sub-committee of the Procurement Board;
- (d) To establish and dissolve the Procurement Panel or similar sub-committee;
- (e) To establish the composition of members of the Procurement Panel or similar sub-committee, including appointment and removal of members, including any substitutes;
- (f) The conduct of the proceedings of the Procurement Panel or similar sub-committee from time to time;
- (g) Any act of the Procurement Panel or similar sub-committee (including any approval or refusal of a Relevant Procedure) shall be regarded as if it were the direct act of the Procurement Board itself;
- (h) To deal with expressions of interest from a relevant body exercising the right to challenge for a relevant service under Part 5, Chapter 2 of the Localism Act 2011;
- (i) To provide an annual report on the activities of the Procurement Board and Procurement Panel to Cabinet Member Portfolio Holder and to the Audit and Procurement Committee; and
- (j) The Director of Finance and Resources has the power to vary the terms of reference of the Procurement Board and Procurement Panel.

9.3. The Procurement Panel shall have the following powers:

9.4. (a) (b) (e) (g) (h) and (i) detailed in Rule 9.2.

10. Exceptions to CPRs

10.1. An exception to the CPRs is a permission to let a contract without complying with one or more of the Rules. An exception to CPRs may be granted subject to conditions. An exception cannot be granted where a breach of any UK legislation would be incurred.

10.2. Any Director may grant an exception to these CPRs where the value is below £100,000, except for contracts captured by the Provider Selection Regime. Any exception to CPRs of £100,000 and above (and up to PA2023 thresholds) will need the approval of the Director

responsible for Legal and Procurement Services or his/her authorised deputy who may grant an exception to these CPRs. Applications for exceptions must be made in writing to the appropriate Director and include the exception rule that is requested and the justification for the exception. All Directors granting an exception or exceptions will notify Legal and Procurement Services of all exceptions granted at a frequency to be determined by the Director responsible for Legal and Procurement Services.

- 10.3. The Director responsible for Legal and Procurement Services will keep a register of all exceptions to CPRs, which shall be available by appointment for inspection by members of the Council and the public. An annual report on exceptions granted in the previous financial year will be presented to the Procurement Board.
- 10.4. An application for an exception to CPRs to allow a contract to be let without genuine competition will not be granted without a cogent reason. A lack of time caused by inadequate forward planning is not a cogent reason and will not permit an exception to CPRs. If an application is granted, the Director responsible for the contract must demonstrate that the price obtained is not in excess of the market price and that the contract represents best value for money.
- 10.5. Where an exception has been granted in line with these rules, a further exception must be sought if the value of the original exception has been exceeded **or** the time period granted for the exception has elapsed.
- 10.6. An exception to the requirements to follow the tender or quotation procedure may be granted in the following circumstances:
 - (a) an unforeseeable emergency involving danger to life or health or serious damage to property, in which the work, goods or services are required more urgently than would be possible if the tender or quotation procedure were followed;
 - (b) for justifiable technical reasons, the works, goods or services can be obtained from only one supplier;
 - (c) acquiring goods or services from a different supplier would result in incompatibility with existing goods or service or disproportionate technical difficulties;
 - (d) the proposed contract is an extension to or variation of, the scope of an existing contract, if permitted by the public procurement legislation i.e. below the required threshold, unless the existing contract provides for an extension;

Part 3G –Contract Procedure Rules

- (e) there is a need to develop and influence the market by extending the range and provision of services, provided the contract is for a fixed term of no more than three years;
- (f) it is necessary to enable the continuation of a new service, development of which was initially grant-aided, provided the contract is for a fixed term of no more than three years;
- (g) when a grant from a public body includes a recommendation as to the supplier or is time limited;
- (h) in furtherance of the Council's social enterprise policy, or other economic development aims, subject to the prevailing financial support limits for this type of activity and without breaching public procurement rules;
- (i) if there are exceptional circumstances in which it would not be in the Council's best interests to follow the tender or quotation procedure or another Contract Procedure Rule.

10.7. An exception to Contract Procedure Rules is granted and separate authorisation is not required in the following circumstances:

- (a) placing an order against a contract/framework agreement let by another Public Body where contracts have been let to allow collaboration, e.g., Eastern Shires Purchasing Organisation (ESPO), Central Buying Consortium (CBC, Buying Solutions, etc.), where the value is below £100,000. If £100,000 or above, approval should be sought via the Procurement Panel or Procurement Board;
- (b) as part of a partnering contract that contemplates a series of contracts with a single supplier;
- (c) legislation requires the Council to let a contract differently from these Contract Procedure Rules;
- (d) value for money can be achieved by the purchase of second hand/used vehicles, plant or materials
- (e) the purchase of works of art, museum artefacts, manuscripts, archive collection items or the services of artistic and cultural performers;
- (f) Residential Placements for an individual with a registered care provider of their choice under the Care Act 2014; and

- (g) for decision making on utilities contracts. Due to the volatile nature of utilities markets and the need for expedient decision making, authority has been delegated through the approval of these Rules to the Director responsible for Legal and Procurement Services in consultation with the Director for Finance and Resources. If the Director for Finance and Resources is also the Director responsible for Legal and Procurement Services, then the decision will be made by the Director for Finance and Resources in consultation with the Chief Executive or his nominated representative. All utilities contracts will be let through Legal and Procurement Services and in line with the procedures dictated by the Head of Legal and Procurement Services.

11. Valuation of Contracts and Aggregation of Requirements

- 11.1. The Director responsible for each contract must record an estimated value for the contract before any offers are sought.
- 11.2. The total value of the contract is the total amount that the Council expects to pay for the contract includes the following:
 - (a) the value of any goods, services or works provided by the Council other than for payment
 - (b) amounts that would be payable if an option in the contract to supply additional goods, services or works were exercised
 - (c) amounts that would be payable if an option in the contract to extend or renew the term of the contract were exercised
 - (d) amounts representing premiums, fees, commissions or interest that could be payable under the contract
 - (e) Amounts representing prizes or payments that could be payable to participants in the procurement.
- 11.3. In estimating the value of a contract, the Council must take into account all of the facts which are material to the estimate and available to the Council at the time is makes the estimate.
- 11.4. In estimating the value of a framework, the Council must estimate the value as the sum of the estimated values of all the contracts that have or may be awarded in accordance with that framework.
- 11.5. In estimating the value of an open framework, the Council must estimate the value as the sum of all frameworks awarded, or to be awarded, under the Open framework.

- 11.6. In estimating the value of a Concession contract, the Council must estimate the value as the maximum amount the supplier could expect to receive under or in connection with the contract including, where applicable, amounts already received.
- 11.7. Where it is not possible to estimate the value of a contract in accordance with Schedule 3 of the Procurement Act 2023, the Council is to treat the contract as having been estimated to be of an amount of more than the threshold amount for the type of contract.
- 11.8. Contracts for the same works, goods or services must not be split into smaller, separate contracts to avoid compliance with these CPRs or the Procurement Act 2023.

12. Duties of Directors and the Head of Legal and Procurement Services

- 12.1. The Director is responsible for ensuring that all expenditure involving procurement activity complies with the CPRs and is responsible for ensuring that contracts within his/her division are managed and operated within the terms of the contracts themselves.
- 12.2. The Head of Legal and Procurement Services is responsible for maintaining a register of contracts and for providing an up-to-date copy of the register. Contracts in excess of £5,000 total contract value shall be added to the Contracts Register, which is to be published on the Council's website in accordance with the Local Government Transparency Code. Directors responsible for entering into contracts for £5,000 or more must notify the Director responsible for Legal and Procurement Services of contracts entered into at a frequency determined by the Director responsible for Legal and Procurement Services.
- 12.3. As soon as practicable after the Council's budget has been set and in any event before the end of March in each financial year, the Director must notify the Head of Legal and Procurement Services of all contracts (including their values) that his/her division plans to enter into during the following financial year.
- 12.4. The Director must use corporate contracts, where they are in place. To do otherwise would be unlikely to give value for money for the Council and may be in breach of the Procurement Act 2023.
- 12.5. If there is an in-house service available that operates as a trading unit, the Director must consider, in accordance with Value for Money principles, whether that service should be used or whether a contract should be let to an external provider, although all resource

implications (e.g. TUPE implications and/or redundancies for directly employed staff), must be considered as part of the best value assessment.

13. Selection of Procurement Route

13.1. When selecting the most appropriate procurement route to secure value for money, the Director, in consultation with the Head of Legal and Procurement Services, shall adhere to the following principles:

- (a) All practical options for contract packages and methods of procurement should be analysed and evaluated, with the object of selecting the option that most effectively ensures value for money is achieved. The preferred option must provide full, fair, transparent and open competition and be identified as the most advantageous bid.
- (b) The scope of contract packages should take into account cross-cutting themes and outcomes identified by strategic, policy and service reviews. Stakeholders within and outside the Council should be consulted about service standards and specifications and investigation of the market undertaken. Performance under any current contract should be appraised and prospective performance considered in the light of consultations and investigations.
- (c) The Council is not required to conduct preliminary market engagement. However, preliminary market engagement is beneficial to the Council and the market in preparing for the procurement and developing the requirement. Where preliminary market engagement is to be undertaken, the Head of Legal and Procurement Services shall ensure that the necessary Preliminary Market Engagement Notice is published in accordance with the Procurement Act 2023.
- (d) The contract package should seek to stimulate diversity and innovation, enhance choice for service users and attract new suppliers.
- (e) Partnerships between the public, private and voluntary sectors should be sought, which demonstrate a shared commitment to objectives that benefit users of the Council's services.
- (f) Consideration of reducing and/or removing barriers to entry in the procurement process for SMEs, VCSEs and start-ups.

14. Authority to Enter into a Contract

- 14.1. Officers may only enter into a contract if authority is delegated to them or by specific decision of the Council, the Cabinet or Cabinet Member or Procurement Board or Procurement Panel.
- 14.2. Unless an officer has been given authority to enter into a contract, all contracts involving capital expenditure must be authorised by a specific decision of the Cabinet or a Cabinet member.
- 14.3. Unless an officer has been given authority to enter into a contract, all contracts involving revenue expenditure must be authorised by a specific item in the approved revenue budget for the relevant year. A specific item in the approved revenue budget is deemed to be an authority for the relevant Director to enter into a contract up to the value estimated.
- 14.4. All contracts will be let with the involvement of Legal and Procurement Services in consultation with service users and technical experts.

See Appendix 1 for Governance Flowchart

15. Specifications

- 15.1. The Director, in conjunction with the Head of Legal and Procurement Services, must ensure that an appropriate specification is prepared for every contract, which sets out clearly the Council's requirements with regard to the works, goods or services to be supplied.
- 15.2. The Director, in conjunction with the Head of Legal and Procurement Services shall ensure that specifications do not unnecessarily narrow the competitive pool of suppliers, and suppliers are treated equally.
- 15.3. Where applying standards applicable to the goods, services or works, the Director shall ensure that the specification is clear when referring to UK standards that if it is considered that equivalent standards from overseas have been satisfied, this will be treated as having satisfied the UK standard.
- 15.4. Specifications should incorporate measurable and, so far as is possible, objective quality and performance criteria (Key Performance Indicators or clearly defined milestones/deliverables) to enable the contract to be monitored and managed and should build in a capacity for flexibility and innovation, to secure sustained improvements and the ability to meet changing local and national circumstances.

- 15.5. Where appropriate, specifications should identify and allocate the risks inherent in the contract.
- 15.6. If a contract may involve the transfer of employees (from the Council to a contractor or from one contractor to another), the tender documents should, if the contractor has assured confidentiality of personal information, include all relevant information relating to those employees.
- 15.7. The Director must obtain all necessary professional and technical advice and assistance in preparing a specification, to ensure a comprehensive document that expresses the Council's requirements and protects its interests. Consultants or other third parties who assist in the preparation of a specification must not be invited to tender or quote for the contract.

16. Contract Procedures

- 16.1. If a corporate contract is in place for the supply of any works, goods or services, the Director must place orders under that contract. Legal and Procurement Services publishes data to enable Directors to order from corporate contracts.
- 16.2. The Director in conjunction with the Head of Legal and Procurement Services must establish whether the public procurement legislation or the Provider Selection Regime applies to a proposed contract. If in doubt, Legal Services will advise whether either legislation applies. When public procurement legislation does apply, the Director/ Head of Legal and Procurement Services must use the Open procedure or the Competitive Flexible procedure unless Legal & Procurement Services agree to the use of a Direct Award procedure. Where the Provider Selection Regime applies to a proposed contract, the Director/Head of Legal and Procurement Services must use one of the provider selection processes in accordance with the Provider Selection Regime guidance. In order to drive competitive procurement and value for money on all contracts, the default position of the Council is that a competitive procedure must be adopted.
- 16.3. The Head of Legal and Procurement Services will place all notices relating to contracts on the Central Digital Platform where applicable and will ensure compliance with all applicable laws and regulations relating to the Council's procurement activities.
- 16.4. The Director need not obtain competitive quotations for contracts of less than £10,000 in value but must demonstrate in any event that the Council is receiving value for money. All contracts entered in to at £5,000 or more must be added to the Contracts Register and published in accordance with the Local Government Transparency

Code.

17. Invitation to Formal Tender

- 17.1. If the public procurement legislation applies to a contract, the selection of suppliers to be invited to tender for the contract must follow the requirements of that legislation.
- 17.2. Prior to the publication of the relevant Tender Notice or Transparency Notice, the Head of Legal Services shall ensure that the appropriate conflict assessment has been prepared and that it is maintained/revised accordingly until such time that the Council enters in to contract.
- 17.3. If the estimated total contract value for the procurement is between £100,000 and PA2023 thresholds, a minimum of five (5) potential suppliers must be invited to tender using the Council’s e-tendering system. Where possible those invited to tender should include at least three (3) local suppliers. The number of suppliers invited to tender should ensure full competition is achieved.
- 17.4. Where the Authorising Officer does not believe it possible to invite five (5) suppliers to tender, the Invitation to Tender must be published to the open market.
- 17.5. Where the Health Care Services (Provider Selection Regime) Regulations apply, the selection of suppliers to be awarded or invited to tender for the contract must follow the requirements of that legislation. No financial thresholds apply to the Provider Selection Regime.
- 17.6. Companies expressing an interest in being invited to tender in response to an advertisement, must satisfy the Council as to their legal, financial and technical capacity (including but not limited to their Health & Safety and Equal Opportunities policies) to undertake the contract by satisfying the conditions of participation of the procurement procedure used, in a form approved by the Head of Legal and Procurement Services.
- 17.7. The Head of Legal and Procurement Services shall be responsible for ensuring that an “Invitation to Tender” procedure – that demonstrates public sector best practice – is available and adhered to, at all times, ensuring that the award criteria, weightings and assessment methodology is stipulated in the Invitation to Tender documentation and Tender Notice, and is sufficiently clear, measurable and relates to the subject matter of the contract.

17.8. The Head of Legal and Procurement Services shall be responsible for ensuring that the appropriate Procurement Termination Notice is published on the Central Digital Platform in the event of an abandoned procedure unless exemptions apply.

18. Opening Formal Tenders

18.1. The information obtained at the opening of tenders is confidential to those involved in the opening process and those directly involved in evaluation of the tenders. Confidentiality must be maintained, and any breach reported to the Monitoring Officer.

18.2. The Council uses an *electronic tendering platform*. The tender opening process must be appropriate to the specific electronic software employed and its facilities for guaranteed receipt of tenders.

19. The Quotation Procedure

19.1. Where the Health Care Services (Provider Selection Regime) Regulations apply, the selection of suppliers to be awarded or invited to tender for the contract must follow the requirements of that legislation. No financial thresholds apply to the Provider Selection Regime.

19.2. Except for services which are captured by the Provider Selection Regime, where the contract value is £10,000 and up to £24,999, a minimum of five (5) verbal quotations (which must be confirmed by email) shall be sought and the use of the quotation pack is optional. Where the contract value is £25,000 up to £99,999, a minimum of five (5) quotations **MUST** be requested via the Council's e-tendering system using the quotation pack. Where possible those invited to quote where the contract value is between £10,000 and £99,999 should include a minimum of three (3) local suppliers.

19.3. The Authorising Officer must satisfy themselves as to the legal, financial and technical capacity of suppliers invited to quote to undertake the contract for the Council, through seeking appropriate in-house professional advice, and that they will provide value for money.

19.4. Five (5) or more suppliers must be invited to quote to ensure genuine competition. Where the Authorising Officer does not believe it possible to invite five (5) suppliers to quote, the Request for Quotation must be published to the open market.

19.5. The Head of Legal and Procurement Services shall be responsible for all procedural aspects of seeking quotations, ensuring that probity and proper public accountability standards are in operation. Monitoring shall be carried out periodically by either the internal or

external auditor.

20. Reserving Competitions for Below-Threshold Contracts

- 20.1. Directors may, in accordance with the Local Government (Exclusion of Non-commercial Considerations) (England) Order 2026, reserve competitions for below-threshold contracts (refer to Rule 3 Financial Thresholds for Procedure) relating to the supply of goods, services or works, frameworks and concession contracts.
- 20.2. Such reservations can be made for:
- (a) Businesses based within the local area or United Kingdom; and/or
 - (b) Small and Medium-Sized Enterprises (SMEs) and/or Voluntary and Community Social Enterprises (VCSEs)
- 20.3. The 'local area' is defined as the City of Coventry or the City of Coventry together with any areas of the counties bordering the City of Coventry. Where a joint procurement exercise is being undertaken with two or more Authorities, the local area is defined as the areas of the Authorities or the areas of the Authorities together with any areas of the counties bordering the relevant Authorities.
- 20.4. 'Based within' is defined by the Order as being "where that contractor is based or has established substantive business operations, not taking account of the location of the corporate ownership or control of the contractor".
- 20.5. The option to reserve competitions for below-threshold contracts should be considered on a case-by-case basis and shall be made only where sufficient market intelligence exists in order to deliver value for money through a competitive procurement exercise, and not as a way to de facto directly award contracts.
- 20.6. In accordance with Rule 20.5, Directors - in conjunction with the Head of Legal and Procurement Services - shall ensure that a Preliminary Market Engagement Notice is published and market engagement held prior to the reservation of any below-threshold contracts in the subsequent Tender Notice.
- 20.7. Contracts that are subject to the Health Care Services (Provider Selection Regime) Regulations 2023 are not in scope of the Order.

21. Acceptance of Formal Tenders and Quotations

- 21.1. Where expenditure has been approved through the budget setting process, the Procurement Panel or Board has given approval to

proceed and these CPRs have been followed, the Procurement Board or Procurement Panel shall receive notification of the contract award.

- 21.2. Where the Health Care Services (Provider Selection Regime) Regulations apply, the appropriate provider selection process shall be followed. Where the Competitive Process is followed, contracts shall be awarded according to the basic selection criteria and key criteria of the Provider Selection Regime. The Procurement Panel/Board shall receive a written report of the contract award from the responsible officer seeking approval for such award where outside of the delegated authority granted at the approval to proceed stage. In extreme urgency the Head of Legal and Procurement Services may agree to a verbal report from the responsible officer with a written report being presented to Procurement Panel/Board within a calendar month. All papers/electronic files will be stored in line with the document retention policy.
- 21.3. When using the Provider Selection Regime, the criteria for evaluation must be set out in the invitation to tender or equivalent document depending on which procedure is used, in descending order of priority, with the weightings to be given to them. The criteria must also be set out in the required Tender Notice, Contract Award Notice and Contract Details Notice unless exemptions apply. Whole life and environmental costs may be included in criteria for evaluation.
- 21.4. Excluding services captured by the Provider Selection Regime, for contracts of £100,000 or more, contracts are to be awarded under the “most advantageous” criterion. The Procurement Panel/Board shall receive a written report of the contract award from the responsible officer seeking approval for such award where outside of the delegated authority granted at the approval to proceed stage. In extreme urgency the Head of Legal and Procurement Services may agree to a verbal report from the responsible officer with a written report being presented to Procurement Panel/Board within a calendar month. All papers/electronic files will be stored in line with the document retention policy.
- 21.5. Tenders or quotations must be evaluated on the basis of which is most advantageous to the Council. When using the PA2023, the criteria for evaluation must be set out in the associated tender or quotation documents, in descending order of priority, with the weightings to be given to them. The criteria must also be set out in the required Tender Notice, Contract Award Notice and Contract Details notices unless exemptions apply. Whole life and environmental costs may be included in criteria for evaluation.
- 21.6. The Head of Legal and Professional Services shall ensure that the appropriate assessment summaries are provided to tenderers,

informing them of the contract award outcomes at the conclusion of the procurement exercise.

22. Electronic Tendering and Quotations

- 22.1. The Head of Legal and Procurement Services is responsible for the procedure for these processes.
- (a) tenders and quotations over £25,000 must be invited electronically through the Council’s e-tendering system. Support must be found for suppliers that do not have access.
 - (b) invitations to tender and quotes submissions over £25,000 must be submitted electronically through the Council’s e-tendering system. Where electronic submissions have been approved by the relevant Procurement Officer to be made outside of the approved system (i.e., via email), submissions must be made before the official opening deadline.
 - (c) the procedure will also include arrangements for e-auctions.

23. Amendments and Alterations to Tenders and Quotations

- 23.1. Amendments to invitation to tender or Request for Quotation (RFQ) documents, made after the invitations have been sent out, must be clearly headed “Tender Amendment” or “Quotation Amendment” as appropriate and sent to all suppliers who have been invited to tender or quote. If there is more than one amendment, they should be numbered consecutively. Amendments should be sent out in sufficient time to allow suppliers to adjust their tenders or quotations as appropriate.
- 23.2. A supplier’s tender or quotation is its offer to the Council, which the Council may accept as it stands. Once a tender or quotation has been submitted, alterations will only be accepted through formal clarifications under the competitive process undertaken.
- 23.3. In all other situations, if a supplier attempts to alter their offer after the last date for receipt of tenders or quotations, they must be given the opportunity to stand by or withdraw their original offer. Correction of an obvious arithmetical error, which would reduce the price to be paid by the Council or increase the price to be paid to the Council, may be accepted.
- 23.4. Where performance specifications are used, a tender or quotation that is expressed to be conditional upon the Council’s acceptance of alterations to the specification or the terms and conditions of contract, may be treated as non-compliant and rejected. This does not prevent

the Council inviting variant bids (that is an invitation to submit an alternative bid that could then be considered as being to the Council's benefit provided that the condition applying to the mandatory reference bid is followed). If variant bids are invited, suppliers must be required to submit a mandatory reference bid based on the specification and terms and conditions included in the invitation to tender or invitation to quote, so that all bids may be compared fairly.

23.5. Where outcome-based specifications are used it will be for the bidder to decide the method of service delivery. Tenders or quotations will be evaluated fairly against published evaluation criteria.

23.6. A properly approved and compliant competitive process involving dialogue or negotiation will normally result in one or more Best and Final Offers as a result of negotiation with selected bidders. No alteration to the Best and Final Offer, in terms of outcomes or contract price, is permitted without the specific approval of the Monitoring Officer.

24. Contract extensions

24.1. Where extensions to contracts have been included in the original advert, tender documentation and contract, subject to Procurement Panel/Board approval, the extensions may be agreed; where performance is satisfactory and the original contract terms are to continue (including price variations in line with the original contract) through the issuing of a contract change note or variation schedule. The contract change note / variation schedule must be kept with the original contract in line with the document retention policy and must be signed by the officer who signed the original contract, or in their absence for whatever reason, by another officer authorised to sign the original contract.

24.2. For Contracts of £100,000 in value and over, or irrespective of value where captured by the Provider Selection Regime, these will be approved by Procurement Panel/Board as set out in Appendix 2.

25. Contract Variations

25.1. For contract variations, if a contract variation is proposed where the terms and conditions of the original contract will be changed, the Head of Legal and Procurement Services or relevant Panel/Board shall require a written report from the responsible officer requesting approval in line with Appendix 3 for acceptance, detailing the reasons for doing so, and clearly outlining the relevant legislative regime applicable and the satisfaction thereof. This shall be recorded in writing.

- 25.2. In relation to the procurement of goods, services and works, the Head of Legal and Procurement Services shall ensure that the Contract Change Notice is published prior to the variation being executed and becoming effective unless exemptions apply.
- 25.3. A contract change note will be issued and kept with the original contract documentation. All written reports will be stored in line with the document retention policy. If a contract is executed as a deed, a short supplemental deed may be drafted, and this will be dealt with on request to Legal Services.
- 25.4. Where a contract modification results in the revised total contract value exceeding £5m, the contract is known as a 'convertible contract' and is subject to the additional notice requirements found at 28.2 - 28.4.

26. Form of Contract

- 26.1. Legal Services will decide whether a contract is to be executed as a deed or under hand as a simple contract. As a general rule, any works contracts, and high value contracts equal to or exceeding £1,000,000 and which are expressed to be executed as deeds must either be:
- 26.1.1. made under the Council's seal attested by the Monitoring Officer or authorised signatory; or
- 26.1.2. signed by at least two officers of Legal Services duly authorised by the Monitoring Officer.
- 26.2. All contracts created as deeds must be made in accordance with the provisions of Rule 26.1 above, witnessed in accordance with the relevant provision of the Scheme of Functions Delegated to Employees by an Officer authorised to do so.
- 26.3. A contract executed as a deed is retained for twelve years to enable any action to be taken under it, if required
- 26.4. Contracts of up to £999,999 in value can be signed under hand for and on behalf of the Council by Directors and Heads of Service, or an authorised signatory.
- 26.5. Any contracts entered into on behalf of the Council which are being executed by electronic means (using an electronic execution software tool) shall be undertaken in accordance with the process set out in the Contract Execution Process.

27. Social Value

- 27.1. The Public Services (Social Value) Act 2012 and the National Procurement Policy Statement requires the Council to consider delivering Social Value through contracts. The Council encourages consideration of social value outcomes in all contracts, where it can be evidenced that it is relevant to the subject matter of the contract.
- 27.2. For those contracts that fall below the threshold, the approach should be to maximise outcomes where possible.
- 27.3. In order to ensure that the Council adheres to the Act and the National Procurement Policy Statement, the social value sought from a contract must be relevant and proportionate in respect of the proposed contract.

28. Contract Administration and Management

- 28.1. In relation to the procurement of goods, services and/or works and concession arrangements, the Head of Legal and Procurement Services shall arrange for publication of a Contract Details notice for contracts valued in excess of £25,000 no later than 30 days after contract award, if appropriate, and shall keep a register of the notified information, which shall be available for inspection by appointment by any Member of the Council, internal and external auditors and any member of the public.
- 28.2. In relation to the procurement of goods, services and works above £5m, the Head of Legal and Procurement Services shall ensure that the Contract Details Notice contains details of no less than three Key Performance Indicators in accordance with the PA2023 unless exemptions apply.
- 28.3. In relation to the procurement of goods, services and works above £5m, the Head of Legal and Procurement Services shall arrange for the publication of a redacted copy of the contract unless exemptions apply,
- 28.4. In relation to the procurement of goods, services and works above £5m, the Head of Legal and Procurement Services shall arrange for the publication of the Contract Performance Notice not less than once every twelve (12) months) unless exemptions apply.
- 28.5. In relation to the procurement of goods, services and works, the Head of Legal and Procurement Services shall arrange for the publication of the Contract Termination Notice (including through natural expiry) unless exemptions apply.

- 28.6. In relation to the procurement of health care services captured by the Provider Selection Regime, the Head of Legal and Procurement Services shall arrange for publication of a contract award notice for all contracts irrespective of value no later than 30 days after contract award and shall keep a register of the notified information, which shall be available for inspection by appointment by any Member of the Council, internal and external auditors and any member of the public.
- 28.7. The Head of Legal and Procurement Services shall be responsible for ensuring that a procedure on “Contract Administration and Management” is made available to all officers and partners managing contracts on the Council's behalf.

29. Prevention of fraud and corruption

- 29.1. All purchases, contracts and income covered by these rules must be let in line with the Council's Anti-fraud and Corruption Policy and Strategy and in line with the requirements of the PA2023 and Provider Selection Regime.
- 29.2. If an officer of the Council has a pecuniary interest in a contract or proposed contract, he/she must in accordance with Section 117 of the Local Government Act 1972 register the interest with the Monitoring Officer and declare it at any meeting at which the officer is present and the contract is discussed and thereafter leave the room and take no further part in the discussion.
- 29.3. If an officer of the Council has a personal or non-pecuniary interest in a contract or proposed contract, they must declare that interest to the Chief Executive or to their Director, as appropriate, as required by the Council's Code of Conduct for Employees and relevant employee policies.
- 29.4. If a Member of the Council has a disclosable pecuniary interest or other relevant interest in a contract as defined in the Code of Conduct for Elected and Co-opted Members, the member must take such action as is required by that Code.
- 29.5. A contract must be terminated immediately, and any losses to the Council arising from the termination recovered from the supplier, if the supplier, or anyone acting on their behalf:
- (a) offers or gives or agrees to give any member or officer of the Council any gift, benefit or consideration of any kind or value as an inducement or reward with regard to the contract; or
 - (b) commits any offence under the Bribery Act 2010 or section 117 of the Local Government Act 1972.

NOTE: A declaration to this effect must be contained in all invitations to tender or quote.

- 29.6. The attention of officers is drawn to the Council's Code of Conduct for Elected and Co-opted Members, Whistleblowing Policy, Disciplinary Policy and Procedures and the Code of Conduct for Employees and relevant employee policies. Non-compliance with these CPRs constitutes grounds for disciplinary action.
- 29.7. All of the requirements in Rule 29.1 to 29.6 above will apply to any third party acting on the Council's behalf in a contractual situation e.g. consultants and community representatives on evaluation panels.

30. Freedom of Information Act 2000

- 30.1. When entering into contracts the Council will refuse to include contractual terms that purport to restrict the disclosure of information held by the Council and relating to the contract beyond the restrictions permitted by the Act. Unless an exemption provided for under the Act is applicable in relation to any particular information, the Council will be obliged to disclose that information in response to a request, regardless of the terms of any contract.
- 30.2. When entering into contracts with non-public authority contractors, the Council may be under pressure to accept confidentiality clauses so that information relating to the terms of the contract, its value and performance will be exempt from disclosure. As recommended by the Information Commissioner, the Council will reject such clauses wherever possible. Where, exceptionally, it is necessary to include non-disclosure provisions in a contract, the Council will investigate the option of agreeing with the contractor a schedule of the contract that clearly identifies information which should not be disclosed. The Council will take care when drawing up any such schedule and be aware that any restrictions on disclosure provided for could potentially be overridden by obligations under the Act, as described in the paragraph above. Any acceptance of such confidentiality provisions must be for good reasons and capable of being justified to the Information Commissioner. When entering into the above contracts the Council will make it clear that these restrictions apply to sub-contractors also and that the Secretary of State has the powers to designate them as 'public bodies' for the purpose of making them comply with the Act.
- 30.3. The Council will not agree to hold information 'in confidence' which is not in fact confidential in nature. Advice from the Information Commissioner indicates that the exemption provided for in section 41

only applies if information has been obtained by a public authority from another person and the disclosure of the information to the public, otherwise than under the Act, would constitute a breach of confidence actionable by that, or any other person.

- 30.4. It is for the Council to disclose information pursuant to the Act, and not the non-public authority contractor. The Council will take steps to protect from disclosure by the contractor information that the authority has provided to the contractor (which would clearly be exempt from disclosure under the Act) by appropriate contractual terms. In order to avoid unnecessary secrecy, any such constraints will be drawn as narrowly as possible and according to the individual circumstances of the case. Apart from such cases, the Council will not impose terms of secrecy on contractors.
- 30.5. The Head of Legal and Procurement Services will be responsible for advising on the application of the Freedom of Information Act and contracts, in conjunction with the Council's Head of Information Governance, where circumstances arise that are not specifically covered by Council policy. He/she will also be responsible for updating procedure following any case law that materially amends or augments Council policy in this area.

31. Management of Risk in Contracts

- 31.1. For contracts of strategic importance, a risk register will be drawn up for the contract letting process. Once the contract is awarded, a risk register to cover the implementation and successful ongoing management of the contract will be drawn up by the Head of Service or authorised deputy. This risk register will be monitored in line with the corporate guidance on risk throughout the life of the contract.

32. Impact of Other Legislation

- 32.1. In addition to what has already been mentioned in these Rules, there is other legislation that may impact on the supplies, services and works required when following a contract tender or quotation procedure such as Health & Safety, Safeguarding, Modern Slavery, to name but a few. This legislation must be incorporated where relevant and appropriate. In particular, the Director must consider whether the contract needs to include, or be subject to, a Data Sharing Agreement where the nature of the contract services is such that personal data is likely to be shared.

1. Recruitment and Appointment

1.1. Recruitment Policy

1.1.1. Recruitment of employees will be in accordance with the Council's adopted recruitment and appointment policy and the Council will recruit from the widest possible field and will appoint on the sole criteria of merit, except where race and gender is a genuine occupational qualification, or where the Council seeks to avoid redundancy by identifying alternative employment opportunities or there are exceptional circumstances.

1.2. Legislation

1.2.1. The Council's Recruitment and Selection Policy and Procedures are governed by extensive legislation particularly the laws relating to discrimination. The Employment Procedure Rules reflect existing statutory provisions and in particular the Local Authorities (Standing Orders) (England) Regulations 1993 and 2001(as amended) and are based on the model provided by the Secretary of State for Communities and Local Government.

1.3. Declarations

1.3.1. These will be considered as follows:-

- (a) The Council will draw up a statement requiring any candidate for appointment as an employee to state in writing whether they are related to or a partner of an existing Councillor or an employee of the Council, or the partner of such persons.
- (b) A candidate who fails to disclose such a relationship will be disqualified for the appointment and if appointed will be liable to dismissal without notice.
- (c) Every Member and employee of the Council at JNC for Chief Officers level will disclose to the Chief Executive any relationship known to him/her to exist between themselves and any person they know is a candidate for an appointment with the Council.
- (d) No candidate so related to any Member or an employee will be appointed to the same service unit without the authority of the Chief Executive or relevant Chief Officer.

- (e) Any employee who develops a personal relationship with a Councillor, or with another employee in the same service, or any employee covered by the JNC for Chief Officers who develops a personal relationship with any other employee, will disclose that relationship to his/her manager.

The definition of a "Deputy Chief Officer" means a person who, as respects all or most of the duties of his/her post, is required to report directly or is directly accountable to one or more Chief Officer. This definition applies to a number of senior employees in the City Council, as determined by the Chief Executive, who for the purpose of these procedure rules, are designated "Deputy Chief Officers".

- 6.3. The Monitoring Officer will notify all Cabinet Members of the names, the relevant particulars and the period within which any objection to any of the shortlisted candidates can be made (this will be a minimum of three working days).
- 6.4. Any objection by a Cabinet Member must be notified to the Leader who will respond to the Monitoring Officer on behalf of the Cabinet.
- 6.5. No appointment can be made until the expiry of the objection period and notification is received from the Leader that neither they nor any Member of the Cabinet objects to the appointment.
- 6.6. If an objection is received, the Monitoring Officer will notify the Appointments Panel and the appointment can only be made if the Appointments Panel determines that the objection is not material or well-founded.

9. Suspension of Chief Executive, Monitoring Officer and Director of Finance and Resources

- 9.1. The Chief Executive, Monitoring Officer and Director of Finance and Resources may be suspended whilst an investigation takes place into alleged misconduct. - 10.1. - 10.7. Before the taking of a vote at a meeting referred to in paragraph 10.6, on whether or not to approve such a dismissal, the Council must consider, in particular:
 - (a) any advice, views or recommendations of the Panel;
 - (b) the conclusions of any investigation into the proposed dismissal; and
 - (c) any representations from the relevant officer.
- 10.8. Any remuneration, allowances or fees paid by the Council to an independent person appointed to the Panel must not exceed the level of remuneration, allowances or fees payable to that independent person in respect of that person's role as independent person under the 2011 Act, if any.
- 10.9. Where a committee, sub-committee or officer is discharging, on behalf of the Council, the function of the dismissal of a relevant officer, the Council must approve that dismissal before notice is given to that person.

11. Assistants to Political Groups

- 11.1. The appointment of any assistant to a Political Group will be made in accordance with the statutory provisions in that regard.
- 11.2. The appointment of an assistant to a Political Group will be made in accordance with the wishes of that Political Group .
- 11.3. There will be no political assistants unless such a post is allocated to all political parties that are so entitled. Any party that does not qualify may not have one. Before making any appointment to the post of political assistant, the Council must decide which group(s) would be entitled to such a political assistant.

12. Interests in Employee Negotiations

- 12.1. Any Councillor who is in the employment of any local authority or who is an official or an employee of a Trade Union whose members include employees of the Council is prohibited by law from representing the interests of the Council in any negotiations with respect to the terms and conditions of Council employees. Nothing in this paragraph will prevent any member from taking part in any Appeal Panel not involving terms and conditions of service.

13. Human Resource Matters

13.1. Management of Employees

- 13.1.1. All Members of the Leadership Board and Directors will be accountable to the Cabinet for the management of their Directorates or Departments.
- 13.1.2. In fulfilling this management role, all Members of the Leadership Board and Directors will comply with the City Council’s human resource policies with regard to recruitment, selection and employment of employees, as may be agreed from time to time by the Cabinet.
- 13.1.3. All senior Managers are responsible for the effective recruitment, development and promotion of a workforce which is representative of the community and provides training and, if appropriate, adaptations for under-represented groups.

The Director of People and Facilities Management will, in consultation with each Member of the Leadership Board and Directors, designate an Employee as Human Resources Manager to help each Member of the Leadership Board and Directors ensure compliance with the human resource policies of the City Council.
 - 13.3.2. Decisions of any Appointments Panel or Appeal Committee are not subject to call-in.

PART 3I: THE PETITIONS SCHEME

1. General

- 1.1. The Council welcomes petitions and recognises that these are one way in which citizens of Coventry can raise concerns.
- 1.2. The Council will treat something as a petition if it is identified as being a petition, or if it seems to the Council that it is intended to be a petition and it has at least 5 signatories on it.
- 1.3. Petitions can be submitted by people who live, work or study in Coventry, or sponsored by a Councillor on their behalf. Where a petition is presented without a Councillor sponsor, ward Councillors will be offered sponsorship of the petition.
- 1.4. Petitions can be submitted in two ways:
 - (a) on paper; a recommended form for use by petition organisers is available on the City Council's website (www.coventry.gov.uk) at <http://www.coventry.gov.uk/downloads/download/1524/petitions>, and
 - (b) electronically via the Council's e-Petition facility (<http://www.coventry.gov.uk/info/10095/petitions>)
- 1.5. Paper petitions should be sent to the Petitions Officer:

Coventry City Council
Council House
Earl Street
Coventry
CV1 5RR

2. Guidelines for Submitting a Petition

- 2.1. Petitions submitted to the Council must include:
 - The topic being addressed and
 - The action required from the Council and
 - At least 5 signatories who live, work or study in Coventry
- 2.2. Petitions should be accompanied by contact details including an address for the Petition Organiser. This is the person the Council will contact to explain how it intends to respond to the petition. This can

be, but does not have to be, a Councillor. That person will need to indicate which personal data can be published on the Council's website in order to enable the Council to meet its obligations under data protection legislation. If the petition does not identify a Petition Organiser, signatories to the petition will be contacted, starting with the first signatory, to agree who will act as the Petition Organiser.

- 2.3. In the period immediately before an Election or Referendum the Council may need to deal with the petition differently – if this is the case the Council will explain the reasons and discuss the revised timescales which will apply.

3. Exclusions

- 3.1. The general principle is that the Council will consider all petitions submitted but petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be accepted.
- 3.2. Where applicable, the Council will contact the Petition Organiser to discuss with them the issues and advise on how the petition might be made acceptable.
- 3.3. Where the Petitions Officer considers that a petition should be rejected for any of the above reasons, the matter should be referred by the Petitions Officer to the Leader of the Council and the Leader of the main opposition group for adjudication and where there is no consensus, the matter would be decided by the Leader.
- 3.4. The Council will not accept petitions dealing with any matter which has been considered by the Council within the previous 6 months. The exception to this would be where there has been a material change affecting the topic of the petition. These should be referred by the Petitions Officer to the Leader of the Council and the Leader of the main opposition group for adjudication and where there is no consensus, the matter should be decided by the Leader.

4. Petitions submitted or sponsored by a Councillor

- 4.1. Councillors may submit a petition as Petition Organiser or support an existing petition, acting as its 'Sponsor'.
- (a) If a Councillor presents a petition to a meeting of the City Council the Councillor submitting the petition will be entitled to speak for two minutes;
- (b) if a Councillor presents a petition to the Cabinet or appropriate Cabinet Member, the Councillor submitting the petition will be entitled to attend the meeting to present the petition and

entitled to speak for two minutes in addition to the speaking time for the petition organiser; and

- (c) if a Councillor presents a petition to either the Planning or the Licensing and Regulatory Committee, that Committee's rules with regard to speaking and responding will apply.
- (d) If a Councillor who is the Petition Organiser or who is acting as its Sponsor (in which case, together with the Petition Organiser) indicates in writing that they are agreeable, a petition may be dealt with or responded to without the need for formal consideration by a City Council body.

4.2. Where two or more Councillors present the same petitions, both Councillors will be entitled to speak for 2 minutes.

5. Council Action on Receipt of a Petition

5.1. A written acknowledgement will be sent to the Petition Organiser within five working days of receiving the petition (unless the Council is considering excluding the petition in accordance with Rule 3 above).

5.2. Details of the petition will be sent to the relevant Ward Councillors. For citywide petitions, all Councillors will be notified. Any Councillor wishing to act as 'Sponsor' for a petition will need to contact the Petition Organiser and seek their agreement and then inform the Petitions Officer. The Councillor's name will be added to the Petition Register. Both the Petition Organiser and a Sponsor will receive correspondence relating to the petition. Where the Petition Scheme states that the Petition Organiser will be informed, the Sponsor will also be informed.

5.3. The Petitions Officer will check that the petition complies with the requirements of the scheme and then publish details of the petition on the Council's website. This will be updated in the petitions Register. The details of the petition will be published within ten working days of receipt.

6. How the Council will respond to Petitions

6.1. When the Council accepts a petition, (other than those presented by a Councillor at full Council) the Petitions Officer will check which of the five different types of petitions apply:

- (a) A petition requiring Council debate (Rule 7)
- (b) A petition calling a senior officer to account (Rule 8)

- (c) A petition which relates to a current Planning application (Rule 9)
- (d) A petition which relates to a Licensing or Regulatory matter (Rule 9)
- (e) Other petitions (Rule 10)

6.2. When dealing with petitions the Council may consider one or more of the following responses:

- (a) Taking the action requested in the petition
- (b) Taking no further action
- (c) Referring the petition to Cabinet, a Cabinet Member or relevant Committee
- (d) Referring the petition for consideration by the Council's Scrutiny Boards
- (e) Referring the petition to another organisation
- (f) Holding an enquiry into the matter
- (g) Undertaking research into the matter
- (h) Holding a public meeting
- (i) Holding a consultation
- (j) Holding a meeting with the petitioners
- (k) Calling a referendum
- (l) Writing to the Petition Organiser setting out the views of the Council about the request in the Petition
- (m) Any other appropriate action

6.3. Where the issue is one on which the Council's Cabinet is required to make the final decision, the Council will decide whether to make recommendations to inform that decision. The Petition Organiser will receive written confirmation of this decision. This confirmation will also be published on the Council's website.

6.4. If the petition is a statutory petition or relates to a matter where there is already an existing right of appeal, such as Council Tax banding or non-domestic rates, other procedures will apply and the petition will not be routed in any of the four ways above by the Petitions Officer.

6.5. In all cases the Council will advise the Petition Organiser of the action it has taken and will publish the outcome on the City Council website (www.coventry.gov.uk).

6.6. In relation to other petitions (Rule 10) where a petition is not either sponsored or organised by a Councillor, the appropriate Cabinet Member or Chair will decide the process by which the petition will follow provided that it is agreed in writing by the Petition Organiser. In the absence of written agreement by the Petition Organiser, then the petition will be referred via the formal process to the appropriate City Council body.

7. A Petition Requiring Full Council Debate

7.1. If a petition is supported by 15,000 or more people it will be debated by a Full Council meeting when all Councillors can attend. The Council will endeavour to consider the petition at its next available meeting, although on occasions this will not be possible, and the matter will be passed to the next Full Council meeting.

7.2. The Petition Organiser and Sponsoring Councillor(s) will each be allowed 3 minutes to present the petition at the Full Council meeting and the petition will then be discussed by Councillors – there is no time limit set for this.

7.3. The Council will decide how to respond to the petition at this meeting and may take any of the actions described at Rule 6.2.

8. Petitions Requiring Attendance by a Senior Officer

8.1. If a petition asks for a Senior Council Officer to give evidence at a public meeting about something for which the officer is responsible as part of their job, the petition must contain at least 10,000 signatures. Those senior officers that can be called to give evidence are as follows:

- Chief Executive
- Directors
- Director of Public Health
- The Monitoring Officer
- Chief Finance Officer

8.2. Only these officers can be called to give evidence under this section of the petition scheme.

- 8.3. If a petition has the requisite number of signatures, the Council's Scrutiny Coordination Committee will decide which of the Council's Scrutiny Boards the senior officer will be asked to attend before. The Scrutiny Co-ordination Committee may decide that it is better for a different officer to give evidence and may also decide to call the relevant Councillor to attend the meeting.
- 8.4. Scrutiny Board members will ask the questions at the meeting, but the Petition Organiser may suggest questions to the Chair of the Committee by contacting the Petitions Officer up to three working days before the meeting.
- 9. Petitions which relate to matters by Planning Committee and Licensing and Regulatory Committee**
- 9.1. Petitions relating to planning, licensing or regulatory matters will be referred to the respective Committee by the Petitions Officer and proceed in accordance with the rules of procedure relating to that Committee.
- 9.2. In the case of a petition that relates to a particular application, the petition will be considered at the same time as the application. Any petition relating to a planning or licensing issue, for which an application has not been received within a 12-month period and where there is no on-going process, will automatically be considered by the relevant Cabinet Member and the petition put on file in planning or licensing for future reference.
- 9.3. In relation to the receipt of petitions to Planning Committee, only those petitions received by 12.00 noon on the day before the meeting will be treated as a petition, with the Petition Organiser (including any Councillor presenting the petition) and the applicant (or their agent/representative) being invited to attend and speak at the meeting; and that any 'petition' received after this deadline be treated as a 'late representation' and summarised by the Head of Planning and Regulation on the 'late representations report' which is tabled at the meeting.
- 9.4. At Planning Committee, in line with the public speaking scheme, the length of the Petition Organiser's speech will be limited to three minutes. In addition, the applicant (or their agent/representative) will have the right of reply when a petition is presented in respect of a Planning Application. The Chair of the Planning Committee will have the discretion to ensure that any right of reply by an applicant (or their agent/representative) in response to a petition spokesperson's speech (which is limited to three minutes) will be of a proportionate amount of time.

10. Other Petitions

- 10.1. 10.1 If a petition has at least 5 but less than 15,000 signatures on it, the Petitions Officer will review the content of the petition and decide whether the petition should be addressed to Full Council, Cabinet or Cabinet Member.
- 10.2. If the Petition has been presented by a Councillor as the Petition Organiser or Sponsor, then the Councillor will be able to present the Petition to a City Council body, unless the Councillor has agreed that the petition may be dealt with or responded to without the need for formal consideration by a City Council body.
- 10.3. Petitions can be presented to Full Council by a Councillor but will not be debated by them. Instead, Full Council will refer the petition to the relevant Cabinet, Cabinet Member or Committee to deal with the matter.
- 10.4. The Petitions Officer will notify the Petition Organiser which Cabinet/ Cabinet Member/Committee the matter has been referred to and if the petition is to be formally considered by a City Council body, advise them of the date of the meeting when the matter will be considered. The Petitions Officer will also notify the relevant Ward Councillor/s. If the Petition Organiser is a Councillor, they will not be entitled to vote at any meeting unless they are a member of the Cabinet or Committee or the Cabinet Member concerned.
- 10.5. The Petition Organiser (including any Councillor as Petition Organiser) may attend this meeting and speak about the petition. Only the Petition Organiser is entitled to speak, and they should confirm their attendance to the Council at least 3 working days before the meeting.
- 10.6. Where more than one petition is presented in relation to a particular item the Petitions Officer will endeavour to ensure that all petitions are dealt with at the same meeting. In the event that petitions have an "opposing" viewpoint, the Petitions Officer will invite each Petitioner Organiser to nominate a spokesperson. Each spokesperson will be entitled to attend the meeting and speak about the petition. If a spokesperson is unable to attend, for any reason, the meeting will still consider the petition.
- 10.7. Where a petition is referred by the Petitions Officer to the Cabinet, appropriate Cabinet Member or appropriate City Council Committee, no discussion will take place on this matter in the City Council, except that the Councillor presenting a petition will be allowed to speak in full Council for not more than two minutes to explain the purpose of

the petition.

- 10.8. The Cabinet, appropriate Cabinet Member or relevant Committee will decide how to respond to each petition and may take any of the actions described at paragraph 6.2.

11. Withdrawing a Petition

- 11.1. The Petition Organiser may request, in writing, the withdrawal of a petition. Such requests will be considered by the Petitions Officer on their merits, but in general it should be assumed that the Council will process all valid petitions received.

- 11.2. Where the Petitions Officer is minded to permit the Petition Organiser to withdraw a petition, the Chair of the body to which the petition would have been presented shall be consulted. In the absence of agreement, the matter should be referred by the Petitions Officer to the Leader of the Council and the Leader of the main opposition group for adjudication and, where there is no consensus, the matter should be decided by the Leader.

12. Petitions – Right to request a review

- 12.1. If the Petition Organiser considers that the Council has not responded to a petition in line with this Scheme (except those petitions which are dealt with by the Planning, Licensing and Regulatory Committees) they have the right to request the Council's Scrutiny Co-ordination Committee to review the steps that the Council has taken in responding to the petition (not the outcome or decision). If a Petition Organiser wishes to operate their right to request a review, they should write to the Council's Scrutiny Officer no later than 14 days after the Council notifies them of the outcome of the petition. The letter should set out the reasons why the Petition Organiser considers a review should be conducted.

- 12.2. The request will be considered by the Chair of Scrutiny consulting with the Scrutiny Officer. If it is felt that there is sufficient case to warrant a review the matter should then be referred to the Council's Scrutiny Co-ordination Committee for consideration. The Scrutiny Officer will arrange for the matter to be considered by the next available meeting of the Council's Scrutiny Coordination Committee and will notify the Petition Organiser of the date of this meeting.

- 12.3. If the Council's Scrutiny Co-ordination Committee considers the Council has not dealt with the petition in accordance with this scheme, it may use any of its powers to deal with the matter. This includes instigating an investigation, making recommendations to the Council's Cabinet or arranging for the matter to be considered at a meeting of Full Council.
- 12.4. Once the request has been considered the Petition Organiser will be informed of the results within 5 working days. The outcome of the request for a review will also be published on the Council's website as part of the Petitions register.

PART 3J: APPEALS COMMITTEE PROCEDURE RULES

- 1. Appeals relating to employment matters are delegated to the Chief Executive (or nominated Officer).**
- 1.1. An appeals Committee will consist of Councillors who have been trained in hearing appeals.
- 1.2. The membership of each Appeals Committee and any Statutory Review Board will comprise the appropriate number of members as selected by the Monitoring Officer on an ad hoc basis from a Panel of Councillors who have had training in determining appeals and any statutory or other requirements for review boards.
- 1.3. The Chair of an Appeals Committee or a Statutory Review Board will be appointed by the Committee or Review Board at the start of each meeting.
- 1.4. Each Appeals Committee will comprise three Councillors (subject to any statutory requirements to the contrary) and all three Councillors will be required to be present to consider the appeal.
- 1.5. No Councillor who has had any previous knowledge or dealings with the matter which is the subject of an appeal will be eligible to serve on an Appeals Committee that considers that matter.
- 1.6. Appeals Committees are subject to the Access to Information Procedure Rules set out in Part 3B.
- 1.7. Appeals Committees are the subject of the proportionality requirements set out in the Local Government and Housing Act 1989 and the Monitoring Officer in selecting membership of any Appeal Committee or statutory review board will ensure that the membership properly reflects the political make-up of the Council.
- 1.8. Decisions of the Appeals Committees are not the subject of call-in.
- 1.9. The Monitoring Officer or their representative will attend all meetings to advise and record proceedings.

PART 4A: CODE OF CONDUCT FOR ELECTED AND CO-OPTED MEMBERS COVENTRY CITY COUNCIL

INTRODUCTION AND GENERAL PRINCIPLES

1. Introduction

- 1.1 The role of Councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that Councillors can be held accountable, and all adopt the behaviours and responsibilities associated with the role. Your conduct as an individual Councillor affects the reputation of all Councillors. The role of Councillor should be one that people aspire to and individuals from a range of backgrounds and circumstances should be putting themselves forward to become Councillors.
- 1.2 As Councillors, you represent local residents, work to develop better services and deliver local change. The public have high expectations of you and entrust you to represent your local area, taking decisions fairly, openly, and transparently. You have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.
- 1.3 Importantly, you should be able to undertake your role as a Councillor without being intimidated, abused, bullied or threatened by anyone, including the general public.
- 1.4 This Code has been designed to protect your democratic role, encourage good conduct and safeguard the public's trust in local government.

2. Definitions

- 2.1 For the purposes of this Code of Conduct, a "Councillor" means a member or co-opted member of a local authority or a directly elected mayor. A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who:-
- (a) is a member of any committee or sub-committee of the authority, or;
 - (b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee".

4A - Code of Conduct for Elected and Co-opted Members

2.2 For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

3. Purpose of the Code of Conduct

3.1 The Code of Conduct sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. The fundamental aim of the Code is to create and maintain public confidence in the role of Councillor and local government.

4. Application of the Code of Conduct

4.1 This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

4.2 This Code of Conduct applies to you when:

- you are acting in your capacity as a Councillor and/or as a representative of your council
- you are claiming to act as a Councillor and/or as a representative of your council
- you are giving the impression that you are acting as a Councillor and/or as a representative of your council
- you refer publicly to your role as a Councillor or use knowledge you could only obtain in your role as a Councillor.

4.3 The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication

4A - Code of Conduct for Elected and Co-opted Members

- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

4.4 You are also expected to uphold high standards of conduct and show leadership at all times.

4.5 Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and Parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

5. The Nolan Principles

5.1 Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the [Seven Principles of Public Life](#), also known as the Nolan Principles. These are:

i. Selflessness

Holders of public office should act solely in terms of the public interest.

ii. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

iii. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

iv. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

v. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

vi. Honesty

Holders of public office should be truthful.

vii. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

6. General principles of Councillor conduct

6.1 Building on the Nolan Principles, the following general principles have been developed specifically for the role of Councillor.

6.2 In accordance with the public trust placed in you agree that you will, on all occasions:

- act with integrity and honesty
- act lawfully
- treat all persons fairly and with respect; and
- lead by example and act in a way that secures public confidence in the role of Councillor.

6.3 In undertaking your role, you agree to:

- impartially exercise your responsibilities in the interests of the local community
- not improperly seek to confer an advantage, or disadvantage, on any person
- avoid conflicts of interest
- exercise reasonable care and diligence; and
- ensure that public resources are used prudently in accordance with your local authority's requirements and in the public interest.

7. Standards Of Councillor Conduct

7.1 This section sets out your obligations, which are the minimum standards of conduct required of you as a Councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken. Guidance is included to help explain the reasons for the obligations and how they should be followed. Guidance is shown in italics.

8. Respect

8.1 As a Councillor you must:

- treat other Councillors and members of the public with respect.
- treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

8.2 Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

8.3 In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

8.4 In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's Councillor-officer protocol.

9. Bullying, Harassment and Discrimination

9.1 As a Councillor you must:

- not bully any person.

4A - Code of Conduct for Elected and Co-opted Members

- not harass any person.
- promote equalities and not discriminate unlawfully against any person.

9.2 The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as “offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient”. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face on social media, in emails or during phone calls, in the workplace or at work-related social events. Such behaviour may not always be obvious or noticed by others.

9.3 The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

9.4 Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

9.5 The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

10. Impartiality of Officers of the Council

10.1 As a Councillor, you must not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

10.2 Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

11. Confidentiality and Access to Information

As a Councillor, you must not:

11.1 Disclose information:

- (a) given to you in confidence by anyone
- (b) acquired by you which you believe, or ought reasonably to be aware, is of a confidential nature, unless
 - i. you have received the consent of a person authorised to give it;
 - ii. you are required by law to do so;
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or
 - iv. the disclosure is:
 - (a) reasonable and in the public interest; and
 - (b) made in good faith and in compliance with the reasonable requirements of the local authority; and
 - (c) you have consulted the Monitoring Officer prior to its release.

11.2 Improperly use knowledge gained solely as a result of your role as a Councillor for the advancement of yourself, your friends, your family members, your employer or your business interests.

11.3 Prevent anyone from getting information that they are entitled to by law.

11.4 Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

12. Disrepute

12.1 As a Councillor, you must not bring your role or local authority into disrepute.

12.2 As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny

4A - Code of Conduct for Elected and Co-opted Members

than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your or its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

- 12.3 You are able to hold the local authority and fellow Councillors to account and are able to challenge constructively and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

13. Use of Position

- 13.1 As a Councillor, you must not use, or attempt to use, your position improperly to the advantage or disadvantage of yourself or anyone else.

- 13.2 Your position as a member of the local authority provides you with certain opportunities, responsibilities and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

14. Use of Local Authority Resources and Facilities

- 14.1 As a Councillor, you must when using the resources of the local authority or authorising their use by others:

- (a) act in accordance with the local authority's requirements; and
- (b) ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which you have been elected or appointed.

- 14.2 You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Councillor. Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

4A - Code of Conduct for Elected and Co-opted Members

14.3 These are given to you to help you carry out your role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

15. Complying with the Code of Conduct

15.1 As a Councillor, you must:

- undertake Code of Conduct training provided by the local authority.
- cooperate with any Code of Conduct investigation and/or determination.
- not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.
- comply with any sanction imposed on you following a finding that you have breached the Code of Conduct.

15.2 It is extremely important for you as a Councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

16. Protecting Your Reputation and the Reputation of the Local Authority

16.1 Interests

16.1.1 As a Councillor, you must register and declare your interests.

16.1.2 You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should declare an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be declared by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

4A - Code of Conduct for Elected and Co-opted Members

16.1.3 You should note that failure to register or declare a disclosable pecuniary (i.e. financial) interest is a criminal offence under the Localism Act 2011.

16.1.4 The Appendix to the Code (paragraph 17 below) sets out the detailed provisions on registering and declaring interests. If in doubt, you should always seek advice from your Monitoring Officer.

16.2 **Gifts and Hospitality**

16.2.1 As a Councillor, you must:

- not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on your part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.
- register with the Monitoring Officer any gift or hospitality with an estimated value of at least £50 within 28 days of its receipt.
- register with the Monitoring Officer any significant gift or hospitality that you have been offered but have refused to accept.

16.2.2 In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case, you could accept it but must ensure it is publicly registered.

16.2.3 You do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor. If you are unsure, do contact your Monitoring Officer for guidance.

17. **Appendix To Code**

17.1 **Registering Interests**

17.1.1 Within 28 days of this Code of Conduct being adopted by the local authority or your election or appointment to office (where that is later) you must register with the Monitoring Officer the interests which fall within the categories set out in Table 1 (Disclosable Pecuniary Interests) and Table 2 (Other Registerable Interests). Disclosable Pecuniary Interests means interests relating to money and finances.

4A - Code of Conduct for Elected and Co-opted Members

- 17.1.2 You must ensure that your register of interests is kept up-to-date and, within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
- 17.1.3 A 'sensitive interest' is an interest which, if disclosed, could lead to the Councillor or co-opted member, or a person connected with the member or co-opted member, being subject to violence or intimidation.
- 17.1.4 Where you have a 'sensitive interest' you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.
- 17.2 **Declaring Interests**
- 17.2.1 Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests, you must declare the interest. You must not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest, just that you have an interest.
- 17.2.2 Where a matter arises at a meeting which directly relates to one of your Other Registerable Interests, you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', again you do not have to declare the nature of the interest.
- 17.2.3 Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest) or a financial interest or well-being of a relative or close associate, you must declare the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest.
- 17.2.4 Where a matter arises at a meeting which affects:-
- (a) your own financial interest or well-being;
 - (b) a financial interest or well-being of a friend, relative, close associate; or
 - (c) a body included in those you need to declare under Disclosable Pecuniary Interests

you must declare the interest.

17.2.5 Where the matter affects the financial interest or well-being:

- (a) to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
- (b) a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

you must declare the interest.

You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to declare the nature of the interest.

17.3 **Table 1: Disclosable Pecuniary Interests**

PART 4B CODE OF CONDUCT FOR EMPLOYEES (PRINCIPLES)

1. Introduction and Scope

- 1.1. This Code of Conduct (Principles) is based on the following key principles arising from the work of the Nolan Committee on the Standards in Public Life:-

2. The Seven Principles of Public Life

- 2.1. The Seven Principles of Public Life (also known as the Nolan Principles) apply to anyone who works as a public office holder. This includes all those who are elected or appointed to public office, nationally and locally, and all people appointed to work in the Civil Service, local government, the police, courts and probation services, non-departmental public bodies (NDPBs), and in the health, education, social and care services. All public officeholders are both servants of the public and stewards of public resources. The principles also apply to all those in other sectors delivering public services.

i. Selflessness

Holders of public office should act solely in terms of the public interest.

ii. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

iii. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

iv. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

v. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

vi. Honesty

Holders of public office should be truthful.

vii. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

- 2.2. The Code outlines the minimum standards that Council employees must adhere to. The Code does not apply to school-based teaching staff or centrally employed teachers who have their own Code.
- 2.3. Employees must comply with the Code as it forms part of their terms and conditions of employment.
- 2.4. All employees are expected to perform their duties with honesty, integrity, impartiality and objectivity and in particular: -
- (a) To give the highest possible standards of service
 - (b) To do nothing inside or outside working hours which could damage the City Council's reputation
 - (c) To behave honestly
 - (d) Must comply with all the City Council's policies and procedures.

**PART 4C: CODE OF GOOD PLANNING PRACTICE FOR MEMBERS AND
EMPLOYEES DEALING WITH PLANNING MATTERS**

1. Introduction

- 1.1 The aim of this Code is to promote good practice: to ensure that in the planning process there are no grounds for suggesting that a decision has been biased, partial or not well founded in any way, and to set out the standards of conduct required of all Members and Employees in dealing with planning matters including but not limited to applications, policy development and enforcement.
- 1.2 Members and Employees of the Local Planning Authority should undertake their duties with an open mind and make planning decisions openly, impartially, with a sound judgement and for justifiable reasons. Members are also democratically accountable decision takers who have been elected to provide and pursue policies. Members are entitled to be predisposed to make planning decisions in accordance with your political views and policies **provided** that they have considered all material considerations and have given fair consideration to relevant points raised.
- 1.3 This Code applies to Members and Employees at all times when involving themselves in the planning process (this includes, where applicable, when part of decision making meetings of the Council in exercising the functions of the Planning Authority or when involved on less formal occasions, such as meetings with officers or the public and consultative meetings). It applies as equally to planning enforcement matters or site-specific policy issues as it does to planning applications.
- 1.4 **If you have any doubts about the application of this Code to your own circumstances you should seek advice early, from the Monitoring Officer or one of their staff, and preferably well before any meeting.**
- 1.5 The Code will be appended to the Council's Constitution and is available to all Members, Employees and members of the public.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

2. Relationship to the Member and Employee Codes of Conduct

2.1 The rules in the Member and Employee Codes of Conduct must always be complied with and should be applied first.

2.2 The rules in this Planning Code of Good Practice should be applied thereafter. These rules seek to explain and supplement the Member and Employee Codes of Conduct for the purposes of planning.

2.3 Failure to abide by this Code of Good Practice may put:

2.3.1 The Council at risk of legal challenge; and

2.3.2 Members at risk of either being named in a Code of Conduct Complaint and report made to the Standards Committee or Council, or if the failure is also likely be a breach of the interest provisions of Localism Act 2011, a complaint being made to the police to consider criminal proceedings.

3. Training

3.1 The Council provides training for new Members of the Committee. The Council also provides regular training for all Members of the Planning Committee on matters relevant to developments in planning law and procedure.

3.2 Members must not participate in decision making at Planning Committee Meetings dealing with planning matters if they have not attended the mandatory planning training prescribed by the Council.

3.3 Members and Employees must endeavour to attend any other specialised training sessions provided, since these will be designed to extend knowledge of planning law, regulations, procedures, Codes of Practice and the Development Plans beyond the minimum referred to above and thus assist them in carrying out their roles properly and effectively.

4. The Relationship of Councillors and Employees

4.1 In the planning process, Members and Employees perform different functions. Members represent the whole community and not just people in a particular area, ward or parish.

4.2 A successful relationship between Members and Employees can only be based on mutual trust and respect and understanding of each other's position. Respect is a value embedded within both the Member and Employee Codes of Conduct.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

5. Declaration of Interests

5.1 Provisions in the Member and Employee Codes of Conduct as regards declarations of interests, will apply equally to proceedings before the Planning Committee.

5.2 It is the responsibility of individual Members and employees to make the necessary declarations. Where advice is needed, this may be obtained from the Monitoring Officer or one of his or her staff. Advice should be obtained early and preferably **well before** any meeting takes place.

5.3 Members should take into account when approaching a decision as to whether to make a declaration, that the Principle of integrity is defined in terms that “*Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. **They must declare and resolve any interests and relationships***”. It is therefore advisable that Members and Employees:

5.3.1 Should not seek or accept any preferential treatment, or place themselves in a position that could lead the public to think they are receiving preferential treatment, because of the Member or Employee’s position. This would include where the Member or Employee has a disclosable or other personal conflict of interest in a proposal and using their position to discuss that proposal with Members or Employees when other members of the public would not have the same opportunity to do so.

5.3.2 Should note that they are not prevented from seeking to explain and justify a proposal in which they may have a conflict of interest to an appropriate officer, in person or in writing, but that the Member and Employee Codes of Conduct may place additional limitations on them in representing that proposal.

6. Declaration of Contacts

'Contacts'

The City Council’s Planning Committee operates a system for declaring 'contacts' received by Committee Members and certain employees in respect of planning applications appearing before the Committee for a decision.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

6.1 What is a 'Contact'?

6.1.1 "A contact is any form of communication received from any person or group of persons in respect of a planning application".

6.1.2 The following information should be declared about the 'contact':

- (a) the application it relates to,
- (b) the contents of the communication (e.g. lobbying for or against the application or a request for information).

6.2 Members Declaration of 'Contacts'

6.2.1 Members of the Committee must declare all contacts they have received on all planning applications appearing on that meeting's agenda at the start of the meeting under the item headed 'Contacts' or when that application is called for consideration at the meeting. Contacts received from other Council Members must also be disclosed.

6.2.2 Where numerous persons belonging to the same group or residents' association etc contact a Member of the Committee, then this may be declared as a single contact from that group or residents association or as the case may be.

6.2.3 'Contacts' received may also take the form of lobbying of Committee Members. In those cases, the advice given below in respect of lobbying may be followed.

6.2.4 In all cases of contacts, Members of the Committee should not indicate whether they are favourably or unfavourably disposed towards an application and that they, as a Member of the Committee, will await the Committee meeting before expressing a view on the application. They should consider advising the contact to communicate with planning employees.

6.2.5 Members should always advise contacts that they will need to disclose their communication under the 'contacts' rule at the Committee meeting. Where contacts refuse to reveal their identity, Members must judge whether they should terminate the communication as soon as can be.

6.2.6 'Contacts' are **not** interests and declaring a contact is **not** a substitute for declaring an interest where one exists. The rules for declaring interests operate independently from the 'contacts' scheme.

6.2.7 For the avoidance of doubt, where any Member of the Planning Committee is approached by an applicant or objector seeking to have

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

a particular application dealt with by the Committee, rather than under delegated powers, then this must be disclosed as a "contact".

6.3 Employees' Declarations of 'Contacts'

6.3.1 Planning employees will make their disclosures of contacts in the written Committee report or orally where they have occurred after the written report has been published.

6.3.2 Certain matters (which would otherwise be contacts) will be excluded from what amounts to declarable contacts by employees (this is because they are a necessary part and parcel of the exercise of assessing the application). These will be communications from:

- (a) the applicant and/or their representative
- (b) third parties as required by law or national guidance, such as statutory undertakers or statutory consultees
- (c) Council employees consulted for their technical assessment of matters arising from their application such as environmental, health and highways matters
- (d) other planning employees acting in that capacity.

7. **Fettering Discretion in the Planning Process (natural justice, predisposition and predetermination)**

7.1 Members must not fetter their discretion and therefore their ability to participate in planning decision making by approaching the decision with a closed mind. Fettering discretion in this way and taking part in the decision will put the Council at risk of a finding of maladministration and of legal proceedings on the grounds of bias, pre-determination or a failure to take into account all of the factors enabling the proposal to be considered on its merits.

7.2 Members should be aware that they are entitled, and are often expected, to have expressed views on planning issues and these comments have an added measure of protection under the Localism Act 2011.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

- 7.3 Members should keep at the front of their mind that, when they come to make the decision, they:
- 7.3.1 must keep an open mind and hear all of the evidence presented, both the officers' presentation of the facts and their advice and the arguments from all sides,
 - 7.3.2 are not required to cast aside views on planning policy held when seeking election or when otherwise acting as a Member, in giving fair consideration to points raised,
 - 7.3.3 should be aware of the importance of material considerations and must disregard considerations that are non-material. Members should be aware that when making decisions on planning applications they must do so in accordance with the Council's Development Plan document unless material conditions indicate otherwise.
 - 7.3.4 are to come to a decision after giving what they feel is the right weight to those material considerations.
- 7.4 Members should consider themselves able to take part in the debate on a proposal when acting as part of a consultee body (where the Member is also a member of the parish council, for example, or both a district/borough and county councillor), provided:
- 7.4.1 the proposal does not substantially affect the well being or financial standing of the consultee body
 - 7.4.2 the Member makes it clear to the consultee body that
 - (a) their views are expressed on the limited information before them only,
 - (b) they reserve judgement and the independence to make up their own mind on each separate proposal, based on their overriding duty to the whole community and not just to the people in that area, ward or parish, as and when it comes before the Committee and they hear all of the relevant information and
 - (c) they will not in any way commit themselves as to how they or others may vote when the proposal comes before the Committee.
- 7.5 Where a Member has a disclosable interest, that prevents them from participating, they should explain that they do not intend to speak and vote as a member of the Committee because they will be perceived as having judged (or they reserve the right to judge) the matter elsewhere, so that this may be

Part 4C – Code of Good Planning Practice for Members and Employees Dealing with Planning Matters

recorded in the minutes (Use the disclosure form provided for disclosing interests.)

7.6 Members may take the opportunity to exercise their separate speaking rights as a Ward/Local Member (where this is granted by the authority's standing orders or by the consent from the Chair) where they have represented their views or those of local electors and fettered their discretion, but do not have a disclosable or other personal conflict of interest. Where Members do:

7.6.1 advise the Chair that they wish to speak in this capacity before commencement of the item

7.6.2 remove themselves from the seating area for members of the Committee for the duration of that item and

7.6.3 ensure that their actions are recorded.

8. Development Proposals Submitted by Councillors and Employees

8.1 The Council has a 'safeguard' requiring any application where a Council Member or officer in Planning have a material interest in the application to be decided by the Planning Committee itself.

8.2 Where the Member who has such an interest is also a Member of the Committee, then they should declare an interest and leave the meeting whilst that application is considered.

8.3 No planning officer will be the case officer, will advise Committee or be the decision-maker under delegated authority where they:

8.3.1 are related to the applicant or their agent,

8.3.2 know the applicant or their agent in a personal capacity,

8.3.3 know any of those persons making representations on the application,

8.3.4 have any other material interest in relation to that matter.

9. Development by the Council

Proposals for development by the Council should be treated in the same way as those of private developers and in accordance with current Government guidance.

10. Lobbying of and by Councillors

10.1 Lobbying is a normal and perfectly proper part of the political process. Those who are affected by a planning decision will seek to influence it.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

However, care is needed to ensure that the impartiality and integrity of a Councillor is not called into question.

- 10.2 When being lobbied, Members of the Committee should not express an opinion on the application. If Committee Members do express an opinion, they must take care to indicate that they have not made up their mind on the application until they have heard all the arguments at Committee.
- 10.3 If lobbied, Members of the Committee should encourage the lobbyist to contact the relevant planning officer to express their views to them.
- 10.4 Members must take into account the views of their constituents but Members of the Committee must act also openly and fairly and listen to all evidence presented at the Committee. Committee Members must not make a commitment beforehand either for or against a proposal. To do so may prejudice that Member's impartiality.
- 10.5 The planning process is one of formal rules and procedure involving a right of appeal and possible legal action. Where any expectation as to fairness has not been met, then an aggrieved party may seek remedy through the Courts or by complaint to the Ombudsman on grounds of maladministration.
- 10.6 If the application is such that a Member of the Committee feels they must adopt a public stance in respect of an application, then that Member may have difficulty in arguing at Committee that they have been impartial and even-handed in considering that application. In those circumstances, it may be better for that Member to make an open declaration and not to vote on the application.
- 10.7 In all cases it is a matter for the individual Member as to whether they can maintain a position of impartiality up to and including the Committee meeting which decides the application.
- 10.8 In respect of lobbying, the City Council's Planning Committee operates a system of declaring 'contacts' in respect of planning applications to be dealt with by the Committee. Again it is the responsibility of each Member of the Committee to declare the 'contacts' they receive. Lobbying of Members of the Committee will amount to a 'contact' under the scheme and will need to be declared by Members of the Committee at the appropriate Committee meeting.
- 10.9 Members of the Committee should not organise support for or opposition to a planning application and should not lobby other Committee Members. Such actions can easily be misunderstood by parties to the application and by the general public. Members should not put pressure on employees for a particular recommendation in respect of an application.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

11. Pre-Application Discussions

- 11.1 Such discussion between developers and Employees and Members can be of great benefit. But such discussions, especially if they occur just before or after the making of an application, must occur within clear guidelines.
- 11.2 It should be made clear that such discussion will not bind the Council to making a particular decision.
- 11.3 Advice should be consistent and based upon the development plan and material considerations. There should be no significant difference of interpretation of planning policies between employees. Planning judgements involve balancing a number of policies and material considerations and officers and members may place different weight to each of the issues considered.
- 11.4 Care must be taken to ensure that advice is not partial (nor seen to be).
- 11.5 Development Forums may be established to enable the engagement of Councillors and members of the public. These are detailed in the Planning Committee Procedure Rules which are publicly available.
- 11.6 In addition, in respect of presentations by applicants/developers Members of the Planning Committee should:
 - 11.6.1 Not attend a planning presentation without requesting an officer to be present.
 - 11.6.2 Ask relevant questions for the purposes of clarifying your understanding of the proposals.
 - 11.6.3 Remember that the presentation is not part of the formal process of debate and determination of any subsequent application, this will be carried out by the appropriate Committee of the planning authority.
 - 11.6.4 Be aware that a presentation is a form of lobbying and, whilst you may express any view on the merits or otherwise of the proposal presented, you should never state how you or other Members would intend to vote at a committee.

12. Employee Reports to Committee

- 12.1 The basis of the Committee's consideration of a planning application should be the employee's written report. This helps to clarify the nature of applications and the context in which a decision needs to be made. Written reports help to ensure consistency of decision-making and clear reasoning behind recommendations. This is not only a matter

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

of good practice but because failure to do so may constitute maladministration or give rise to judicial review on the grounds that the decision was not taken in accordance with the provisions of the development plan and the Council's statutory duty under section 54A of the Town and Country Planning Act 1990 (as amended).

- 12.2 All reports should comply with the following points of good practice:
 - 12.2.1 Reports should be accurate and cover, amongst other things, the substance of any objections and the views of those consulted.
 - 12.2.2 Reports should include a clear exposition of the relevant development plan policies, site or related history and any other material considerations.
 - 12.2.3 Reports should have a written recommendation of action. Oral reporting (except to update a report) should be avoided and carefully minuted when it does occur.
 - 12.2.4 Reports should contain technical appraisals which clearly justify the recommendation.
 - 12.2.5 If the report's recommendation is contrary to the provisions of the development plan, the reasons justifying the departure must be clearly stated.

13. Public Speaking at Planning Committee

- 13.1 Members of the public are not permitted to communicate during the Committee's proceedings (orally or in writing) other than through the scheme for public speaking or through the Chair, as this may give the appearance of bias.
- 13.2 The public speaking scheme does not apply to applications decided under officer's delegated authority. In those cases members of the public are still entitled to submit their comments and views on the application for employees to consider.
- 13.3 The rules of the Public Speaking Scheme are set out in the Planning Committee Procedure Rules which are available from the Council. The aim of the scheme is to elicit a broad range of opinions on the application in order to increase public participation and to help the Committee in its decision making.
- 13.4 A Guide to Public Speaking at Planning Committee has been produced and is also available from the Council.

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

14. Decisions Contrary to Officer Recommendations and/or the Development Plan

- 14.1 The law says that decisions must be made in accordance with the development plan where relevant unless material considerations indicate otherwise (section 38 of the Planning and Compulsory Purchase Act 2004).
- 14.2 Applications not in accordance with the development plan must be identified as soon as possible and, if required, advertised as such.
- 14.3 If it is intended to approve such applications then the material considerations leading to this conclusion must be clearly identified and how these considerations justify overriding the development plan be clearly demonstrated. The application may then have to be referred to the First Minister, depending upon the type and scale of the development. If the officer's report recommends that permission be granted for a proposal involving such a departure, the justification for this should be included in full in that report.
- 14.4 If the Planning Committee makes a decision contrary to the officer's recommendations (whether for grant or refusal of permission), a detailed minute of the Committee's reasons should be made and a copy placed on the application file.
- 14.5 The officer should also be given the opportunity to explain the implications of the contrary decision and, if appropriate, legal advice should be sought. Such reasons should be clear and convincing. The personal circumstances of the applicant will rarely provide such grounds.
- 14.6 Where a decision is made contrary to the recommendation (whether to approve or refuse), the Committee will be required to provide conditions on the grant of a permission or reasons for refusal, as the case may be. In such cases and where necessary the Committee may consider delegating to employees the task of drafting conditions or reasons.

15. Regular Review of Decisions

When undertaking sites visits (see the Planning Committee Procedure Rules, available separately) in connection with planning applications, Members will take the opportunity, where appropriate, to visit sites within the locality in order to review completed developments. This will enable Members to assess the quality of developments in accordance with the Committee's decision and in line with the Council's policies and guidelines. Such visits are intended to improve the quality and

**Part 4C – Code of Good Planning Practice for
Members and Employees Dealing with
Planning Matters**

consistency of decision-making and thereby strengthen public confidence in the planning system.

16. Complaints Procedure

16.1 Any complaints received will be dealt with under the Council's complaints procedures.

16.2 Record keeping should be complete and accurate to allow complaints to be fully investigated. This is especially so where decisions are taken under delegated powers and there is no report to Committee. In all cases the planning file should be an accurate record of event during that application's life.

PART 4D: MEMBER OFFICER PROTOCOL

1. Status of this Code

- 1.1 This Protocol seeks to offer guidance on some of the issues which most commonly arise in relation to the relationships between Members and officers.
- 1.2 The Protocol is partly a statement of current practice and convention. In some respects, however, it seeks to promote greater clarity and certainty. In particular, it covers the behaviour that is expected between Members and officers.
- 1.3 The Protocol gives guidance only, but it will be considered if there is a complaint about a Member or an officer. Members must observe the Members' Code of Conduct. Any complaints received in relation to alleged breaches of the Code of Conduct will be considered initially by the Monitoring Officer. Officers are also obliged to comply with the Code of Conduct for Employees. Any complaints received about officers behaviour or conduct will be considered by the relevant managers.

2. Roles of Members and Officers

- 2.1 Officers and Members both serve the public, but they have different roles. Officers are employees of the Council and are politically neutral. Their role is to advise Members and implement the policies of the Council to the best of their abilities. Members are office holders and will often belong to a political party. They are obliged to exercise their own judgement in respect of matters before them but may also legitimately pursue party political objectives. Officers are answerable to the Chief Executive, not to individual Members (whatever office they hold), but there should be good communication between senior officers and Members with special responsibility for their area of work.

3. Expectations

3.1 What Members can expect from Officers:

- (a) A commitment to the authority as a whole, not to any Political Group .
- (b) A working partnership.
- (c) An understanding of and support for respective roles, workloads and pressures.

- (d) Timely responses to enquiries and complaints in accordance with agreed standards: (see paragraph 7)
- (e) Professional advice, not influenced by political views or preference.
- (f) Regular up-to-date information on matters that can be reasonably considered appropriate and relevant to the Member's needs, having regard to any individual responsibilities that they have and positions that they hold.
- (g) Awareness and sensitivity to the political environment.
- (h) Respect and courtesy.
- (i) Training and development in order to carry out their roles effectively.
- (j) Not to have personal issues raised with them by officers outside the agreed procedures.
- (k) Officers should not try to persuade individual Members to make a decision in their personal favour or raise things to do with their employment with individual Members. Nor should they approach individual Members with allegations about other officers. They should use the Council's grievance, whistle blowing and disciplinary procedures instead.
- (l) Compliance with the Employee Code of Conduct.

3.2 What Officers can expect from Members:

- (a) A working partnership.
- (b) An understanding of and support for respective roles, workloads and pressures.
- (c) Political policy direction and leadership.
- (d) Respect and courtesy.
- (e) Members should generally restrict their discussion on strategic or significant issues to more senior officers (that is the Chief Executive, Directors or Heads of Service); Members should raise all queries on operational matters initially with Directors or Heads of Service who will ensure that Members receive a prompt response.

- (f) Members are encouraged to use regular briefings and/or normally make appointments before visiting officers in order to try to avoid frequent unscheduled interruptions. Members wishing to arrange visits to Council services in relation to their role should arrange this with the relevant senior officer and not visit unannounced.
- (g) Members should not pressure officers to work outside their normal hours or to do anything they are not allowed to do or that is not part of their normal work.
- (h) Not to be subject to bullying, harassment or intimidation. Members should have regard to the seniority and experience of officers in determining what constitutes a reasonable request. Members with special responsibilities should be particularly aware of this.
- (i) Members should not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly.
- (j) Members may occasionally find that they have a personal interest in a matter that needs to be raised with officers. Members should be clear about their personal interest and use appropriate and formal language when contacting officers in this instance. Close personal familiarity between individual Members and officers can damage the relationship of mutual respect and prove embarrassing to Members and officers. Members and officers are encouraged to contact the Monitoring Officer for advice if they are concerned about this.
- (k) Members should not make detrimental remarks about individual officers during meetings, in public or to the media.
- (l) Members should at all times comply with the Member Code of Conduct.

4. Limitations on behaviour

4.1 The distinct roles of Members and officers necessarily impose limitations upon behaviour. By way of illustration and not as an exclusive list:

- (a) Personal relationships between individual Members and officers can confuse the separate roles and get in the way of the proper discharge of the authority's functions. In this situation, others may feel that a particular Member or officer may be treated more favourably.

- (b) Personal relationships should be avoided. Where they do exist, the officer concerned must notify their manager.
- (c) The need to maintain the separate roles means that there are limits to the matters on which Members may seek the advice of officer, both in relation to personal matters and party-political issues.
- (d) Relationships with particular individuals or party groups should not be such as to create public suspicion that an employee favours that Member or group above others.

5. Politeness and respect

- 5.1 Members and officers should show each other politeness and respect. Members have the right to challenge officers' reports or actions, but they should avoid personal and/or public attacks; and ensure their criticism is fair and constructive.
- 5.2 Officers should not publicly criticise Council decisions even if they do not personally agree with those decisions.

6. Complaints about Members or Officers

- 6.1 If an officer feels a Member is not treating them with politeness and respect, they should consider talking to the Member directly. If they do not feel they can talk to the Member or talking to the Member does not help, they should talk to their Head of Service or Director immediately. The manager approached will talk to the Member or the Leader of their Political Group and may also tell other senior officers. The officer will be told the outcome. Officers may also make a complaint alleging a breach of the Members' Code of Conduct
- 6.2 If a Member feels an officer is not treating them with politeness and respect, they should consider talking to the officer directly. If they do not feel they can talk to the officer or talking to the officer does not help, they should talk to the officer's Head of Service or Director immediately. If the problem continues the Head of Service or Director approached will consider whether to use the Council's disciplinary procedures.

7. Members' enquiries

- 7.1 Officers should answer Members' enquiries, in whatever form, within five working days. If that is not possible, they should send a holding reply. Members should contact a more senior officer in the event that a response is not received within this time. Where a Head of Service considers that the enquiry received

is inappropriate, the Member should be advised of this and the reason or reasons why the enquiry is considered to be inappropriate.

- 7.2 Members have a right to information that is reasonably necessary to enable them to perform their duties. This is often described as the 'need to know'. This principle balances **transparency** and **data protection (GDPR)**.

So, councillors:

- **May** access information relating to committees they sit on, or decisions they must make.
- **May not** access confidential or personal data unrelated to their role or ward casework.

Requests should be **specific** and **relevant** to the member's role.

Officers should respond **promptly** and **respectfully** but can ask for clarification.

- 7.3 When disclosing information, officers should make it clear whether the information should be treated as confidential or can be shared with members of the public and the Member should treat the information accordingly.

- 7.4 The Chief Executive may be asked to resolve any issues relating to Members' enquiries arising from unreasonable delays or dispute about the reasonableness of requests or the need to know principle.

8. **Casework**

- 8.1 Where a Member is making an enquiry of officers as part of their ward casework, officers will normally assume that they have the implicit consent of an individual to disclose personal information about them to the Member but only where:-

- (a) the Member represents the ward in which the individual lives;
- (b) the Member makes it clear that they are representing the individual in any request for their personal information to the local authority; and
- (c) the information is necessary to respond to the individual's complaint.

- 8.2 In all other cases officers may need to seek the explicit consent of the individual to share their personal data with the Member in order to comply with Data Protection Legislation.
- 8.3 Personal information about third parties (i.e. individuals who have not sought the Member's assistance) may only be shared with a Member where the law permits this. See also paragraphs 9.1.3 and 9.1.4 below.
- 8.4 In particular, Members should forward only the minimum information required to only the people that need to see it and be very careful not to forward email chains or attachments which may contain personal data to a wide group of people who should not have access to it.
- 8.5 Members should always follow data protection requirements as set out the guidance for Members.

9. Information and advice

9.1 Requests for written information

- 9.1.1 Members should be provided with adequate information about services or functions on which they may be called upon to make decisions or to scrutinise the decisions of others, or which affect their constituents. This information will normally be made routinely available by officers in the form of reports, departmental plans etc. Members are encouraged to make use of existing sources of information wherever possible.
- 9.1.2 Written information supplied to a Member regarding the implications of current Council policies or containing statistical information about Council services may be copied to the relevant Cabinet Member.
- 9.1.3 The Leader of the Council or Leader of any other Political Group may request the Chief Executive or other designated officer to prepare reports on matters relating to the authority for consideration by the group. Such requests must be reasonable and should not seek confidential information in relation for instance to casework or personal details of applicants for services.
- 9.1.4 Wherever possible, such requests will be met. However, if the officer considers that the cost of providing the information, or the nature of the request is unreasonable or inappropriate, the request will be referred to the Chief Executive for determination, where necessary in consultation with the Leaders of the Political Groups. Requests will also only be met where they comply with Data Protection or other legal requirements.

9.1.5 Officer reports to Political Groups should be limited to a statement of relevant facts, identification of options and the merits and demerits of such options for the authority. Reports should not deal with any political implications of the matter.

9.2 **Briefings**

9.2.1 In order for them to discharge their responsibilities Cabinet Members and Deputy Cabinet Members will be briefed by senior officers (Chief Executive, Directors or Heads of Service) on service issues, proposals and policy development on a regular basis or when urgent issues require it. Regular briefings should normally be monthly but may be agreed in accordance with the requirements of the Member involved but should be proportionate and reasonable.

Chairs of Scrutiny Boards and other bodies should also receive briefings as appropriate.

9.2.2 Relevant senior officers will make themselves available to meet with Shadow Cabinet Members to brief them on service issues on a regular basis (no more than monthly) or as requested. Shadow Cabinet members should be aware that at times the amount of information that officers can share with them may be limited due to issues of confidentiality.

9.2.3 The content of these informal briefing sessions shall remain confidential between officers and the Political Group concerned.

9.3 **News Items**

9.3.1 When an event or development occurs in the city which has or will have a significant impact on the Council or city residents, the Chief Executive will ensure that the Leaders of all Political Groups are informed as soon as possible.

9.4 **Ward Members**

9.4.1 Senior officers should ensure that Ward Members are given information relevant to their ward where appropriate. As well as letting Ward Members know when there has been a significant incident in their ward, Ward Members should be notified about the following types of issue:-

- (a) Public consultation events affecting their wards;
- (b) Proposed changes to services sited within their wards;

(c) Applications and proposals in their wards

- 9.4.2 Ward Members should be invited by officers to public events, such as openings, festivals etc, in their Wards regardless of political affiliation.
- 9.4.3 The Communications Team will advise Cabinet Members of photo shoots taking place. The Team will aim to give 48 hours' notice of any photo shoot to the Cabinet Member.
- 9.4.4 If officers organise a public meeting about a specific Ward issue, all the Ward Members should be invited and given as much notice as possible.
- 9.4.5 If officers undertake consultation about specific ward issues they should consult the Members for that ward at the start of the consultation.
- 9.4.6 Ward Members should be told in advance about anything which particularly affects their ward and which is potentially controversial.

9.5 Officer Attendance at Group Meetings

- 9.5.1 The Leader of the Council or Leader of any other Political Group may ask the Chief Executive or relevant Director to give or arrange a private briefing for the party group on a matter of relevance to the Council.
- 9.5.2 Any briefings offered to a party group will be offered to the other party groups.
- 9.5.3 While officers may attend Political Group meetings at which individuals who are not Elected Members may be present, Members need to understand that those officers' ability to share confidential information with the Group may be limited. In particular officers will not be able to share personal information with third parties present if to do so would cause the Council to breach Data Protection Legislation.
- 9.5.4 Decisions at group meetings are not Council or Cabinet decisions and party groups do not have any delegated authority to make formally binding decisions.

9.6 Advice for Members with Special Responsibilities

- 9.6.1 The Lord Mayor, Cabinet Members and Committee Chairs can ask the Chief Executive, Directors and Heads of Service for extra background information and advice on different courses of action.

9.6.2 Although these Members have additional responsibilities and different relationships because of their more frequent contact with officers, these Members must still respect the impartiality of officers. This includes not asking them to undertake work of a party-political nature, or to do anything which would prejudice that impartiality.

9.6.3 The Leaders of any opposition group can ask the Chief Executive, Directors or Heads of Service for background information or more details about items coming to the next meeting of a Committee or Cabinet. The appropriate Chair or Cabinet Member will be entitled to receive the same information.

9.6.4 Party Group Leaders can ask for advice on presenting their budget in a correct and accurate form. This will be given in confidence.

10. Members' Briefings on Meetings and Reports

10.1 Briefings on Meetings

10.2 The Directors and Heads of Service will give briefings on full Council, Cabinet and Committee meetings to the Leader and Deputy Leader and Committee Chairs as appropriate.

10.3 Requests for reports

10.3.1 Instructions for reports to come to Cabinet or Committees can only come from the Leader, Cabinet, a Cabinet Member in respect of the Cabinet and a Committee or a Committee Chair in respect of Committees. Cabinet Members may ask for reports to come to their Cabinet Member meetings.

10.3.2 Whilst Cabinet Members have political responsibility for drawing up proposals for consideration or for the agenda for a forthcoming meeting, it must be recognised that in some situations an officer will be under a professional duty to submit a report. Similarly, Senior Officers will always be fully responsible for the contents of any report submitted in their name. This means that any such report will be amended only where the amendment reflects the professional judgement of the author of the report. Any issues arising between a Cabinet Member and a Senior Officer in this respect should be referred to the Chief Executive for resolution in conjunction with the Leader of the Council.

11. Support services to Members and Political Groups

11.1 Support services should only be used for Council business. They should never be used for private purposes, for party political or campaigning activity.

12. Correspondence

12.1 Between Members and Officers

12.2 If emails or letters between officers and Members are copied to someone else, they should say so. Blind copies should not be sent. Members should not forward information received from an officer to a constituent or member of the public if that information is expressed to be private or confidential.

12.3 Letters on behalf of the Council

A speedy flow of relevant information and access to debate, particularly at the early stages of any decision-making by the Council, is central to fulfilling those responsibilities. - (c) have the right to attend (including the right to be heard at) any meeting of the Authority (including any meetings at which officer delegated decisions are taken) before any binding decision is taken (including a failure to take a decision where one should have been taken);
- (d) have access to the Leadership Board and receive advance notice of meetings, agenda and reports to those meetings, including the right to attend;

- (e) in carrying out investigation(s), have unqualified and unrestricted access to any information held by the Council and to any officer who can assist in the discharge of their functions.

5. Relationships

5.1 The Monitoring Officer will:

- (b) meet as frequently as necessary with the Chief Executive (Head of Paid Service) and the Director of Finance and Resources (Section 151 Officer) to consider and recommend action in connection with Corporate Governance issues and any legal, ethical standards, probity, propriety, procedural or other constitutional issues that are of concern, that are likely to arise or have arisen;
- (c) develop a close working relationship of respect and trust with:
 - the Leader, Cabinet Members and Ethics Committee with a view to ensuring the effective and efficient conduct of Council business;

- (d) in consultation, as necessary, with the Leader, Cabinet, Ethics Committee and the Council's Independent Persons, defer the making of a formal report under Section 5 of the Local Government and Housing Act 1989 where another investigative body is involved.

serious breach of the Members' Code of Conduct, in accordance with the Council's Complaints Protocol;

- (b) be responsible, on behalf of the Ethics Committee, for preparing any training programme for Members on ethical standards and Code of Conduct;

- (d) Maintain and keep up to date the Member's Registers of Interest and publish those registers along with those for parish councils within the city.

7. The Constitution

- 7.1 The Monitoring Officer will regularly review and monitor operation of the Constitution, reporting changes as necessary through the agreed procedure for amending the Constitution.

8. Member and Officer Responsibilities

- 8.1 To ensure the effective and efficient discharge of the arrangements set out in paragraph 2 above, Members and Officers will report any breaches of statutory duty, Council policies or procedures and other constitutional concerns to the Monitoring Officer, as soon as practicable, who will keep the reporting Members/officers informed as appropriate.

11. Conflicts and Interpretation

11.1 Where the Monitoring Officer has received a complaint or is aware of an event which may lead to them issuing a statutory report, relating to a matter upon which they have previously advised the Council, they shall consult the Chief Executive who may then either refer the matter to the Deputy Monitoring Officer for investigation and report to the Chief Executive, or ask a neighbouring authority to make their Monitoring Officer available to investigate the matter and report to the Chief Executive and/or the authority as appropriate.
